## COLLEGE 4★'s HITTING 61% L/6 WKS! PP 4.5★'s ON A 16-7 70% RUN!

NEWS AND NOTES - WEEK FOURTEEN, 2010

**NEWS AND NOTES:** Rutgers lost their 5th straight game which coincides with a spinal injury that backup DT Eric LeGrand suffered on Oct. 16. Louisville dominated this one 28-0 late 2Q as UL needed a win to wrap up a bowl. RU was still alive for a bowl but gave up TD drives of 75, 64, 75 and 69 yds on UL's first 4 poss and the game was basically over at that point. UL lost starting QB Justin Burke early and Will Stein replaced him. Stein had not completed a pass this year but hit 9-14-72 incl a 29 yd TD pass...Pitt had a clear path to the conf title and an automatic BCS bowl bid but had 4 TO's that were key to W Virginia taking charge. Pitt actually had a 111-7 yd edge late in the 1Q and a 205-75 yd edge at the half but trailed 14-7. The key play of the game happened when Pitt, on its first drive of the gm, was int'd and returned 53 yds to the 2 and WV got a TD 1pl later. A Pitt fmbld at the WV18 was ret'd to the 47 but WV punted. Pitt then fmbld at their own 46 and WV got a TD 3pl later and led 14-7 at the half. WV got a 71 yd TD pass early 3Q and controlled the 2H...Big plays were the key for Northern Illinois. NI had the MAC Championship game on deck so the Eastern Michigan game was actually meaningless for them but they had 5 different "drives" of 1 play result in TD's of 71, 81, 61, 61 and 74 yards all on runs. NI led 37-3 at the half with a 22 yd drive after a fmbld and a 23 yd drive after a 9 yd punt but had a 318-89 yd edge. They brought in backup QB Lynch in the 3Q and his first 2 plays were an 81 yd TD run and a 61 yd TD run to extend it to 51-3. Third string QB Grady's first play was a 61 yd TD run and NI even got a 74/1pl TD drive on a run by Hopkins with 7:20 left. NI had a 646-160 yd edge...Toledo's Eric Page was the star vs CM. He had a 99 yd KR TD in the 1Q and a 95 yd KR TD in the 3Q. Page led with 12 rec for 127 yards and completed a pass for 28 yards but surprisingly did not have any rushes. UT jumped out to a 28-7 lead and to make up for UT's 2 KR TD's, CM blk'd a punt and rec'd in the EZ to start the 4Q and blk'd another recovering at the UT15 with 5:49 left. CM fmbld on the next play, however, and UT went on a 53/12pl drive including a 4&3 conversion with an 18 yd pass to the CM26 and took a knee running out the clock...W Michigan was playing for a bowl game and thanks to Bowling Green going 3 & out on their first 3 poss and only getting off punts of 20, 24 and 30 yards, WM's first 3 poss were 39/8pl for a 42 yd FG, 50/8pl for a TD and 48/9pl for a 25 yd FG, 13-0. BG went 3 & out a 4th time and WM went 65/7pl for a TD, this time after a 49 yd punt, 20-0. It was 27-0 at the half with WM's other TD coming after a fmbld KO at the BG13 (BG hadn't even had a FD). WM led 41-7 after 3Q's and brought backups in for the 4Q...Akron managed to avoid its first winless season since they moved to IA ball in 1987. In the 1H Buffalo had a 167-133 yd edge but there were 2 key plays late in the half. The first came when UA blk'd a punt and drove 19 yds for a TD with 4:20 left (xpng). UB had the ball but was int'd and ret'd 23 yds with :55 left in the half. Two plays later UA got a TD to take a 12-0 lead with :34 left. UB got within 22-14 with 1:55 left and rec'd the onside kick getting to the UA17 and had a FD with over 1:00 left but fmbld and UA held on...SMU wrapped up a berth in the CUSA Title game with an OT win over E Carolina. SMU trailed 14-0 after 1Q but led 38-24 in the 2H before EC forced OT with a TD with :12 left. After an SMU TD in OT they got an int at the 10 by Crawford to seal it. SMU's offense was clicking but QB Padron did hurt his ankle and was hobbling around most of the 2H...Arizona St lost starting QB Steven Threat to a head injury and actually trailed UCLA 17-0. Both teams needed a win to keep alive their bowl hopes but ASU rolled up a 595-442 yd edge. Brock Osweiler hit 27-36-380 yards. At the half ASU had a 21-20 lead with just a 253-223 yd edge with UCLA getting a 37 yd FG one play after missing a 52 yd FG when ASU was called for a leaping penalty. UCLA was SOD at the ASU1 on the key play of the game with 7:10 left in the 3Q. Three plays later ASU got a 71 yd TD to go up by 11 and got a 99 yd KR TD then after an int drove 27 yds for a TD, 45-27 and UCLA was SOD on 4&5 at the ASU18 with 7:56 left as well...USF/Miami, Fla was an interesting game. The first 12 series of the game featured 12 punts and 3 FD's. UM got their first offensive drive going 42/9pl but with 3:43 left in the half, fmbld in the EZ for a TB. USF went 75/13pl for a 21 yd FG, 3-0. USF fmbld at the UM10 with 11:38 left after a 53/7pl drive to open the 3Q and after QB Morris threw an int that was ret'd 12 yd to the 18, USF got a TD to lead 10-0. Harris came in at QB for UM and on his 2nd drive they went 48/8pl for a TD. UM got a 70 yd TD run by Storm Johnson which was their longest run since 2001 when Frank Gore got a 77 yard TD run. UM had a 2nd & gl at the 1 with 8:44 left but settled for an 18 yd FG on 4&gl when they could have been up by 2 scores, 17-10. USF got a TD with 2:00 left and UM on 1&10 from the USF31 was int'd at the 12 forcing OT and USF won it there. UM HC Shannon was fired after the game...The key to Arkansas' win over LSU was two 80+ yd passes to Cobi Hamilton. The first came on 3&9 with 6:52 left in the 2Q to put the Hogs up 14-7. LSU had the ball at the 44 but punted 56 yds for a TB with just :06 left in the half. Mallett hit Hamilton at midfield, he spun out of tackles and raced untouched to the EZ with the clock expired for an 80 yd TD giving the Hogs a 21-14 lead. Another key play happened when on 4&3 Mallett hit Joe Adams with a 39 yd TD pass to go up 28-20. Ark had a 1st & gl but settled for a 19 yd FG with 6:09 left to lead 31-20. On LSU's last gasp, down 31-23, they began at their own 6 with :49 left but were sk'd & fmbld and Ark rec'd it at the 1...If NC State beat Maryland, they would have been playing in the ACC Title game. NCSt did jump out to a 14-0 lead. There were a couple of key plays. MD missed a 37 yd FG but then got an IR 26 yds to the 3 on the next play and got a 3&gl 11 yd TD pass to tie it at 14. NCSt lined up for a 38 yd FG with :43 left in the half. It was blk'd and MD lateralled it for a 35 yd return to the NCSt47. MD banged home a 52 yd FG with :12 left in the half for a 17-14 lead. MD led 31-17 on 4&gl from the 8, Wilson was sk'd for a loss of 21 yds. On the next play, MD got a 71 yd TD pass, 38-17. NCSt got a TD with 2:39 left and rec'd the onside kick and got a TD with 1:16 left. MD rec'd the onside kick and on 4&1 opted to go for it and made it by an inch with :53 left...Iowa came in ranked #6 in the country in rush D and Minnesota was 2nd to last in the Big Ten in rush offense but the Gophers rushed for 216 yards on 46 carries. Ricky Stanzi in his final reg season game came in 6th in the nation in pass eff but hit 10-22-128. There were plenty of Iowa fans on hand but UM fans were on the field at the end of the game. UI did not take its first lead until a TD with 11:35 left but UM after punting with 9:07 left, drove 77/6pl for a TD with 4:11 left. UI fmbld after a 12 yd run at their own 35 and UM converted on 3&4 2x then took a knee in the big upset...Two big pass plays by Jake Locker were they key vs Cal with an 80 yd TD pass then on the final drive a 46 yd pass. The game was played in rain in the final game at Memorial Stadium before the 87 year old venue undergoes renovation. Cal shutout an opponent in the 1H for the 5th time this season and will not be in the post season for the first time since 2002. Cal led 13-10 and had the ball but punted with 4:39 left setting up UW's game winning TD which came when UW passed up a tying FG on 4&1 with :02 left and Polk's TD run gave them the win keeping Cal home for the holidays...With students home for Thanksgiving break, on a rainy day Stanford had a lot of empty seats but crushed Oregon St. A look at the stats shows each team with 20 FD's but this was not even a ball game. SU had a 24-0 lead at the half scoring on 4 long drives and a 274-86 yd edge. OSU did have 5 TO's but most of them were with the game out of reach already although OSU did also have a punt blk'd and were SOD twice which is almost like having 8 TO's.

**BIG COMEBACKS TO STAY ALIVE FOR THE BCS TITLE GAME:** Alabama failed to put Auburn away and it came back to bite them. At one point, the Crimson Tide had a 347-2 yd edge and a 24-0 lead. Alabama fmbld into the EZ for a TB with 12:22 left in the 2Q, settled for a 20 yd FG after having a 1st & gl at the 3 with 8:01 left and then had a 1st & gl at the 7 but with :54 left in the half, fmbld at the Aub12. That's 3 drives inside the Aub10 result in 3 points and Auburn got a late TD in the 1H to pull within 24-7 with the Tide having a commanding 18-5 FD and 379-87 yd edges. Cam Newton only threw for 216 yards and only rushed for 39 yards on 22 carries. Bama settled for another short FG of 32 yards after having the ball at the Aub7 with 1:05 left 3Q. QB McElroy suffered a concussion with 5:18 left and backup McCarron came in for the final drive which didn't get past the Tide's own 19. Auburn took the lead with 11:55 left on a 67/11pl drive. It was the biggest comeback by anyone vs Alabama ever...Arizona had a 274-175 yd edge at HT vs Oregon. In the 1H the 2 combined for 3 TO's inside the opp's 15 keeping possibly 21 pts off the board. UO was int'd at the UA18 on their opening drive. UA was int'd at the UO10 with the game tied at 14. A snap went over the P's head for a safety to make it 16-14 and then on 1st & gl from the UA4, UO fmbld at the 8 with 5:39 left in the half. UA went on an 80/13pl drive but settled for a 29 yd FG after a 1st & gl at the 5 to lead 19-14. UA punted to open the 3Q and UO got an 85 yd TD run (2png). UO missed a 42 yd FG but UA was offside giving UO a FD at the 20 and 2pl later they had a TD, 27-19. UA settled for a 41 yd FG and UO then went 75/6pl for a TD and after a 25 yd punt went 35/5pl for a TD and after a fmbld KO went 8/2pl for a TD to blow it open, 48-22...Earlier in the day Boise St fans had to be excited with Bama's big lead and Arizona leading Oregon and it appeared BST was on its way to yet another rout. At the half they had 24-7 FD and 299-175 yd edges. Nevada had a 35 yd FG blk'd mid-3Q but went 58/9pl for a TD incl a 4&2 conv and then got a 44 yd end around for a TD, 24-21. BST went 3 & out for a 2nd straight pass when Nevada went 87/15pl and had a 1st & gl at the 8 but settled for a 23 yd FG, 24-24. BST

got a 79 yd run on a screen pass to Martin to retake the lead with 4:53 left but NV went 79/14pl and got a 7 yd TD pass with :13 left. BST appeared to pull it out again, this time from their own 37 when Moore hit Young with a 54 yd pass to the 9 in the center of the field but Kyle Brotzman missed the 26 yd FG wide right. In OT Brotzman pushed a 28 yd FG to the left (came in hitting 21-24). NV got a 34 yd FG for the win...Tennessee came in with the nation's longest current consecutive win streak in the series at 25 and extended it to 26 with their win over Kentucky. The Vols needed a win to get to a bowl and got their 4th straight. UT did miss a 28 yd FG to open and UK got a TD but UK also fmbld into the EZ on 1st & gl from the 1. Up 14-7 UT was int'd at the 4 in the 2Q and later UK missed a 42 yd FG after a 15 play drive. At the half UK had a 253-193 yd edge but trailed 14-7. UT had a 3&1 at the 6 but was int'd in the EZ mid-3Q. They got a TD and FG on their next 2 poss to lead by 10. UK punted on 4&9 with 7:47 left then got only to their 42 and were int'd on a deep pass at the UT32 with 4:55 left and UT ran out the clock. Denarius Moore had 205 yards receiving to become the only Vols receiver to have more than 200 yards rec in 2 games in either a season or his career. He also had 228 vs S Carolina this year.

The Power Plays Newsletter consists of forecasts that are made by a special Power Plays rating system. This is a system developed many years ago and we regard it very highly. In our final analysis of the plays the Power Plays forecast takes up anywhere from 25 to 30% of our total analysis. You will see in the Power Plays Newsletter in the write-ups that we agree with the majority of the Power Plays forecasts. However, there are times when we will disagree with the Power Plays forecast. We want to make it clear that this is the Power Plays Newsletter and these forecasts are based purely on the power ratings. You should never use just one method, system or angle to determine your handicapping. The times that we disagree with the Power Plays Newsletter we will clearly note it. If the Power Plays rating is strong enough to be a 4★ Play, yet we are on the other side of the game, we will clearly state that we like the other side of the game.

**THURSDAY, DECEMBER 2nd**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ARIZONA ST	105	233	25	2.6	✓✓
ARIZONA	111	368	27	1.9	—

**TONIGHT'S THURSDAY MARQUEE AFTER 3pm EST. Just \$15 1-900-438-9467 (\$9 on Debit)**

**FRIDAY, DECEMBER 3rd**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
ILLINOIS	218	125	36	1.5	—
FRESNO ST	137	170	24	3.3	—

PP has Illinois finishing with a 343-307 yd edge but the pts lean the other way. Fresno enjoys the underdog role vs BSC tms.

**NO PLAY: ILLINOIS 36 FRESNO ST 24  
MAC CHAMPIONSHIP (Ford Field, Detroit MI)**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MIAMI OH	110	210	14	2.2	—
NORTHERN ILLINOIS	265	155	40	1.9	—

Nine straight wins for the Huskies and a current 9-1 ATS run. The wins are dominating as they've outgained MAC foes by 200 ypg (487-287)!! PP is calling for a 420-320 yd edge here.

**4.5★ NORTHERN ILLINOIS 40 MIAMI OH 14**

**SATURDAY, DECEMBER 4th**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
PITTSBURGH	138	230	33	2.0	✓
CINCINNATI	157	280	28	2.5	—

Both tms have disappointed this season. Cincy's stats are a bit misleading as they pummeled MU (+340 yds) and Rut (+270) and without those 2 gms they're only +11 ypg. We'll side with Pitt -1 as they have outgained EVERY conference opponent this year and get revenge from a brutal loss LY.

**4★ PITTSBURGH 33 CINCINNATI 28**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
RUTGERS	17	173	6	2.0	✓
WEST VIRGINIA	219	243	36	2.0	—

Nothing to think about here. PP is calling for WV to have a 462-190 yd edge. WV's D not getting the respect they deserve as prior to allowing 362 yds LW they held 8 str tms under 282 yds (238 ypg).

**4★ WEST VIRGINIA 36 RUTGERS 6**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
CONNECTICUT	148	105	20	1.5	✓✓
USF	142	210	21	2.6	—

We call UConn the "smoke & mirrors" team as they've been outgained in 5 of 6 conf games (-84 ypg) and in the remaining game outgained Syr 254-235. We like USF with their projected 352-253 yd edge.

**NO PLAY: USF 21 CONNECTICUT 20**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
UTAH ST	77	90	3	2.8	—
BOISE ST	253	360	55	1.4	✓

While "bubble burst" is a concern Boise has already outgained 4 opponents by a remarkable 391 or more yards incl 2 by 500+. PP has Boise with a 613-167 yd edge and perhaps their 4th shutout?

**3★ BOISE ST 55 UTAH ST 3**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
NEVADA	275	300	45	2.1	—
LOUISIANA TECH	210	260	29	2.7	✓✓

Just as in the write-up above emotion is not factored into the forecast with Nevada off their huge upset. We like the home dog in a great situation with an offense that has avg'd 453 ypg with Jenkins at QB.

**NO PLAY: NEVADA 45 LOUISIANA TECH 29**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
USC	201	195	30	2.0	—
UCLA	154	200	26	2.7	✓✓

This is the first time since 1999 that neither of these cross-town rivals will be in a bowl. PP is calling for USC to finish with a 396-354 yd edge but we'll pass as it's tough to gauge the psyche of the Trojans.

**NO PLAY: USC 30 UCLA 26**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
WASHINGTON	188	183	22	1.8	—
WASHINGTON ST	153	188	21	2.4	✓

WSU finished LY with 1 win and a 5-7 ATS record getting outgained by 263 ypg. This year they have 2 wins a 7-4 ATS record getting outgained by 136 ypg. PP has the Cougars only getting outgained by a 371-341 yd margin they're getting over a TD. LTH they were getting a TD and pulled off the upset.

**4★ WASHINGTON ST (+) 21 WASHINGTON 22**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
OREGON	263	190	37	1.9	✓✓
OREGON ST	117	225	20	2.5	—

PP doesn't favor many DD conf AF but does like Oregon here. The forecast is for the Ducks to finish with a 453-342 yd edge plus they have the TO and special teams edge. It's on to the National Championship.

**2★ OREGON 37 OREGON ST 20**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
SAN JOSE ST	76	230	19	2.7	—
IDAHO	149	315	33	3.1	—

Idaho is in the unusual role of being a DD conf fav in which they're 0-1 ATS TY and 0-4 ATS the last 10 seasons. PP has the forecast right at the line with the Vandals finishing with a 464-306 yd edge.

**NO PLAY: IDAHO 33 SAN JOSE ST 19**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
UNLV	70	150	13	2.4	—
HAWAII	175	395	47	2.0	✓

Hawaii is showing its muscle with a 10-2 ATS mark and sans Boise & Nevada has outgained WAC foes by 302 ypg! UNLV is the polar opposite getting outgained by 333+ yds in 3 of their L5 games.

**NO PLAY: HAWAII 47 UNLV 13**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
TROY	198	248	34	3.0	—
FAU	148	243	27	2.8	—

PP gives Troy an edge in rushing and pts but we can't back the struggling Trojans. In Troy's L6 gms they've gone 1-5 ATS with a 1 pt cover & were outgained by 143 yds at ULM and by 257 yds at home vs FIU.

**NO PLAY: TROY 34 FAU 27**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
MIDDLE TENNESSEE	194	120	23	2.8	✓✓✓✓✓✓
FIU	211	225	32	1.9	—

The preseason SBC favorite meets the 2010 champ. Disappointing season for MT but they can become bowl eligible with a win while FIU clinched the crown LW. PP is calling for FIU to have a 436-314 yd edge.

**2★ FLORIDA INT'L 32 MIDDLE TENNESSEE 23**

**CUSA CHAMPIONSHIP (Bright House Newtorks Stadium Orlando, FL)**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
SMU	55	271	17	2.3	—
UCF	176	198	35	1.2	✓✓✓✓✓

UCF's D has held 7 opps under 300 yards incl NC St and Kan St. PP is calling for the Knights to hold SMU to a SEASON LOW 326 yds (ply'd TCU) and easily cover in front of their home fans.

**4★ UCF 35 SMU 17**

**SEC CHAMPIONSHIP (Georgia Dome Atlanta, GA)**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
AUBURN	210	200	36	2.0	✓
SOUTH CAROLINA	125	285	36	1.6	—

WOW, can you say even! PP is calling for both teams to finish with 410 yds and 36 pts. We know that can't happen but it says back the underdog. Auburn has been held under 470 yds only twice TY in SEC action, and we will pass for now.

**NO PLAY: AUBURN 36 SOUTH CAROLINA 36**

**ACC CHAMPIONSHIP (Bank of America Stadium Charlotte, NC)**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
FLORIDA ST	170	190	19	2.5	—
VIRGINIA TECH	205	175	23	1.7	—

Another gm that PP has right at the number. VT is forecasted with a slight 380-360 yd edge and is the hotter team having won 10 str while covering 8 of 9. FSU has been outgained in each of their L4 gms.

**NO PLAY: VIRGINIA TECH 23 FLORIDA ST 19**

**BIG 12 CHAMPIONSHIP (Cowboys Stadium Arlington, TX)**

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
OKLAHOMA	150	265	29	1.8	—
NEBRASKA	210	70	20	2.1	—

Okla enters on a 3-0 SU/ATS run covering by 18 ppg. The forecast calls for the Sooners to win by 9 but the yards are even more dominating as OU grabs the Big12 crown finishing with a 415-280 yd edge.

**3★ OKLAHOMA 29 NEBRASKA 20**

**Power Plays Projections for the FCS Matchups**

Below are the PP forecasts for this week's FCS games. These are NOT our predictions just the raw data to help you enjoy these matchups.

	Yards Rushing	Yards Passing	Points	Turn Overs

# PRO FOOTBALL DECEMBER 2 THRU DECEMBER 6, 2010

Power Plays is based upon statistical numbers & rankings that are used to develop the projections you see here. As with all types statistical information the more numbers that one inputs ordinarily the stronger the accuracy of the results. Therefore, one would expect the projections to be more reliable after a number of weeks worth of stats are input. The numbers in parenthesis are a comparison of the teams rankings (Visitor, visitors offense ranking vs home defense ranking, Home home offensive ranking vs visitor defensive ranking) over each teams last 4 games.

## THURSDAY, DECEMBER 2nd

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>HOUSTON</b>	110	220	26	1.7	#26
<b>PHILADELPHIA</b>	136	290	33	1.3	#19

(HOU #11 vs PHI #9, PHI #1 vs HOU #18) - The Texans logged their 1st shutout win since 2004 (2nd ever) but it came at a price as WR Johnson (65 rec 13.5 21% offense) is likely to be susp here. PHI's speed was neutralized on a torn up Soldier Field in LW's loss and this will be their 4th game in 18 days. PP has this right around the line so No Play.

## NO PLAY: EAGLES 33 TEXANS 26

## SUNDAY, DECEMBER 5th

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>BUFFALO</b>	83	175	20	2.1	#18
<b>MINNESOTA</b>	170	225	21	1.9	#21

(BUF #16 vs MIN #4, MIN #22 vs BUF #23) - MIN ended a 9 game road losing streak with Frazier's 1st win as interim HC. They trimmed down the playbook, focused on the run game (137 yds 3.6), didn't turn the ball over & only had 3 penalties. With 4:54 left in the 3Q on, BUF outgained PIT 247-130, sent the game into OT & sent a message that they shouldn't be taken lightly. While out of the NFC North hunt the Vikings have a good shot at a winning record & we disagree with PP here so No Play.

## NO PLAY: VIKINGS 21 BILLS 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>CLEVELAND</b>	103	168	17	1.9	#30
<b>MIAMI</b>	139	275	25	2.2	#28

(CIN #31 vs MIA #6, MIA #21 vs CIN #13) - CLE was forced to start Delhomme vs his former team LW & they escaped with a 1 pt win despite his play (1 of 2 ints returned for TD). With declining arm strength CAR played the passes underneath with success but couldn't stop Hillis (#11 NFL rushing) who had a 3 TD effort. MIA stuffed an OAK team with a similar offensive style holding them to just 16 yds (1.3). PP calls for MIA to have a tangible 143 yd edge here but they are 3-14 ATS as a HF taking on an overachieving CLE team despite another year of QB issues making this a No Play.

## NO PLAY: DOLPHINS 25 BROWNS 17

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>JACKSONVILLE</b>	138	200	20	2.6	#10
<b>TENNESSEE</b>	114	240	23	1.2	#6

(JAX #6 vs TEN #29, TEN #30 vs JAX #22) - TEN elected to start Rusty Smith vs HOU and for the 3rd year in a row the Titans were shutout. Smith had 3 Int & the Texans held them to just 24 yds rushing (2.0). JAX caught the brunt of TEN's anger after LY's shutout losing 30-13 as a 3 pt AD & will be prepared here. The Jags controlled most the game vs the Giants but gave up 5 plays of 18 or more yds in the 4Q to lose. There is no line as there is an outside chance Collins (caul) could play so this a No Play.

## NO PLAY: TITANS 23 JAGS 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>DENVER</b>	84	260	23	0.6	#24
<b>KANSAS CITY</b>	198	245	37	2.0	#17

(DEN #8 vs KC #21, KC #2 vs DEN #28) - This looks to be a difficult week for McDaniels as he was fined \$50K for taping the 49ers practice (still lost) & embarrassed the team further by losing to STL at home. Now he faces a KC team that posted 42 pts in SEA that will be primed for revenge after losing 49-29 just 3 Wks ago. PP calls for a 99 yd edge here and we think it'll be much greater as KC gets payback.

## 4★ CHIEFS 37 BRONCOS 23

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>WASHINGTON</b>	79	218	17	1.6	#11
<b>NY GIANTS</b>	165	283	27	2.5	#23

(WAS #23 vs NYG #11, NYG #7 vs WAS #25) - The Giants injuries on the OL & at WR caught up to them LW with lots of communication errors and several OL penalties. Manning did what elite QB's are supposed to do leading 88 & 69 yd drives in the 4Q with the defense holding JAX to 3 pts & 92 yds in the 2H. WAS scored on their 1st 2 drives vs MIN but punted on 5 of their next 7 with an Int losing all the momentum. PP calls for the Giants to post a 151 yd edge vs a beat up #32 WAS defense (S Landry & CB Rogers hamstrings) here & we'll call for a better effort with a full week and no travel for the Giants.

## 3★ GIANTS 27 REDSKINS 17

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>CHICAGO</b>	110	195	26	1.7	#7
<b>DETROIT</b>	69	248	19	2.3	#5

(CHI #28 vs DET #19, DET #14 vs CHI #3) - The L4W rankings to the left show CHI with the #28 offense but they are playing way above that converting 43% on 3rd Dns, rushing for 125 ypg (3.7) & Culter has a 9-3 ratio. DET's defense is starting to crack as they're allowing 43% on 3rd Dns, 64% completions with a 9-1 ratio & have pulled in just 5 sacks. PP calls for a fairly even yardage battle here (12 yds diff) & we'll pass for now with a DET team that is still 4-1 ATS at home with extra rest after another embarrassing nationally televised loss with CHI off a big win.

## NO PLAY: BEARS 26 LIONS 19

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>SAN FRANCISCO</b>	59	198	6	1.8	#16
<b>GREEN BAY</b>	123	290	29	0.9	#27

(SF #29 vs GB #2, GB #13 vs SF #17) - GB has nothing to be ashamed about with their 3 pt loss to ATL on a 47 yd FG with 9 sec left. Despite no run support at all they had a 124 yd edge on the road vs a quality foe. SF is in a horrible spot off a MNF road game vs ARZ to a venue that is notoriously tough at this time of year. GB has a huge edge with Capers & a defense that logs 1 sack every 12 pass att's (5th). There is no line due to MNF (won't be surprised to see DD's) but we've seen enough of SF at this point to side with PP here.

## 3★ PACKERS 29 49ERS 6

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>NEW ORLEANS</b>	90	288	30	1.8	#14
<b>CINCINNATI</b>	107	253	23	2.2	#30

# STREAKERS

<b>SIDES - Wins</b>	NY Giants	3	<b>TOTALS - Overs</b>	St Louis	3
Jacksonville	4	Dallas	8		
San Diego	4	Cleveland	6	<b>TOTALS - Unders</b>	
Atlanta	4	Tennessee	5	New England	3
Chicago	3	Cleveland	3	Seattle	4
Dallas	3		3	Carolina	3

(NO #3 vs CIN #13, CIN #31 vs NO #14) - PP hasn't fully bought into NO's improving play or the decline of the Bengals at this point. NO has outgained foes by 70 ypg the L4W (+14.8 ppg) while CIN has been outgained by 50 ypg (-11.5 ppg). CIN has been able to hide their lack of a pass rush (12 sacks TY 1 every 31 pass att) thanks to a solid secondary which is now decimated. PP has this right around the line & we'll pass on the total as we want to see CIN's mindset for the rest of the year.

## NO PLAY: SAINTS 30 BENGALS 23

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>ATLANTA</b>	138	215	26	0.8	#15
<b>TAMPA BAY</b>	98	235	18	1.6	#12

(ATL #15 vs TB #7, TB #27 vs ATL #12) - ATL had a solid gameplan vs GB as they limited Rodgers by selling out on big plays while trying to control the clock with the run game (117 yds 4.3). This will be the 2nd time TY they will be getting "best team in the NFC" talk (prior to 31-17 loss to PHI) & HC Smith will be trying to keep them on an even keel. The dog is on a 5-0-1 ATS run in TB games as their youth plays to the off/def schemes & Freeman plays much more mature than a 2nd year QB. PP calls for an even game in yards (20 yds diff) & with TB's backdoor potential TY we'll pass here.

## NO PLAY: FALCONS 26 BUCS 18

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>OAKLAND</b>	95	168	16	2.1	#8
<b>SAN DIEGO</b>	133	248	33	1.8	#32

(OAK #32 vs SD #10, SD #10 vs OAK #15) - The Raiders looked to have peaked in their 3 game win streak prior to the bye. Both PIT & MIA have proven that if you lock down the run game (77 yds 2.8 L2W) they can't pass (50% 4.91 ypa 1-4 ratio) to compensate. SD handled the Colts on SNF with 4 Ints of Manning (2 returned for TD's) as Rivers finally had his entire WR unit healthy (Jackson only lasted 2 snaps though). PP calls for a big win by SD (+118 yds) vs a Div rival they outgained 506-279 in a special teams inspired loss earlier TY and we agree.

## 4★ CHARGERS 33 RAIDERS 16

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>CAROLINA</b>	130	203	20	2.4	#15
<b>SEATTLE</b>	110	278	28	2.2	#3

(CAR #32 vs SEA #32, SEA #18 vs CAR #26) - SEA's injuries on the DL & secondary have them ill equipped to deal with a team that can power run like KC did LW on them with 270 yds (5.6). Without WR Williams (52 rec 12.6), SEA couldn't open up the field & the beleaguered OL took another blow with Ctr Spencer (leg) getting KO'd. CAR almost stole a win from CLE missing the game winning 42 yd FG as time expired. This is CAR's 3rd road game in 4 Wks but with PP having this close to the line & needing more info on SEA's injuries this is a No Play.

## NO PLAY: SEAHAWKS 28 PANTHERS 20

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>DALLAS</b>	111	215	22	1.9	#12
<b>INDIANAPOLIS</b>	88	300	28	1.7	#29

(DAL #20 vs IND #16, IND #18 vs DAL #27) - IND's run of 7 straight 12 win seasons is over after they sustained their worse home loss under Manning. PP doesn't take into account IND's injuries at WR/TE, MLB/WLB & an OL that is finally in the spotlight for not being able to enforce the run. DAL lost a heartbreaker to NO where they rallied from 17 pts down only to lose on a fumble on what looked like a TD rec. We expect the public to pile on IND here as they jump on the "Peyton is mad after a loss" concept vs a disappointing DAL team. IND is 2-8 ATS as a HF of 7 or more off a loss, we don't have a line or injury report & this is a No Play.

## NO PLAY: COLTS 28 COWBOYS 22

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>ST LOUIS</b>	102	235	26	2.7	#23
<b>ARIZONA</b>	86	220	22	3.2	#4

(STL #25 vs ARZ #31, ARZ #24 vs STL #24) - While Bradford is getting all the publicity for the Rams strong playoff run the hidden fact is that STL has the best defense in division (#18 yds #13 pts). Their 11 defensive starters have only missed 1 game so far TY which has been huge in the 2nd year of Spags system. ARZ's #29 def (31st pts) has failed to recover from the loss of 5 starters from LY's unit which coupled with poor play by their offense has left them exposed. ARZ has won 8 straight vs STL (6-2 ATS) but are on a short week off MNF (Div HT's off a MNF Div HG are 1-6 ATS) vs a healthy Rams team with momentum after hanging on vs DEN for the win. The lack of a firm line equals no play.

## NO PLAY: RAMS 26 CARDINALS 22

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>PITTSBURGH</b>	91	225	17	1.4	#1
<b>BALTIMORE</b>	70	263	20	1.8	#21

(PIT #5 vs BAL #5, BAL #12 vs PIT #8) - PIT squandered a dominating 13-0 lead late vs BUF LW to get sent into OT and lost DE Eason (MCL) with Roethlisberger (foot sprain) getting hurt. BAL played it conservative vs TB as they knew they'd be involved in a tough primetime game here. With both teams tied at 8-3 & facing 1 team with a winning record on their skeds this will be key in deciding the AFC North. Get the Sunday Night winner on the Northcoast Debit Card System for only \$9 after 11:00 am EDT on Sunday. Sunday Night Private Play Hotline Marquee Players have gone 116-77-3 60% L13Y!!!

## NO PLAY: RAVENS 20 STEELERS 17

	Yards Rushing	Yards Passing	Points	Turn Overs	Special Teams
<b>NY JETS</b>	133	255	23	1.7	#2
<b>NEW ENGLAND</b>	103	196	29	1.1	#9

(NYJ #4 vs NE #30, NE #9 vs NYJ #1) - The Jets & Patriots are tied for the best record with ATL for the best record in the NFL. The Jets beat NE 28-14 as a 3 pt in Wk 2 on a short week after a tough MNF game vs BAL. Despite missing a FG on the opening drive NE looked good in the 1H with a 14-10 lead. The momentum shifted to the Jets when Brady was Int'd on NE's 1st drive of the 2H as the Jets outscored NE 18-0 with a 230-75 yd edge. Ryan vs Belichick is worth the price of admission. Don't miss out on Monday Night Magic! We are offering a MONEY BACK PLUS Guarantee on MNM through the Northcoast Debit Card System - take advantage on Monday night after 3:00 pm EDT! Pay just \$30 for the MNM Play and if it fails to cover - you'll get \$40 back on your debit card the very next day! Currently on a 7-3-1 70% run!!
