NEWS AND NOTES - WEEK ONE 2011

Each week in Power Sweep, we cover the front page with our News and Notes. We recap LW's misleading final scores and provide hard to find information on the previous week's games. We are writing this issue earlier than usual so, in place of N&N, we will provide you with some updated info for our '11 publications. The College Football Scorebook is BY FAR the most informative College Football Scorebook on the market today with over 300 pages PACKED with information. It has more than TWICE the amount of info of any other college football publication. The cost (through our office 1-800-654-3448) is just \$29.95, plus \$10 for shipping. It contains a complete Past History Section with LY's game recaps! We also rely on Phil Steele's 2011 College Football Preview Magazine to analyze teams. One feature that separates Phil's magazines from the competition are his projected starting lineups which give you a solid bio of every player in the 2 deep (sometimes 3 deep) including not just a name but height, weight, jersey number and stats. **PhilSteele.com was kind enough to allow us to reprint this list.**

COLLEGE SELECTIONS

HOME TEAM IN CAPS

KEY SELECTIONS

4★ TEXAS over Rice - LY Texas (-31) only had a 162-149 yd edge at half but Rice got two big plays to only lose by 17 with a Hail Mary tipped pass TD just before the half and UT fumbling at its own 20 setting up a Rice TD with :24 left in the gm, 34-17. The last time Rice won in Austin was 1965. They have since lost 21 str trips by an avg score of 42-13. Texas is off a losing season partially due to the fact they lost to Baylor and Iowa St at home and with new aggressive coord's will be out to establish an attitude this year. Rice does have 17 ret st's and is one of the most exp tms but is 4-11 as an AD. Texas is #26 on off and #2 on D while Rice has our #71 and #94 rated units. Even when Rice had a 10-3 bowl tm in '08 they lost here 52-10 (+29). We will side with the hungry Horns to roll it up in a season opening rout.

3★ MISSOURI over Miami, Oh - LY a TO on the gm's 1st play resulted in a 7-0 deficit :08 in as the RedHawks never recovered. Miami is 1-7 in road openers. Not incl rival Cincy, MU has lost 11 str AG's vs BCS tms, avg score 34-14. Miami went 10-4 SU LY but lost 51-13 (+20) here as MO led 51-6. At the MU11 late, MO had the QB dive into the line 4 str times (SOD) to not roll the score up and Miami went 98/15pl for a garbage TD with 1:40 left. Missouri was the Big 12 Play of the Week which we give away free every Friday on the Comp Line. The Tigers do have an important Friday gm at Ariz St on deck while Miami has a bye. Miami has 17 ret st's incl QB Dysert (20-27-178 vs MO LY) and MO has 15 ret st's but is breaking in a new QB. Missouri is #37 on off and #30 on D while Miami is #103 and #55. Miami has a new HC in Treadwell and he was the HC when Mich St beat Wisky LY. The situation favors Miami as MO may take them lightly but the talent and matchups side with the Tigers, again.

3★ San Jose St (+) over STANFORD - SJSSt is 1-7 S/'01 vs SU (L/gm '09). The win was by 1 pt in '06 & the avg loss has been by 29 ppg. The Spartans have dropped 8 str road openers by an avg score 46-9 (no TD's in 5 gms). At one time in this series SJSSt fared well as they billed it as "Class Warfare" (rich vs middle class) and these two are just 17 miles apart. SU does have QB Luck back but go from 15 ret st's to 11 and also lost their HC Harbaugh. San Jose was in a pure rebuilding year last season but is vastly improved in MacIntyre's 2nd yr with 18 str's back. While the Spartans offense is #110 in our ratings their D is #63. LY SJSSt traveled to Ala and Utah and lost 104-6 but did face a big physical tm (similar to SU) in Wisky and only lost by 13. Look for San Jose to be competitive and hang within the large number.

FORECAST: TEXAS 44 Rice 16
FORECAST: MISSOURI 34 Miami, Oh 10
FORECAST: San Jose St 16 (+) STANFORD 37

OTHER SELECTIONS

2★ OHIO ST over Akron - UA "only" lost 28-14 in '01 & 20-2 in '07 in the 2 recent meetings. In that '07 gm Akron has a total of 3 FD's and OSU had a big game vs Wash on deck. OSU has won 32 str home openers by 21 ppg (7-1 ATS). OSU is without the "Buckeye 5" and coach Tressel and with only Toledo on deck will want to gain some confidence. Without the susp players they have just 8 st's back but are 12-2 as a HF. Akron will be better than LY's 1-11 tm but is way out of their class here. Akron is #120 in our off ratings and #116 on defense so even a short handed Buckeye team will be able to name the score here.

2★ MISSISSIPPI over Byu - 1st meeting. BYU is just 2-7 in road openers and Ole Miss is 7-0 SU in ssn openers the yr after missing out on a bowl gm. Ole Miss only has S III on deck so this is a very important game and they have the heat and humidity edge of the South vs the high altitude Cougars. Both teams are much stronger than LY's editions. This is a hungry SEC team with a good sized upgrade on talent and experience over their 4-8 squad from LY and even vs an underrated BYU team with a QB in Jake Heaps that improved each week LY the SEC home tm gets the win.

2★ FLORIDA over Florida Atlantic - When these two last met in 2007, Florida only had a 298-257 yd edge and led just 28-20 late 1H but a bld'kd punt TD turned the momentum as did a TD with :09 left in the half. UF got a late TD and covered 59-20 (-34). This is the first time Will Muschamp runs his tm out in the Swamp so it will be special and they only have UAB on deck. With just 10 ret st's they will not be holding back. FAU is a much stronger tm than LY's 4-8 squad that had 0 ret st's on the O-line and now has all 5 back to that unit. Schnellenberger uses these gms vs BCS schools (2-14-1 ATS) early to get his team experience and prepare them for the Sun Belt. UF is 7-1 ATS vs teams from Florida.

FORECAST: OHIO ST 41 Akron 6
FORECAST: MISSISSIPPI 35 Byu 31
FORECAST: FLORIDA 48 Florida Atlantic 6

OTHER GAMES

THURSDAY, SEPT 1st

WISCONSIN 51 Univ 13 - UNLV is 1-3 SU in Madison (only win in '03 vs #14 UW). LTH ('04) the Rebels lost 18-3 but allowed an 86 yd TD ret after a bld'kd FG & two safeties (down just 11-3 into 4Q). LY UNLV capitalized off two UW TO's for a 17-14 deficit at HT at home as they had -4 yds off with 1:13 left in the half. UW only pushed (-20) 41-21 as UNLV got a TD with 12:36 left to pull within 20 but did miss a FG with 6:24 left. UW has lost their last 3 home openers ATS only winning by 14 ppg despite being favored by 28 ppg. UW does have Ore St on deck. UW has a young O-line but is at its best when able to establish the rush and UNLV has just 2 str's back on its defensive front 7 and allowed 5.2 ypc in '10! UNLV has now lost 10 str ATS as an AD not covering by 15.5 ppg and you know how we feel about playing on streaks and UW put up 70, 83 and 70 in 3 diff HG's LY.

Miss St 41 MEMPHIS 10 - MSU has won 11 str over Mem by 14 ppg. LTH ('02) MSU won 29-17 but needed 5 int's & 16 4Q pts (trailed 17-13 into 4Q). MSU is 2-8 the L/10Y in road openers (3 str L's by 18 ppg). Memphis hasn't beat MSU S/'93 when HC Larry Porter was a Sr RB. LY UM got 39% (92) of their yds after trailing 49-0 in the 4Q in Porter's UM debut as HC. Miss St does have Auburn and LSU on deck but has a veteran team with 16 ret st's while Memphis has just 9 and breaks in a new QB vs a Top 25 defense. LY we used a 5★ on Miss St in their easy 47-24 win over CUSA member Houston (-5) and that was also on the road. Mem is 3-7 as a HD and Mullen is 3-0 as an AF.

SYRACUSE 30 Wake Forest 27 - The only prior meeting was in '06 in Winston-Salem, SU lost 20-10. The gm was tied at HT 10-10 but SU had just 2 FD's & 12 yds in the 2H w/their deepest penetration at the WF33 (off int, after that own 36). WF has its ACC opener on deck while Syr has a 1AA foe. Syr has the benefit of extra bowl practices and has 13 ret st's incl QB Nassib. WF has 17 returning st's and will run more option this year. Syr HC Marrone is 3-3 as an HF but LY his tm was actually better on the road (5-1, 2-4 at home) and they were outgained 308-302 in HG's. WF really struggled on the road being outgained 484-243 and is 3-10 as an AD but did win at Vandy (+5) 34-13 to end LY (were outgained 443-299 in that).

IDAHO 31 Bowling Green 21 - In the only previous meeting BG lost a heartbreaker in the '09 Humanitarian Bowl 43-42 despite 27-19 FD & 538-452 yd edges. Idaho got a TD with :04 left and a 2 pt conv for the win. BG is 6-4 in road openers (8 gms vs BCS tms incl W's at MO, #16 PU, Minn & #25 Pitt). Idaho loses its QB, top RB and top 2 WR's but we like their replacements and are at home in the dome with only a 1AA tm on deck. Their D has 8 str's back. BG is 10-3 as an AD and finally has depth as they are up to schlp limits, have 14 ret st's and they only have Morgan St on deck. Idaho has the edges on off (#86 vs #115), def (#97 vs #109) and a big one on ST's (#28 vs #114). BG did cover at a much tougher site out here (Boise) in '08 and also has been a big backdoor tm under Clawson with many late comebacks.

FIU 37 North Texas 27 - FIU is 2-7 in home openers (0-6 vs FBS tms). FIU's 4 gm series winning streak over NT ties (WKU) for the longest of any opp in tm history. LY FIU led 34-3 as NT gained 41% (117) of their yds after in the 4Q. The 7OT meeting in '06 is tied for the longest gm in NCAA history (NT's last series win). LTH NT led 28-14 but 3 TO's resulted in 21 FIU pts. LY NT was down

to its 4th string QB and was a very banged up tm and FIU had a 323-37 yd edge at half. FIU is 2-5 as a HF but does have 15 ret st's from the best tm in the Sun Belt LY and loses just 15 lettermen while NT must break in a new HC and has just 12 st's back and loses 24 lettermen. McCarney is the new HC at NT and always gets the most out of his team and could keep this closer than expected.

† Kentucky 38 Wku 17 - LP Field in Nashville, TN. LY UK (-24) won 63-28 (267-80 yd edge at half), the most pts they scored since '02. WKU RB Rainey did rush for 184 yds and it was 49-28 mid-4Q with UK's last TD on an 18 yd drive after a fmb. UK has 16 ret st's and WKU has 15 incl Rainey. WKU HC Taggart is 4-3 as an AD with the UK loss, two 1 pt ATS losses and 2 outright upsets. UK does have a large edge on defense (#46 vs #101) and only has CM on deck. While this game is in Nashville, UK fans travel well so they will have a large crowd edge. Phillips is 4-0 ATS as a fav in lined gms.

FRIDAY, SEPT 2nd

TCU at BAYLOR - LY BU was dominated by its old conf rival (schl's are 90 miles apart) as #4 TCU scored TD's on its 1st 5 drives building a 35-3 lead & 335-72 yd edge at HT as TCU RB Ed Wesley had 165 rush yds. TCU enters '11 with the nation's longest road gm winning streak (11). Baylor is the more veteran tm led by exciting QB Griffin and has 14 st's back while TCU has just 8 st's back with a new QB surrounded by just 3 st's on offense. TCU has won the last 3 vs Baylor by a comb 89-17. Baylor has our #15 rated offense while TCU, which has led the NCAA in defense 3 straight years, has our #15 rated defense with a pair of AA LB's to help corral Griffin who only had 21 yds rush and was 16-28-164 but was still not 100% coming off an '09 injury (got better as season went on). TCU has our #51 off vs BU's #89 defense and TCU also has the ST edge (#14 vs #63). TCU is not as strong as LY's team while Baylor has their strongest team in years making this a competitive match up.

SATURDAY, SEPT 3rd

BOSTON COLLEGE 30 Northwestern 27 - BC shutout NU 49-0 in '92 (last & only time hosting). The Eagles are 12-2 in home openers (losses to GT & WF). The last time BC hosted a non-conf BCS school (not incl ND) was in '04 as they beat Penn St 21-7. NU is 5-2 SU S/'99 in non-conf BCS road gms. Wildcats are 9-2 in ssn openers with 6 str wins by 21 ppg. NU is 7-2 as an AD but did allow 31 ppg on the road in '10. BC had been a strong HF but under Spaziani but went 0-4 LY and only avg 18.7 ppg at home. NU, with QB Persa back, has the edge on offense (#31 vs #58) and BC has a large edge on defense (#19 vs #73). Call for the HT to win this by 3.

AUBURN 45 Utah 21 - 1st meeting. Since '99 the National Champ from the previous yr is 12-0 with an avg win 45-11 in the ssn opener (one TD allowed L/4Y, none L/2). Auburn is in a rebuilding year with just 6 st's back and is breaking in a lot of young but very talented players who need to get up to speed with Miss St on deck. The last two years with a 1st time starting QB, Auburn has totaled 556 and 608 yds in the opener. Chizik is 10-5 ATS at home but Andersen is 8-2 as an AD covering at places like Okla, Nevada, Boise, Utah, Tex A&M, BYU and Fresno. The Aggies have a veteran team with 14 ret st's but are breaking in a new QB.

ALABAMA 45 Kent St 3 - 1st meeting. Saban is a Kent St grad which is part of the reason this game is being played. This Tide edition is similar to the '09 title team with a dominating defense and inexp at the skill positions. That '09 team avg'd 40 ppg their 1st 5 gms (4-1 ATS). Bama is 11-5 as a HF and Kent makes a rare trip to the deep South in Sept. Kent was better than their 5-7 record in '10 and covered at BC and only trailed Penn St 17-0 after 3Q. DE Roosevelt Nix spearheads a defense that was #1 in the NCAA vs the rush for most of the year and that is what Bama likes to do best. Bama does have a big gm at Penn St next week but will need to give their young QB some confidence.

HOUSTON 34 UCLA 31 - The last time UH beat UCLA was in '79 (2-3 overall). LY UH came in ranked #23 but lost QB's Keenum and Turner for the ssn. UH is 7-1 SU S/'03 in home openers including 5 str wins by 38 ppg. When UCLA missed a bowl ('99, '01 & '08) they opened the following ssn 3-0 incl upsets over #3 AL in '00 & #19 CSU in '02. Both teams are upgraded at QB this year but UH may have the nation's most improved QB spot with the return of Case Keenum. Keep in mind the Cougars were -3' on the road LY in the gm they lost Keenum and they have 12 ret st's. UCLA is a much improved tm with 16 ret st's and led 21-3 LY when Keenum went out. UCLA has a large edge on D (#26 vs #80) but UH has the edge on off (#17 vs #41) and is at home. Two years ago with a healthy Keenum UH knocked off Miss St, Okla St and Texas Tech with two of those on the road. Tough to go vs either of these much improved tms but we call for the HT with the stronger QB to bag the win.

MICHIGAN 34 Western Michigan 27 - Mich has won the last 5 vs WM (3-0 ATS S/'90) by an avg of 24 ppg. In '09 (last meeting) UM was up 31-0 with a 267-97 yd edge in an easy win 31-7 (-13). WM has upset 2 Big Ten tms under Cubit. WM has a potent offense led by QB Carder, who threw for 286 ypg in '10 and has a much improved defense. The Broncos have lost 16 str road openers by 24 ppg (all vs BCS schools, 5 str ATS). Michigan does have Notre Dame on deck but faced WM in '09 in that same spot. Hoke (new HC Mich) was 3-1 SU/ATS vs Cubit at Ball St with the visitor going 3-1. QB Denard Robinson will be taking snaps from under center and Hoke should keep him doing that most of the game. Mich is just 4-10 as a HF and Hoke was 0-2-1 in that role his first yr at SDSt. Mich gms avg 68 ppg LY but should be lower scoring with a stronger D. We look for WM to keep this closer than expected and if they get a couple of TO's they have a shot at the upset.

USC 41 Minnesota 17 - Kiffin went to HS in suburban Minneapolis and interviewed in 2007 for the job that eventually went to Tim Brewster. LY UM led 14-13 mid-3Q but all'd a 97 yd KR TD to spark 19 str USC pts before UM scored a garbage TD w/:11. A fmb set up the gbg TD and 3 missed 2 pt conv also helped UM get the backdoor at home. USC has won 13 str home openers by a 35-11 avg but are just 6-7 ATS. Kiffin is 0-3 ATS in his first 3 gms vs lined opp in his 2 yrs as a college HC. Minny's 1st yr HC Kill is 7-3 ATS as an AD upsetting 2 Big Ten tms while at Nill. QB Barkley takes on a defense that finished #102 in pass D LY but he was only 17-26-192 vs them LY with USC rushing for 216 (5.7). USC TB's were repeatedly able to outrun Minn defenders to the edge. Minn RB Duane Bennett sat the 2H of LY's gm because he wasn't the same after spraining his ankle the wk earlier. Carroll used to blow teams out in Sept and set an attitude and USC needs a strong start after two down years.

NOTRE DAME 30 **USf 20** - Skip Holtz was an '86 grad of ND (played on ST/WR) & later was on the coaching staff from 1990-'93 (OC L2Y) under his legendary father. USF is 5-9 in road openers incl 1-6 vs BCS schools (only win at #17 Auburn in '07). Prior to ND Kelly was the HC at Cincinnati going 3-0 vs USF with the avg win by 12 ppg but none of those matchups were vs Holtz. ND is 12-3 S/96 in home openers including 3 str wins by an avg score of 26-8. USF has just 11 ret s'trs while ND has 17 and both coaches will pilot much improved teams in their 2nd years. USF is 7-3 as an AD and ND is a poor 7-17-2 as a HF. ND is 1-3-1 ATS vs the Big East. USF did pull road upsets of Miami, L'ville and Cincy LY but allowed 381 ypg on the road vs just 263 at home. Angle players will be all over USF and you know this game is special to Holtz but we will call for the Irish by 10 as they have the better tm on offense (#11 vs #62) and defense (#6 vs #35).

Colorado St 31 NEW MEXICO 23 - CSU HC Fairchild was the OC/QB cch at NM from '87-'89. CSU is 3-3 S/05 vs NM but the wins are by 16 ppg w/the losses by just 2 ppg. LTH the gm had four 2H lead changes as NM hit the GW 27 yd FG w/:12 left. NM hasn't scored a TD in a ssn opener S/05! The HT is 4-0 SU and 3-1 ATS. Colo St has 14 ret s'trs incl QB Thomas (PS#21) who started as a true frosh LY and hit 17-25 for 256 while Colo St had a 30-11 FD edge and 584-237 yd edge. They only have a IAA foe on deck. NM is also a much improved tm with 14 s'trs back and a handful of BCS transfers. Locksley is 4-8 ATS at home but Fairchild is 4-13 ATS on the road. We feel CSU is the stronger team and has a large edge on ST's (#19 vs #89) which should be enough to get them the win despite the home/away dichotomy.

PITTSBURGH 41 Buffalo 6 - UB's only previous trip to Pitt was in '08. UB lost 27-16 (+13) but trailed just 17-16 into the 4Q (outgained 132-43, L/2 drives ended in punt & int). In '09 Pitt (-10') won 54-27 at Buff. Pitt has a new HC that inherits a talented tm and is switching to a spread offense. Pitt does have our #22 defense. Buff cch Quinn was 2-10 ATS in his first year and has just 11 ret s'trs incl 3 on defense. He does have a solid LB corps led by Khalil Mack. The gm's biggest mismatch figures to be a Buffalo O-line that we rate #12 in the MAC vs a Pitt D-line that we rate #14 in the country. Another is Pitt QB Sunseri vs a Buff secondary missing all 4 s'trs. Pitt only has Maine on deck and Buff was 1-5 as an AD.

† SOUTH CAROLINA 45 East Carolina 21 - While this gm is in Charlotte NC, SC is actually closer and will have more fans. EC has covered 5 str openers vs lined tms including an upset of #17 VT in '08. SC has won 11 str openers by 19 ppg covering the last 3 and opened vs a CUSA tm LY beating SMiss 41-13 (-13'). SC does have perhaps the gm that determines the SEC East on deck vs Georgia but faced SM in that same spot LY. EC will have an improved defense TY but was last in the NCAA allowing 479 ypg LY and SC has an explosive offense. EC has an explosive offense as well led by veteran QB Dominique Davis and vs BCS schools in the reg season LY they avg 401 ypg and 25.6 ppg and that incl the defenses of VT and NC. Spurrier used to ease up in these non-conf gms (2-5 ATS '07-'08) but is on a 6-3 ATS run.

NORTHERN ILLINOIS 41 Army 34 - In only prior gm, NIU lost 21-14 at West Point in '92. Huskies are 9-2 in the L1Y in home openers (L/loss in '07 to S Illinois). Army is just 2-12 in road openers but has won B2B gms by 9 ppg. The last & only military school to visit DeKalb was Navy in '08, NIU lost 16-0. NIU has one of the best O-lines in the country and a super QB in Chandler Harnish and has our #39 rated offense. Their defense has just 2 s'trs back and ranks #105. Service academies rarely return a lot of s'trs but Army has 11 back and got to their first bowl since '96 LY. NI has a new HC but is 7-3 as a HF. Army has covered 5 str as an AD with 4 outright upsets! Army did allow just 139 ypg rush LY and both teams are off bowl wins. The power ratings call for a 2 TD plus win but look for Army to keep it closer than expected with a possible upset.

PAST HISTORY MATCHUPS 2010's MEETINGS

Wisconsin (-20) 41 UNLV 21 - UW had 23-10 FD and 475-217 yd edges but a couple of key mistakes kept LV within the number. UW opened with an 80/14pl drive for a TD then went 46/3pl for a TD. UW was at the LV22 and they got a 21 yd pass to Toon but he fmbld and Chandler picked it up and ret'd it 82 yds to the LV16, a huge play (1:13). UW punted (9:26) and LV went 46/8pl but missed a 48 yd FG (6:24), 3 punts. LV24 got 2 FD running out the clock at the UW36. UW 25-278-197-2 UNLV 11-110-105-1

Usc 32 MINNESOTA (-11) 21 - After a UM punt USC got a 23 yd pass but missed a 48 yd FG (11:29). UM went 69/9pl for a TD (7:20). USC went 60/13pl for a TD, 7-7 (1:45). USC went 77/4pl with a 53 yd TD pass, 13-7 (11:53). They ran a fake on the 2 pt conv and failed, 13-7 (11:53). UM fmbld the punt and USC rec'd at their 38 but on 4th & 14 punted 25 yds to the 17 (2:17). UM on 3&9 was int'd at the USC49 (.39) but USC was int'd at the UM28 and ret'd 8 yds. At half USC had a 176-106 yd edge. USC was int'd at the UM35 and UM converted on 3rd&13 then on 3rd&11 got a perfect pass for a 31 yd TD into good coverage and UM led 14-13 (5:47 3Q). USC's Woods ret'd the KO 97 yds for a TD but surprisingly went for 2 and failed, 19-14. USC went 88/11pl and got a 21 yd TD pass, 26-14 (13:39). USC went 91/5pl with a 56 yd TD run but once again went for 2 and failed and that was costly. UM was int'd at their own 44 and USC converted on 4th&1 and basically had to take a knee to cover as they were at the UM33 but fumbled on the next play and UM went 69/8pl (:11) and got a 22 yd TD pass and the xp gave them the backdoor cover. USC 21-216-192-3 MIN 18-83-224-3

† Texas 34 RICE (+31) 17 - Rice started McHargue at QB and went 60/14pl on their opening drive but settled for a 42 yd FG, 3-0 (8:04). Texas went 57/12pl but was SOD on 4th&gl at the 1. UCLA (+3) 31 Houston 13 - Case Keenum was ? all wk (inj) and was far from sharp. He did lead a 79/9pl drive for a 29 yd FG, 3-0 (7:44). UCLA went 51/5pl for a TD (5:54) then 80/14pl for another TD (11:49). Keenum was int'd and ret'd 42 yds and UCLA went 42/7pl for a TD, 21-3 (7:40). UH had a chance to get back in it going 78/10pl. West Virginia 24 MARSHALL (+12) 21 OT - Another tough loss for MU in this rivalry. MU opened w/a surprising 80/6pl drive for a TD, the key being a 55 yd run by Ward to the 12. WV went 42/9pl but settled for a 34 yd FG. WV went 79/13pl but was SOD on 4th & 1 at the MU8. MU got a false start but then a huge play as Anderson hit Dobson on a deep pass down the middle which he took 96 yds for a TD. Replays later showed that Dobson let go of the ball at the 1 and it should have been ruled a TB but the play was not reviewed at the time and the replay was not until later (11:02 2Q). MU led at the half 14-3 w/a 203-172 yd edge. WV opened the 3Q fumbling at the MU27 then went 64/8pl but settled for a 33 yd FG, 14-6 (10:00). UNDERDOG PLAY OF THE WEEK

Over the past **28 years** this play has been a reader favorite hitting **193-145**. Over the last 11 years the Underdog Play of the Week has added **35 OUT-RIGHT UPSET WINNERS** to the incredible record **INCLUDING 2 LAST YEAR!** Here is the first Underdog Play for the 2011 season:

Fresno St +10 over California

Cal dropped both meetings vs in-state FSU ('95's home opener & '00). Cal is 12-3 in ssn openers incl 4 str wins by 27 ppg. Tedford was an '83 FSU grad (AA+QB) and was their OC from 1993-'97. The Bulldogs have won 7 straight season openers including 3 vs BCS schools. This game is in Candlestick Park in SF and while Cal was dominant at home LY 5-2 ATS and +82 ypg they were only 1-4 on the road (-79 ypg). Fresno ended Cincy's 18 gm reg ssn win streak in the opener LY. Cal has just 12 ret st's while Fresno only has 10 but they are very high on new QB Carr (PS#56) who could be an upgrade at that position. Our power ratings say Cal should be a DD fav but they are 3-11 as an AF and Pat Hill lives for these games and is 5-1 ATS vs BCS schools. **FORECAST: Fresno St 26 California 23**

FEATURED PLAYS: Last year we added some new plays to Power Sweep. Although the Underdog Play of the Week is considered a Key Selection, the "new category" of plays are **not**. We review these plays each week while considering the Key Selections, and once again are sharing them with you. We look forward to many winners for this section in 2011!

OTHER COLLEGE GAMES CONT

† **Indiana 34 BALL ST 24** - (Lucas Oil Field) In their last meeting Ball St (on the way to a 12-0 '08 season) buried Indy 42-20 (+3). Indy has covered 3 in a row in their 1st AG in Sept. They do have a new HC and a new QB plus lose 23 lett with just 12 str's back. Ball St also has a new HC but a veteran QB and they have 17 str's back. They are 3-1 ATS on the road vs BCS. The Hoosiers are the stronger team and naturally will have the crowd edge at this neutral site but the edges are not huge with our #93 offense and #102 defense vs BSU's #102 and #108 units.

OKLAHOMA 48 Tulsa 20 - OU is 5-0 SU (3-1-1 ATS) vs Tulsa outscoring them 233-36. In their last meeting ('09) OU got the shutout (45-0, -18) w/a 529-269 yd edge for an easy Star rated winner on these pages. Tulsa actually finished #24 AP LY and has 18 str's back making them one of the most exp'd tms in the country and they have Texas transfer GJ Kinne in his 3rd year as starter (12-26 106 in '09 vs OU). They do have a new HC who hasn't even been a coll coor. LY TU's defense allowed 482 ypg on the road. OU is Preseason #1 AP and are a dominating home team going 20-8-1 as a HF and LY they avg 523 ypg at home and won by a 40-13 avg. They have a bye on deck before Fla St. OU has our #1 rated offense and #3 D while Tulsa is #10 on offense but just #66 on D. Tulsa did not face a single ranked tm LY.

Ohio 31 NEW MEXICO ST 23 - First meeting. The Aggies are 12-7 in home openers but have dropped 4 str vs FBS schools by 16 ppg. Since 1982 NMSt has won once in a ssn opener vs a FBS opp (beat UTEP 45-17 in '95). Ohio is 3-1 SU in road openers vs non BCS schls. Both tms figure to be much improved this year with the Aggies having 16 ret st's and they have an altitude edge. NMSt is just 1-9 ATS at home while OU is 13-5 ATS on the road. OU does have a 1st time starting QB making his first road start but has a veteran O-line in front of him. NMSt does have the WAC's #2 O-line taking on a D-line that lost all 4 str's. In '08 OU traveled to Wyoming in the opener and almost pulled the upset losing by 1 (+12'). OU has the benefit of bowl practices from LY and knows how to win with two straight bowls while the Aggies are still learning how to win and OU gets the close road victory.

† **Boise St 28 GEORGIA 27** - In 2005 Georgia was #13 and Boise #18 as Boise was the sheik upset pick coming in all summer while GA was well motivated. They took advantage of Jared Zabransky's horrible day with TO's and UGA won 48-13 in Athens w/a 574-292 yd edge. Despite this being a "neutral site" game, GA will clearly have the crowd edge in their own backyard (Atlanta). This time Boise has a QB that won't have those turnover problems as Kellen Moore has just 9 int's the last 2 years and led the NCAA in pass eff in '10. He guided Boise to a win in VT's back yard LY in the opener. Boise has 14 ret st's and a win here could eventually land them in the title game. Boise is just as strong as LY's 12-1 tm but GA is much better than LY's 6-7 and our pick to win the SEC East this year. Georgia has a big game on deck while Boise has a bye.

† **Lsu 28 Oregon 27** - Cowboys Stadium in Arlington, TX. This is one of the marquee games of the year in a battle of Top 5 tms. These two have not met since 1977. LSU has won 8 str ssn openers by 22 ppg (5-3 ATS). The loser from the Nat'l Title gm has gone 10-2 (avg score 39-13) in the opener the next season. Oregon has struggled when tms have extra time to prep for their offense with just 18 ppg in the last 2 bowls and just 8 pts in their opener in '09 when they also had a young O-line. UO has the off edge (#3 vs #20) and have the stronger QB in Thomas as LSU's Jefferson has struggled recently. LSU has our #5 rated D and UO #28. LSU figures to have the crowd edge and are more exp'd as Miles has won 17 straight Sept games while LSU just played at this same stadium in their bowl win.

SOUTHERN MISS 41 Louisiana Tech 27 - LY LT blk'd a 4Q punt down 13-10 and a couple of players missed falling on it for a TD and instead it was a safety, 13-12. LT's last drive ended on an int at the SM27. LT was playing musical QB's at the time and was not as effective on offense. SM has 14 ret st's incl QB Davis while LT has 13 ret st's but lost their QB. While LT has a FCS gm on deck, SM has their CUSA opener. LT is just 9-28 as an AD and this is their first ever trip to the "Rock". The Eagles have won 12 str home openers by 29 ppg but a lot of those have been vs FCS foes. LT was just #95 on pass D LY and lose 2 DB st's while SM has Davis and some dangerous rec's. LY he hit 22-38-233 and SM had a 425-309 yd edge on the road but scored just 13 pts. SM did avg 43 ppg at home LY and has our #27 rated offense vs LT's #81 D. LT is #76 on Off vs SM's #61 D and SM has a large ST edge (#9 vs #61). SM could be on their way to a special season and even though LT is bowl caliber the Eagles win this easier than LY's gm.

HAWAII 37 Colorado 27 - CU had the situational edge LY as UH had just played on the East coast at Army and stayed on the mainland (Vegas) before traveling to the altitude of Boulder. UH had a 237-124 yd edge at the half and led 7-3 despite fumbling at the 2 and missing a 20 yd FG. They wilted in the altitude in the 2H and lost 31-13 (+13'). CU has dropped 6 str "true" road openers by 20 ppg and have not traveled here since 1925. CU does have 16 ret st's but also has a new HC so they are not as exp'd as the numbers indicate. UH only has 9 ret st's but one of them is QB Moniz who hit 27-41 for 330 in LY's game. UH was 5-1 as a HF LY and almost upset USC at home and dealt Nevada their only loss of the season. CU is 7-17 as an AD. CU won LY's game by 18 and are the more veteran tm but we side with the solid HT with the better QB.

PURDUE 40 Middle Tenn 17 - 1st meeting. MT is 0-3 vs the Big 10 (avg score 36-14) and is 0-5 ATS in season openers under Stockstill and has a 1st yr starting QB and a defense with just 3 str's back. Purdue is a hungry team that has not been to a bowl for 3 yrs and takes on a tm that has been to one each of the last 2 yrs. Purdue has 16 ret st's and only has Rice and SEMO on deck so they'll hold nothing back. Purdue wants to run the ball this year and has the Big Ten's 4th best O-line vs the Sun Belts #9 D-line (0 st's back). While MT has pulled some upsets of BCS tms they have lost 3 straight ATS. Purdue is 0-3 ATS vs non BCS but since they were upset by Toledo last year, they will not take MT lightly.

ILLINOIS 34 Arkansas St 20 - Last met in '02 (UI 59-7, -31'). Ron Zook is 0-7 ATS vs non AQ confs with FOUR outright upset losses. They do have some momentum off a bowl win and only have SDSU on deck. ASU has covered their last 3 as an AD vs AQ conf only losing by 2 in Big Ten country LY to Indy. They upset A&M in '08 in their road opener and almost upset Texas is '07. They have 13 ret st's and should be a much improved team with QB Aplin and a veteran D. The Illini have won 13 str home openers by an avg of 27 ppg but this game will be much closer.

FLORIDA ST 45 ULM 17 - This will mark the 4th str ssn ULM opens w/a ranked opp (only tm in country w/such a streak). Warhawks have lost 17 str road openers & are 0-23 vs ranked opp's (L/3 by avg score of 45-3). ULM has covered their last two openers and were +34 at Ark LY losing by 24. FSU only has a FCS tm on deck and LY won their 3 non-conf HG's by an avg of 41-8 and that included Florida and BYU! ULM is a much improved tm with 17 ret st's and a vet QB but we still rate them #99 on Off and #87 on Def while FSU is #16 and #7. The Seminoles can name the score here.

CLEMSON 37 Troy 20 - 1st meeting. CU is 5-0 vs the SBC, avg score 42-14. Troy has lost 8 straight road openers vs BCS teams by an avg score of 39-19. LY they led OSU at HT 27-20 but lost by 3. CU only has Wofford on deck and Troy has a bye. CU has 14 ret sts and Troy has 13 but Troy has an exp'd QB Robinson. Troy has now been to three straight bowls and is the best tm in the Sun Belt but comes in with our #72 rated Off and #79 rated defense. Clemson is #40 on Off and #27 on D. Troy has some solid transfers coming in and Clemson had a great recruiting class. This should be a good game and we will side with the stronger home team to win by 14.

OKLA ST 52 Louisiana 17 - UL has lost all 4 trips to Stillwater by an avg score 40-8. LTH ('03). LY Okla St traveled to UL on Thurs Nt and we used a Thurs Nt Marquee on OVER 61. UL gave them their best shot in the 1H and actually led 21-17 with a 254-161 yd edge. OSU got a TD with 4:59 left to get ahead of the spread for the 1st time (-24 54-28) and UL was SOD at the OSU19 at the end. Okla St is loaded on offense this year with QB Weeden and WR Blackmon and LY avg 534 ypg and 49 ppg at home. They do have a Thursday Night gm vs Ariz on deck. UL was 6-1 as an AD but did lose to GA in the opener LY 55-7 (+28'). Gundy has covered the last 3 openers by 19 ppg and is 11-5-1 as a HF. Even with that big game on deck the Cowboys can name the score here.

THE OPENING LINE: SUPER BOWL XLVI WINNER ODDS

Listed below are the odds for each team to win Super Bowl XLVI. The odds are the Las Vegas odds on the Super Bowl Winner and our comments on Vegas' odds are listed to the right of each team. We've also listed the W/L, Over/Under as well as Division and Conference odds.

(**SB** - Current odds to win the Super Bowl. **O/U** - Vegas' Over/Under number on total wins for the season for each team. **DIV** - Odds to win the team's individual division. **Conf** - Odds to be the conference's representative at the Super Bowl.)

CURRENT ODDS TO WIN:

	SB	O/U	DIV	CONF	
New England Patriots	3-1	11.5	-175	2-1	The Pats were regarded the large favorite to win the SB LY once the playoffs started but lost their opening game. They have added some key veterans instead of making cuts.
San Diego Chargers	10-1	10	-210	5-1	Very rarely do teams ever have the #1 off and #1 def at any point during the year but SD did it over the entire 2010 season and missed the playoffs. Most underrated team in the NFL!
New Orleans Saints	10-1	10	-110	5-1	If the Saints win the opener at GB they would become our favorite to get to the SB from the NFC. They had the best offseason workouts of any team and won it all 2 years ago.
Green Bay Packers	3-1	11.5	-300	2-1	Green Bay was hit hard by injuries LY and needed some good fortune just to be the #6 seed in the NFC. This year with better health they should be the #1 seed!
Pittsburgh Steelers	8-1	10.5	+115	4-1	Pittsburgh was hit hard by injuries and suspensions LY and still made the Super Bowl. This year they face the #30 schedule (#12 LY) and are a play on team across the board.
Philadelphia Eagles	9-1	10.5	-155	5-1	For a team as hyped as Philly has been since they signed all those FA's, the price is still reasonable. 9-1 for Super Bowl when you would think 3 or 4 to 1 with all the hype.
New York Giants	17-1	9.5	+225	8-1	We were going to pick the Giants to win the East this year, then Philly signed all those FA's. Still a play on team as they were best in the East statistically LY (#5 off, #7 def)
New York Jets	13-1	10	+130	5-1	Rex Ryan has guaranteed a Super Bowl win but doesn't he do that every year. We still feel Pats are team to beat in the East, so no play here.
Indianapolis Colts	13-1	9.5	-140	7-1	The Colts were shredded by injuries LY and still won the South and should stay healthier TY. The 9.5 wins seem cheap for a team that has had DD wins for NINE straight years!
Atlanta Falcons	12-1	10.5	+110	7-1	The NFL South Champ has never repeated with one 2nd place finish, five 3rd place finishes and two 4th's. Atlanta was only #16 on off and #16 D LY and still were #1 seed in NFC.
Houston Texans	25-1	8.5	+175	15-1	We are calling for the Texans to land their first playoff berth in their history and this team is still a solid value across the board due to disappointing backers LY with only 6 wins.
Baltimore Ravens	14-1	10.5	-160	8-1	We are not that high on Baltimore this year but they do face the #28 schedule so if you are high on them, there is value. They were only #22 off #10 D LY and are a year older.
Dallas Cowboys	25-1	9	+280	12-1	LY the Cowboys were one of the preseason favorites for the SB and lost QB Romo for most of the year. TY they are under the radar and should outperform expectations.
Kansas City Chiefs	35-1	8	+210	20-1	KC faced the #32 schedule LY and parlayed that into an AFC West Title. This year they face the #2 toughest sked and figure to have a large drop off in wins (10 in '10 to 6 or 7).
Chicago Bears	36-1	8.5	4-1	21-1	This is another "Sell" team as the Bears over-achieved LY with an 11-5 record despite the #30 off and #9 D. This year they will be hard pressed to finish above .500.
Miami Dolphins	55-1	7.5	10-1	30-1	Miami's Over/Under wins LY was 8.5 and they were 7-6 but lost their last 3 for a 2nd straight 7 win season. They do face the #3 toughest sked (#6 LY) and have questions at QB.
Detroit Lions	35-1	8	5-1	21-1	The Lions are loaded with high DC's and improved to 6-10 LY and figure to be much better again. Do you really want to play Over 8 when they have not topped 7 wins in 10 years?
Tampa Bay Buccaneers	36-1	8	5-1	21-1	Tampa beat ONE team with a winning record LY and that was the Saints who were resting their starters. This is a more talented team than their 10-6 squad but Under 8 is our pick.
St. Louis Rams	36-1	7.5	2-1	21-1	The West is still the weakest division in the NFL but even though we call for the Rams to win their division, we call for only 7 wins in doing so. 36-1 for a playoff tm not bad.
Minnesota Vikings	55-1	7	10-1	31-1	We look for QB McNabb to be much stronger than he was LY in WAS and that could have the Vikings under the radar but no real plays here as they won't get past the Pack.
San Francisco 49ers	19-1	7.5	-130	10-1	SF may have the most talent in the NFC West but also have a first year HC in the year of the lockout. We have them at 7 wins but if you are a Harbaugh fan it would be worth a look.
Jacksonville Jaguars	45-1	6.5	5-1	25-1	JAX was a young team LY that gains a year of exp and actually were 8-5 at one point before dropping their last 3. While we project just 4 wins, no solid plays here.
Cleveland Browns	75-1	6.5	10-1	40-1	What effect will the lockout have on first year HC's? Cleveland did show their mettle LY beating NE and NO and losing to the Jets in OT but there isn't much value with the line at 6.5.
Denver Broncos	200-1	5.5	15-1	100-1	The Broncos have the offense and get an upgrade at HC and a large upgrade on D with the drafting of Miller and the return of Dumervil. Worth a play across the board.
Oakland Raiders	45-1	7	6-1	25-1	The Raiders won 8 LY including a perfect 6-0 vs their division. Vegas is pretty sharp here as 6.5 is a good number and they did lose perhaps their best player in CB Asomugha.
Carolina Panthers	200-1	4.5	25-1	100-1	Our improvement chart has the Panthers near the top for this year and they were a surprise player in free agency. No shot at playoffs but Over 4.5 is a reachable goal.
Cincinnati Bengals	150-1	5.5	25-1	75-1	Cincy was the North Champ in '09 and our improvement scale has them at the top based on LY's poor results but they lost a lot in free agency. They could surprise.
Tennessee Titans	55-1	7	9-1	30-1	We were Jeff Fisher fans and now they have below average QB's and a rookie head coach and may struggle to top 2010's 6 win total.
Seattle Seahawks	95-1	6.5	6-1	50-1	This team won a playoff game LY and is improved with the win total at 6.5? Seems strange until you realize they were #28 on off, #27 on def and only had 7 wins LY.
Buffalo Bills	150-1	5.5	20-1	75-1	The Bills have some talent but why trade away WR Evans for a 4th round pick? Does that mean building for the future? 5.5 is one of the lower totals but don't see them topping that.
Washington Redskins	200-1	6.5	25-1	100-1	Still waiting for the Skins to sign a real QB. This team has some areas where they are decent but not enough to top 6.5 wins playing in the brutal NFC East.
Arizona Cardinals	95-1	7	5-1	50-1	This team made the playoffs in both '08 & '09 and dropped to 5-11 LY due to horrible QB play. They traded for QB Kolb which is an instant upgrade at that spot but sent a Pro Bowl CB to do it. They were #31 on off and #29 on D LY and probably wont have 12 def/ST return TD's again.

COLLEGE SELECTIONS CONT.

SUNDAY, SEPT 4th

Marshall at West Virginia - MU is 0-7 in Morgantown. In the 4 most recent trips MU has been out-scored on avg 34-13. LTH the Herd led 7-3 at HT with 11-2 FD & 149-73 yd edges but gained just 53 yds (1.8 ypp) in the 2H (+20' 7-24) and MU is 3-2-1 ATS vs WV. MU HC Holliday knows WVU football. He had been the WV Assoc Coach/Recruiting Coord in '08-'09 and WV is his alma mater and knows the program inside and out better than anyone. Some of that edge has gone away with Holgorsen taking over WV's offense. LY WV came back from a 21-6 4Q deficit (tying 2pt conv came w/:12 left to force OT). UM had 55 and 96 yd TD plays and just 52 other yds in the 1H. WV has 7 st's back on offense and just 4 on D (9 ret st's on D LY). Marshall has 13 ret st's incl 8 on the D. Holliday is just 1-4-1 ATS on the road (-113 ypg) while WV was +176 ypg at home LY (only +36 on road). WV only has a IAA foe on deck while Marshall has their CUSA opener.

SMU at TEXAS A&M - Old SWC rivals last played in '05 and A&M hammered SMU 66-8 w/a 714-348 yd edge (3rd best off in school history). SMU hasn't won at Kyle Field S/'83 with 6 str losses by 33 ppg. A&M only has a bye and Idaho on deck so should flex their muscles. After being upset by Ark St in their home opener in '08 they have won the last two by 38 ppg (SFA, NM). Both trns are among the most exp with 18 ret st's and LY SMU opened on a Sunday vs TT and had the ball at the end down by 8. After an 0-2 start as A&M HC HF Sherman is 8-3 ATS in that role. A&M did allow just 329 ypg at home LY and faced OU, Neb, TT and MO there. SMU is a solid team ranking #34 on off and #42 on D. **Call for our Sunday Night Marquee Winner on the Debit Card OR with your 5 Day College Executive Club Package after 11 am ET.**

MONDAY, SEPT 5th

Miami, Fla at MARYLAND - Third ACC meeting as the HT is 2-0. LY MD led 20-18 until UM went 82/7pl scoring the GW TD w/:37 left. Miami was without its starting QB and RB. MD did move the ball to the UM30 but Miami had a dominating 504-254 yd edge and 25-15 FD edge. UM is 0-2 in College Park and the last visit was a 1 pt loss in '06 to a #23 ranked MD. Their previous visit was in 1982. LY UM found themselves in a 14-0 hole early 2Q but limited the Terps to 0 pts & 61 yds the last 37:52. Both teams have new HC's and are off next week so this a big game for both on Monday Night. MD was 9-4 SU LY (finished ranked #23) and has 13 ret st's incl a vet QB in O'Brien (only 9-28 pass vs Mia LY) while Miami was just 7-6 SU and has 14 ret st's. With a better record LY, it would seem MD was the better tm plus they're at home, but the Terps overachieved LY and Miami underachieved. Edsall is 11-2 ATS as an AD with Golden 6-3 as an AF. Who do we side with in this Monday Night showdown?

To Read rankings - YPC is yards per carry for each team's offense and defense. Turnover edge is the amount of turnovers that team is + or -. OFF YPP is offensive yds per point. This shows the avg amount of yds a team travelled per point scored. The lower the number the more efficient the off. DEF YPP is defensive yds per point. The higher the number here, the better the def is at making their opponents work at scoring points. The remaining columns show the team's rank in that category. Next to the passing ratings there may be a ★ or an X. On the offensive side a ★ means they are completing over 59% of their passes while the X shows that their QB's are completing less than 53%. Defensively, the opposite holds true as the ★ has that team's def holding its opp under 53% completions and the X shows that they allow over 59% completions.

PRO STAT PLAYS

Using a strictly statistical analysis on the information above, our resident statistician releases a top play of the week during the NFL regular season each week in the Power Sweep Newsletter. This gives you a play based strictly on their ranking offensively and defensively against their opponent. Quite often this ends up being one of the higher lined games.
