CLEVELAND, OHIO 44145

NEWS AND NOTES - WEEK 4, 2010

NEWS AND NOTES: California's Mike Mohamed who led the Pac-10 in tackles last year was a late scratch from the Nevada game. In the 1H NV had a 182-126 yd edge and led 24-14. The key play of the game happened in the 2H after Cal had trimmed it to 24-21 and was driving for the go-ahead TD. Riley was int'd and ret'd 65 yds for a TD, a 14 pt swing...Ohio St dominated Ohio with a 289-52 yd edge in the 1H, 16-2 FD edge and led 34-0. They extended it to 43-0 before OU got a garbage TD with 6:14 left. Terrelle Pryor hit a school record 16 consec passes, topping Jim Karsatos' 1985 record (12 vs Wisc)...Daniel Thomas rushed for 181 yards. Kansas St led 10-7 when they faked a 36 yd FG and were stopped late 2Q. They opened the 3Q driving for an apparent 10 pt lead when they were int'd 69 yds for a TD and actually trailed 14-10. Iowa St led 20-17 when KSt got a TD with 6:47 left and IST fumbled at their own 25 with 1:58 left and KSt got a 42 yd FG with 1:38 left for the 7 pt lead. IST was SOD at the KSt36 with :13 left...West Virginia dominated the 1H vs Maryland with a 250-62 yd edge and led 21-0. It could have been worse as WV fumbled at the MD15, was SOD at the MD34 and fmb'l'd at the MD38. Two plays kept MD in the game as they got 60 and 80 yd TD passes from Jamarr Robinson. MD, down by 14, was SOD then went on an 11pl drive but settled for a 35 yd FG to get within 28-17. WV clinched it with a 76/16pl drive for a 23 yd FG with 3:07 left...Temple is now 3-0 for the first time since 1979 when they finished 10-2. The Owls also got their first win over a BCS foe since 2004. Connecticut had a 245-143 yd edge at the half but trailed 7-6 as they settled for 3 FG's and missed one of them. TU trailed 16-14 when they ret'd a fumble 24 yds for a TD and the lead. It was 30-16 win for TU despite being outFD'd 16-13 and outgained 390-356...North Texas is one of the most beat up teams in the country. They lost QB Tune to inj, their 7th starter lost to inj and 5th for the season. Backup QB Thompson came in and played well but then broke his leg and is probably OFY. WR Riley Dodge, last year's starter who was not able to QB this year due to shoulder problems which limits his throwing, had to QB the rest of the game. Depth-shy NT did not play well vs Army. It was the first game all season NT had been outgained and outFD'd...Purdue lost its top RB in the spring then lost their top WR Keith Smith last week. Robert Marve was inj in the 3Q vs Ball St and Rob Henry hit 3-6-89 in his place...Michigan almost had its 2nd embarrassing defeat to an FCS foe. While UMass had a 26-22 FD edge, UM had a 525-439 yd edge...E Carolina had leads of 17-7 at the start of the 2Q and 24-21 at the half. They extended it to 27-21 vs Virginia Tech. VT battled back to lead 35-27 then got 2 big plays. RB Ryan Williams was inj and David Wilson saw his most extensive PT rushing 12x for 89 yards...Georgia was playing w/o susp'd WR AJ Green. They fell behind early to Arkansas, 17-7 at the half and it was 24-10 after 3Q's. UGA battled back with a pair of TD's, the 2nd with 3:55 left. The Bulldogs forced a punt and had the game in their hands with the ball at midfield but were sk'd on 3&4 then Ark got a 30 yd TD pass with :15 left. UGA started at its 36 but a Hail Mary pass which went 65 yds into the EZ on the fly was tipped and incomplete...Oklahoma took its opening drive 60/12pl for a TD but led just 10-3 at the half. AF tied it on their opening drive of the 3Q but OU took charge by going 41/2pl, 31/7pl and 76/10pl for 2 TD's and a FG and led 27-10 after 3Q's. AF went on a 14pl drive even converting on 3&15 and got a TD with 10:43 left. A key play happened when OU, at the AF35, had a 4&8 and went for it and Broyles was open for what could have been a TD but it was overthrown. AF went 65/10pl including another 3&15 conversion and got a 15 yd TD run with 3:39 left. OU got 2 FD's and ran out the clock...Hawaii led Colorado 10-0 at the half with a 237-124 yd edge. CU got a TD, safety and TD to open the 3Q to take a 17-10 lead. Up 17-13 on 3&8 CU got a 73 yd TD pass with 9:24 left then went 59/7pl for a TD with 3:12 left for the cover. CU finished with 26-13 FD and 452-337 yd edges...Alabama had their most pts since scoring 62 in 1991. Their 45 pts in the 1H were the most since 1973 and amazingly Bama did not face a 3rd down until the 3Q!! Mark Ingram in his first game of the season took his first carry 48 yds and his third 50 yds and finished with 152 yards on just 9 carries as the Tide had 315 yds rushing and 312 passing...SMU led 14-7 vs WSU when they fmb'l'd a punt and it rolled into the EZ and Washington St fell on it for a TD with 2:23 left 1H to tie it. SMU got a TD with 2:08 left to extend it to 21 but WSU got a 67 yd TD pass on their next offensive play with 1:50 left to stay under the pointspread...Say goodbye to the Heisman candidacy for Jake Locker. Team success is important but so is individual performance and Locker hit just 4-20-70. His 20% comp was the 3rd lowest in a single game behind Pat Julmiste of USF in '04 and Alan Evridge of KSt in 2005 who completed 15% and 18.5%. NU's Taylor Martinez is trying to steal some of Denard Robinson's thunder as he was very impressive in his first road start rushing for 139

yards and hitting 7-11-150 passing. Nebraska led 28-14 at the half when Martinez took the 1st play of the 2H 80 yds for a TD. NU brought in backup QB Green during the 2Q and he fmb'l'd on the first play but Martinez would return and guide a TD drive with 1:19 left 2Q, 28-14. NU led 49-21 and UW waved the white flag as they punted on 4&3, 4&4 and 4&12 on their next 3 poss...Florida St's D held BYU to just 191 tt yards incl 39 in the 2H and recorded 8 sacks. FSU led 13-0 but BYU got a FG and

TD in the final 2:46 of the 1H to make it 13-10. FSU had a 126-6 yd edge in the 1Q but only led 3-0. They finished with 427 yds offense in a 34-10 win...Wisconsin was without 2 offensive players (WR's Toon and Gilreath). Spec tms almost cost UW the game. They gave up a 97 yd KR for a TD and then an 80 yd PR for a TD but it was called back. Before the half, ASU got a 95 yd KR by Middlebrook but he was tk'd at the 1 as time ran out. ST ended up saving UW as Arizona St got the apparent tying TD with 4:09 left but Jay Valai blk'd the xp. UW got 2 FD and ran out the clock...Brandon Weeden hit 23-32-409 yds and had the 4th highest passing total in Oklahoma St history despite being pulled after 1 drive in the 3Q. OSU led 27-7 and Tulsa was trying to get back in it when they were at the OSU15 and were int in the EZ and returned 79 yds. OSU got a 21 yd TD pass on the next play and then added a TD with :14 left in the half for a 41-7 lead. OSU had a school record 722 yards offense, breaking the record set by a Barry Sanders led 1988 team...TCU scored TD's on their first 5 poss vs ex-SWC rival Baylor with the schools less than 90 miles apart. The Frogs led 35-3 with 6:03 left in the 2Q and at the half had a 335-87 yd edge. TCU extended it to 45-10 on a TD with 9:53 left and QB Andy Dalton hit 91% of his passes (21-23) which was a single game TCU & MWC record. The Frogs have won all 3 matchups vs Baylor since the SWC disbanded by a combined score of 89-17 and BU had come in 2-0 was 1 of 3 teams who hadn't allowed a TD...The last 6 times Iowa has played west of the Central time zone they have lost all 6...Kentucky had a slow start vs Akron as they missed a FG, were SOD, punted and settled for a 33 yd FG on their first 4 poss and UA went 53/12pl for a 30 yd FG and the game was tied 3-3 early 2Q. UK scored on their next 7 poss incl 6 straight drives for TD's. They led 20-3 at the half with a 249-46 yd edge and UK had a 552-99 yd edge prior to the garbage drive...Navy threw for 219 yards with 179 of them in the 1H but Louisiana Tech led 23-16 at the half and had a 327-326 yd edge. Amazingly Navy came into the game allowing just 190 ypg but LT had 137 yards more than that at half. Navy went back to the ground game for the 2H adding just 40 more passing yards. With it tied at 23, LT was int'd and Navy went 55/10pl incl a 4th & 2, 17 yd run to the 7. They got a TD with :31 left 1H to take the lead and their next drive went 81/8pl for a TD and LT did not threaten after that...Florida was stopped on 4&1 at the UT43 and UT got 2 FD when Daniel Lincoln tied a career high with a 49 yd FG was the first time they scored first vs the Gators since '01. Simms was called for intentional grounding in the EZ for a safety but they reviewed and overturned it spotting it at the 1 which was huge as UF fmb'l'd 2pl later and then on 4&6 UT got a 35 yd TD pass to make it 24-17. UF went 60/9pl for a TD, 31-17 with 6:15 left...Clemson dominated the 1H and had a 17-0 lead and a 267-68 yd edge scoring a TD with 1:14 left 2Q. AU was int at the CU1 but went 61/6pl, 72/8pl for TD's then got a 78 yd TD pass to take a 24-17 lead after 3Q. CU tied it and it went to OT where AU got a FG. CU QB Parker was banged up and missed an open rec in the EZ and they settled for a 26 yd FG to send it to the 2nd OT but the C moved the ball and after the 5 yd pen, CU missed their 31 yd FG.

TURNOVERS: Marshall had 5 TO's to BG's 2. At the half MU had a 231-196 yd edge but BG led 28-14. BG got the 14 pt turnaround with a 78 yd IR TD and after another int drove 16 yds for a TD for that 28-14 lead. MU had a 42 yd FG blk'd to open the 3Q. BG fmb'l'd on their 1 and MU got a TD to tie at 28. BG got a 31 yd TD pass on 3&8 with 9:21 left then got a 2nd IR TD, this one 29 yds to make it 44-28 which was the final...Western Michigan had a 24-11 FD edge over Toledo and 416-268 yd edge but could not overcome QB Alex Carder's 6 TO's and trailed 21-7 at the half. UT got a 24 yd FG on a 19 yd drive following a fmb'l then got a 15 yd IR TD to lead 31-7. WM scored on their next 3 drives to make it 31-24 but UT got a 98 yd KR TD. WM's final 3 drives ended on an int at the UT27, were SOD at the UT31 and int at the UT20...It's standard practice for LSU to be outgained once again, this time 267-262 but they came away with a comfortable 29-7 victory. Five TO's were the key and Patrick Peterson grabbed 2 tipped int with long returns showing why he is one of top CB's in college football. MSU QB Relf QB'd the 1H and was int'd at the LSU2 and 30. LSU led 12-0 at half with a 112-107 yd edge. MSU did gain 40 yds on their final 5 plays of the game to end with the yardage edge.

CLOSE POINTSPREAD PLAYS: While Miami, Oh rolled to a 31-10 win over Colo St, they only had a 17-15 FD edge were outgained 306-299. CSU led 3-0 when they fmb'l'd a punt on their own 15 setting up a MU FG. MU got a 56 yd IR TD to lead 17-3. It was 17-3 at the half but with only a 139-122 yd edge. CSU was SOD at the MU2 and MU on 3&11 got a 62 yd TD pass with 2:35 left. CSU did drive 71/9pl getting a garbage TD with 1:19 left...N Illinois Coach Jerry Kill spent a good portion of the wk in the hospital but ret'd to the field for the game. Illinois only had a 208-203 yd edge at the half and led 18-12. There were 7 punts on the first 8 poss of the 2H. NI got the UI31 with :24 left then opted for a 48 yd FG which gave them the backdoor cover and pulled them within 6. UI rec'd the ensuing outside kick and ran out the clock...The key to USC not covering was Lane Kiffin going for it on 2 pt conversions after 3 of their 5 TD's and failing on all 3. Kiffin has inexplicably gone for 2 pts TY seven times with USC converting twice.

EXCITING FINISHES: UAB was SOD at the Troy28, fmb'l'd at the TU8, were SOD at the TU38, fmb'l'd at the TU26 and int at the TU10 in the 1H. Despite only a 338-273 yd deficit, they trailed 23-7. UAB opened the 3Q being int at the TU10 but battled back. Troy got a TD with 9:50 left to lead 33-20 but UAB went 60/4pl for a TD. Troy went on a 14pl drive and had a FD at the UAB40 but after a hold they punted with 1:09 left. UAB went 99 yds and on the last play threw a 44 yd Hail Mary pass for the miracle win, 34-33.

THE 5★ WEEKEND IS HERE!!!! On Saturday, 9/25 Northcoast Sports Will Release Our 5★ SEPTEMBER GAME OF THE MONTH! FREE to 2010 Power Sweep Subscribers

New Subscribers receive: Every Issue of Power Sweep thru the Super Bowl! • Saturday's Sept 5★ • \$50 Credit on a Northcoast Debit Card! Call 1-800-654-3448 and subscribe NOW!

HUGE 5★ WEEKEND ON DECK!!!! MARQUEE GAME OF THE MONTH ON THURSDAY, RARE 4★ COLLEGE TOTALS PLAY AND 5★ COLLEGE GAME OF THE MONTH ON SAT!!!!

It's here! This Saturday (9/25/10) we will be releasing our first 5★ of the year! Not only is this a 5★ play (which is the highest rated play that we release) but it is also our **September College Game of the Month!** This is the play that ALL 2010 POWER SWEEP SUBSCRIBERS WILL GET FOR FREE as part of their bonus! Codes have already been sent to you, so please call the test message. If you have NOT received codes already, call our offices before Saturday so that we can assign you codes. We are so thrilled about this weekend as not only are our **Games of the Month on a 21-8 72% run since 2007** (see right) but also because we have recorded **20 winning days on September 5★ Saturdays in 28 years!** That's 71% winners! Our record for the last sixteen 5★ released is 11-5 69%!! It should be no surprise that with this weekend being designated the deepest card of the Month, the big plays will not stop with just the College 5★ GOM! Our Marquee Game of the Month will be released on Thursday Night and Saturday we will be releasing a **rare College 4★ Totals game!** Last week the College Totals went a **perfect 5-0 100% (15-0 on the ★ basis)!!!** Although last week's Top Totals Play was a 3★ Play - it brought the record for our **Top Totals (3★ rated and higher) to 25-10 71% the last 35!!!** Even more impressive is that when the Top Totals Play is rated as a 4★ - those **Plays have hit 16-6 73% the last 22!!!!** Yes, all 2010 subscribers will receive the **Sept College 5★ GOM FREE this Saturday**, but we have put together some very exciting packages (see page 8) so you can enjoy ALL of the winners that will be released from Thurs-Monday! Check out page 8 and don't miss out on the deepest college card of the season so far!

SIGN UP FOR A 2010 POWER SWEEP SUBSCRIPTION BEFORE SATURDAY AND YOU'LL GET THE FREE 5★ GOM! MORE FEATURES AVAILABLE TO SUBSCRIBERS ONLINE! WE'RE GOING GREEN AND YOU'LL WANT TO ALSO!

As all of our subscribers know, we are taking major strides to "go green" for the Power Sweep and Power Plays newsletters. Not only have we dropped the rate, but we are able to offer **more features online.** Of course, the Selections and game write-ups in the Power Sweep are available to ALL SUBSCRIBERS, the **extra pages will not exclude you from getting the newsletter selections.** What you WILL get are some features that we think you will find useful. You can access 4 pages of updated LOGS for both college and NFL teams. The logs feature full season schedules with the SU and ATS results filled out each week (mail delivery subscribers pay an extra \$10 for the LOGS to be included). There is also the web-only access for the Past History Matchups. These are game recaps from last year's games for the teams meeting for this upcoming week. You'll know how the game was played out from the season prior with these thorough recaps. We also are making available a 1-page weekly schedule grid. You are still automatically receiving schedules in the mail as a **bonus for Power Sweep**, but now you'll be able to print a schedule yourself for the upcoming weekend - all in one convenient page. Having an online version of the Power Sweep newsletter takes away our printing and mailing constraints and allows us to add more features to an already jammed-packed newsletter. We feel like Power Sweep is the best newsletter on the market today and we plan to make it an even better publication by the limitless possibilities of a download edition. We hope that you take advantage of the online issue, and while most of our online subscribers enjoy the fact that they can get the **current issue after 2:30 pm EDT Tuesday afternoons** - we'd like you to find out that there is so much more to enjoy, and invite you to download your Power Sweep newsletter online at www.ncsports.com. Call our office to set up your access just ONCE and you are set for as long as you subscribe! When you see the expanded online difference, opt to "go green" and you'll not only be helping to save the planet, but your wallet year in and year out. If you sign up by noon EDT on 9/25/10 you will be given codes to access the **Sept College 5★ GOM!!!!**

NFL SEPT GAME ON ATLANTA WINS! BIGGEST NFL MARGIN OF YEAR!! GOM 21-8 72% S/07!!! NFL LATE PHONES 4-2 67% LW!!! 12 OUT OF 19 63% WINNING LATE PHONE SUNDAYS L2Y! ★ SELECTIONS SINCE SUNDAY 9/12 HAVE GONE 15-5 75% INCLUDING COLLEGE TOTALS GOING A PERFECT 5-0 100% LAST WEEK!!! RARE 4★ C-TOTAL RELEASE THIS SATURDAY!

Since 2007, our reg season Games of the Month have posted a very impressive **21-8 72% record**, getting another **Win** last week with our September NFL Game of the Month on Atlanta -6' over Arizona - a 41-7 winner which is the biggest margin of victory in the NFL so far this year!!! Overall the NFL Late Phones posted a 1-2 day, bringing the 2010 NFL reg season record to 4-2 67%. We have recorded 63% winning Sundays the last 2 years. The momentum is on our side as since Sunday, Sept. 12th our ★ selections have simply gone **15-5 75% winners** and Saturday's winning day included College Sides going 3-2 60%, College Totals 5-0 100% and Small College Plays 2-1! **As mentioned above, the THE SEPTEMBER COLLEGE 5★ RELEASE WILL GO ON SEPTEMBER 25.** If you are a current subscriber, you should already have your codes and you should have called to activate them. If you are NOT a current 2010 Power Sweep subscriber, call our office this week and you can purchase this play for just \$75.

Earlier this year we won a rare 4★ College C-Totals GOM bringing our record on Coll Totals 4★ releases to **16-6 73% winners the L/22!!!!** We've been notified that this Saturday we will be releasing our 2nd 4★ C-Tot of the year!!!! Last week the Top Totals Play was a 3★ and when we have a Top Totals Play rated 3★ or higher we have recorded **25-10 71% winners the last 35!!!!** With the perfect 5-0 Week the C-Totals had last Saturday, you know that we're very excited for this weekend's Totals! When 2010 subs sign up for a Late Phone Package this weekend - they can **add all the Totals for just \$26!!!! THAT'S A \$75 Value!!!**

As many of you are aware Northcoast Sports does not release a Late Phone Play on every single game being played. In fact, on any given Saturday with 40-50 games to choose from, usually there are between 5-7 ★ rated Late Phone Selections released. Isolated games such as the games being played on Sunday, Monday, Tuesday, Wednesday, Thursday and Friday Nights are generally released, not as a Late Phone Selection, but as a Marquee Play on Northcoast's Private Play Hotline (for just \$15 each play). The Private Play Hotline Marquee Plays are updated on game day and are available at 1-900-438-9467 for \$15 or on the Northcoast Debit Card for \$9. All Private Play Hotline Plays, except the Marquee Plays, are two for the price of one. Our **Marquee Play of the Month is going to be Thursday night!!!!** You can purchase this play on the Northcoast Debit Card system or check out the special packages on Page 8 and it will be INCLUDED in the weekend package!!! Make sure you're signed up early so you're on board when the winning continues on Thurs night!

NFL SYSTEM PLAY NOW 2-0 ON THE YEAR! NFL 3★ TOTALS 5-1!!! 20-6 RUN S/09! COLLEGE ★ RATED SELECTIONS GO 4-2 LW!!

Last week in Power Sweep the College ★ rated Selections had a nice Saturday going 4-2 67%. After recording the 11th NFL Power Sweep (all ★'s winning) in the opening weekend, our NFL ★ selections went 1-3. Our NFL 3★ Totals Plays went 2-1 last week continuing a winning run with a 20-6 record since last year. The System Play was a winner again and is now 2-0 on the year for the NFL. The (4) Angles Plays hold a 29-14-1 67% record over 5 years. Our NFL Power Ratings Play is top-notch, going **76-50-1 60%** since 1995 and the last five years as well as the Ugly Dog Play has hit 25-17-1 60%. The Power Sweep Newsletter Contest for 2010 is well underway (see below) and we know many of you are watching the Power Plays Newsletter standings. The Power Plays newsletter has earned #1 Titles over the last 3 seasons in the Power Sweep Newsletter Contest and looks to go for a four-peat. If you are interested in subscribing to the Power Plays newsletter, see page 8 as we have a significant discount for any 2010 Power Sweep subscriber who wants to add Power Plays. Remember, if you are a Power Sweep OR Power Plays sub, you can download the current issue as early as Tuesday afternoon after 2:30 pm EDT. If you are not set up to do so, please call 1-800-654-3448 so we can give you access to download your newsletter without having to wait for mail delivery. As mentioned above, the release of the **FREE 5★ Late Phone Play** will be on Sat, September 25th.

Mon = Early Bird • Tue = 4★ Power Plays • Wed = #2 Economy Club Play • Thurs = Pac 10 Play • Friday = Big 12 Play • Sat = College PPH Play • Sun = Pro PPH Play

The Newsletter Contest

We welcome back the Newsletter contest for the 2010 football season. We are happy to provide you with the records and standings from the Power Sweep, Gold Sheet, Power Plays, the Sports Reporter, Winning Points, Pointwise and Playbook. The newsletters are graded from the lines in USA Today. There will be 6 categories in all. Net winners in College, NFL, and combined as well as the win percentage in College, NFL and combined. An (*) indicates that a Sunday or Monday night game is pending.

College Wins	College Win %	NFL Wins	NFL Win %	Combined Wins	Combined Win %

KEY SELECTIONS

4★ FLORIDA ST over Wake Forest - Wake is 3-9 SU/ATS the L/3Y on the ACC road and just is 5-12 ATS in their 2nd consec AG. LY FSU QB Manuel made his 1st career start (265 ttl yd) and FSU (+5) won 41-28, marking the 4th str upset in this series. WF has won their L/2 trips to Tallahassee outscoring FSU by a comb 42-3, holding them to just 359 TOTAL yds (WF +9 TO's). LW FSU delivered a 4★ LPS Winner with a 34-10 win over BYU. Vs OU, Ponder hurt his Heisman hopes with a 113 yd gm, and LW only put up 149 (avg 143 ypg, 59%, 5-1 ratio). Ty Jones leads FSU's run gm with 220 (7.9) while Bert Reed has 17 rec (10.0). Grobe is 19-13-1 ATS as an AD. LW's gm was the latest start time in Stanford time and WF fell fast as SU scored TD's on its 1st 8 poss and rolled, 68-24. WF was outFD'd 28-21, outgained 535-283 and put up just 76 pass yds. True Fr Price made his 1st start (7-17-1) LW and is the #1 passer with just 265 (47%) and a 3-2 ratio. Stachitas (84 yd, 41%, 0-1 ratio) is the top rusher with 145 (6.6) foll'd by Price with 143 (4.8). Bowden used to be a money burner with a 6-15 record as a HF but Fisher seems to have brought back the home swagger covering by 17 & 14 pts TY. We cashed two years ago with FSU as our free September 5★ as well as 5★ Winner in 2002. Will we use the Noles for a 2010 Winner?

FORECAST: FLORIDA ST 51 Wake Forest 23

3★ NOTRE DAME (+) over Stanford - This will mark the 14th consec ssn that these two programs have met. The series has featured a pair of Cardinal comebacks over the past 2 seasons as in South Bend SU trailed 28-7 in the 4Q (lost by 7) and LY on the Farm ND blew an 8 pt 4Q lead as SU scored TD's on their L/2 drives (last one w/:59) snapping a ND 7 gm series win streak (ND has still won 7 str at home vs SU). The Irish fell victim to a fake FG in OT which resulted in the winning TD LW vs MSU. QB Crist did look sharp however passing for 369 yds (58%) and 4 TD's but the defense could not stop the Spartan run game all g 203 yds (4.7). Stanford meanwhile beat WF LW on the Farm as the Cardinal scored TD's on all 8 drives in which QB Luck played (4 TD pass, 1 TD rush) and has now outscored their 1st 3 opp by a 52-14 avg clip. The Cardinal have gone just 1-5-1 ATS on the road vs non-conf foes S/04 giving the extremely upset Irish another tight win in this now highly competitive series.

FORECAST: NOTRE DAME (+) 30 Stanford 27

3★ USF over Wku - LY USF (WKU's 1st BCS home opp) only led 21-13 after 3Q but scored two 4Q TD's (WKU was SOD at USF13) but still failed to cover as a 24' pt AF. The Hilltoppers are 0-6 SU at BCS schools with an avg score of 42-8. USF had a bye LW and has another SBC team, FIU, on deck. WKU is 0-3 SU/ATS and trailed 31-7 in the 4Q vs Indiana before falling 38-21 as a 13' pt HD as they were outgained 467-288. USF has the expected offensive (#29-108) and defensive (#65-120) edges. While USF QB Daniels leads the Bulls with 130 rush (5.9, 1 TD) and is avg 174 ypg pass (48%), he has a 3-4 ratio. WKU QB Jakes is avg 120 ypg (58%) with a 2-2 ratio but has just 31 yds rush (1.8). Holtz is 5-3 ATS as a DD fav incl 1-0 TY. USF has been a 5★ Winner twice since '07 and we're not afraid to lay the points with them as they've won big for us before.

FORECAST: USF 48 Wku 10

OTHER SELECTIONS

2★ UNLV over New Mexico - LY NM was without HC Locksley for this game (susp) and we used a 3★ LPS on LV (-1) on the road and they delivered an easy 34-17 win. LV snapped a 20 game MWC road losing streak in that one. LW, NM's starting QB (Gruner), who was covering punts 2W ago, got his 1st start vs the #14 tm in the nation, Utah. UT scored 21 pts in 4:16 to open up a 21-7 gm and rolled 56-14. Gruner hit 3-8-33 before leaving with an inj (CS). Holbrook (CS) is still the leading passer avg 195 (55%) but with a horrible 1-4 ratio. True Fr Austin has thrown for 151 (56%, 1-1). NM has been outscored 180-31 and has yet to hold an opponent under 50 pts. LW UNLV was down 24-0 at half vs Idaho and couldn't rally, as they were outgained 332-187 in a 30-7 loss. QB Clayton is avg 113 ypg (44%) with a 1-0 ratio and is the top rusher with just 77 (2.9). LV has not scored on the ground TY. The top WR is Payne with 11 rec (16.4). The playing field seems more level here, but it's hard to ignore NM being outscored 60-10 in 3 losses, while LV has only been outscored 36-13 in their 3 losses. We've had a GOY Winner in this series and could UNLV be the play you hear Saturday?

FORECAST: UNLV 37 New Mexico 20

2★ INDIANA over Akron - Indy has won and covered both meetings ('07 and LY) as both W's were by 17. LY UA susp'd its QB late in the week and starter Rodgers only had 2 pract with the 1st string. UA only trailed 17-14 at HT but couldn't overcome 4 2H int resulting in 14 IU pts and lost 38-21 (-2) at home. The Hoosiers are 15-2 SU and 11-4-2 ATS S/'96 vs current MAC schools. IU shook off the rust (16 days between gms) and won 38-21 at WK (31-7 lead) as they outgained (466-288) and outFD'd (27-16) the Hilltoppers. QB Chappell is avg 274 (74%) with a 5-0 ratio and LY's #1 WR Doss had an 87 yd KR and 5 rec (12.4) after missing the opener. UA has started the lanello era 0-3 SU/ATS after its 47-10 beating by Kentucky in which they were outgained 544-172. QB's Nicely and Rogers combined to hit 6-24 for 105 yd and were sk'd 5x. UA is #94 in pass eff D (258, 64%, 7-2 ratio). IU is 2-0 ATS as a DD fav under Lynch and have the fire power to keep it out of the reach of the hapless Zips.

FORECAST: INDIANA 45 Akron 17

2★ BOSTON COLLEGE (+) over Virginia Tech - LY vs VT, BC didn't get its first FD til the 3Q, trailing 34-0. BC is just 6-12 SU vs VT but has won B2B gms in Chestnut Hill and is on an 8-3-1 ATS run in reg ssn matchups (5 meetings L/3Y). LW vs EC, VT trailed 24-21 at HT but scored 4 TD in 9:00 to capture its 1st win (and cover) TY, 49-27. QB Taylor is avg 170 ypg (61%) with a 5-1 ratio and leads with 191 rush (5.0). RB Williams (142, 3.0, 3) went out mid-2Q LW with a hamstring inj (CS). VT's top rec is Boykin (10, 22.9, 3 TD) and he has almost 3x's the yds of the #2 man. BC is off an early ssn bye and HC Spaziani said the week would be like spring all over again. QB Shinskie has put up decent stats avg 200 ypg (60%) with a 4-2 ratio, but Spaziani and fans are still waiting for a defining moment. Bkup Marscovetra (42 yd, 50%, 1-1) has seen limited PT but don't be surprised to see both play here. With Spaziani as HC the HT is 9-4 in BC gms (0-2 TY). BC is also 9-3 as a HD S/'99. LY we went against Boston College to win our free Sept 5★. Do we reverse that trend here?

FORECAST: BOSTON COLLEGE (+) 26 Virginia Tech 23
OTHER GAMES

THURSDAY, SEPTEMBER 23rd

Miami, FI at PITTSBURGH - Pitt is 1-14 vs Miami with the last meeting in '03 (the last yr Miami was in BE) but the HT is 6-3 ATS in this series. Miami has outgained the Panthers in 5 of the L/6 gms by an avg of 187 ypg. Their last meeting was for the Big East Title and a BCS bowl berth. Both teams are off byes and UM wants to get the taste of the OSU gm out of their mouth, while Pitt is looking for a statement win at home. **Start your 5★ weekend off with our Marquee GAME OF THE MONTH! Our regular season GOM's are 21-8 72%. Get this Marquee GOM Thursday after 3:00 pm EDT at 1-900-438-9467 (\$15) or on your Northcoast Debit Card (\$9)!**

FRIDAY, SEPTEMBER 24th

Tcu at SMU - 90th meeting as these 2 (just 32 miles apart) play for the Iron Skillet and both come into this matchup off short wks as the Frogs (35 pt win, 558-263 yd edge) and Mustangs (14 pt win, 420-350 yd edge) are off of wins vs Baylor and Wash St respectively. TCU has taken control recently at 9-1 SU (34-7 avg win) but SMU is actually on a 5-2 ATS run. LY SMU led 7-0 in the 2Q LY before allowing 25 unanswered pts while posting a ssn low 224 yds on offense. TCU is 7-3 ATS as an AF while the Mustangs are a much improved program in 2010. **Keep your week rolling with the Friday Night Marquee Winner! Call 1-900-438-9467 on gameday to get the winner for \$15 or Save using your Northcoast Debit Card - just \$9 there.**

SATURDAY, SEPTEMBER 25th

NORTHWESTERN 27 C Michigan 17 - First meeting. CM is 5-1 ATS vs the B10 winning at MSU LY and NW is 1-8 ATS as a HF vs non-conf FBS tms and 3-7 ATS vs MAC. NW is off a 30-13 win at Rice in which the Owls scored their only TD on a 97/11pl drive with :19 left. #2 NCAA pass eff QB Persa is avg 256 (82%) with a 6-0 ratio with 129 rush yd. The D has forced 9 TO's TY with 2 IR TD's. CM's Cotton ran for 209 yd in a 52-14 win over EM in which the Chips had a 523-358 yd edge. LeFevour replacement QB Radcliff is avg 265 (65%) with a 3-2 ratio. CM's defense has been a surprise at #8 NCAA allowing just 251 ypg. The Cats (dogs are 14-2 ATS in their gms) have their B10 opener at Minn on deck while CM is playing its 3rd straight road game but are feisty dogs (6-2 ATS as AD the L/3Y).

PURDUE 27 Toledo 17 - HC Beckman's debut was spoiled LY as UT spotted PU a 21-0 lead and never recovered trailing by 28's the entire 2H. UT is 2-3 vs PU allowing 50+ pts in each loss. Toledo is 2-9 ATS in trips to BCS schools. LY Purdue lost to MAC member NI 28-21 and incl bowls, is just 4-9 ATS vs MAC incl LW as they outgained BU 403-256 but only won 24-13 failing to cover as a 16' pt HF but they do have a bye on deck. PU did play without their #1 WR Smith (OFY), #1 and #2 RB's and QB Marve was sideline in the 2H but is exp to return here. Toledo is on their 3rd straight road game but won a pair of MAC games both as an AD. However LW vs WM they were outFD'd 24-11 and outgained 416-268 but took advantage of 6 WM TO's. Purdue has a slight off edge (#72-89) and a bigger def edge (#63-90) but is 0-3 ATS TY, while Toledo has pulled B2B upsets.

MICHIGAN 48 Bowling Green 17 - Only previous meeting was in '00 as UM won 42-7 at home outgaining the Falcons by 283 yds. LY vs its only BCS opp (Missouri), BG led 13-0 and 20-13 in the 4Q and they are 5-2 ATS vs BCS conf tms. UM is 2-5 ATS vs the MAC but covered both LY and Rich Rod was 13-9-2 ATS as a DD HF until LW's non-covering (-29) 42-37 win over UM/ass as the Blue were outFD'd 26-22 and allowed 439 yds. The Wolves actually led 42-24 mid-4Q but did allow the Minutemen to score TD's on their L/3 drives (70, 73, 25 yd). NCAA total offense and rush leader QB Robinson is avg 224 ypg (70%) with a 4-1 ratio and 559 rush yd (7.6). BG forced 5 TO's incl 2 IR TD's in a 44-28 win over Marshall. QB Schilz (shldr) was inj'd in the 3Q and DNR and Pankratz (5-8 for 111 with 1-1 ratio vs Herd) may get his 1st start in the Big House. BG is allowing 194 rush ypg (5.3) and hasn't faced an athletic QB of Robinson's caliber yet.

IOWA 31 Ball St 10 - In their only meeting ('05) Iowa cruised to a 56-0 home win with a 297 yd edge. IU is in an Ariz/Penn St sandwich and LY in a PSU/Mich sandwich they jumped out to a 21-0 lead vs Ark St and held on for a 24-21 win (-21'). The Hawks, however, are off a 34-27 loss at Ariz as we had a 3★ on the Cats on these pages. In the game IU trailed 27-7 at halftime thanks to a blk'd P which set up a TD, an 84 yd IR TD and a 100 yd KR TD. They rallied to tie it at 27 in the 4Q on a 19 yd IR TD but had the xp blk'd and the Cats drove 73/9pl for a TD with 4:02 left. IU is 12-4 ATS vs the MAC. QB Stanzi is #10 NCAA pass eff (237 ypg, 64%, 6-1 ratio) but the run gm came to a halt vs the Cats with just 29 (1.1) as Hampton (knee) left LW's gm. BSU is 7-0 as an AD incl LW's 24-13 covering loss (+16') at Purdue in which they never trailed ATS despite missing 2 FG's and an xp and all'd a 76 yd TD pass which deflected off a Cards defender. True Fr QB Wenning hit 11-21 for 89 yd with a 0-2 ratio in his 1st start vs Boilers. BSU is allowing 148 rush ypg (4.3). This is BSU's 2nd of a 3 gm road trip with their MAC opener (OH) on deck. BSU is a scrappy dog but it must be noted that IU is 7-1 ATS off a SU loss.

OHIO ST 52 E Michigan 3 - 1st meeting. OSU was 2-7 ATS as a 20+ non-conf HF but is 2-0 TY incl LW's 43-7 3★ LPS win over Ohio U in which the Bucks scored on their 1st 6 poss and forced 5 OU TO's. QB Pryor is avg 238 (63%) with a 6-2 ratio and 165 rush yd but threw his 1st 2 int TY vs the Cats in the EZ with :14 left 2Q and at the OU4 early 3Q. OSU's 1st string D has allowed 1 TD and is tied for #1 NCAA in TO's forced (12) but the ST's still need work as OU had a 99 yd KR TD called back due to a penalty and blk'd a P. EM is 3-9 ATS vs the B10 (avg loss 35-7). The Eagles only trailed CM 28-14 in the 3Q but after a Chips TD drive, EM was SOD at the CM5 and CM3 and had 2 fmb'l's (1 ret'd for a TD and another set up a 22 yd CM TD drive) in a 52-14 loss. QB Gillett is avg 117 ypg (58%) with a 4-3 ratio and 172 rush yd. EM is in a MAC sandwich and may want to stay healthy and OSU's 3rd string would probably be a 21 pt fav here and the D may want to corral a shutout TY (3 LY). OSU won two 5★'s for us in '08, would we go back to them again for the big play?

PENN ST 27 Temple 13 - Penn St is 4-0 SU and 3-1 ATS the last 4 years vs the Owls winning by a comb 154-9 (TU hasn't scored a TD in the series S/'03) outgaining TU by 268 ypg incl 2 shutouts. The home team is 11-4 ATS and TU is 5-12 ATS vs BCS opp's. Five members of the TU staff, incl HC Golden (also PSU asst) played under Paterno. PSU is off a 24-0 shutout of Kent as we won a 3★ Small College Play on the Lions when they outgained the Flashes 382-228. QB Bolden is avg 200 ypg (59%) with just a 3-5 ratio and RB Royster (110, 3.5) still hasn't run for more than 40 yd in a gm TY. PSU is allowing 104 rush ypg (3.4). TU is off its first win over a BCS opp S/04, 30-16 over Conn to go to 3-0 for the 1st time S/'79. The Owls trailed 16-14 into the 4Q when they had got a 25 yd FR TD, a 47 yd PR which set up a 4 yd TD 'drive' and UC missed a 38 yd FG with 3:30 left. RB Pierce (301, 5.4) had 169 vs the Huskies. TU is allowing 141 rush ypg (3.9). PSU does have a huge game at Iowa on deck and Temple is 5-1-1 ATS in road openers.

GEORGIA TECH 34 NC State 21 - GT benefited getting to face a susp-depleted NC tm and won 30-24 LW. NC held the ball for 11:11 in the 1Q but GT finished with a 10:00 TOP edge, helped by a 2Q drive that ate up 10:32 (2nd longest drive by GT in L/20Y). QB Nesbitt has thrown for just 200 yds (36%) with a 2-1 ratio but is the leading rusher with 267 (4.7, 6 TD). BB Allen is also over 200 (230, 6.2) but has yet to find the EZ. These two last met in '06 so the Wolfpack has not encountered GT's option offense. O'Brien is 2-0 SU but 0-2 ATS vs Paul Johnson with his BC squad beating Navy by an avg of 36-23 (avg line BC -18). NCSt opened with two 93 yd TD drives and was up 20-7 at half then turned it over to the D to handle Cincy Thurs night, 30-19 (Cincy 2 TD's in L/7:00). QB Wilson avg 248 ypg (56%) with an outstanding 8-0 ratio. He has 4 rec's over 100 yds led by Williams (8, 20.4) and Spencer (8, 17.8) but neither have a TD rec TY. RB's Greene (174, 4.4) and Haynes (138, 4.9) pace the run gm. GT is 7-0 SU (5-2 ATS) the L/2Y vs ACC At Div opps while NCSt is 23-10 ATS as an AD. We've shied away from GT and NCSt on 5★ Saturdays, but does that trend change here?

DUKE 37 Army 34 - LY Duke QB Renfree, in his coll debut, came off the bench to throw 2 TD and CB Wright ret'd 2 int for TD (in :16) to rally from a 10-7 1H deficit and win 35-19 in a misleading final (Army 385-236 yd edge). Duke is 7-1 SU in the series (2-0 SU and ATS since '97). Duke is off its home gm vs Bama (largest crowd S/'91) where they were rolled 62-13 (-324 yd). One bright spot for Duke was its 68/13pl TD drive before HT, the 1st TD Bama all'd TY. Renfree is avg 284 ypg (63%) with a 7-4 ratio. The leading rusher is Scott with 238 (6.8) and Vernon (19, 16.5) and Varner (21, 11.2) top the rec's. Duke's run D has been porous (223 ypg incl 315 vs Bama) which could cause a prob when Army (284 ypg, T-#7 NCAA) rolls in. QB Steelman has thrown for 148 yd TY (52%) and is the #4 rusher. The top rusher, Mealy (168, 6.0) did leave in the 2Q LW (knee, CS) but Army still posted its 1st shutout at Michie Stad since '93, 24-0, over North Texas. We went against Duke in '94 as the Bowl GOY, will the Devils play a role in this week's release?

OTHER COLLEGE GAMES cont from page 3

CONNECTICUT 31 Buffalo 10 - UC is 5-0 SU/ATS vs UB with the avg score 33-6 outgaining the Bulls in each by 296 ypg. They last met in the '08 International Bowl as UB (+7) lost 38-20 being outgained 407-237. UB did lead 20-17 at HT due to 5 lost UC fumbles in the 1H. UB was 16-7 as an AD under Gill, but lost their only road outing under new HC Quinn, 34-6 (+14') to Baylor. UB is off a 24-10 loss to UCF (tied 10-10 mid-4Q) in which the Bulls had a 326-288 yd edge and 21-16 FD edge. UC is off a 30-16 loss to Temple in which RB Todman (448, 7.3) rushed for a career high 195 yds but lost a critical mid-4Q which TU ret'd for a TD to put the Owls up for good. UC is 8-4-1 ATS as a HF and 7-1-1 as a DD fav. Conn has a large edge on off (#42-109) and is 15-6-1 ATS off a SU loss.

Georgia 17 MISSISSIPPI ST 14 - UGA is 16-5 all-time in this series and has won 9 in a row with MSU's last win in 1974. In the last meeting in '06, UGA (-17) had FL on deck and barely escaped with a 27-24 win in Athens. UGA is off a last second 31-24 loss to Ark and has started out 0-2 in the SEC for the first time under Richt. MSU is also 0-2 in SEC play off a 29-7 loss to LSU in which 5 TO's sealed it despite outgaining LSU 268-264. MSU QB's Relf (87 pass, 56%, 1-3) and Russell (118 ypg, 63%, 4-4) split snaps but Relf was inj'd vs LSU (CS). MSU is 6-2 ATS as a HD with 3 outright upsets incl #20 Ole Miss and almost upset #7 LSU (374-263 yd edge). This is UGA's 3rd road game in 4 weeks and their final gm w/o susp WR Green. Richt is 33-7 SU on the road but has lost 3 in the L2Y and UGA is 1-6-1 ATS as an SEC AF.

MISSISSIPPI 24 Fresno St 21 - First meeting. This is Fresno's first trip to the "Magnolia State" and the Bulldogs are 0-3 SU and 2-1 ATS vs SEC foes. But these are the exact kind of gms FSU HC Hill and his Bulldogs live for and thrive in. FSU has 16 wins vs BCS tms since the start of '00 and after losing the 1st 9 gms to BCS foes under Hill, FSU has since gone 16-15 (has won 6 of L/8) and only 6 of those gms were played in Fresno. The Bulldogs are 7-1 ATS on the road vs BCS tms and are on a 7-1 ATS in overall AG's. QB Colburn is avg 198 ypg (70%) with a 5-2 ratio and RB Ellis has 171 yds (5.7) and ran for 165 yd and scored 3 TD LW. UM is 10-2 SU and 8-4 ATS vs non-conf FBS tms under Nutt including a 6-1 SU and 4-3 ATS mark at home. But the Rebels are on a 1-5 ATS skid and have lost both HG's TY outright as a DD fav. UM won 18 gms and 2 Cotton Bowls over the '08 and '09 sns, but has started with 2 home losses TY to Jax St in the opener (1st loss to an FCS tm in the current format) foll'd by a loss to Vandy LW. Oreg transfer Masoli has taken over at QB and is avg 193 ypg (62%) with a 1-4 ratio with 160 (4.8) rush yds. The Rebels find themselves in an SEC sandwich (UK on deck) and are desperate not to be upset at home by another non-conf foe.

MISSOURI 39 Miami, Oh 13 - First meeting. Missouri has a bye on deck and should be fully focused especially after LY when they were -19' vs MAC member BG and trailed 20-6 in the 3Q having to rally for a 7 pt win. Miami is a much stronger team than LY's 1-11 version and is already 2-1 SU/ATS including a cover vs Florida and a 31-10 win over CSU LW, despite being outgained 306-299. Missouri is also a much stronger team after having just 9 str's back LY and having 16 TY but LW needed a TD with 1:10 left to get by San Diego St as a 14 pt HF. Miami QB Dyer is avg 195 ypg (65%) but despite a 3-0 ratio LW has just a 4-5 ratio overall. Missouri QB Gabbert is avg 284 ypg (68%) with a 4-2 ratio. Missouri has the offensive (#31-98) and defensive edges (#32-76) and won't overlook this MAC foe.

Air Force 31 WYOMING 17 - The visitor is 9-3 ATS and LY WY (+10') held AF to just 79 1H yds. AF bkup QB Dietz came in at HT and led AF to the 10-0 win. It was AF's 1st shutout over a conf opp S/97. WY has now lost 4 str SU (1-3 ATS) vs AF. LW Okla opened up with a TD on its 1st drive but AF held them to 3&out on 3 of the next 4. AF tied it early 2H but OU scored 17 unanswered pts which proved the difference in AF's 4Q comeback bid. AF put up 351 yds rush (most all'd by a Stoops' OU tm in his 12 yrs) but came up short, 27-24 (AF 25-24 FD, 458-367 yd edges). QB Jefferson has thrown for 354 (51%) with a 3-1 ratio while Clark (227, 6.6) and Tesh (234, 4.6) lead the rushers. LW WY took on a Boise tm looking to make a statement after losing pts in the polls, and a statement they made, scoring 37 pts out of the gate. WY was held to -21 yd rush (135 tl yd) in a 51-6 loss. Carta-Samuels is avg 210 ypg (70%) with 4-3 ratio. The top rec is Bolger (12, 16.9) and the #1 rusher is Alexander (just 79, 2.4). WY allows 210 ypg rush and AF leads the NCAA avg 399 ypg. We have a strong pulse on this series which was our '97 College GOY and '93 Sept 5★, both winners!

KANSAS ST 23 Ucf 16 - 1st meeting. UCF is 0-3 SU being outscored by 16 ppg and is 1-20 SU (7-14 ATS) in BCS AG's (3-0 ATS vs B12). K-St used to maul non-conf opp but is just 2-6 ATS incl a SU loss to ULL LY. K-St scored 10 pts in the final 7:00 to beat ISU 27-20 in Arrowhead to go 3-0 for the 1st time S/06. The Cats overcame a 69 yd IR TD thanks to Thomas' 181 yd and stopped the Cyclones on downs at the KUS36 with :19 left. Thomas is #2 NCAA rushing (552, 6.7). K-St is all'g 177 rush ypg (4.5). Thanks to a 2Q IR TD, UCF was tied 14-14 going into the 4Q at Buffalo before driving for 2 TD's and SOD the Bulls at their own 38. QB Godfrey hit 15-24 for 130 yd in his 1st start as UCF was outgained 326-288 and outFD'd 21-16. The Knights are all'g 129 rush ypg (3.4). UCF surprisingly has big D (#28-55) and ST (#6-58) edges. Both teams have a bye next week so they should be full go in what could be a defensive battle.

HOUSTON 45 Tulane 17 - Tulane is on a 0-7 SU/ATS run vs Houston, losing the L/6 by an avg of 26 ppg but comes into this meeting fresh after an early season bye. The Cougars lost more than a game LW in LA as not only did QB Keenum (OFY) go down for the 2nd straight gm (trailing 21-3), but bkup Turner (broken collarbone also OFY) leaving the start here to 3rd stringer true frosh Broadway (84 yds, 63%, 1-0 ratio). LY, the Wave was only outgained 412-364, but had 3 TO's and all'd a PR TD. Tulane is 6-2 ATS the L/8Y in road openers (3 str covers) but has gone just 4-12 ATS as a CUSA AD. The Cougars on the other hand are an impressive 7-1 as a HF under HC Sumlin including covering easily as 23 and 30 pt favorites LY vs Memphis and Rice by a combined 128-28 margin. Houston has a bye on deck and despite the losses at the QB position, they still have much more talent than the visiting Green Wave.

† **Oklahoma 41 CINCINNATI 17** - Paul Brown Stadium (Bengals). Oklahoma is 8-3 SU and 7-3-1 ATS in road openers. In their only meeting in '08 OU led the whole way and gave us a 4★ LPS Winner (52-26, -22) outgaining UC by 266 yds. Both tms won their respective confs in '08 showing the huge talent gap between the B12 and BE. Cincy did have a couple of extra days of prep and has a bye next week. Sooners are 6-12 ATS prior to rival Texas. OU is 6-3 as an AF but Cincy is 5-0 ATS as a HD with 4 outright upsets. With 5 sks allowed in their loss to NCSU, UC QB Collaros (220 ypg, 61%, 6-0) has now been sk'd 13x in 2 gms vs FBS tms, just 2 fewer than he and '09 starter Pike were sk'd the entire '09 sns. Sooners #10 D has 8 sks in 3 gms. UC ranks #110 in pass D allowing 247 ypg with an 8-1 ratio and OU QB Jones is avg 284 ypg (62%) with a 7-2 ratio. Two UC starters TE Guidugli and SS Frey were inj'd vs NCSU (CS). After LW's close win over Air Force, OU will be on alert and will dominate the line of scrimmage.

BOISE ST 38 Oregon ST 17 - OSU leads the series 4-2 SU but is 0-3-1 ATS. These two played each year from '03-'06 and the HT won all 4 SU (2-1-1 ATS). In the last meeting (here in '06), OSU led 14-0 mid-1Q before Boise scored 42 unanswered in a 42-14 victory w/a 407-263 yd edge. The Beavers are 1-2 SU (0-2 ATS) in Boise winning 37-30 (NL) in '89 but results have been similar in recent meetings as they were +8 and +7' and lost 53-34 ('04) and 42-14 ('06), respectively. OSU is 1-6 SU and 0-7 ATS in AG's the first 4 wks of the yr. RB Rodgers has 207 yds (4.9) and ran for 132 yds and 2 TD LW while QB Katz is avg 151 ypg (47%) with a 4-0 ratio. BSU has the edge on off (#5-50), def (#9-52) and ST (#5-22). QB Moore is avg 293 ypg (63%) with a 5-1 ratio and threw for 370 yds and 2 TD as Boise piled up 648 yds of off LW while holding WY to -21 yds rush and 135 tl yd. The Broncos are 4-11 all-time vs the P10 with all 4 wins coming vs tms from the "Beaver State". Boise is 71-2 SU S/99 at home and has won 56 consec reg sn gms in Bronco Stadium and is on a current 16 gm win streak! BSU is also 38-17 ATS on "The Blue" and they still get up for big gms as they've covered their L/5 big gms (bowl plus 3 vs BCS tms) by 11.3 ppg. Boise will be concerned about MOV as TCU beat OSU 30-21 (-13) in Wk 1. ESPN's College Gameday will be on hand as this is probably the Broncos' biggest remaining challenge (along with a late snn trip to Nevada) to go undefeated.

ARIZONA 31 California 26 - While the Bears have gone 6-1-1 ATS in their opening P10 AG, their last 2 trips to Tucson haven't ended well as they were upset 24-20 as a 13 pt fav in '06 (Cal ranked #8) and blew a 24-14 HT lead (-2) in their last visit back in '08. The Bears are however 16-6 ATS vs the Wildcats with just those 2 meetings being the only failed covers in a 7 game span. After outscoring UC Davis and Colo by a 104-10 margin, the Cal defense was violated by the Nevada offense LW in Reno allowing 316 rush yds (6.4) in the 52-31 defeat. Arizona delivered HC Stoops his most high profile home win LW aided by

**COLLEGE SEPT 5★ GOM GOES THIS SATURDAY

GAMES OF THE MONTH 21-8 72% S/07!!!**

some big ST and def plays early that all'd them to hold on late vs Iowa. LY, a week after RB Best suffered a concussion, bkup RB Vereen rushed for 159 yds (5.3) in Cal's 24-16 victory over Ariz, a game in which AZ was in range for the game winning FG but QB Foles caught a deflected pass and threw it again for a penalty that made them go for it on 4&17. In the first 4 years of Stoops' tenure in Tucson the Cats went just 1-7 ATS as a HF, but they've gone 8-2 ATS over the L/3Y. With the home team winning and covering the L/5 but it would be no surprise to see the streak end.

TEXAS 27 UCLA 6 - First meeting S/98 (series tied 2-2) which was Brown's 1st year as HC and #6 UCLA won 49-31 (-9) at home vs #23 Texas. The Longhorns earned back some momentum LW in Lubbock getting even from falling in their last trip there but the Texas offense hasn't been its same productive self avg just 359 ypg over the first 3 wks (Rice, Wyo, TT) after a 422 ypg avg LY. The Bruins on the other hand rolled to an impressive 31-13 (+3) upset of #23 ranked Houston as their run game came alive with 265 yds (5.2) which was their most S/07. While UCLA is 3-7 as an AD under Neuheisel and 0-2 in that role vs ranked tms, the Bruins had gone 7-0 ATS vs Top 10 teams from '06-'07 while Neuheisel went 12-4 ATS comb vs the Top 10 as the HC of Colo and Wash. The Horns are 2-5 ATS prior to the Red River Rivalry and LY at home they were -33 vs Colo but trailed 14-3 late 1H in the 24 pt victory.

COLORADO ST 23 Idaho 20 - The series is tied 3-3 and UI has won the L/2 (2-0 ATS) but CSU is 2-1 SU in gms in Fort Collins. LY the Vandals (+4) trailed 14-0 after 1Q and 20-7 late in 2Q but completed the 2H comeback and sealed the win with an int w/1:04 left. CSU trailed 31-23 (early 4Q) and went on an 89/5pl drive to score w/1:41 left but was stopped on the 2 pt run in a 31-29 loss. It was the turning point to both teams' seasons and could be once again TY. In fact, that loss for CSU began what is now an ongoing 12 gm losing streak as they have been outscored 106-19 in the 1st 3 gms TY. UI has the edge on off (#78-116) and is led by QB Enderle who is avg 228 ypg (59%) with a 4-7 ratio. His favorite target has been TE Hardy who has 12 rec (19.9). The Vandals recorded 6 sks LW vs UNLV but have all'd 13 sks themselves TY (2nd most in the NCAA) behind a new OL. This is the Rams' home opener where they are 16-4 SU but 5-10 ATS in the lined gms. QB Thomas is avg 232 ypg (67%) with a 1-6 ratio and RB Carter leads the running gm with only 39 yds (1.6) as the Rams are #119 in rushing avg just 43 ypg (1.7). CSU is 6-1 as a HD while UI has only been an AF once (covered in '06) in the L/7Y.

BYU 34 Nevada 33 - BYU leads the series 4-1-2 SU (1-1 ATS in lined gms). In the two recent meetings UN fell 52-7 (+25) in Provo ('01) before winning 31-28 (+14) in Reno ('02). BYU is 23-2 SU (13-11 ATS) at home S/06 with the only losses coming vs Fla St and TCU while UN has lost 14 consec road openers (5-8 ATS) with the last win coming back in '95 (only 1-5 ATS S/94). However, the Wolf Pack's 3-0 start is its best in its FBS history (S/92) and UN is coming off a huge win following a 52-31 victory over #24 Cal where QB Kaepernick ran for 148 yds and 3 TD while also passing for 181 yds and 2 more scores. In 3 gms TY, he has thrown for 6 TD and rushed for 7 while avg 243 ypg pass (71%) with a 6-0 ratio to go along with 369 yds rush (9.5). UN has the edge on off (#4-82) as the Pack is avg 560 ypg (#4 in NCAA with 302 ypg rush). BYU is facing a team that runs the ball well for the 2nd time in 3 wks having already faced option-based AF. BYU was held to just 191 yds LW at FSU (just 39 in the 2H) and the Cougars were sacked 8x's and have been outscored 69-24 the L/2 gms. Fr QB Heaps is avg 87 ypg (50%) with a 1-1 ratio and replaced Nelson (68 ypg, 50%, 1-2 ratio) early LW as the Cougars continue to look for an answer at the position. Both tms have non-conf instate rivalry gms on deck (BYU at USU on Fri, UN at UNLV). Will BYU's home cooking prevail or will UN's opening road game hiccup stop?

Usc 48 WASH ST 17 - USC has won 7 str in this series by 33 ppg incl its last visit to Pullman, a game in which USC did not allow the Cougars to get past their own 45 yard line in the 69-0 shutout. While WSU showed some life in its loss to SMU (outgained 420-350), they still appear to be at least a year away from being competitive in the P10. The Trojans are a shell of their past self not putting together a complete performance yet TY after being very suspect on the defensive side in the opener vs HI (588 yds all'd) and equally as shaky with the offense the past 2 wks vs VA and Minny. WSU has gone 2-6 ATS vs ranked P10 teams while USC is 0-4 ATS in their first P10 RG incl getting upsets each of the L/2Y (both after Top 10 meetings vs Ohio St). The Trojans are in their 3rd AG in a 4 wk span and despite USC's struggles in the NW (1-8 ATS in WA and OR) there's still a huge talent gap in the 2 programs.

KANSAS 38 New Mexico St 10 - The series is tied 1-1 as the Aggies defeated the Jayhawks 42-29 in '88 before falling 54-14 (+24') in '91. KU is 17-9 as a HF while NMSt is 7-5-1 as an AD. The Aggies are 0-19 SU and 7-12 ATS vs BCS schools (S/00) with the avg loss 43-11. NMSt is finally showing signs of life again in the passing game led by QB Christian is avg 212 ypg (51%) with a 2-1 ratio and WR Allen has 9 rec (19.9) and is showing signs of being the type of WR he was recruited to be after playing in a "three yds and a cloud of dust" off LY. KU has the edge on def (#68-118) and off (#94-120) edges here. QB Webb is avg 125 ypg (61%) with a 4-1 ratio while RB Sims has 175 yds (4.7) and WR Patterson has 16 rec (10.4). Gill's debut as the Jayhawks' HC started off with a thud as KU lost to FCS North Dakota St 6-3 (29 pt fav) only to turn around the following week to knock off #15 GT 28-25 (+13'). But KU suffered another setback LW with a loss to S Miss (+5). Gill is only 2-8 ATS as HF in the L/3Y and has only been a DD fav twice as a HC before (0-2). The Aggies may have a chance here as the Jayhawks have already fallen to FCS and non-BCS foes but look for KU to hand NMSt its 20th consec loss to a BCS team in this one.

FLORIDA 34 Kentucky 17 - UF has won 23 in a row in this series. UF (-21) led 31-0 after 1Q LY with a 223-(-1) yd edge and went on to a 41-7 win. LY with UF leading 31-7 in the 3Q, Tebow was sk'd by UK DE Wyndham and knocked unconscious with a concussion. UF is just 2-5 ATS as a DD fav vs UK. UF is off a closer than expected win over rival Tenn (31-17, -13' just 317-288 yd edge) and does have a huge game at Bama next week. UF QB Brantley hasn't had a 200 yd gm yet (151 ypg, 62%, 5-0) and has struggled with the snap exchange from C Pouncey in the 1st 3 gms. UK QB Hartline has made great strides over LY (227 ypg, 72%, 5-0) but now UK takes a big leap up in competition off blowouts of Akron and WKY. UK is 6-2 as an AD but in their last trip here they lost 63-5 (+25). Both teams will try to run and UF has the edge on the DL allowing 92 rush ypg (3.3) while UK has allowed 148 (4.4).

Southern Miss 27 LOUISIANA TECH 24 - SM is 29-13 all-time vs LT (5-1 SU S/83). These two haven't met since a 16-13 USM win (+2) in Hattiesburg in '92. SM has the edge on off (#61-86) and def (#47-94). SM is fresh off its 31-16 (-5) win over Kansas LW and QB Davis is avg 190 ypg (72%) with a 1-2 ratio. RB Johnson has 154 yds (6.2) and will look for running room by a LT def which gave up 239 yds rush in the 2H to Navy LW. Tech needs to settle on a QB with conf play on the horizon as Cameron is avg 154 ypg (63%) with a 1-4 ratio. JC Ikharo has stepped up as the top target thus far with 16 rec (10.7) while RB Creer has 190 yds (5.1) to keep the run game going despite a switch to the spread TY. The Bulldogs are 11-5 SU (11-3 ATS) at home while SM is 1-6 SU (3-4 ATS) in AG's. LT has its WAC opener at Hawaii up next while SM has its CUSA opener vs Marshall on deck.

KEY SELECTIONS

4★ Washington over ST LOUIS - This is the 5th meeting in 6 years with the Rams covering 3 straight with 2 outright upsets. LY The Redskins beat STL 9-7 but failed to cover as a 9.5 pt HF in the 2nd week. WAS had 4 drives of 60+ yds but settled for 3 FG's with a 362-245 yd edge. LW WAS blew a 20-7 1H lead and found themselves in a shoot out where including OT they were outgained 328-172 the rest of the way. WAS first 2 drives got the HOU 23 but they settled for FG's and in the 4Q they had a 29 yd FG blocked. This will be the 3rd straight team STL faces that is starting a new QB and offensive scheme vs 2009. This has enabled STL to keep it respectable as ARZ took a step down with Anderson who had little support from the run game. LW OAK changed its starting Ctr after 1 game and was also without LG Gallery. While STL gave up 173 yds (4.3) rushing they were able to rattle Campbell and force him out of the game. Now they face a team that has definitively upgraded at QB with McNabb (426 yds 74% 1-0 LW). STL will also face their former DC Jim Haslett who was passed over of the HC job after going 2-10 as an interim HC in 2008. Look for a sharp effort out of WAS's defense vs a young QB on a team with a poor home edge (9-21 ATS at home). The fact that AF's off a home OT loss are 11-0-1 ATS since 2003 is a bonus here.

FORECAST: Washington 27 ST LOUIS 10
3★ Pittsburgh over TAMPA BAY - Clearly the key to the 2010 Steelers until Roethlisberger gets back is their defense which has been outstanding in the first 2 games. PIT overcame a 238-127 yd deficit thanks to a 89 yd KR to open the game and forced 7 TO's for 12 pts. PIT's run defense has been relentless holding ATL's Turner to 42 yds (2.2) and snapped Johnson's 12 game streak of 100 yds with 34 yds (2.1). TB is a surprising 2-0 to start the season despite an NFL low \$80.8 million roster. TB QB Freeman looked good again LW with 178 yds and 2 TD's but that was vs a defense with 6 new starters. He has 6 games of 52% or less completion in 12 starts and now faces one of the elite defenses in the NFL. The Bucs do have a top tier special teams unit which has been known to give PIT problems in the past. Look for PIT to resign Leftwich quickly as not only does he have a chance to start here, his experience with TB LY mentoring Freeman will help the Steelers as they secure their 3rd win of the year.

FORECAST: Pittsburgh 17 TAMPA BAY 6

OTHER SELECTIONS

2★ Cincinnati over CAROLINA - After getting thumped by NE in the opener and facing a tough fight vs BAL, CIN is in a down spot here with their 3rd road game in 4 Wks with CLE on deck. CIN is only 1-7 ATS as an AF while CAR is 4-1 ATS as a HD. After a confidence boosting 2H vs NE the Bengals got into the win column with by pressuring Flacco into 4 int's. CIN turned those into 6 pts in a defensive struggle which turned out to be the difference maker. They now take on a defense with 6 new starters that is trying to get its bearings. CAR's issues have been compounded by poor play at QB (183 yds 42% with a 2-5 ratio). Clausen maybe named the starter sooner than later. Fox is trying to use RB's Williams and Stewart who have 171 rush yds together (3.7) to keep the games close and steal a win. CIN however has the RB in Benson to match CAR's power run game, a vastly more sound QB position with a deep receiving unit that will only get better as the season rolls on.

FORECAST: Cincinnati 27 CAROLINA 13

2★ JACKSONVILLE over Philadelphia - The Eagles had an ideal foe for Vick to make his 1st career start vs a soft defense in a controlled environment on a fast surface. Vick threw for 284 yds (62%) with a 2-0 ratio. The Eagles may have lost their best OL with LT Peters (knee) in addition to Ctr Jackson LW and the protection struggled allowing 6 sacks. JAX's inability to draw fans has crippled their homefield advantage and while they were 4-13 ATS the LY/2Y they did take care of business at home in the opener. They also have the added edges of catching PHI in a 2nd straight road game and have a full game of tape on Vick. LW JAX had the misfortune off catching SD off a MNF div loss and it translated into a 38-13 beating. QB Garrard imploded with 4 int's after having none in the opener and McCown (120, 58%) got some reps. JAX got taken out of their offense LW as Jones-Drew had 31 yds (2.6). Now they face a PHI defense that has allowed 124 rush ypg (4.2) the rush attack will again flourish and take some heat off the QB position.

FORECAST: JACKSONVILLE (+) 24 Philadelphia 20

OTHER GAMES

NY GIANTS 23 Tennessee 16 - The Giants are off LW's SNF game vs IND and after facing a pass 1st foe now have to contend with a team happy to pound it out on the ground. TEN was caught in a role reversal LW as after scoring 17 pts off 2 TO's and a missed FG vs OAK they gave up a 89 yd KR for a TD and turned the ball over 7 times for 12 pts for PIT. Johnson had his streak of 12 straight 100 yd games snapped by being held to 34 yds (2.1) which was what he had the last time he failed to reach 100 yds. Young has never been a big stat QB but being held to 66 yds (70%) with 2 int's at home and then being benched for his own protection instead of finishing out the game is a concern. Now TEN has to take on a Giants team that held a young but similarly built CAR offense to 6 FD's, 75 yds while pulling in 2 int's and 4 sacks in the 2H. It's one thing for TEN to dominate at home vs an OAK team in a poor situation with a new OC and heavily reshaped defense. LW was an indicator that stout and aggressive defenses that can shut down Johnson and make Young beat them thru the air have a good chance. At home and with a deep DL and quality receiving corps we'll call for the Giants by 7.

NEW ENGLAND 30 Buffalo 3 - BUF is 0-13 SU and 3-9-1 ATS vs NE. BUF had a legit chance to win LY's season opener vs NE but a special teams blunder late cost them the game. NE was worn out after a tough game vs CAR before the rematch and were playing with a banged up defense. NE had a 17-3 lead going into the 4Q before trading space for time. BUF self-destructed in the game with 11 penalties and their beleaguered OL gave up 6 sacks. LW BUF was able to keep it close vs GB in the 1H (13-7) but their lack of playmakers and injuries at LB had them outFD 11-6 and outgained 185-93 in the 2H giving up 21 unanswered pts. BUF's OL simply can't protect Edwards (1 sack every 7.4 pass att's) and are only the 3rd team since 1999 to start a season with 200 yds or less offense in the 1st 2 games. NE has started off the year vs 2 quality foes with the defense playing younger and faster than LY. They are 18-5 ATS off a SU loss. BUF simply doesn't have the talent on the roster as shown in the huge line.

BALTIMORE 23 Cleveland 6 - BAL is 4-0 SU and ATS vs CLE with a 369-250 yd edge and 25-16 avg score. After facing the Jets on MNF and CIN LW with PIT on deck this would appear to be a flat spot but this is also the Ravens home opener. CLE switched QB's halfway thru the 1st game in WK3 LY being beaten 34-3 and were shutout 16-0 in the 2nd on MNF. LW BAL was in a tough situation on a short week on the road vs a division rival that isn't intimidated by their defense. Flacco had a poor game with 4 int's which were turned into 6 pts in a game with even yardage. CLE finds itself 0-2 after the "easy part" of their schedule with 7 straight games vs foes with a winning record from 2009 on deck. The Browns were forced to go with career backup Wallace LW. While he had a decent day (229 yds 52% 1-1) CLE got no help out of the run game being outrushed 140 (3.6) to 73 (2.8) at home. The loss of RB Hardesty (ACL) in pre-4 for CLE will hinder them all year as Harrison (85 yds 3.4) has shown he was a 1 hit wonder LY and the pinned their 2010 hopes on being a running team. BAL is too balanced on offense and too angry on defense here for a road team who likely won't announce their starter until game time.

Atlanta at NEW ORLEANS - The Falcons covered both meetings LW as DD dogs losing by 8 and 3 pts. NO was worn out in the 2nd meeting LY after facing NE on MNF and getting a tougher than expected OT game from WAS. ATL was without Ryan (turf toe) and RB Turner (knee) in the rematch. They rallied from 23-9 mid-3Q earning 187 of their 392 yds getting int'd on the ATL 32 and SOD at the NO 46 on their final 2 drives. ATL is off a dominating win as our 4★ NFL GOM LW. Ryan (225 yds 66% 3-0) was very efficient which opened up the run lanes for RB Snelling who got the bulk of the work with RB Turner (groin) out for most of the game. ATL put enough pressure on Anderson to rattle him and he responded with 161 yds (55%) and 2 int's which were turned into 14 pts before forcing

him out of the game. While the road team used to dominate this series we'll have to pass on this game for now as we get a closer look at NO's offense on MNF.

San Francisco 20 KANSAS CITY 17 - Situationally this is a flat spot for SF on the road after a MNF game with ATL on deck. However, home teams with a bye on deck vs a foe off a MNF game are 7-15 ATS. SF could very well be 0-2 and getting some good value here as we've seen some publications anoint the Chiefs as TY's worst to 1st team prior to the CLE game. KC improved to 3-19 SU and 6-16 ATS at home with their big win vs SD on MNF. They are a surprising 2-0 in spite of Cassel who had his 7th game with under 200 yds passing and 7th game with 2 or more int's. The key has been the run game which has 138 yds (4.2) and their special teams as they have only converted 6 of 26 3rd Dns (23%). SF is likely to have 2 rookie OL and a backup Ctr here and if Arrowhead gets loud their pass attack could bog down. However SF is also much farther along with their 3-4 scheme than KC who may not have DE Jackson here. KC was outgained by 192 yds vs SD and simply took advantage of CLE's inability to get anything going LW. We'll call for the road team by 3 and wait for the line.

MINNESOTA 27 Detroit 7 - DET is 1-9 SU and 2-7-1 ATS vs MIN losing by a 25-15 avg score. As expected MIN's pass attack has struggled without WR Rice (even if acquired Vincent Jackson will have to miss) and Favre hasn't gotten a good feel for his WR's. Instead of working with his receivers after the NO loss, Favre went home for 3 days and struggled to find his rhythm vs MIN. While he had 225 yds (61%) he posted 3 int's (1 was a fluke) and converted 1 of 6 3rd Dns in the 2H. Now MIN gets the ideal pass defense to get healthy on. DET has allowed 254 ypg (69%) with a 96-31 ratio over the L50 games. They only have 1 DET drafted player (FS Delmas) in the back 7 that started both games TY. LW's score wasn't as close as it looked as PHI took a 35-17 lead with 6:17 left and were outgained 420-289 before going prevent. Favre avg'd 250 ypg (77%) with 3 TD's in 2 games vs DET LY and with the Lions pass def being just as bad we'll call for MIN to get right here.

Dallas 31 HOUSTON 30 - The NFL scheduled these teams for the 3rd preseason game but DAL was uninterested and worn out after an exhausting travel schedule. The home team has covered both regular season meetings. DAL will be getting slammed by the local media with their 1st 0-2 start since 2001. DAL is nowhere near as bad as their 0-2 record states as in both games so far they were at least +7 FD's, +102 yds while holding WAS and CHI to 4 of 24 on 3rd Dns (17% when 33% is avg). The problem has been poor play calling. On 6 drives into the opposing 26 they have 2 TD's, 2 missed FG's, 1 FG and had the game winning TD vs WAS negated by penalty. LW was the 1st time their starting OL was together as a unit since the start of TC but the run game has been woefully ineffective with Barber and Jones combining for 115 rushing yds (3.4). HOU is off 2 huge games after beating IND and while they put up 526 vs a good WAS defense they went 11:30 into OT for the win. DAL will be bombarded with the stat that only 11.3% of 0-2 teams have made the playoffs since 2002 and look for a crisp effort from a more desperate team here.

Indianapolis 24 DENVER 17 - IND is off LW's Manning Bowl on SNF and those results as well as their ability to pass protect and stop the run are unknown. Manning has been very successful vs DEN with a 7-2 SU and ATS record. LY IND beat the Broncos 28-16 as a 6.5 pt HF with a 80/13pl drive that took up 7:19 in the 4Q. DEN was able to pull in 3 int's on Manning and had a 357-312 yd edge though most that came when IND let Marshall collect 21 rec's (9.5) to keep the ball in front of them and eat up the clock. DEN beat SEA LW 31-14 as they were +4 in TO's but have yet to get the ground game going avg 77 ypg and 2.2 ypc. While LW's results are unknown for the Colts, HOU was able to run on them in Week 1 (257, 6.1) but DEN will be hard pressed to have the same success. IND was 6-0 as an AF LY and the opening road loss insures they stay focused especially if they dropped their Sun Night game to start 0-2.

San Diego 28 SEATTLE 27 - On the scoreboard SEA's Wk 1 win looks impressive but they only had 242 yds of offense. LW without the home crowd and contagious enthusiasm the Seahawks fell behind 17-0 and never recovered. SD's Wk 1 was the polar opposite as while they lost at KC they finished with a 389-197 yd edge. SD recovered to beat JAX 38-13 finishing with a 477-350 yd edge. Now each team is 1-1 and for the return to the Great Northwest. The Seahawks under HC Carroll are going to ride waves of emotion and they may be a team this season that plays well when leading early but fade quickly when behind. Qwest Field is one of the NFL's loudest and we have no trouble backing a SEA team that allowed 16 ppg at home and had 2 home shutouts LY with the same defensive scheme. Remember this is the same SD squad that is without LY's top RB, WR and OL. The Chargers are 2-6 ATS as an AF haven't been able to establish a strong pass rush with only 3 sacks. That bodes well for Hasselback who has won and covered his L5 games at home when he has an even or positive ratio.

ARIZONA 20 Oakland 17 - After barely getting the team by STL in the opener, QB Anderson reverted to his 2009 form vs ATL. ARZ was out FD'd 33-11 and only gained 75 2H yards despite trailing 24-7 at HT. Anderson threw for only 161 yds (55%) and his 2 int's which were converted into 10 pts by ATL in our Sept NFL GOM Winner. ARZ was counting on RB Wells (knee bruise) to provide some balance to the offense but he has been unable to get on the field. After facing an elite QB with Ryan LW the Cardinals now face OAK which replaced Campbell (162, 53%, 0-1) with Gradkowski (162, 50%, 1-1). OAK offensive success is courtesy of McFadden (145, 4.8) who finally gives the Raiders a feature back who can carry the load (30 carries LW). While OAK failed to cover LW they did outgain STL 404-210 and were 7-17 on 3rdD while holding STL to 2-10. Situational edge to ARZ in their home opener and a technical edge as well as they are 5-1 ATS off a loss and didn't lose B2B games LY. OAK meanwhile was 0-5 ATS off a win LY failing to cover by 18, 32, 3.5, 20 and 11. Until ARZ offense gets going no matter what the angles say it'll be tough laying points.

NY Jets at MIAMI - The Dolphins have won and covered 3 straight in the series as dogs. In the 1st game LY the Dolphins gained 110 yds (6.9) with their Wildcat as they took advantage of the Jets overaggressive defense. In the rematch which was 20 days later the Jets gave up 100 and 101 yd KR's for TD's for a 30-25 loss (3.5 pt HF) despite a 378-104 yd edge. MIA is off a big road win vs MIN while the Jets are now 1-1 after a redemption game vs NE. **Get the Sunday Night winner on the Northcoast Debit Card System for only \$9 after 11:00 am EDT on Sunday. Sunday Night Private Play Hotline Marquee Plays have gone 115-77-3 60% L13Y!!!**

Green Bay at CHICAGO - With Rodgers at the helm the Packers are 4-0 SU and ATS vs the Bears with a 24-13 avg score. Both teams are off to 2-0 starts with Chicago pulling the upset in Dallas LW. With Minnesota 0-2 who will take the early lead in the NFC North? **Don't miss out on Monday Night Magic! UNDERDOG PLAY OF THE WEEK

Over the past **28 years** this play has been a reader favorite hitting **189-139**. Over the last 11 years the Underdog Play of the Week has added **34 OUTRIGHT UPSET WINNERS to the incredible record!** Here is the this week's Underdog Play:

ARKANSAS (+7) over Alabama

LY Alabama (-17) dominated with a 425-254 yd edge holding Ark QB Mallett to just 12-35 for 161 yds with a 1-1 ratio and he was sk'd 3x in a 35-7 Tide win. McElroy hit 17-24 for career high 291 yds with 3 TD. Ark did only trail 14-7 in the 3Q LY but allowed 50 yd and 80 yd TD passes. AL has won 18 str SEC openers. The home tm is 5-1 SU in this series but 1-4 ATS. AL does have its huge showdown with FL on deck while Ark has a bye. The Tide is 7-1 as an AF but Ark is 4-0 as a HD with 3 outright upsets. Ark QB Mallett leads the SEC avg 360 ypg (70%) with a 9-2 ratio and led Ark to a last second win over GA LW (just Petrino's 2nd SEC road win). Bama RB Ingram (152, 2 TD) re'd LW from a knee inj and AL cruised to a 62-13 win over Duke in their 1st road gm. AL QB McElroy is avg 235 ypg (72%) with a 6-1 ratio. Ark's D has improved since LY (#21 TY, #53 going into this gm LY) but still trails AL's (#2) rebuilt squad. Mallett faces the #1 pass D. Not sure we've ever gone against the #1 ranked team for a Sept 5★, but there's always a first! **FORECAST: ARKANSAS (+) 30 Alabama 31**

NEW FEATURED PLAYS: This year we've added some new plays to Power Sweep. Although the **Underdog Play of the Week** is considered a Key Selection, the "new category" of plays are **not**. We review these plays each week while considering the Key Selections, and would like to start sharing them with you. We look forward to many winners for this section in 2010!

TECHNICAL PLAY OF THE WEEK.....Boise St
REVENGE PLAY OF THE WEEK.....Colorado St
SITUATIONAL PLAY OF THE WEEK.....West Virginia

DON'T MISS THE WINNERS!

OTHER COLLEGE GAMES CONT
TENNESSEE 31 Uab 20 - Tenn is 3-0 SU (but 1-2 ATS) vs UAB and won the last meeting 35-3 in '08 with a 548-275 yd edge. The Vols are 40-1 at home vs non-BCS teams with an avg score of 40-11. UAB has lost 10 str BCS road gms by 23 ppg. The Vols just played Oregon and Florida (tied 10-10 mid-3Q) and have B2B road trips to LSU and UGA on deck. UAB is the much more veteran tm with 16 ret str's (UT 9) and Callaway played at Bama and was the OC at UGA for 6 yrs, so this game is important to him and UAB has a bye on deck. UAB has ply'd better than their finals indicate and LW vs Troy pulled out a 1 pt win with a 44 yd TD rec on the last play of the gm (+4). UAB bkup QB Ellis (360 yds, 3-2) took over for starter Isabelle (2-8, 16 yd) in the 2Q. UAB is just 1-6 ATS as an AD. Must-win for the Vols if they want to make it to a bowl and UAB will play in front of as many fans at Neyland Stad than they will face in all of their home gms comb TY.
MARSHALL 21 Ohio 20 - 54th meeting in the "Battle for the Bell". Incl LY's bowl. MU has outgained OU in 7 of 9 meetings by an avg 203 ypg. MU shutout OU 28-0 in the Bobcats last visit ('03). LY these schools played in the Little Caesars Pizza Bowl. Ohio spotted MU a 21-0 lead and their comeback fell 4 pts short (L/3 poss: missed 29 yd FG, punt and int). The Herd is off a 44-28 loss to MAC member BG. They were only outgained 393-376 but gave up 2 int's for TD's and were outscored 16-0 in the 4Q. Both teams faced #2 Ohio St this year. Marshall was outgained 529-199 losing 45-7 as a 28 pt AD, while Ohio was outgained 439-161 losing 43-7 as a 29 pt AD. Marshall has played the tougher schedule (#11-38) and has the off edge (#83-115) but Ohio does have the def edge (#49-92).
AUBURN 27 South Carolina 24 - Auburn is 6-1-1 SU all-time vs SC with the last meeting a 24-17 Auburn win in Columbia in '06. SC got the cover (+13) with a TD with 8:25 left. SC's only SU win was in 1933. This is SC's 1st road game and SC is 5-1 ATS in their SEC road opener. Aub is 7-2-1 ATS in their SEC home opener. Both tms have jumped out to 3-0 starts, but Aub is off a tough come-from-behind OT win over Clemson while SC was able to rest some off an easy win over Furman. PS#1 RB Lattimore has brought the SC off to life with 333 (4.8) and rushed for 182, 2 TD vs GA. SC QB Garcia has only avg 169 ypg (68%) with a 2-2 ratio. Aub QB Newton is avg 175 ypg (57%) with a 7-3 ratio and is the leading rusher with 309 (6.2). We won a 5★ on SC in 1984 over Duke, will we go with the Gamecocks for our Sept 5★?
UTAH 41 San Jose St 6 - Utah leads the series 5-1 SU (1-1 ATS). LY this game was tied at 7 until the 4Q and SJSJ covered as a 13 pt HD in a 24-14 Utah victory despite being outgained 499-264 for the game (251-22 on the ground). The Spartans last trip to Salt Lake City resulted in a 24-6 loss back in '74. SJSJ avoided becoming another FBS team to lose to an FCS opponent as RB Muldrow's 6 yd TD run w/1:10 left gave the Spartans a 16-11 victory over S Utah. QB La Secla is avg 169 ypg (68%) with a 2-2 ratio and threw for 193 yds as SJSJ survived a mistake-filled, penalty-plagued contest as MacIntyre notched his 1st win as a HC. Utah has the edge on off (#37-117), def (#39-98) and ST (#66-120). QB Cain has filled in for the inj'd Wynn (thumb, CS) and the Utes' offense hasn't missed a beat as he is avg 227 ypg (77%) and completed 20 of 23 to set a schl record for comp % in a game LW, finishing with a career-high 248 yd and 3 TD. SJSJ is 0-6-1 ATS as an AD but Utah is 1-7 ATS the L/5Y as a non-conf HF. Utah has a bye on deck so all of their focus will be here while SJSJ is playing its 3rd tough road game in 4 wks and hosts UC Davis for HC next.
SAN DIEGO ST 37 Utah ST 23 - SDSt leads the series 9-1 SU but these two haven't played S/77 and this will be the 1st lined meeting. Since joining the WAC in '05, USU has gone 0-8 in non-conf/non-BCS road gms losing by 21 ppg (all vs MWC). The Aggies are coming off a 41-24 loss (+3) to Fresno where

do-everything QB Borel (234 ypg, 58%, 4-3 ratio) was held to just 4 of 13 passing in the 2H as USU gained only 37 yds and 1 FD in the 4Q. The Aztecs are coming off a heartbreaking loss after falling to Mizzou 27-24 (+14) LW on a last-minute TD pass. It appeared SDSJ may have had a chance pull it out as QB Lindley (270 ypg, 51%, 3-1 ratio) hit a pass across the 50 with less than :30 left, but the Aztecs were called for a penalty and it brought the ball back to the 20 and Lindley's final pass at fell inc. One huge bright spot in the loss was Fr RB Hillman, who is #6 in the NCAA in rushing with 443 yds (7.3, 7 TD), as he torched the Tigers for 235 yds with TD runs covering 75 and 93 yds. The Aztecs also boast a dynamic one-two punch at WR in Sampson (17 rec, 19.6) and Brown (15 rec, 10.3). The Aggies are 8-0 ATS as an AD and the Aztecs are 8-4 ATS as a HF. USU hosts instate rival BYU on Friday next while SDSJ has a bye on deck.

LSU 20 W Virginia 17 - WV is 3-9 in non-conf AG's vs BCS tms. LSU is on a 3-9-1 ATS run as a HF vs FBS tms. These tms are very close on both off (L#38-W#41) and def (L#8, W#22) but LSU has a large ST edge (#12-55) and has the humidity of the South in their favor and get the gm in their preferred night slot (25-1 SU in Sat night gms under Miles). LW LSU took advantage of 5 Miss St TO's for a 29-7 win despite being outgained 268-264 much like LY as LSU was outgained despite a 9-4 record. LSU QB Jefferson has struggled avg just 115 ypg (58%) with a 2-2 ratio but luckily LSU has a ground gm led by Ridley (318, 5.8) TY (tm avg 203 ypg, 4.9). WV (-10) led MD 28-0 mid-3Q LW and held on for a 31-17 win. QB Smith is avg 267 ypg (70%) with a 7-1 ratio and RB Devine has 354 (4.8). WV LY had a 509-400 yd edge at Aub in Sept but came up short due to -5 in TO's. WV HC Stewart is 3-1 ATS as an AD with 2 outright upsets (tm on 5-2 run). We've never used WV as a 5★ in our 29 year history, could they be our 2010 Sept 5★?

Baylor 31 RICE 21 - Old SWC rivals who played every yr from '45-'95. Just one meeting since ('07) as Rice lost 42-17 (+7) being outgained 521-349. This past decade Baylor was a perfect 4-0 ATS in its rare role as AF. BU is off a 45-10ounding at TCU in which they were outgained 558-263 and outFD'd 28-15 and trailed 35-3 at the half as the Frogs scored TD's on their 1st 5 drives. QB Griffin is avg 234 ypg (56%) with a 5-1 ratio and has 107 rush yds. BU's D hadn't allowed a TD in its 1st 2 until LW's barrage. Rice fell 30-13 at home to NW as they trailed 13-0 thanks to an IR TD as Bailiff once again played musical QB's with Fanuzzi (20-34 for 211, 0-1 ratio) trading series with Cook (10-18 for 80, IR TD). The Owls are allowing 413 ypg and 32 ppg (#99 NCAA). BU has the off (#59-90) and D (#70-85) edges and must rebound after LW's embarrassment.

N Carolina 27 Rutgers 20 - UNC is 1-3 (1-1 ATS in lined gms) vs Rut with the only win coming in the last meeting, 44-12 (NC +6) in '08 on the road. NC is -1.5 ATS as an AF the L/5Y (1st time AFTY) and off a big game vs GT while Rut is 13-6 as a HD S/O'2 and fresh off a bye. Two weeks ago, Rutgers scored an unconvincing 19-14 win over FIU, being outFD'd 15-8 and outgained 371-172. QB Savage avg 110 ypg (50%) with a 1-1 ratio. No rec's have gone over 100 yds yet and the top rusher, Martinek, has just 137 (4.0). It was deja vu for NC as they found themselves trailing (by the same score) in the final minutes and with a chance to drive for the GW score LW vs GT. VS LSU Yates drove NC to the LSU6 but missed 2 into the EZ to end the gm. Vs GT NC's final drive stalled at the GT45 when Yates' pass only went for 6 on 48 & 10 with 1:16 left. NC was outgained 448-352 and ended on the wrong side of a 30-24 score. Yates is avg 310 ypg (67%) with a 4-0 ratio. The top rec is Boyd with 6 (36.5i) while the top rusher is White with 136 (5.4). Rutgers RB Martinek is ? (leg, CS) and UNC may have the full slate of susp players back for this one (CS). UNC delivered B2B 5★ Winners a few years back, do we ride the Heels here?

MINNESOTA 27 Northern Illinois 24 - UM is just 2-6 ATS as a HF but is 26-3-1 SU vs current MAC tms. These teams last met in the '08 opener and UM trailed in the 4Q prior to a 74/10pl drive scoring a TD w/22 left for the 31-27 win (-8). NI is 5-1 ATS vs BCS schools under HC Kill incl an upset of Purdue LY. They led Illinois 12-7 LW in the 1H and had a 390-389 yd edge but could not hold on losing 28-22 but covered as a 7 pt AD. Minny got the backdoor cover LW scoring a TD with :16 left to lose 32-21 as an 11 pt HD to USC despite being outgained 406-305. They did have a 14-13 lead in the 3Q for :18 (USC KR TD). This is NI's 3rd road game in 4 wks and they have their MAC opener on deck but UM has their B10 opener on deck. These teams have played similar schedules (UM #80-87) and while UM has the off edge (#69-85), NI has the def edge (#74-89).

UTEP 41 Memphis 24 - Despite being upset in all 3 meetings, UTEP has outgained Memphis in 2 of the 3 as they are a combined -12 in TO's. The Miners are 6-2 ATS hosting CUSA opp's and have momentum after LW's defeat of NMSt as QB Vittatoe threw for 5 TD's but the offense was w/o RB Buckram for a 3rd consec game w/a knee inj (CS). The Tigers meanwhile were aided by 4 MT TO's in their 7 pt victory LW as QB Williams was avg at best (129 yds, 54%, 1-0 ratio) in his 1st career start. LY RB Steele had a career high 240 yds (6.2, also career high 39 att's) helping the Tigers jump out to a 14-3 1Q lead. UM's def also bottled up Buckram who tallied just 58 yds (3.2). LY UTEP was coming off a big upset of Houston and favored on the road but lost 35-20 (-1). While the Miners are just 4-11 ATS as a HF, Memphis is making their 3rd road trip in the first 4 wks of the season giving UTEP the edge here.

Oregon 38 ARIZONA ST 17 - These 2 schools have avg'd 65 ppg over their L4 with the Ducks winning 5 consec SU and ATS. The Oregon offense has been virtually unstoppable over the first 3 wks of the season as they have avg 614 ypg (school record 528 rush yds LW) while outscoring opponents by a 189-113 margin. After 2 meetings with IAA to begin the year (48-15 avg score), the Sun Devils faced their 1st true test of '10 and nearly came away with the upset in Wisky as the Badgers blocked the tying PAT w/4:09 left to hold onto the 20-19 win (3★ College Totals Winner on the Under). LY UO RB James ran for 150 yds and 3 TD in the Ducks' 44-21 victory as UO held ASU to just 70 1H and 211 total yards. The last 3 trips here UO has covered by 34 ppg as they were a dog twice and a 1 pt fav once but won the 3 games by an avg of 44-17! While the Sun Devils are 8-3 ATS in P10 home openers, UO has owned this series and have begun each year on the right foot going 19-4 ATS in their 1st P10 game of the season while favs of 10 or more who scored 45 or more vs B2B non-conf opponents are on a 30-11 ATS run over the L/5Y.

TROY 41 Arkansas ST 31 - Troy is 3-0 SU/ATS in the series and LY was +2 on the road and won 30-27. Troy is 10-4 ATS as a HF and beat ASU here 35-9 (-12) in '08. The Trojans have won 8 str SBC HG's by 23 ppg and are 20-3 (1 of 3 losses to ASU) overall. ASU is just 3-12 ATS on the road including 0-4 as a conf AD. LW Troy blew a 33-20 4Q lead as they allowed UAW a 44 yd GW TD pass on the final play to lose 34-33. We won a 4★ LPS on ASU LW as they won 34-20 over ULM as a 4 pt HF with a 474-391 yd edge. Troy has what could be a showdown with MT on deck (10 days) in a game which could decide the SBC Champ. Troy has a big off edge (#45-97) despite ASU's QB Aplin avg 320 ypg (61%) with a 4-1 ratio and 2 rush TD's.

Middle Tennessee 28 LOUISIANA 24 - LY MT was down 17-14 at HT but pulled the 2H shutout holding LY to just 75 yds while recording 5 sks. This series had 5 str upsets from '03-'07 but the fav has won the L/2 (LY MT -13' 34-17). UL is off a bye and MT is on its 2nd str AG. UL is 9-3 SU at home and beat ASU 31-24 as a 2 pt HF TY. While MT has what many consider the gm that will decide the SBC on deck (Troy), Louisiana is 1-0 in conf play and a win here would put them in a solid position to challenge for the SBC crown themselves. MT has been without QB Dasher, who has been susp for the first 4 gms but MT has appealed and hopes to have him back here. MT is 5-1 ATS as a conf AF under HC Stockstill while UL is 1-4 as a conf HD S/O'7.

FLORIDA ATL 27 N Texas 24 - Last time here, FAU outgained NT by a series high 252 yds. LY FAU outscored NT 30-6 in the 2Q and led 30-19 at HT but needed a 71/7pl TD drive with 4:55 left for the win. NT has dropped all 6 meetings (avg score of 31-21). FAU is 6-0 SU (5-1 ATS) vs 4-time SBC Champ NT but the home team is just 1-5 ATS. The Owls are 9-9 SU (4-2 L/6) and 6-11 ATS in home gms vs current SBC tms. The Owls are off a bye and are 1-1 SU and 2-0 ATS TY both as a DD dog. NT has dropped 2 straight ATS. After losing starting QB Tune vs Rice (dislocated hip), they lost QB Thompson vs Army (brkn leg) and moved back into the starter, Riley Dodge, who was playing at WR after not fully recovering from a shoulder injury suffered LY. NT was outgained 337-201 by Army. FAU has allowed 285 ypg rushing (7.4) and NT's RB Dunbar (1st tm SBC in '09) could give the offense a spark and take the pressure off the QB position.

MARYLAND 31 Fiu 18 - Maryland is just 3-16 ATS as a fav and 2-9 ATS in non-conf HG's. The Terrapins are 5-2 SU but 1-6 ATS vs current SBC foes (been upset outright the L/2Y). FIU is 0-2 SU but 2-0 ATS vs MD outgaining them in the 1st meeting ('06). In the last meeting in '07, MD scored 19 of its 26 pts off 3 FIU TO's and a safety (MD 270-163 yd edge). Maryland is off a 31-17 loss to WV as they were outgained 469-217 and trailed 28-0 in the 3Q. FIU, for the 2nd straight week, could not hold onto a 4Q lead over a BCS opponent as a DD dog. Despite being outgained 400-232 by Texas A&M FIU only lost by 7 as a 28 pt AD as they picked off Ags QB Johnson on 4 straight 3Q poss incl returning 1 for a 54 yd TD. Maryland only has a #84-100 offensive edge while the D's are even (#72-73 FIU).

To Read rankings - YPC is yards per carry for each team's offense and defense. Turnover edge is the amount of turnovers that team is + or -. OFF YPP is offensive yds per point. This shows the avg amount of yds a team travelled per point scored. The lower the number the more efficient the off. DEF YPP is defensive yds per point. The higher the number here, the better the def is at making their opponents work at scoring points. The remaining columns show the team's rank in that category. Next to the passing ratings there may be a ★ or an X. On the offensive side a ★ means they are completing over 59% of their passes while the X shows that their QB's are completing less than 53%. Defensively, the opposite holds true as the ★ has that team's def holding its opp under 53% completions and the X shows that they allow over 59% completions.

PRO STAT PLAY: NO PLAY

COMPUTER CORNER

The Computer Corner will feature the top plays from our Computer Power Ratings. These plays are based solely on the teams' Power Ratings vs the Vegas Line & do not take into account matchups, injuries, etc. The team that is listed in bold is the computer's selection.

PRO ANGLES

There are 3 main methods of handicapping, Fundamental, Situation & Technical. Fundamental handicapping, or the analysis of personnel matchups & power ratings, is our main method of handicapping. This accounts for roughly 50% of how we view a game. Situational handicapping (analysis of letdown, lock ahead, systems) takes up approximately 25% of our handicapping. Technical handicapping (analysis of angles) takes up the rest. You should never base your final selection on 1 factor. To be a complete handicapper you must look at all 3 methods. For more complete analysis you should read Ten Keys To A Winning Season. Each week in Power Sweep we provide the angle section to add to your handicapping arsenal. Many times we will agree with the angle plays. Sometimes the Fundamental & Situational aspects of a game will outweigh the angles & we have the other side written up in Power Sweep. We want to make it clear that the side we write up in Power Sweep is the side we are on. We are NOT Technical handicappers, but we do use them in our handicapping analysis. Each week in Power Sweep we provide pro angles for the current week's games. For the angle plays the number in the () indicates how many angles apply to that team. The higher the number the stronger the angle play.

(4) Angle Plays 29-14-1 67% L/5Y!

ATL is 5-11 as a Div dog
 ARZ is 1-4 as a NDIV HF
 ARZ is 12-3 at home after a SU loss

Baltimore	36					

There are 3 main methods of handicapping, Fundamental, Situation & Technical. Fundamental handicapping or the analysis of personnel matchups & power ratings is our main method of handicapping. This accounts for roughly 50% of how we view a game. Situation handicapping (analysis of letdown, look ahead, systems, etc...) takes up approximately 25% of our handicapping. Technical handicapping (analysis of angles) takes up the rest. You should never base your final selection on 1 factor. To be a complete handicapper you must look at all 3 methods. Each week in Power Sweep we provide a system to add to your handicapping arsenal. This is done at the request of our subscribers who want handicapping tips & methods. Many times we will agree with the side that the system chooses. Sometimes the Fundamental & Technical aspects of a game will outweigh the system & we have the other side written up in Power Sweep. **We want to make it clear that the side we write up in Power Sweep is the side we are on.** If that is ever the case during a week, keep the system for future use, but be aware that the side we write-up in the Power Sweep Selections page is the side we are on.

This is the 27th season of our System Section & it has been a consistent winner. Each week we release a super system which pertains to that week's games. **2-0 this year!** Here is an NFL Week 3 System:

Play on a home favorite of 6.5 points or more with a bye on deck.

2002-2009 33-8 80% 4-1 in 2009

THIS WEEK'S PLAY:

MINNESOTA

2010 NFL POWER RATINGS

We grade each team position by position and list the 2010 Power Ratings. Each week we update these Power Ratings in our weekly Power Sweep editions. The following are the 2010 Power Ratings.

TEAM	RTG	TEAM	RTG	TEAM	RTG
1 New Orleans	103.4	11 Dallas	100.1	21 Philadelphia	97.9
2 Green Bay	103.3	12 Baltimore	100.0	22 Seattle	97.1

FBS vs FSC this week in college football:

- Northern Colorado vs Michigan State
- VMI vs Virginia
- Austin Peay vs Wisconsin
- South Dakota St vs Nebraska
- Colgate vs Syracuse
- Northern Iowa vs Iowa State
- Central Arkansas vs Tulsa
- SE Louisiana vs ULM
- Charleston Southern vs Hawaii

• Week Four 2010 PAST HISTORY MATCHUPS

TCU 39 SMU (+28) 14 - On its 2nd pass, TCU got a 42 yd PR to the SMU22 but fmbld't at the 10. TCU fmbld't at the SMU16 in its next drive. SMU missed a 53 yd FG but then went 75/7pl for a TD, 7-0 (14:37 2Q). TCU went 43/9pl for a TD (xp blk'd) but then was int'd at the SMU32. TCU got a 71 yd PR TD (5:00) and led 12-7 (2ptng) at half. TCU opened the 3Q with an 81/8pl TD drive. After an int at the SMU44, a key play happened. TCU fmbld't and SMU ret'd it to the 1. It took the officials 10:00 to review the play and as HC Jones appropriately said "if it was so conclusive, why did the replay take 10:00" but they overturned it. Three punts later SMU fmbld't a PR at its 21 and TCU had a TD 4pl later, 25-7. Each went on TD drives, 32-14. TCU went 55/8pl for a TD with 8:21 left, 39-14 and after an int with 5:51 left, got to the 2 yd line but did not punch it in. TCU 18-229-189-3 SMU 9-(16)-240-3

PURDUE (-10) 52 Toledo 31 - PU RB Bolden got a 78 yd TD run. PU went 80/6pl with a 43 yd TD run by Taylor and led 14-0 after 1Q. After a fmb'l, PU went 49/4pl for a TD, 21-0. UT went 58/7pl for a TD and after PU was SOD at the UT38, 62/8pl for a TD to pull within 21-14. PU ret'd an int to the UT24 which set up an Elliott to Carlos TD pass, 28-14. UT's last 1H drive was SOD on 4th & 3 at the PU31 with :27 left and PU went 26/4pl with Wiggs nailing a school record 59 yd FG on the 2Q's last play, 31-14. PU extended it to 45-14 with drives of 15 (after int) and 21 yds (after 30 yd PR) to open the 3Q. After a 60 yd KR, UT drove 37/6pl for a TD. An int set up a UT 53/13pl drive for a 48 yd FG, 45-24. Another int at the UT21 set up a 78/6pl TD drive for the Rockets. PU put it away with a 63/9pl TD drive with 2:27 left. UT drove 70/14pl scoring a TD on the gm's last play. Bolden rushed for 234 in HC Hope's winning debut. PUR 25-315-220-3 TOL 26-70-423-3

VIRGINIA TECH (-13) 48 Boston College 14 - VT took their first 3 drives 47/8pl (31 yd FG 10:59), 68/11pl and 74/8pl for TD's, 17-0 (14:30 2Q) and led 24-0 at the half. BC early 4Q got a 48 yd TD pass on 3rd & 11 to make it 34-7 but VT got an 80 yd TD pass and then after a fmb'l went 18/7pl for a TD, 48-7 (6:40). BC went 80/15pl and got a garbage TD with :33 left. VT 17-235-206-1 BC 10-45-118-3

PENN ST 31 Temple (+29) 6 - PSU went 77/8pl for a TD. Clark int'd at the PSU49 and TU went 41/10pl for a 25 yd FG, 7-3. TU punted from their own 5 and PSU went 35/6pl for a TD, 14-3. TU was SOD at the PSU35 and PSU went 64/10pl for a TD, 21-3 at half with a 222-99 yd edge. TU opened the 3Q with a 44/7pl drive for a 35 yd FG. TU fmbld' which set PSU up for a 27 yd FG, 24-6. The Lions then went 74/12pl for a TD, 31-6. TU was SOD at the PSU16 after a 13pl drive. TU gained 50 yds in the final 1:45 as the Owls failed to score a TD vs the Lions for a 4th straight season. PSU 21-186-173-1 TU 12-46-205-1

Florida St (+5) 41 WAKE FOREST 28 - FSU went 81/12pl for a TD led by bkp QB Manuel (first st) as Ponder was out. WF went 70/13pl for a TD. FSU went 68/6pl for a TD and WF was int'd and ret'd 17 yds. FSU went 27/3pl for a TD, 21-7 (12:48). FSU went 68/10pl for a 47 yd FG 24-7 (4:52). Reid got a 68 yd PR TD, 31-7 (3:40). WF went 79/5pl for a TD. FSU on 2nd & gl from the 20 was int'd at the 2 with :07 left in the half and had a 290-192 yd edge. WF went 79/4pl for a TD. FSU went 43/6pl for a 42 yd FG, 34-21 (4:01). FSU went 79/10pl for a TD to ice it 41-21 (11:04). WF went 59/8pl and had a 1st & gl at the 3 but was int'd in the EZ. WF went 79/9pl for a TD, 41-28 (3:01). FSU rec'd the onside kick and got 1 FD & took a knee. FSU 23-217-220-1 WF 27-227-227-2

Duke (E) 35 ARMY 19 - Army took their first drive 79/5pl with a 54 yd run on the first play, 7-0. Duke fmb'l at their own 42 and Army went 16/6pl for a FG, 10-0 (13:38 2Q). Duke took over at the Army28 but missed a 27 yd FG. Duke went 58/7pl for a TD, 10-7 (5:52). Army went 78/12pl but missed a 24 yd FG (:03). After 4 punts opened the 3Q, Army16 fmb'l and Duke got a 19/2pl TD drive behind backup QB Renfree, 14-10. Army went 60/8pl for a 31 yd FG, 14-13. Duke went 78/9pl for a TD. Army went on a 10pl drive but punted (9:15). Army faked a punt on 4th & 4??? and were SOD at their 42 but Duke punted with 3:16 left. Duke's CB Wright would get a 51 yd IR TD on 4th & 10 with 1:48 left and then added a 33 yd IR TD with 1:32 left. Army went 82 yds for a TD on the last play of the game. DUKE 14-70-166-2 ARMY 20-266-119-4

AIR FORCE 10 Wyoming (+10) 0 - WY had a 3 gm win streak and came in avg 32 ppg under Carta-Samuels but was outgained 269-174 and never entered the RZ. The 1H was scoreless (7 P's). WY was int'd at the AF25 and AF was SOD at the 2. WY had a 47 yd FG blk'd but did have a 119-79 yd edge at half. AF brought in QB Dietz on its 2nd 2H pass. The 1st 5 pass were P's and AF went 32/10pl for a 29 yd FG (:37) then went

67/9pl for a TD (10:48). WY was SOD at the AF39 and AF went 14pl but was SOD at the WY28. WY was SOD at its 45. AF 17-267-2-0 WY 16-100-74-1

Houston (-17) 44 TULANE 16 - TU made a game of it in the 1H with UH having a 221-197 yd edge. It was 3-3 after 1Q & TU went 66/12pl for a 35 yd FG, 6-3 (11:03 2Q). UH went 63/10pl for a TD (xpng) and then went 72/12pl but missed a 25 yd FG, 9-6 at the half. UH opened the 2H with a 60/8pl TD drive, then blk'd a punt & drove 6 yds for a TD, 22-6. UH drove 83/9pl for a TD, 29-6 (3:19 3Q). TU QB Kemp was inj'd & bkp Griffin led them 75/11pl for a TD, 29-13 (14:09). UH went 74/11pl for a TD & TU went 56/9pl for a 27 yd FG, 37-16 (7:19). UH went 73/11pl for a TD & TU after a 12pl drive, was SOD at the UH16. HOU 31-145-371-0 TUL 26-187-250-1

ALABAMA (-17) 35 Arkansas 7 - Ark came in avg 538 ypg (2 gms) and was held to 254 total yds and QB Mallett hit just 12-35-160. The first 7 pass were punts. Bama went 86/6pl for a TD on a 52 yd run by Richardson with 4 missed tkis, 7-0 (9:30 left 2Q). Bama took over at the 50 after an 18 yd PR and got a flea flicker which went 50 yds to Jones for a TD, 14-0 (6:55 2Q). At the half Bama had a 201-101 yd edge. Ark opened the 3Q with an 55/5pl drive for a TD, 14-7 (10:45 3Q) but Bama got an 80 yd TD pass, 21-7 (10:25). Bama blk'd a punt and drove 35/5pl for a TD then Bama drove 99/13pl for a TD to ice it, 35-7 (13:12 4Q). Ark's final 2 drives were int'd at their own 37 and SOD at the Bama44.
