NEWS AND NOTES: The AP's #1 team in the country had fallen for 2 straight weeks but Oregon faced UCLA at home so there was no such pressure. Their quick strike offense dominated UCLA which was playing without starting QB Prince. UCLA's first 2 drives were solid but one resulted in an int at the 10 and the other was a 25 yd FG. Each drive was time consuming and Oregon basically used 2:00 drives all game and scored TD's on their first 4 poss which included a 4&6, 25 yd pass to the 16. The Ducks led 32-3 at the half with a 357-136 yd edge. UO did get a 6/1pl TD drive after recovering a fmbl and later a 2/1pl drive after rec another fmbl with 4:46 left. UCLA scored a TD with 1:53 left for the final 60-13 margin...Cincinnati's defense has 8 soph starters, the youngest D in the BCS. The BJ Daniels-led USF offense hadn't scored a TD in the last 2 games and while UC had 29-13 FD and 590-378 yd edges, USF had a couple of big plays incl a 70 yd TD pass and led by 2 scores for most of the 2H. UC QB Collaros was inj'd (check status) and Chazz Anderson came in for UC's final drive. USF led 24-16 when UC was SOD at the USF30 and on the next play USF got a 70 yd TD pass to lead 31-16. They also led 38-23. ÚC got a TD with 5:28 left and USF conservatively ran it 3x and punted. UC with Anderson in at QB got to the USF16 needing a TD and 2 pt for the tie but on 4&5 under lead 31-16. They also led 38-23. UC got a TD with 5:28 left and USF conservatively ran it 3x and punted. UC with Anderson in at QB got to the USF16 needing a TD and 2 pt for the tie but on 4&5 under heavy pressure, he threw incomplete...The situation greatly favored Ohio St last week. They were off a loss, were no longer playing with pressure of an unbeaten season so they could unleash the offense and were playing with legitimate revenge after losing only one B10 game the previous year and that was an upset loss to Purdue. As you would expect, the Buckeyes dominated. At the half it hey led 42-0 scoring TD's on 6 of their 8 poss as they punted once and were int'd at the PU16. OSU had a 415-47 yd edge. OSU went through the motions in the 2H with backup QB's Joe Bauserman and Kenny Guiton in but still added a TD on a 67/10pl drive with 7:24 left... Rutgers' top WR Mohamed Sanu, who was also the team's leading rusher and operates the team out of the Wildcat offense, only had 1 rush att due to inj. Chas Dodd, in his first true road start hit 8-19-62 with an int and Dion Lewis got on track with 130 yards rushing and 7.6 ypc. Of course RU was playing with a heavy heart for DL Eric LeGrand and we are hopeful that he is able to make a full recovery after his injury vs Army. Pitt had 24-12 FD and 513-203 yd edges. At the half it was 247-93 but RU blocked a punt for a TD to set up the tie. Pitt scored 3 TD's and 2 FG's on their first 5 poss of the 2H to lead 41-14 and RU got a garbage TD with 1:30 left...Ohio only had a 371-343 yd edge vs Miami but had a 6-2 TO edge. MU jumped out to a 7-0 lead but in the 1H would miss FG's of 45 and 25 yards and OU led 13-7 despite MU having a 183-177 yd edge. MU fmbl'd early 3Q setting up a 48/1pl TD by OU. Trailing 27-13 MU was int'd and ret'd 68 yards for a TD and after a 63/12pl drive settled for a 19 yd FG and trailed 27-10 at the half IN had a 27-11ed fine and the first own 23 set Illinois up for a 2pl TD and Indy was also int'd and ret'd 68 yards for a TD and after a 63/12pl drive 227-164 yd edge but a fmbl at their own 23 set Illinois up for a 2pl TD and Indy was also int'd and ret'd 68 yards for a TD and after a 63/12pl drive settled for a 19 yd FG and trailed 27-10 at the half. Ill blk'd 2 Indy punts to open the 3Q and while they fmbl'd after the first, they blk'd the 2nd for a safety to lead 29-10. IL closed the scoring with a 66 yd IR TD with :44 left... Penn St was off a loss and off a bye which helped their LB corps get healthier. Minnesota was playing their first game under interim HC Horton and with President Obama scheduled to make an on campus appearance, the home attendance was announced at 48,479. It was smallest crowd in 12 games at TCF Bank Stadium and even appeared smaller than that. PSU QB Rob Bolden who came in with a 2-6 ratio the previous 5, at one point hit 9 straight passes but was inj'd in the 2Q. They bypassed backup Kevin Newsome (flu) for 3rd string Matthew McGloin. McGloin's first pass was a 42 yd TD which made it 21-7. McGloin had an uneven game hitting 6-13-76 and was int'd on the next drive. PSU led 31-14 but UM got a TD with 5:01 left to pull within 12. PSU missed a 37 yd FG and UM did get to the PSU39 where they had an uneven game hitting 6-13-76 and was int'd on the next drive. PSU led 31-14 but UM got a TD with 5:01 left to pull within 12. PSU missed a 37 yd FG and UM did get to the PSU39 where they were SOD on 4&7...It was the Irish's most lopsided loss vs Navy since 1963. It was a Navy home game in an NFL Stadium but ND had a healthy amount of the crowd. ND was playing without their top 2 WR's, Theo Riddick and Michael Floyd and also one game earlier TE Kyle Rudolph was ruled OFY with inj. Two crucial int's and an SOD changed the game. ND on their opening poss had a 4&gl at the 1 but were SOD. Trailing 14-10 they were int'd at their 30 with 1:59 left in the half setting up a Navy 5pl drive with the TD coming with :14 left in the half to lead 21-10. ND was also int'd at the Navy 27 and the Mids went 73/10pl for a TD to lead 35-10. ND was SOD at the Navy29 in the 3Q and Dayne Crist was replaced by Tommy Rees and Rees led a 76/10pl TD drive with 6:12 left. Navy went 37/10pl ending the game at the ND35 and beat the Irish for the 3rd time in 4 years having lost the previous 43...Syracuse RB Delone Carter left the game in the 2Q with injury but backup Antwon Bailey rushed for 94 yds on 19 carries. WV finished with a 286-246 yd edge. WV jumped to leads of 7-3 and 14-10 and then rec'd a fmbl'd KO and had a 1st&gl at the SU8 but was int'd at the goal line. Geno Smith came in with a 17-3 ratio completing 68% but hit just 20-37-178 yd with 3 int and 5 sks. He was int'd on the 3rd play setting up an SU 28 yd FG. His 2nd int cost WV a chance to score and set up SU for a 19 yd FG. Smith was int'd a 3rd time in the 1H and ret'd 48 yds to the WV12 setting up a 22 yd FG. At the half WV had a 185-178 yd edge but trailed 19-14. The 2H was mostly punts and WV's got to the SU20 with plenty of time but Smith took a sack on 2nd & 10 and on 4&22 was sk'd again...lows St came in having allowed 52 and 68 points the previous 2 weeks. Texas lost their 2nd game as a big fav this year. After the game HC Paul Rhoads called their first ever win o SOD at the EC11. EC went 89/9pl for a TD to put it away, 37-10... There were some key plays in lowa's loss to Wisconsin. Iowa had a great situational edge in the fact that UW was off their upset of Ohio St and they were at home. In the 1H lowa had an xp blk'd and on a 30 yd FG att with 3:13 left in the half, they bobbled the snap and didn't get the kick off. UI led 13-10. The Hawkeyes led 27-24 when they got an int at the UW26 and had a chance to put the game away but settled for a 40 yd FG. UW's P ran up the middle and got a 17 yd run to the 43 as UI peeled back to cover the punt. UW later they got an int at the UW26 and had a chance to put the game away but settled for a 40 yd FG. UWs P ran up the middle and got a 17 yd run to the 43 as UI peeled back to cover the punt. UW later converted on 4&4 and got a TD with 1:06 left. The final crucial mistake came when UI got a FD at the UW39 with :12 left. The officials stopped the clock to move the chains, UI lined up at the LOS and all they had to do was spike the ball to save their last time-out. Instead, they called their final time-out needing a FG to win. A short pass for a 4 yd gain was tki'd inbounds and without the time-out the clock ran out...Nebraska's Taylor Martinez set a frosh record with 329 yards passing and threw a career high 5 TD's. This came after not having thrown more than 150 yards in his first 6 starts. OSU's Kendall Hunter rushed for 201 yards. Justin Blackmon had 157 yards in rec. In the 1H Oklahoma St actually had a 344-255 yd edge and led 27-24 when Nebraska got a TD with :55 left in the half. The 2H was controlled by NU...Boston College lost 3 defensive starters to inj vs Maryland. TO's also hurt them in the 1H. MD got drives of 38 and 22 yds for TD's following TO's as Antwine Perez had 2 int and a FR and led 21-7 at the half with a 117-110 yd edge. MD led 24-7 after 3Q's. BC got 2 TD's to pull within 24-21. On their final 2 drives they dropped a slant pass on 4&3 at the MD31 and after MD went for it on 4&1 at the BC35 with 1:50 left, BC was spotted inches short on 4&1 with 1:13 left. MD took a knee twice...Clemson had their 3rd crack at the Segion and about 100 below their season and about 100 below their season and about 100 below their season and shout 100 below their season and spout 100 below their season and cold controlled matters early as on their first 4 poss they or 2 TD's and settled for a 2 short FG's and missed to 242 rush yds, their lowest rush total of the season and about 100 below their season avg. CU controlled matters early as on their first 4 poss they got 2 TD's and settled for a 2 short FG's and missed one and led 17-0. CU led 24-6 when GT converted on 4&2 then on 4&6 got a 9 yd TD pass to make it 24-13. GT missed a FG with 11:04 left and CU went on a 7:36 drive of 64/15pl and settled for a 22 yd FG with 3:28 left to make it 27-13 and GT threw a desperation pass on its next play that was int'd...Colorado QB Tyler Hansen hit 9-10 passes for 62 yds but left with inj. Cody Hawkins still had CU in good shape hitting frosh Paul Richardson with 3 & 60 yd TD passes. Richardson bécame the first frosh in school history to have 2 TD's rec in the same game. CU led 24-14 but missed a 35 yd FG with 12:49 left and Texas Tech took its first lead of the game with a 36 yd FG with 2:08 left in their 27-24 win...Cam Newton is the clear-cut favorite to win the Heisman Trophy and had a big game vs LSU's excellent D. Auburn had a 526-243 yd edge. LSU was int'd at the AU14 but AU missed a 39 yd FG with 2:45 left 1H and LSU on 3&gl got a 2 yd Jefferson TD run to tie it at 10. Newton may have won the Heisman on a spectacular 49 yd TD run to make it 17-10 but LSU had a RB pass from Spencer Ware to Rueben Randle go 39 yds for a TD with 12:16 left to tie it. Three times LSU's punter pinned AU at the 1. AU had the ball at their own 30 and with LSU's D keying on Newton, Onterio McCalebb took off 70 yds down the sideline for a TD with 5:05 left...Ark's Ryan Mallett hit 13-24-196 and

pinned AU at the 1. AU had the ball at their own 30 and with LSU's D keying on Newton, Onterio McCalebb took off 70 yds down the sideline for a TD with 5:05 left...Ark's Ryan Mallett hit 13-24-196 and the game vs Mississippi was delayed by weather twice. Mallett DNR after the 2nd delay. Arkansas had some big plays as they were outFD'd 21-16. Joe Adams got a 97 yd PR TD, the longest in school history, topping the record set by Ken Hatfield who had a 95 yd PR TD vs Tulsa in 1963. Arkansas did lead 24-3 early 3Q but Mississippi battled back to 24-17. On 2nd & 10, Davis got a 71 yd TD run to make it 31-17. UM got a TD with 9:04 left and UA answered with 7:15 left, 38-24. UM went 75/7pl but on 3&gl from the 3 fmbl'd costing them a shot at the cover. UA punted with 1:06 left and UM got to the UA27 but their final pass was incomplete...UAB had a 24-18 FD edge vs Miss St but there were 6 key plays which cost them the game. The game was tied at 10 at the half but UAB had a 207-103 yd edge. The first key play happened when UAB had a 1st & gl at the 3 but settled for an 18 yd FG. UAB fmbl'd the punt at their own 35 setting up an MSU TD early 20. MSU was pinned at its 1 when they got a 55 yd punt and illegal blk which changed the field position with UAB taking over at their 26 mid-2Q. In the 3Q UAB trailed 20-17 when they were SOD at the MSU31. UAB got a TD with 10:16 left, 24-23. There was a pers foul on the KO so MSU started at the UAB42. The next key play happened when MSU on 4&4 got a 6 yd run for a FD which set up their go-ahead 39 yd FG with 6:53 left. MSU was trying to run the clock taking over with 5:31 left at their own 29 when another key play happened. a 51 yd run by Perkins on 2nd & 14. That set up a 28 yd FG with 1:48 left. UAB taking over with 5:31 left at their own 29 when another key play happened, a 51 yd run by Perkins on 2nd & 14. That set up a 28 yd FG with 1:48 left. UAB still had a shot but fmbl'd the KO at their own 33 and on 3&2 MSU got a 10 yd QB run to escape with a 29-24 win.

Continued on page 2

FRONTDOOR / BACKDOOR COVERS - The situation was great for Northwestern LW but they blew some opportunities. NU controlled the game leading 17-0 but MSU took over with 6:07 left in the half and got a TD with 2:49 left to get back in it, 17-7. In the 3Q MSU had a the wind at their back and after NU's 32 yd punt (obviously), MSU drove 48/3pl for a TD. NU drove 80/15pl for a TD to lead 24-14 after 3Q's. MSU on 4&6 took a delay pen and on 4&11 with Fitzgerald calling for a punt safe, MSU faked it. Their P's pass was covered by NU's starting CB but he turned to the sidelines as he does on punt safes to avoid being hit in the back by the punt. The receiver hauled in a 21 yd pass to the 15 and they got a TD on the next play. MSU took over with 7:18 left after an NU punt. On 3&16 they gained 14 yds and on 4&1 got an 8 yd pass. The TD came on a tipped pass which was hauled in by Cunningham for a 28-27 lead with 2:00 left. A crucial pers foul on NU made it 1st & 25 so on 4&12 they fired incomplete from their 31. MSU on 3&15 with a FD basically ending the game got a 25 yd TD run by Baker with 1:07 left putting them ahead of the spread for the only time in the game...Idaho dominated New Mexico St in the 1H. They scored on 5 of their first 6 poss and led 31-0, the last score coming with :48 left in the half. NMSt got a 17 yd TD pass with :07 left to make it 31-7 at the half. NMS did miss a 43 yd FG in the 3Q and with 7:30 left in the game, trailing by 27, were stopped on 4&gl at the 1. NMS fmbl'd the punt at their 25 and Idaho got a 47 yd FG for a 37-7 lead and NMS punted with just 1:10 left but Idaho fmbl'd the punt at their 28 and on 3&10 NMS got a 28 yd TD pass with :19 left for the backdoor cover... South Carolina had 25-11 FD and 484-250 yd edges vs Vanderbilt but actually trailed 7-0 when they took over with 1:03 left 1H. They went 59/7pl and got a TD on a 15 yd pass with :12 left to tie it at 7. In the 3Q SC went 93/12pl to lead 14-7 then went 56/9pl and had a 26 yd FG blk'd. It was still a one score game when SC took

game clinched until late as WY on 4&10 at the BYU25 had a pass batted in the air and caught by an OL for a 6 yd loss.

These Power Play Forecasts are the most unique in the country because they are based on Northcoast Sports' Private Power Ratings. Our ratings are unlike any computer rating, as we take into account all of the following: Strength of Opponents Individual Units (Rushing Offense and Defense, Passing Offense, & Defense, Scoring Offense and Defense, Garbage Yards, Weather, Injuries, Home Field Edge, and Successful Unbalanced Attacks). Here is how each is reflected:

Strength of Opponent: Our ratings do not just take the opposing team's overall power rating into account. For example, in 1992, Washington's defense vs the rush was rated at a "110" (From 1-100). They faced Colorado and allowed 183 yds rushing and dropped 12 spots in the national rushing defense ratings. However, Power Plays took into account the potent Buffalo run attack and had forecasted the Huskies yielding 225 yds. Due to the fact they did better than the

forecast, Power Plays raised their rating to 112 even though they slipped in the national (straight yardage) rankings.

Another example was Michigan vs Purdue in 1989. Michigan held Purdue to just 45 yards rushing and improved their ratings in rushing defense in the national statistics.

However, our ratings had them rated at a 102 and moved them down to 99, as they should have yielded just 32 yards to an impotent Purdue rush attack. Next time an announcer on TV tells you that a certain team is #3 in the country vs the run you better check Northcoast Sports' Power Ratings and see how good a rush defense they really have! The top twenty ratings in Power Ratings for each offensive and defensive category will be listed in each week's issue of Power Plays.

Garbage yards: These are yards that a team gains or allows in the final minutes of a game when it has been decided. For example, Team A is ahead 63-0 and allows 93 yards passing for a TD vs its fourth string defense. These yards are counted into national ratings, but not in Northcoast Sports' Power Ratings!

Weather: If a game is played in miserable weather conditions and is low scoring, the straight statistics credit the defense with outstanding performances. Our

Power Ratings reflect the conditions and do not give excess credit to the defenses.

Injuries: When South Carolina played NC State in 1989, South Carolina QB Todd Ellis was injured on the third play of the game. His backup, who had seen very little ac-

RIG FAST

tion all year, was not prepared and hit on just 4 of 13 passes for 65 yards. The offensive coordinator did not risk any passes. In the national statistics NC State's pass defense MOVED UP 14 NOTCHES. In our Power Ratings they stayed the same, as the low yardage WAS NOT reflective of an outstanding performance by the defense.

Home Field Edges: The weekly projection of yards and points is weighted with the home field factored in.

Successful Unbalanced Attacks: In 1989, Ohio St was held to 127 yards passing vs Northwestern. This dropped OSU in the national passing offense ratings & RAISED the Wildcats in the pass defense ratings. In our ratings the two units remained rated the same. Why? OSU rushed for 456 yards & DID NOT

HAVE TO PASS & when they did they hit 9 of 11 passes, which is VERY effective. While Northwestern's pass defense looked good in the national ratings, only Northcoast Sports' Power Ratings reflected the TRUTH!

There you have it. More than just numbers, THESE RATINGS REFLECT the true strength of each unit and allow them to have the most accurate forecast of yards gained and points allowed in the country! No other rating system takes into account all the previous factors. Next time you hear that a team is rated third in the country in pass defense, just remember, yards are not everything and Northcoast Sports' Power Plays will show you how strong the team really is.

CUSTOMER APPRECIATION DAYS ARE HERE! • THANK YOU FOR BEING A POWER PLAYS SUB! • SEE PG 8 FOR SPECIAL WEEKEND RATES!

The Power Ratings listed below are not based on the Power Plays, they are based on last year's final computer power rating numbers with the pluses and minuses from the off season changes factored in. They are then adjusted during the course of the season based on the final score of the games that are played on a weekly basis. The Power Ratings listed below can be used for you as a base power ratings to forecast up coming lines and strength of opponents, etc. Once again, they are not based on Power Plays and they differ from what we have shown in recent years, which has been our actual computer Power Ratings. These are Northcoast Sports Plus or Minus Power Ratings.

These rankings go far beyond the NCAA's straight statistical ranking of each team. For example last year Bowling Green ranked #3 in the NCAA avg 40.8 ppg, but ranked #39 in our scoring off rankings. However they faced the #114th schedule of scoring defenses. As you can see, the NCAA's statistical rankings can be misleading. In the upcoming weeks we'll provide examples of this year's statistical disparities. These are the current rankings for this year. Here are the teams that have taken on the toughest & easiest schedules

NOTE: Power Plays - PP COMMERCE FOOTBALL OCTOBER 28-30, 2010

Welcome to this week's issue of Power Plays. The Power Plays Newsletter consists of forecasts that are made by a special Power Plays rating system. This is a system developed many years ago and we regard it very highly. In our final analysis of the plays the Power Plays beneated takes up anywhere from 25 to 30% of our total analysis. You will see in the Power Plays Newsletter in the will be power Plays Selected and these forecasts are based purely on the power plays forecasts. We want to make it clear that this is the Power Plays Newsletter and these forecasts are based purely on the power plays forecasts. You should never us upon the power plays forecasts. We want to make it clear that this is fine the power plays should never us the power plays forecasts. As a 44 Play, yet we are on the other side of the game, we indicately state that the Will keep the other side of the game, we may be added that we like the other and that said her are and the state of the game, we may be a forecast. We want to make it clear that the like the other that we like the other that the like the other that the like that the like that the like that the like the other that the like the other that the like the other that the like that the like the other that the like that the like the other that the like the other that the like the other that the like that the like the other that the like that the like the other that the like the other that the like that the lik

SATURDAY, OCTOBER 30th

| | Yards | Yards | | Turn | Special |
|------------|---------|---------|--------|-------|---------|
| | Rushing | Passing | Points | Overs | Teams |
| SYRACUSE | 113 | 205 | 24 | 1.7 | _ |
| CINCINNATI | 127 | 320 | 29 | 2.0 | - |
| | | | | | |

UC is 5-0 SU, 4-1 ATS vs Syr but Syr has already toppled 2 BE foes on the road as more than a TD dog in each (USF, WV). PP says UC wins by 5, but there is no line as of Monday due to UC QB Collaros' inj.

| NO PLAT: CINCINNATI 29 5 TRACUSE 24 | | | | | | | | | |
|-------------------------------------|---------|---------|--------|-------|----------|--|--|--|--|
| | Yards | Yards | | Turn | Special | | | | |
| | Rushing | Passing | Points | Overs | Teams | | | | |
| UAB | 128 | 210 | 23 | 3.2 | V | | | | |
| SOUTHERN MISS | 172 | 240 | 32 | 1.7 | _ | | | | |

SM is 9-1 SU (5-2 ATS run) in the series, but lost outright LY as a 9' pt AF. PP says that SM will win by 9 with a 412-338 yd edge. Blazers have covered 4 of their L5 (all as a dog) and we lean with UAB +10.

| NO PLAY: 500 I HERN MISS 32 UAB 23 | | | | | | | | |
|------------------------------------|---------|---------|--------|-------|---------|--|--|--|
| | Yards | Yards | | Turn | Special | | | |
| | Rushing | Passing | Points | Overs | Teams | | | |
| PURDUE | 106 | 135 | 10 | 2.8 | - | | | |
| ILLINOIS | 204 | 200 | 31 | 2.4 | VV | | | |

IL has lost a series-high 5 str to PU all by 8+ pts, but PP predicts an end to that as it shows IL with a 21 pt win and a commanding 404-241 yd edge.

3★ ILLINOÍS 31 PURDUE 10 Yards

| | Yards | Yards | | Turn | Special |
|-----------|---------|---------|--------|-------|---------|
| | Rushing | Passing | Points | Overs | Teams |
| MIAMI, FL | 228 | 215 | 32 | 1.8 | _ |
| VIRGINIA | 107 | 155 | 13 | 3.8 | _ |
| | | | | | |

The L2Y UM has outgained UVA by a combined 496 yds winning by an avg of 38-17. PP calls for UM to win by 19 with a 443-262 yd edge and we agree.

4★ MIAMI, FL 32 VĬRGINIA 13 Yards Passing Yards Rushing Special Teams Points Overs LOUISVILLE 143 170 22 1.9 **PITTSBURGH** 197 240 33 1.9 VV

The visitor and the Cards are 7-2 ATS in this series but UL has dropped B2B gms being outscored by 25+ pts in each. PP calls this right around the line but we lean with Pittsburgh.

NO PLAY: PITTSBURGH 33 LOUISVILLE 22

| | Yards | Yards | | Turn | Special |
|-------------|---------|---------|--------|-------|---------|
| | Rushing | Passing | Points | Overs | Teams |
| MICHIGAN ST | 75 | 245 | 22 | 2.3 | _ |
| IOWA | 130 | 255 | 29 | 1.8 | . – . |

The L3 gms in this series have come right down to the wire and 16 of the L22 have been decided by 7 pts or less. PP calls for lowa to win by 7 which is right around the line.

NO PLAY: IÓWA 29 MICHIGAN ST 22

| VANDERBILT | 137 | 118 | 13 | 2.1 | V |
| ARKANSAS | 204 | 373 | 35 | 1.8 | _ |

Ark is in a sandwich situation off a win over Ole Miss with a trip to #17 SC on deck. PP says that Ark will win by 22 with a 577-255 yd edge but that is right around the line.

NO PLAY: ARKANSAS 35 VANDERBILT 13

| | Yards Rushing | Yards Passing | Points | Turn Overs | Special Teams |
|----------------|------------------|------------------|--------|---------------|------------------|
| KENTUCKY | 81 | 230 | 21 | 2.0 | VVVV |
| MISSISSIPPI ST | 209 | 125 | 30 | 1.3 | _ |

The visitor has won and covered the L4 in this series and 4 of the L5 including the L3 str have been upsets. PP says MSU wins by 9 (line 7) but we will pass on this.

NO PLAY: MISSISSIPPI ST 30 KENTUCKY 21

| | Yards Rushing | Yards Passing Points | | Turn Overs | Special Teams |
|-------------|------------------|-------------------------|--------|---------------|------------------|
| | | | Points | | |
| AUBURN | 260 | 173 | 38 | 2.1 | VV |
| MISSISSIPPI | 171 | 253 | 28 | 2.6 | |

Aub survived LSU LW to become the SEC's only remaining undefeated tm. PP says AU will keep their streak alive with a 10 pt win (line 7), but UM HC Nutt is 8-0 ATS vs Top 10 tms.

NO PLAY: AUBURN 38 MISSISSIPPI 28

| | Yards Rushing | Yards Passing | Points | Turn Overs | Special Teams |
|--------|------------------|------------------|--------|---------------|------------------|
| BAYLOR | 134 | 213 | 25 | 2.1 | V |
| TEXAS | 137 | 308 | 30 | 2.4 | _ |

The visitor is 10-4 ATS in this series but BU has dropped 12 str to UT by an avg loss of 39 ppg. PP says that UT will only win by 5 (line 7') but we like Texas here.

NO PLAY: TEXAS 30 BAYLOR 25

| | Yards Rushing | Yards Passing | Points | Turn Overs | Special Teams |
|---------|------------------|------------------|--------|---------------|------------------|
| KANSAS | 160 | 213 | 17 | 3.1 | - |
| IOWA ST | 241 | 233 | 43 | 1.0 | V |

The visitor is 4-14-1 ATS but has covered the L3. We can't lay that many pts with ISU off their huge win over Texas and as of presstime there is no line due to QB inj's at Kansas.

NO PLAY: IOWA ST 43 KANSAS 17

PRO FOOT BALL OCT OBER 3 st & NOVEMBER 1st, 2010 Prover Plays is based upon statistical numbers & rankings that are used to develop the projections you see here. As with all

types statistical information the more numbers that one inputs ordinarily the stronger the accuracy of the results. Therefore, one would expect the projections to be more reliable after a number of weeks worth of stats are input. The numbers in parenthesis are a comparison of the teams rankings (Visitor, visitors offense ranking vs home defense ranking, Home home offensive ranking vs visitor defensive ranking) over each teams last 4 games.

SAN FHANCISCO 136 225 24 1. / #23 (DEN #26 vs SF #9, SF #27 vs DEN #27) - London, UK - SF had LW's game in hand up 7 with 4 min left but were picked apart when they went into a prevent defense. OB Smith (shoulder sprain) was KO'd after the 1st drive of the 2H & SF had just 20 yds on its next 4 drives under Carr. DEN was crushed 59-14 by OAK LW being outgained 508-240. DEN won't arrive here until Friday while SF departed immediately after the CAR game to adjust to the time difference. The early weather is 50 deg & light rain with little wind. There is no firm line due to Smith's injury, the mental state of DEN (tms are 5-9-1 ATS after allowing 50+ to a Div foe), SF is only +52 yds here & this is a No Play.

NO PLAY: 49ERS 24 BRONCOS 21

| | Rushing | Passing | Points | Overs | Teams |
|--------------|---------|---------|--------|-------|-------|
| JACKSONVILLE | 95 | 112 | 16 | 2.2 | #11 |
| DALLAS | 119 | 308 | 31 | 0.8 | #27 |

(JAX #24 vs DAL #4, DAL #2 vs JAX #22) - JAX had the early edge vs KC LW as the Chiefs didn't know what they'd get out of Bouman. JAX was held to 6 FD, 95 vds & 7 pts in the 2H. While QB Garrard (concussion) is expected to return he likely won't have RT Britton (left shoulder) here. DAL has massive stat edges here & regardless of MNF their WR matchups vs a JAX secondary allowing a 16-4 ratio with an 8.9 vpa (Rivers has best QB ypa 8.7) is huge. Without a true line & with DD Fav's being 3-6 ATS TY we'll take the home team but hold off on a stronger play.

| | Rushing | Passing | Points | Overs | Teams |
|-----------|---------|---------|--------|-------|-------|
| GREEN BAY | 90 | 230 | 18 | 2.6 | #28 |
| NY JETS | 163 | 238 | 29 | 1.4 | _ #7 |

(GB #13 vs NYJ #14, NYJ #10 vs GB #31) - The Jets defense matches up well vs the Packers offense here & they have a big advantage with their offense vs GB's beat up defense. GB is off a big emotional SNF game vs MIN & have another SNF game vs DAL on deck. PP only calls for the Jets to have an 81 yd edge here but they have a massive spec teams edge, TO edge (+10 vs -1), a balanced offense & one of the best secondaries in the NFL here. PP likes them to win comfortably & we agree.

4★ JETS 29 PACKERS 18

| | Rushing | Passing | Points | Overs | Teams |
|----------|---------|---------|--------|-------|-------|
| CAROLINA | 126 | 155 | 12 | 2.3 | #18 |
| ST LOUIS | 172 | 143 | 18 | 1.1 | #24 |

(CAR #30 vs STL #5, STL #23 vs CAR #7) - The Panthers pulled in a season high 379 yds while earning their 1st win. Moore had a solid game with 308 yds (68%) with a 2-1 ratio & was helped out by CAR sticking to the run (34 att's 2.2). STL had 17-3 lead on the road but were too conservative in the 2H as they were outFD 12-6 & outgained 198-86. The Rams are 3-1 SU & ATS at home TY & should have beaten ARZ in the opener. They have a healthy & underestimated defense TY & we agree with PP here for a small play.

1★: RAMS 18 PANTHERS 12

| | Yards Rushing | Yards Passing | Points | Turn Overs | Special Teams |
|------------|------------------|------------------|--------|---------------|------------------|
| MIAMI | 110 | 233 | 26 | 2.2 | #31 |
| CINCINNATI | 98 | 300 | 27 | 1.7 | #30 |

(MIA #8 vs CIN #17, CIN #7 vs MIA #15) - Despite being the 3rd best team in the AFC East the Dolphins are showing quite a bit of toughness TY winning all 3 road games SU & ATS & playing PIT to a standstill LW. Palmer had his best game of the year LW (412 yds 72% 3 TD) but little mistakes at key points did them in. CIN is a poor HF (0-6 ATS), MIA is a solid dog (9-2 ATS) & PP likes MIA to keep it close here in a higher scoring game & we agree.

3 ★ DOLPHINS 26 (+) BENGALS 27

4★ DOLPHINS/BÈNGALS: OVER

| | Yards Rushing | Yards Passing | Points | Turn Overs | Special Teams |
|-------------|------------------|------------------|--------|---------------|------------------|
| BUFFALO | 121 | 160 | 20 | 2.3 | #17 |
| KANSAS CITY | 228 | 183 | 32 | 1.6 | #2 |

(BUF #15 vs KC #12, KC #6 vs BUF #32) - We were impressed with the Bills effort vs the Ravens as they more than doubled their season avg in yards LW (506 yds) & took them to OT. Fitzpatrick has functioned rather well in the Bills offense with 3 games of 92+ QBR's in his 4 starts. However the defense is a train wreck as they can't stop the run (#32 4.8), pressure the QB (#29 13 sacks), & are -13 in the TD/Int departwhere as they can't stop the Turi (#32 4.6), pressure the Uso (#29 13 sacks), & are -13 in the FD/Int depart-ment. KC's coaching staff flexed its muscle LW adjusting to JAX in the 2H with a 237-95 yd margin & 28-7 score. PP calls for KC to own a 411-281 yd edge as BUF comes back to earth a bit here & while we agree BUF's desperation here keeps us from making this a stronger play but the Total is attractive.

1★ CHIEFS 32 BILLS 20

4★ CHIEFS/BILLS OVER

| | Yards Rushing | Yards Passing | Points | Turn Overs | Special Teams |
|-----------|------------------|------------------|--------|---------------|------------------|
| TENNESSEE | 105 | 103 | 27 | 1.6 | #15 |
| SAN DIEGO | 83 | 318 | 23 | 2.9 | #32 |

(TEN #25 vs SD #1, SD #5 vs TEN #18) - TEN was in a good situation LW vs a PHI team on the road off a big win vs ATL minus 3 key starters (WR Jackson, LT Peters, DT Bunkley). Now they have to travel cross country with Collins as the likely starter (Young - high ankle sprain) vs a SD team that has monster stats (#1 & #1), outgained NE 363-179 despite missing its #1 & #2 WR's. Rivers spread the ball to 10 different players LW & despite 4 TO's had the team in position to send it to OT. PP leans with TEN here but we like the home team here so No Play.

NO PLAY: TITANS 27 CHARGERS 23

| | Yards Rushing | Yards Passing | Points | Turn Overs | Special Teams |
|-----------|------------------|------------------|--------|---------------|------------------|
| TAMPA BAY | 103 | 188 | 19 | 2.5 | #19 |
| ARIZONA | 144 | 153 | 20 | 2.7 | #13 |

(TB #21 vs ARZ #21, ARZ #32 vs TB #24) - TB rallied from 17-3 to beat the Rams on a great 16 play/81 yd drive to go ahead with 10 sec left in the game. Now they have to go cross country with a weak run game (#22 4.0), a weak run defense (#31 5.3) & an even weaker pass rush (#32 just 5 sacks). ARZ will likely wait until game time to announce the QB as Hall (mild concussion) was KO'd of LW's game. After turning the ball over 5 times LW look for ARZ to put the ball in the hands of Wells/Hightower who combined for 113 yds (5.7) LW. PP likes ARZ to keep this within the number here but we like the Cardinals at home & think their maligned defense can step up here so No Play.

NO PLAY: CARDINALS 20 BUCS 19

| | Yards | Yards | | Turn | Special | | |
|---------|---------|---------|--------|-------|---------|--|--|
| | Rushing | Passing | Points | Overs | Teams | | |
| SEATTLE | 122 | 138 | 18 | 1.9 | #5 | | |
| OAKLAND | 148 | 238 | 24 | 1.8 | #14 | | |

(SEA #28 vs OAK #28, OAK #17 vs SEA #16) - SEA dominated LW's game vs ARZ forcing 5 TO's, holding the ball for 14:24 longer, held ARZ to just 2 of 12 on 3rd Dns. However they settled for 1 TD, 4 FG's & were SOD on 6 drives inside ARZ's 15. OAK is off a franchise best 59 pts vs DEN & had 461-157 yd edge when they let up on the gas after 3Q. While PP gives OAK a 386-260 yd edge keep in mind OAK is 0-11 ATS as a HF, 0-6 SU & ATS after winning SU as a dog & 1-5 after scoring 27 or more. SEA is a much more energetic team under Carroll & this is a No Play as OAK is too inconsistent.

NO PLAY: RAIDERS 24 SEAHAWKS 18

| | Rushing | Passing | Points | Overs | Toomo |
|----------------------|----------------------|----------|-----------------|----------|--------------|
| | | | Points | Overs | Teams |
| MINNESOTA | 110 | 213 | 20 | 2.5 | #10 |
| NEW ENGLAND | 92 | 245 | 29 | 1.6 | #1 |
| AMINI HOO WA NIE HOE | NIT HOO WA MINI HIO) | NIT wort | araaa aauntuu 0 | unaat an | inium, donla |

| | Rushing | Passing | Points | Overs | Teams |
|-------------|---------|---------|--------|-------|-------|
| PITTSBURGH | 82 | 188 | 24 | 1.5 | #8 |
| NEW ORLEANS | 58 | 295 | 18 | 2.3 | #9 |

on a Roethlisberger fumble while escaping with the win. Lost in the excitement of the game is that they lost one of their most important players on the team with DE Aaron Smith (torn triceps) & OLB Woodley (#2 3.5 sacks) is unknown with a hamstring. NO was flat out embarrassed by a team with a rookie QB for the 3rd time this season. They are only 1-10-1 ATS in reg season play & will be highly focused with a boisterous home crowd here. NO may get RB Bush back here to help soften up PIT's defense. PP gives NO a 353-270 yd edge but leans with PIT here & we are undecided so No Play.

NO PLAY: STEELERS 24 SAINTS 18

Get the Sunday Night winner on the Northcoast Debit Card System for only \$9 after 11:00 am EDT on Sunday. Marquee PPH Plays are 9-3-1 the last 2 weeks! Last week the Sunday Night Play also was our Top Weekly NFL Late Phone Play!

MONDAY, NOVEMBER 1st

| | Rushing | Passing | Points | Overs | Teams |
|--------------|---------|---------|--------|-------|-------|
| HOUSTON | 116 | 233 | 23 | 1.4 | #29 |
| INDIANAPOLIS | 104 | 338 | 36 | 1.1 | #21 |

(IND #4 vs HOU #30, HOU #16 vs IND #19) - HOU beat IND in the season opener 34-24 as a 1 pt HD. RB Foster abused the Colts defense for 231 yds (7.0) & Manning was playing behind an unsettled OL. Both teams have big injury issues with HOU losing MLB DeMeco Ryans on an already bad defense (#32). Manning will be without All-Pro TE Clark (wrist) for the year, with RB Addai (shoulder) & WR Collie (knee) out 2-4 weeks. A loss here puts IND at 0-3 in Div play & they still have both games vs TEN on the docket. HOU would take a huge step towards being a relevant factor in the playoff chase with a road win here. This is an No Play as we want to see the injury report for both teams on Thursday.

NO PLAY: COLTS 36 TEXANS 23

Don't miss out on Monday Night Magic! We are offering a MONEY BACK PLUS Guarantee on MNM through the Northcoast Debit Card System - take advantage on Monday night after 3:00 pm EDT! Pay just \$30 for the MNM Play and if it fails to cover - you'll get \$40 back on your debit card the very next day! Currently 4-2 67% on the year!!
