COLLEGE 5★ WILL NOT GO THIS WEEK - PLEASE CALL 5★ CODES BY SEPT 18TH TO ACTIVATE.

Revenge is an often overused term but Maryland was playing with legitimate revenge vs Temple. The previous yr they took the Owls lightly and were manhandled at the line in a 31 pt shutout loss at home. This time it was MD that had the 19-9 FD edge despite being a large dog and finished with a 334-230 yd edge. It was almost yet another blown lead for Coach Edsall at Maryland. The Terps appeared completely in control leading 26-3 at the half with a 180-34 yd edge. The momentum turned when MD fmbled the opening 3Q play and TU got a td. TU had all the momentum in the world when they got a td with 7:04 left to pull within 29-27 but MD went on a surprising 75/11pl drive getting 3 crucial FD's and a td with 2:51 left to ice it. MD finished at the TU25 taking a knee and was yet another outright winner for the PPH Big Dog

Plays!...Memphis almost pulled the big upset vs Ark St. In fact, Memphis led the majority of the gm. Their key drive happened when Memphis started at their own 16 and went on a 6:30 drive going 77/13pl but leading 28-27, missed a 25 yd FG with 9:10 left. ASU went 80/9pl and got a td and missed the 2 pt conv to lead 33-28. Memphis punted and ASU was able to get 3 FD's punting with :11 left and holding on for the 5 pt win.

FCS UPSETS: There were 4 more FCS upsets this past week. Illinois St had a great rush D and matched up well vs E Mich's power rush attack. There was nothing fluky about ISU's win as they had 371-248 yd and 21-11 FD edges. EM did lead 14-10 at half with a 172-148 yd edge. ISU went 67/6pl and 52/7pl on the first 2 poss of the 3Q to go up 24-14. ISU got a 20 yd IR with 5:37 left

and went 30/10pl for a td with 1:08 left to clinch it...N Dakota St moved to 6-3 vs FBS schools s/06. There was nothing fluky about their 22-7 win over Colo St. They had 21-11 FD and 366-243 yd edges. CSU gained 65 of their 243 yds on their last 2 drives...While not an FCS upset, Utah St had not beaten Utah since 1997. They had a 380-325 yd edge vs Utah and were winning when Utah QB Wynn with an injury. Backup QB Jon Hays hit 12-26-154 but looked like an improved QB this year. USt blocked a punt for a td in the 1Q and led 13-3 at half with a 148-92 yd edge. Utah got a td with 3:19 left to tie then missed a 52 yd FG on the final play of regulation. In OT they had a 3&g, 6 yd td pass called back on offensive pass interference and on 4&g from the 17 they didn't call a potential defensive pass interference and USt won by 7.

SEPT NFL GOM THIS SUNDAY!

While the release date of the College September 5★ Play (free to all 2012 Power Sweep subscribers) has not been announced yet (will NOT be this weekend), we do know that our **September NFL Game of the Month will go on Sunday, Sept 16!** A quick look to the right will show you why we are so excited about the release! Since 2007 our reg ssn **Games of the Month(Y)** have gone an incredible **33-13 70%!!!!** While the College Late Phones are having one of the slowest starts we've had in decades, the NFL opened Sunday like gang busters going 2-1 67%! The Saturday College LPS went a combined 4-8 (Sides, Totals and Small Coll) but we are sure there are plenty of big winning weekends on the horizon. Check out page 8 and see the special rates that we're inviting Power Sweep readers to sign up with.

NFL SELECTIONS POWER SWEEP! ALL ★'S WINNING!! POWER SWEEP UNDERDOG PLAY OF THE WEEK WINS OUTRIGHT! 42 UPSETS L/12 INCL 7 L/2Y! SYSTEM AND POWER RATINGS PLAYS BOTH WINNERS!!!!

The NFL Selections in Power Sweep are always on fire. We are excited to report that we started off the season with a **POWER SWEEP for the NFL!!!!** The ★'s went a **PERFECT 4-0 100%** for the opening week, which marks the **FIFTEENTH Power Sweep for the NFL Plays since 2007!!!** The System Section put out another winner with Chicago. We did have a rare (4) Angle loss which "drops" that record to **34-18 65% L/9Y** and the Power Ratings Play on Tampa Bay won easily (outright as a dog) and that play is now **79-54 since 1995!!!** The College Keys split on the week but the Underdog Play of the Week (considered a Key Selection) did record an **OUTRIGHT UPSET WINNER** with Florida. That's the 42 upset in the last 12 years and the **SEVENTH** in the last two! The 2★ College Selections went 2-1, the College Featured Plays went 2-1 and the Computer Corner 3-3.

We welcome back the Newsletter contest for the 2012 football season. We are happy to provide you with the records and standings from the Power Sweep, Gold Sheet, Power Plays, the Sports Reporter, Winning Points, Pointwise and Playbook. The newsletters are graded from the lines in Tuesday's USA Today. If there is no line we will use the first available line in the USA Today. We use the Tuesday line because Newsletters are written on Sunday night and that would be the first day that most subscribers would have access to them as all of the Newsletters post online by then. There will be 6 categories in all. Net winners in College, NFL, and combined as well as the win percentage in College, NFL and combined. An (*) indicates that a Sunday or Monday night game is pending.

4★ OHIO ST over California - Last met in '72 (OSU 5-1 in series). Cal is 5-2 SU (4-3 ATS) in reg ssn true AG's vs BCS opps (2-0 L3Y) and 9-5 ATS vs non-conf overall. Only 3rd trip east of Mississippi in 8 seasons for Cal. It's been a solid start for new HC Meyer as the Bucks are 2-0 (1-1 ATS) and are coming off a 31-16 win (-18) over a much-improved UCF squad (10-10 gm 1st 29 min). A wk after setting an OSU record for QB's with 161 rush yds, Miller became the 1st OSU QB to run for 3 td's (141 rush yds) in 34 yrs! He became even more valuable when st'g RB Hyde left the 1H with a knee inj and DNR. Hyde (MCL) is exp to miss TW but proj st'r Jordan Hall (foot) could be ready. After a disappointing home opening loss to Nev, Cal struggled with S Utah leading just 20-17 after 3Q before exploding for 30 4Q pts in their 50-31 win (-35). Cal did have 2 non-off td's and HC Tedford's seat is getting warmer by the wk. Cal does have its P12 opener on deck at USC and makes its 1st road trip while this is actually the Bucks "A" gm for the 1st 4W (their only BCS foe) and they have huge edges on ST's (#8-100) and D (#8-35) as they dominate here.

FORECAST: OHIO ST 41 California 13

3★ Florida over TENNESSEE - UF has now won 7 in a row all by DD's (5-2 ATS) in this series incl their L/2 here 30-6 (-7) and 31-17 (-13). LY was their 2nd str 1/2 pt cover in this series. UF was -9' at home and Rainey had 233 ttl yds and blk'd a P. UF actually led 30-7 in the 3Q (-9', 33-23). UT WR Hunter who entered #1 in the SEC in rec, inj'd his knee on the opening drive and was OFY. The tm that has rushed for more yds has won 9 str and 21 of the L/22. UF is 5-11 ATS in SEC AG's and this is a B2B off a rare trip to College Station LW. Northcoast's power to move a line was never more evident than LW as the Gators were the Underdog POW (+2) when the newsletter was sent to press but moved to a 1 pt fav by the time of KO. It didn't matter as the Gators, after falling behind 17-7 in the 1H, scored 13 unanswered pts and limited A&M to just 69 2H yds in the 20-17 win. QB Driskel got the start and was an efficient 13-16-162 despite being pressured with 8 sks. The Vols are the fresher tm off of a win over Georgia St 51-13 (-46) with Akron on deck. UT's off has gained 500 yds in B2B wks for the 1st time s'00. The old adage about the way to win gms on the road is to bring your D and ST's and the Gators have the edges in both as they grab yet another key SEC road win.

FORECAST: Florida 24 TENNESSEE 17

3★ Texas over MISSISSIPPI - Ole Miss hasn't opened a ssn with 3 str HG's s'96. UM is 0-6 SU/1-5 ATS in the reg ssn vs non-conf BCS foes. UT has won 11 str 'true' road openers outright (8-3 ATS) by an avg 40-19. UT is a surprise nat'l title contender TY off to a 2-0 start and has a bye on deck. LW the Horns found themselves up 17-0 at HT over NM despite having the ball for only 10:00. They rolled in the 2H to a 45-0 win (-38') as QB Ash threw for a career-high 221 yds. The Rebs have already matched LY's win total after LW's 28-10 win over UTEP (-8). The most impressive stat so far has been the play of UM's O/DL that they have a 567-55 rush yd edge over their 1st two opps. That will change here vs the top-notch UT ground attack and one of the better DLs in the country. LY Ole Miss played a tough home sked and was actually -192 ypg at home and this is their 1st real test in the Grove TY (2-7 ATS as HD L5Y). UT HC Brown called LW's game a morale booster for his team. "Everybody got to play...Everybody is happier. It makes your football team better." Look for the Horns to be even happier TW as they grab a dominating road win over an SEC foe.

FORECAST: Texas 41 MISSISSIPPI 17

OTHER SELECTIONS

2★ FLORIDA ST over Wake Forest - LY FSU was off 2 losses and a bye and opted to start Trickett at QB. WF improved to 3-0 in the ACC for the 1st time in their history (59Y) and their 35 pts were the most ever scored vs FSU. Down 16-7 in 2Q FSU brought Manuel off the bench and he hit a 46 yd td pass with :51 left 1H. WF did open it back up to 32-17 at the start of the 4Q. FSU got a td with :54 left but missed the 2 pt and WF (+10) upset FSU, 35-30. FSU is 23-6-1 SU vs WF but 4 losses have come in the L6Y. LTH WF was shutout (31-0, +20) as they ran just 1 pl in the RZ and just 15 in FSU territory. LW FSU was easily en route to covering the large 62' pt spread vs Savannah St but the game was called with 8:39 left in the 3Q with the Noles on top 55-0 (413-28 yd edge). In the 1Q alone the FSU st'rs held Savannah to -20 yds while piling up 255 yds of off. WF meanwhile stunned NC 28-27 (+9) in a gm that also had a weather delay (KO pdd 75 min for lightning). QB Price did throw for a career-high 327 yds while leading a FCS 1 pl drive for the winning score w/3:04 left. FSU is playing with legitimate revenge, is off a pair of FCS foes and this is their ACC opener so they should be motivated. WF is just 5-12 ATS as an AD and it would not shock us if the FSU D (#1) pitches a shutout.

FORECAST: FLORIDA ST 38 Wake Forest 0

2★ STANFORD (+) over Usc - USC has had this gm circled as they have lost 4 of the L/5 to Stanford incl outright upset losses at home in '07 (-41) and in '09 (-10'). The L2Y have been frustrating for USC as the last time here they gave up a 30 yd FG on the last play of the game to lose 37-35. LY the game went to 3OT with USC blowing numerous opportunities and they fmbld into the EZ for a TB in the 3OT in the loss. The home tm is just 1-5 SU. 4x's USC has had 3 gm losing streaks in this series and they won by 18 ppg in the next gm. LW we easily cashed a 4★ LPS on Syr (+26) as USC was content in just getting the "W" (42-29) in a gm that saw the 2H delayed 70:00 for weather. QB Barkley did match a schl rec'd with 6 td passes and WR Woods had 200 all-purp yds. A depth-shy USC tm did lose its All-P12 st'g C for several wks (leg) LW. A wk after an unimpressive opener, the Cardinal routed Duke 50-13 (-16). The gm was a bit misleading as Duke had a 385-373 yd edge (FD's even) and SU benefitted from +3 TO's. Technical edges favor Stan as USC is 2-8 ATS in conf road openers and 4-9 ATS in the series. Stan is 10-2 ATS vs ranked tms and 6-1 ATS as a HD. USC gets the win but with all of the hype surrounding TY's tm, USC is already 0-2 ATS with inflated lines and we'll gladly back the home dog.

FORECAST: STANFORD 27 (+) Usc 30

2★ WISCONSIN over Utah St - UW is 20-0 SU (10-7 ATS) in non-conf HG's. Andersen is an excellent 11-2 ATS as an AD and LY almost upset the defending nat'l champ (Aub) blowing a 14 pt 4Q lead in the final seconds. They also almost upset Okla in their opener in '10 and A&M in '09 with their largest loss by 7 pts in the 3 and are 4-0 ATS vs ranked non-conf tms. These tms are off contrasting results as USU got its 1st win over in-state rival Utah s'97 in a 27-20 OT win (+7) while UW's 33-gm non-conf win streak was snapped in a 10-7 (-7) loss to Oreg St. UW finished with only 207 yds (35 on ground!), its lowest total in 5Y as the UW OL failed to get a strong push for the 2nd wk in a row. UW QB O'Brien has not been bad avg 195 (63%) with a 3-1 ratio but Heisman cand Ball is avg just 3.8 ypc and has just 1 td in 2 gms after 39 LY! Top WR Abbrederis (chest) left in the 2Q and DNR (CS). USU QB Keeton is dangerous avg 260 ypg (76%) with a 4-1 ratio but UW does only have UTEP on deck and will want to atone for the slow start while the Aggies will be getting slaps on the back all week.

FORECAST: WISCONSIN 38 Utah St 17

OTHER GAMES

Thursday, September 13

Rutgers at USF - RU is now 5-1 SU/ATS vs USF and there have been 5 outright upsets the L7Y in this series! LY USF had a commanding 381-228 yd edge and was in control up 17-3 with 7:38 left when RU got a 98 yd KR td. Later RU tied it with 1:08 left and USF set up in the middle of the field for a chipshot 27 yd FG but missed it (USF 3 missed FG's). USF was int'd at the 19 in OT and RU (+2) won 20-17. USF is playing with revenge and RU has a 1st year HC. Both are off wins and both have short weeks to prep but which one will adjust the best? **Get the Thursday Night Marquee Winner after 3:00 pm ET on gameday! Wash St at UNLV - WSU is a perfect 7-0 vs UNLV (avg win 30-10) with their last and only trip to Vegas in 1991, a 40-13 win. LY WSU thoroughly dominated with a 610-158 yd edge and LV's only score was a 95 yd KR late in the 4Q in WSU's 59-7 (-13') win. WSU is 11-6 ATS as an AF s'01 but hasn't been in that role s'06. Since Hauck took over at LV, the home team is 21-6-1 ATS in their games and UNLV is 7-2-1 as a HD. Both are off FCS opps but had diff results although Wazzu QB Tuel (knee, CS) is ? here (do have exp'd bkp). LV does have its MW opener on deck vs the option but no doubt should be excited here playing in front of a national TV audience at home. **Get another Friday Night Marquee winner on your Northcoast Debit Card or at the NCstore for just \$9 after 3:00 pm ET on gameday!**

Saturday, September 15th

PENN ST 27 Navy 21 - PSU is just 1-7 ATS hosting FBS non-conf while Navy is 6-2 SU in 'true' road openers. PSU new DC Roof struggled with an option tm LY (Utah St) while DC at Aub as his defending nat'l champ D all'd 27 FD and 38 pts. Navy is off a bye after losing 50-10 (+14') in Dublin to Notre Dame. The Mids were dominated at the LOS as ND had a 293-149 rush yd edge. They do have 13 ret'g st'rs TY which is high for a service academy and PSU has just 6 with a new coaching staff. The depleted Lions took yet another blow to their psyche LW as they outplayed UVA (330-295 yd edge) for most of the game (led 16-10 with 2:00 left) but lost 17-16 (+9'). One PSU trans that flew under the radar was losing K/P Fera to Texas. Replacement K Ficken missed 4 FG's (incl a 42 ydr on final pl) and a crucial PAT was blk'd. QB McGloin did inj his elbow late in the 1H LW but ret'd in the 2H and was 19-35-197. Both desperately need a win and while Navy has the off edge (#80-113), PSU has the D edge (#20-95) and should get O'Brien's first win.

MICHIGAN 48 Massachusetts 6 - In the only prior meeting in '10, Mich (-29) won 42-37 but trailed 17-7 late 2Q before all'g 28 unanswered pts. UMass did have 2 garbage td drives in L/5:15. UMass was an FCS tm then but now is in the MAC with a 1st yr HC. UMass has been destroyed in each of their 1st 2 gms vs BCS schls TY. Two wks ago they gained just 3 FD's and 59 yds in a 37-0 loss to Conn and LW B10 bottom-feeder Indiana (-13') rolled to a 45-6 win over them as IU had 33-14 FD and 606-264 yd edges. RFR QB Wegyzn is avg just 104 ypg (56%) with an 0-1 ratio. LW in a clear flat spot off the huge Bama showdown, Mich struggled with the Air Force option (all'd 290 rush yds) in their 31-25 win (-21'). QB Robinson did get back on track accounting for 426 ttl yds and 4 td's as he became the 1st plyr in CFB since at least '96 to have at least 200 yds rush and passing in 3 separate gms. UM is just 3-6 ATS vs the MAC but in the L3Y have won their non-conf HG's by an avg of 39-18. UM has a huge trip to ND on deck so of their Sept opp's they'll put the least amount of prep into this one. LY the UM's D gave up just 7 ppg vs non-conf non-BCS foes and you have to think after two sub-par performances by the D (all'g 424 ypg), UM DC Mattinson will try to go for the shutout here.

NORTHWESTERN 32 Boston College 26 - LY the Wildcats had B2B 80 yd td drives on both sides of HT to take the lead in a 24-17 win. Colter made his 1st career QB start going 17-24-197-0-1 with 71 rush (3.1) and a td. LW the Cardiac Cats after failing to score a td in the 1st 3Q's had 17 4Q pts in another dramatic win, this time over Vandy 23-13 (+3') cashing as a 3★ Key Selection. Colter looked fine physically after pulling himself out of the opener with bruised ribs. He managed to throw for 42 yds and run for 66. NW's other QB Siemian was 10-16-91. The star has been all-purpose man Mark who ran for 123 yds (5.1) and a td. BC rebounded from their home opening loss to beat Maine 34-3 LW. BC outgained Maine by nearly 100 yds in the 1Q, but fmbld it away 2x and trailed after one. They scored 17 pts in the final 7:09 of the 2nd to blow it open. NW only has S Dakota on deck while BC has a bye. NW is a poor 6-21-1 ATS as a fav while BC is 7-2 ATS as an AD. While NW has the off edge (#51-71), BC has the D edge (#46-84) and for the 3rd str week a NW gm comes down to the wire.

PURDUE 38 E Michigan 17 - Second all-time meeting. EM has lost 13 str road openers SU by 26 ppg (5-8 ATS) but has covered their L/3. Purdue is 1-7 ATS after playing state rival ND but does have a bye on deck. PU is off a heart-breaking 20-17 loss (+14') to the Irish LW as after scoring a 15 yd td on 48:10 to tie it with 2:19 left (was down 17-7 heading into 4Q), the Boilers all'd ND to drive down and kick a GW 27 yd FG. A wk after being susp'd QB TerBush got the start LW but was ineffective completing just 8 of 19 while throwing 2 int's. #2 QB Marve hit 11-18 but did suffer a knee inj prior to PU's last score (CS). EM is now 0-2 after losing 31-14 to Illinois St LW as a 4' pt HF. The Eagles were outrushed 216-103 and for the 2nd str wk QB Gillett was the offense as thru 2 gms he has accounted for all 6 of EM's td's. While EM is 5-1 ATS as a DD dog, the Boilers clearly they have the personnel (2 All-B10 caliber DT's) to disrupt the EM run offense as PU gets a bounce back win.

Army 24 NORTHERN ILLINOIS 21 - LY was the opener for both schools and NI flat out dominated. They led 49-6 after 3Q's before pulling their starters in a 49-26 home win (-11). Vs the bkps Army drove 49/4pl, 66/12pl and 83/14pl for td's incl one with :12 left. TY Army has 15 ret'g st'rs and is at home and will be reminded often about that embarrassment. LW in their opener they were sloppy turning it over 3x's and all'd a 96 yd KR td in their 42-7 loss (+6) to SDSt. Army HC Ellerson said after the gm "I am stunned. I didn't anticipate or couldn't visualize us playing like that." NI rebounded from their heart-breaking loss to Iowa in the opener by beating UT Martin 35-7 (-23). QB Lynch ran for 3 td's and threw for another in the win. This is the 1st true road start for NI's inexp'd QB and OL while the HT was 9-1 ATS in Army gms LY. The tms are fairly even across the board and expect TY's contest to be much more competitive than LY.

MARYLAND 17 Connecticut 16 - Edsall was the HC at UC from '99-'10 posting a 74-70 mark (winning HC in UC hist). This game figures to be special for the UC plyrs who had to be surprised by what looked to be a lateral move by their long time coach. Edsall does have solid knowledge of about half of the Huskies (did not recruit L/2 classes). MD has 15 ret'g st'rs and UC has 14 and both are much stronger in their HC's 2nd season. LW we easily cashed a 3★ LPS on the Terps (+10) as they got revenge over Temple in a 36-27 outright upset win. FR QB Hills threw 2 td's and ran for another as the Terps looked nothing like the team that squeaked out a 7-6 win vs FCS W&M in the opener. They did nearly blow a 26-3 lead as Temple got within 2 late in the 4Q. UC meanwhile lost a defensive struggle 10-7 (+3) to NCSt as their 4 TO's were too much to overcome. The UC D has been impressive TY all'g just 15 comb FD's in their 1st 2 gms and will be a stiff test for a rookie MD QB. This is UC's 1st road gm and they were 0-4 ATS as an AD LY. Both tms will give an all-out effort but we'll side with the Terps to top LY's win-total in gm 3!

Texas A&M 34 SMU 27 - A&M is 2-0 SU/ATS winning 66-8 (-28) in '05 and 46-14 (-15) LY with both gms in College Station. This is their 1st trip to face SMU on the road s'92. These old SWC rivals who played almost every yr from '19-'95 and SMU's last series win was in '84. Sumlin was the HC at Houston from '08-'11 going 4-0 SU (3-1 ATS) vs SMU. LW ESPN GameDay was on hand for the Aggies 1st SEC HG and after leading 17-7 at one pt in the 1H lost 20-17 (-1). QB Manziel in his 1st start (1st Aggie QB Fr to start opener s'44) was impressive completing 23-30 for 173 yds while also adding 60 rush yds. He was under constant pressure in the 2H and A&M managed just 69 yds after going for 265 in the 1H. One week after a misleading blowout loss to Baylor in the opener, SMU beat FCS SFA 52-0 (-17). After a scoreless 1Q, SMU capitalized on an incredible 10 SFA TO's and scored 4 non-off td's (3 def/1 ST's) in a gm where SFA actually had a 28-17 FD edge. The Aggies are 3-17-1 ATS their 1st gm of the ssn away from Kyle Field and are off of their Super Bowl while SMU is off an FCS foe with a bye on deck.

OTHER COLLEGE GAMES cont from page 3

Virginia Tech 27 PITTSBURGH 17 - LTH ('03, also L/gm) VT lost 31-28 (VT was #5, Pitt #25). VT is 18-1 SU (14-5 ATS) in true road openers. VT only had Austin Peay LW and BG next week so the Hokies should be excited to visit an NFL stadium and go head-to-head for recruits with a tm that will be in the ACC in '13. Pitt has their 6th HC in the L/20 gms while VT has the active all-time leader in career wins! LW the Hokies, off a key Mon Night conf win, predictably sleep walked thru the 1st 20:00 leading just 7-0 before pulling away 42-7 (-53) over AP. Trying to replace #1 DC RB Wilson, VT focused on trying to get their RB's going but none topped 40 yds. Their star is QB Thomas who was an efficient 15-23 (65%) for 212 yds. It's been a nightmare start for new HC Chryst as Pitt is 0-2 with 2 DD losses to Youngstown St and Cincy. LW's 34-10 loss to the Cats was closer than indicated as Pitt had a td wiped out by pen, QB Sunseri had an int in the EZ and he held on to the ball too long on the final play of the 1H with Pitt in FG range. RB Graham is regaining his '10 form (out LY ACL) as he had 103 yds (5.4) LW. VT is 20-8-1 as an AF but Pitt will be dangerous here with the whole country bailing on them and they are 5-1 as a HD.

SOUTHERN MISS 30 East Carolina 24 - EC had its series high 2 gm win streak snapped LY but the LTH trailed 20-0 after 1Q being outgained 144-8. Down 6 after allowing a 32 yd IR td, EC went 72/8pl for a GW td w/4:46 left (SM was SOD at SM36). EC is 1-7 ATS in CUSA openers and 2-9 ATS vs MT. The visitor is 5-2 SU and 10-3 ATS. LY SM trailed 7-0 but got a 97 yd IR, 60 yd PR and 15 yd blk'd punt ret all for td's to lead 21-7 after 1Q. SM did tack on a 79 yd IR td before HT to go up 38-14 despite being outgained by 121 yds! SM has won 13 str home openers (5-4 ATS but 0-2 L2Y). The teams are close on off and def but SM is at home with a large ST edge (#38-120). SM's D was carved to the tune of 632 yds in the opener vs Neb while the off played 3 diff QB's. EC's 48-10 loss LW (+21*) to S Car was a bit misleading as EC had 5 TO's, missed a FG and gave up a td with a min left. The Pirates also have a QB controversy brewing as str Johnson threw 3 int's while HC McNeill went with bkp Carden (12-18-140, 1-1 ratio) for most of the 2H. Situational edge for SM as EC is in the middle of a 3 gm road trip while SM is off a bye. LW's misleading gm could give us some extra value here and we'll back the road dog.

MISSOURI 41 Arizona St 31 - LY these two met for the 1st time s/'90 and ASU was at home on a Fri night. Tied at 16, ASU went 89/10pl, 60/7pl for td's and a 30-16 lead but fml'd a punt at their own 32 and after a 3&15 PI, MO got a td with 12:00 left to pull within 7 and then tied it with 2:50 left. MO missed a 48 yd FG on the final play of reg and was SOD on 4&5 in OT and ASU escaped 37-30 (-16*). MO is 14-4 ATS vs non-conf BCS tms and 10-3 ATS as a SD fav. ASU has dropped 4 str road openers but the L/3 have come by a ttl of just 7 pts! ASU is 0-5 vs SEC teams, losing by 8 ppg. The Devils have adjusted well to new HC Graham's high-tempo off as they have avg'd 54 ppg and 532 ypg in their 2 easy wins. LW ASU (-6) took adv of ILs QB situation as they rolled to a 45-14 win. While MO lost 41-20 (+1) to UGA LW in their first SEC gm, it was much closer than the final, as MO led 20-17 late 3Q and had a 371-355 yd edge. A failed fake P attempt and a couple of TO's blew the game open in the final 20:00. ASU does have just 8 ret'g str's and a young QB and O-line making their first road start. You have to wonder what MO's psyche will be after their biggest HG in sch history.

BYU 21 UTAH 17 - This could be the final "Holy War" (been played every yr s/'46) with UU now in the P12. The rivalry has been decided by a td or less in 12 of L/15 and the HT is 4-1. TO's were the key in LY's gm. At the half, home tm BYU (-3*) had a 227-187 yd edge but trailed and had 7 TO's and were -5 in TO's for the game which snowballed in the 2H into a 54-10 route. Utah is 7-3 SU/6-2 ATS in this rivalry. HC Whittingham is an '84 BYU grad. Utah does have its P12 opener on deck while BYU is off an FCS foe but does have a Thrus Night gm vs Boise on deck. LW UU not only lost to in-state rival Utah St (-7) on the road 27-20 in OT but in the 2nd consec yr, they lost QB Wynn in the 2Q (arm in sling) who is doubtful for this one (CS). BYU has looked very good in its 2-0 start and LW cruised to a 45-13 win over Weber St (-38*). While QB Nelson is not spectacular, he's efficient and Wazzu HC Leach went so far to say, "Nelson didn't beat us with his arm or legs, he beat us with his leadership." With UU beat-up and their confidence shaken we have to lean with the revenge-minded Cougars in this winner take-all bragging rights for state supremacy.

North Carolina 28 LOUISVILLE 24 - LY we had a 3★ CTOT on Under 47. NC was -13* at home and led 14-0 but UL got an 18 yd td pass with :42 left for the backdoor cover. UL did control the 1H with a 188-59 yd edge but missed a 49 yd FG, was SOD at the NC43, int'd at the 19 and missed a 36 yd FG and it was 0-0 at the half. UL is 6-2 SU/ATS hosting non-conf BCS tms. LW UL in a big sandwich gm in between rival KY and this one cruised to a 35-7 win over Missouri St (-35). QB Bridgewater has been sensational completing 82% of passes so far TY throwing for a career-high 344 yds. NC lost a heart-breaker 28-27 (-9*) to WF LW as with a slick field and the gm being delayed 75 min due to lightning, NC all-everything RB Bernard was a late-scratch (knee, probable here). QB Renner was having a great gm (10-14-118) before taking a huge hit (poss conc) and was never the same. NC is 4-0 SU in non-conf true away gms (avg score 27-14). NC has edges on off (#20-67) and ST's (#30-68) and UL HC Strong is just 5-10 ATS at home. With a healthy duo of Bernard/Renner, the Tar Heels pull the outright upset.

GEORGIA TECH 34 Virginia 24 - GT DC Groh was the VA HC for 9Y and still owns a home in Charlottesville. LY, however, the situation favored VA. VA had a bye the wk before to help prep for the option and held GT to 296 yds. VA led at the half 24-14 with a 272-154 yd edge and won 24-21 (+7*). LTH UVA only trailed 13-7 at the half (outgained 293-117) as GT was +2 in TO's. UVA all'd 477 rush yds (6.4), most in an ACC gm s/'81. LW the Cavs were the beneficiaries of 4 missed Penn St FG's and a PAT in their 17-16 (-9*) win. Despite cries for bkp QB Sims, Rocco has been solid for the Hoos avg 285 pass ypg (66%) with a 3-1 ratio. GT meanwhile was coming off just 5 days rest after a heartbreaking loss to VT and played a tm that had exp vs the option. Still GT put up 712 ttl yds (2nd most sch hist) in their 59-3 win (-48*) over Presbyterian. GT is playing with legit revenge and this time GT is off an FCS foe while VA is off Penn St. The home tm is 14-3 ATS in this series and we look for that trend to continue.

Alabama 28 ARKANSAS 22 - Bama has won won 5 in row SU and the home team has covered 3 in a row (Bama 3-1 ATS run). The last time here, Ark appeared on its way to an upset (+7) as they led 20-7 in the 3Q and Bama didn't get its first lead until 3:18 was left in the game in a 24-20 non-covering road win. LY we had a 4★ Key Selection in PS and a 4★ Top Weekly LPS on Bama (-11) at home and the Tide rolled to a 38-14 win with a 397-226 yd edge. The Crimson Tide are 6-1 SU/7-0 ATS in 'true' road openers while Ark is just 5-2 ATS in SEC openers but is 5-2 ATS the L5y as a HD. Ark is 15-6 ATS at home but 0-2 ATS TY after LW's shocking 34-31 OT loss to ULM as a 30' pt HF (Ark led 28-7 mid-3Q)! QB Wilson took several shots and was KO'd of the gm in the 1H (conc like symptoms) and never ret'd (CS). If he can't go bkp QB Allen who went just 6-20-85 LW will be in trouble vs Saban/Smart's relentless D. LW in a huge flat spot, the Tide beat WKU 35-0 (-38*) but actually were outFD'd thru 3Q's and despite outweighing the WKU DL by 45 lbs per man the Bama OL all'd 6 sks! QB McCarron did throw for a career-high 4 td's. With Wilson a ? we'll wait for a line to come out later in the wk and see if we can grab some value from LW's results.

BOISE ST 34 Miami, Oh 17 - The only prior meeting was in '09 and BSU (-39) won 48-0 at home. BSU held MU to 194 yds and MU ran just 7 (11%) of their 65pl in BSU territory with the deepest penetration to the BSU37. Miami is a much improved tm TY with 16 ret'g str's having already played in front of 100,000 at Ohio St but did lose 56-10 (+25*) after outgaining OSU by 100 yds in the 1Q. BSU has just 7 str's back and while off a bye they have played just 1 gm with their young tm and have a Thrus Night vs BYU on deck. BSU covered at MSU despite being dominated at the LOS in the opener (outrushed 213-37) and it was the 1st time they were held w/o an off td s/'97. MU is off a 30-14 win (-19) over S Illinois but was outgained 349-336 and BSU does have all the talent edges here. While it is rare for BSU to be off a loss in the Petersen era, it should be noted that he is 0-4 ATS. The linesmaker caught up with Boise LY (avg -30.6) as they had been great ATS on the Blue Turf but were 0-6 ATS LY and this is their home opener so we'll take the more exp'd AD here.

Tcu 38 KANSAS 24 - Kan has won 3 str vs TCU (last met '97). This is TCU's 1st ever B12 gm and TCU is 3-1 SU on the road vs BCS tms. TCU only had an FCS foe LW so they put a ton of their Aug prep time into this one. LW TCU celebrated the opening of a new stadium and set an FB rec'd for completions w/out an incompleton (QB's Pachall/Boykin 17-17). Patterson is now the winningest coach in sch hist (110-30) after their 56-0 win over Grambling (-50*). The Frogs had a 531-70 yd edge. The Weis era is off to a sluggish start as the Jayhawks blew a 24-16 4Q LW in a 25-24 loss to Rice (-12). QB Crist has been erratic avg just 157 ypg (52%) with a 2-3 ratio but the KU ground gm has been surprising with Pierson/Cox comb for 444 yds and 4 td in the 1st 2W. It is Weis' offensive mind vs Patterson's D but clearly TCU has the better personnel. However, the situation and value could be on the KU side as they are in their 3rd str HG with non-BCS NI on deck and this is their "A" game for Sept as well.

LOUISIANA TECH 47 Rice 20 - Rice has won 2 of the L/3 but L/gm was in ('04). Rice has their CUSA opener on deck and is on a 2nd str road gm. After losing 11 str road gms by an avg score of 45-24 the Owls did pull the upset LW over Kansas 25-24 (+12) as K Boswell hit a 45 yd* as time expired. LT meanwhile had a record-breaking win over Houston 56-49 (-3) as the tms comb for an NCAA rec'd for most plays (209), most FD's (78), most comp's (87) and most passes comp w/out an int (129) with all of those records standing for at least 22Y! This is LT's home opener and they should have a decent crowd off of LY's 8 win bowl season. In a game that could feature a lot of pts, we will go with the HT with a better D (#73-111).

W Michigan 31 MINNESOTA 30 - Minny coach Kill was 2-1 SU vs Cubit when Kill was at NI but the dog was 2-1 ATS. UM is 6-11 ATS as a HF and 27-4-1 SU vs the MAC. LW Minny learned from their recent outright upset losses to FCS tms by taking care of business in a 44-7 win (-12) over New Hampshire. Their biggest weapon is QB Gray who had 100 yds both rushing and passing. WM is also off an FCS foe and after a deadlocked 14-14 1Q, exploded for 28 2Q pts in their 52-21 (-22*) win over E Illinois. QB Carder rebounded from a horrible opener to throw for 5 td's as the Broncos had 31-16 FD and 631-344 yd edges. WM has a large edge on off (#32-99) while Minny has the home and ST (#36-114) edges. HC Cubit has fared well vs BCS tms upsetting Virginia, Iowa, Illinois and Conn and could pull another here.

SOUTH CAROLINA 41 Uab 10 - The Gamecocks have won the prior 2 gms ('03 and '08). LG/SC never trailed and led 26-6 prior to a UAB garbage td w/24 left (SC -26). McGehee has scored 43 ppg (439 ypg) vs SC the L2Y as OC w/Ark but does not have the same horses to work with and UAB is 2-8 ATS in road openers. LW QB Thompson got the start over Shaw (shldr, CS) and hit 21-37-330 in the 48-10 (-21*) win over EC. After the gm Spurrier said that, "If Shaw is 100%, he's our guy. We now know if something happens to him, Thompson can go in there." The gm was a bit misleading as SC benefitted from a late gbg td and was +4 TO's. Spurrier is 4-8 ATS as a DD fav vs non-conf and does have an SEC gm vs Mizou on deck while UAB comes in off a bye but is just 2-8 ATS in road openers. UAB did have a 459-453 yd edge in a 39-29 loss to Troy in their opener but no matter who starts at QB SC has the clear edges on off (#25-106) and D (#13-119) and should cruise to 3-0.

Ohio 31 MARSHALL 28 - 56th meeting in the Battle for the Bell. LY MU from the bigger conf came in with a 21-2 SU record in this series. We used OU as a 2★ in PS (-4* HF). At half OU had 17-7 FD and 359-195 yd edges and led 34-7 en route to a 44-7 win finishing with 559-331 yd and 30-14 FD edges. LTH OU trailed 13-3 at HT being outgained 267-100. OU down 7 w/1:01 drove 72/7pl for a 36 yd td pass on the final play but elected to go for the win (2ptng, pass inc). LW the Herd (-33) beat W Carolina 52-24 (615-335 yd edge) as QB Cato continues to shine in his 2nd yr and is avg 395 ypg (73%) with a 5-1 ratio. A week after OU pulled off the biggest win in sch hist, they beat NMST 52-21 (-21*) LW. While OU did have 28-15 FD and 584-206 yd edges, the gm was just 21-17 in the 3Q. QB Tettelet is now avg 291 ypg (72%) with a 4-0 ratio and must be licking his chops vs a Herd D all'g 495 ypg. MU HC Holliday is 10-3 SU at home but look for the Bobcats to buck that trend here.

TEXAS TECH 48 New Mexico 10 - These two have met in each of the L3Y with TT winning in Lubbock 48-28 (-34) in '09 and surprisingly the Raiders have travelled to face NM on the road the L2Y and walked away with 52-17 (-25) and 59-13 (-21) wins. Those 2 wins were closer than the finals as in '10 four of the TT drives were shorter than 15 yds and they were outgained by 29 yds for the gm. LY TT did have a 624-337 yd edge. LY's game was delayed 95:00 due to lightning. QB Doeghe hit 40-44 (90.9%), an NCAA rec'd with at least 40 comp's in a gm and all 4 inc's glanced off the WR's hands. TT has faced a pair of tms that were in the FCS LY and has a bye on deck making this actually their biggest gm in the 1st 4W! NM just faced Texas LW and has rival NMST on deck. TT has been impressive in their 2-0 SU/ATS start beating Texas ST 58-10 on the road LW (-20) while NM lost 45-0 (+38*) to TX. NM used its option offense to grind out FD's and held the ball for 20:00 in 1H but QB Holbrook was inj'd (CS). We'll wait later in the wk for Holbrook's status but regardless, the Raiders should roll here.

SAN JOSE ST 24 Colorado 14 - LY CSU was -3* at home and SJSt had a 16 gm road losing streak coming in. While SJSt led 24-7 at the half and 31-17 late 3Q, CSU had a shot at the lead as it was tied and they missed a 48 yd FG with 3:30 left. SJSt got a 3&1, 38 yd td pass with :54 left and CSU was int'd at the SJS10 with :07 left and SJSt won on the road 38-31. Both tms are off FCS foes but had different results. SJSt beat UC Davis 45-13 (-20) with 28-17 FD and 503-252 yd edges. CSU, a week after upsetting rival Colo, was beaten by defending FCS Champ N Dakota St 22-7 being outFD'd 21-11 and outgained 366-243. SJSt is 1-7 as a HF with 4 outright upset losses but this is 3rd yr HC MacIntyre's best tm yet while CSU HC McElwain is just in his 1st yr.

LSU 48 Idaho 6 - LSU is a 23-0 SU (12-10 ATS) under Miles in non-conf HG's with the avg score 41-7. LSU is 9-16-1 ATS as a HF. ID is 0-18 (5-11 ATS) vs ranked opp's. ID has dropped 23 str road gms vs BCS tms (12-11 ATS). LSU is off a HG vs BCS Wash with a key SEC West road gm vs Aub on deck. The Tigers were arguably the most impressive Top 5 tm LW as they mauled UW 41-13 with 24-12 FD and 437-183 yd edges (242-26 rush edge). Meanwhile a week after losing to an FCS tm at home, ID was much more competitive in a 21-13 loss to BG (+17). QB Blackman, who was susp'd for the opener hit 30-37-352. Even though it's a huge sandwich gm for LSU, ID does have a young tm with just 10 str's back taking on a deep veteran Tigers squad in Death Valley where their 3rd string would be favored by 3 td's.

MICH ST 20 Notre Dame 17 - The home team has now won 4 in a row SU even though the visitor is 8-2 ATS. LY ND was 0-2 and got its first win over MSU by more than a td s/'93. ND (-5) won 31-13 leading 28-10 early 3Q but was outgained 358-275. The LTH MSU faked a 46 yd FG ("Little Giants" play) and even though the playclock had already run out, MSU got a 29 yd td pass for the daring 34-31 win in OT. Both tms come in ranked for the 1st time s/'00. LW MSU (-20) on the road crushed CM 41-7 with a 495-245 yd edge and the Spartans D (#5) has yet to allow an off td this year! ND meanwhile left a 17-7 3Q lead slip away as PU tied it on a 48-10 15 yd td pass with 2:19 left. ND QB Golson did perform well (21-31-289-1-0) before a late fml. However, HC Kelly made an interesting move going back to LY's str Rees for the final drive (loud boos from crowd) but it paid off with the Irish getting a 27 yd FG with :12 left for a 20-17 win (-14). After the gm HC Kelly affirmed that Golson will be the str' here. Both tms are close talent-wise and after 7 outright upsets in 9Y in the series the fav has won SU the L/6 (3-2-1 ATS). Nine of the L/12 meetings have been decided by single digits (4 of L/7 by a FG) and we'll call for more of the same here.

INDIANA 37 Ball St 30 - LY BSU defeated IU for the 2nd time in a row as QB Wenning hit 23-29-173 yds (61 rush). BSU spoiled the debut of Kevin Wilson. BSU had a 210-103 rush edge and did make up 60% of the crowd in Lucas Oil Stadium in the 27-20 win (+5*). The Hoosiers are 17-3 SU and 12-6-2 ATS s/'96 vs current MAC schools. LW BSU had an expected blowout loss at Clem 52-27 (-27*). The Cards high-tempo off has avg'd 488 ypg and the ground gm has been terrific avg 291 (6.1). Indy has already topped LY's win total after pummeling UMass LW 45-6 (-14). The win was dampened by the loss of QB Robertson who is OFY (ankle). Taking his place with be soph Coffman who was 16-22-159 LW. Indiana is 7-3 ATS off a SU win and is actually one of the most improved tms in the country. They have 15 ret'g str's and are playing with legitimate revenge and hoping to start 3-0 and with a bye on deck. This is their most important gm in the 1st 4 wks while it is a 2nd str road gm for Ball St.

4★ Houston over JACKSONVILLE - HOU has covered 3 straight in this series but LY they covered by a total of 1 pts. The Texans held the Jags to 174 yds at home and while they gained a ssn low at JAX it was the first game after Schaub was inj'd and the D showed what they can do vs a young QB as they totaled 7 sacks and all'd 14 FD's. As we expected MJJ was a shell of himself in LW's game at MIN (77, 4.1) and while the Vikings rush D was #11 LY HOU was #2. LW the Texans saw rookie QB Tannehill with no film but after DC Phillips made his HT adjustments they allowed 94 total 2H yards and 5 FD's on the final 7 drives. The HOU D now gets to face another young QB in Gabbert who did have a career-day LW which will get the attention of the HOU D. Expect HOU to show no mercy as they have now learned how to win and LY Schaub only got to face one div foe away and they pummelled TEN 41-7 (518-148 yd edge). After just 1 wk, HOU already has a one gm lead on the rest of the AFC South and they will want to make another statement here as to who the top dog is.

FORECAST: Houston 27 JACKSONVILLE 6

3★ SAN DIEGO over Tennessee - The Chargers are off "Raider Week" on MNF and now face a TEN team for the 3rd time in 4 yrs with a beat up and inexperienced QB. Locker inj'd his left shoulder vs NE in the 4Q and did not finish (CS). After TEN's opening drive went 70/12pl for a FG, they were held to 34 yds or less on their next 5 drives with 3 punts and 2 TO's under Locker. NE would roll to a 34-13 (-4) win as we cashed not only a 2★ Selection on these pages but also a 3★ LPS. SD's def held foes to 179 ypg (62%) with a respectable 12-10 ratio at home LY and RB Johnson didn't impress with just 20 yds (0.4) on the ground LW. While SD did give up a big chunk of yards on the ground LY (122 ypg 4.4 20th) all of their roster moves on defense were aimed at improving that number. SD is 7-3 ATS at home vs NDIV foes with a 33-18 avg score and get the win here.

FORECAST: SAN DIEGO 27 Tennessee 14

OTHER SELECTIONS

2★ NY Jets (+) over PITTSBURGH - The Jets quickly shut down criticism of their inability to score in preseason by hanging 48 pts on the Bills LW. Their defense set up 17 pts off 3 TO's, returned an int 40 yds for a TD and the special teams added a 68 yd PR for a TD. Ryan's Jets are 9-3 ATS after scoring 28 or more and they now get a PIT team at less than 100% (RB/OL/LB) off a marquee rematch in primetime vs the Broncos. Keep in mind PIT is also working out the kinks in a new offense under OC Todd Haley, while the Jets defense is more than capable of shutting down PIT's pass attack which lacks an imposing ground game to back it up. Sanchez was kept clean vs BUF's upgraded pass rush LW which should bode well vs an ever aging Steeler D. The Jets did beat PIT 22-17 as a 4 pt AD in 2010 and we'll call for them to pull another upset here.

FORECAST: NY Jets 23 (+) PITTSBURGH 20

2★ Kansas City over BUFFALO - BUF is 4-1 SU/5-0 ATS vs KC and with both finishing last in their div 3 times this is the 5th straight year these teams have met. This is a rare NFL revenge game as KC's 41-7 blow out loss (-4.5) in LY's season opener was their worst home loss in 35 years. BUF scored 20 pts off a missed FG and 3 TO's starting when KC fumbled the opening KO en route to being outgained 364-213. BUF is off a 48-28 loss to NYJ as we cashed a 3★ Key Selection here on these pages on the Jets and also our top NFL Weekly LPS. The gm was even more dominant than the score indicated as the Bills trailed 41-7 before scoring 3 td's and piling up 214 yds in their final 4 drives. KC is off a home opening loss to ATL in which Cassell struggled after missing the final 7 games LY on the IR. However by looking back at 2010 he threw for a higher % on the road (60.4 vs 55.8%) while also having a 14-4 ratio. While both tms are 0-1 we'll back the team that we project to make the playoffs TY to get the bounce back win.

FORECAST: Kansas City 23 BUFFALO 17

OTHER GAMES

Chicago at GREEN BAY - Thursday. CHI clearly has the situational edge as this rivalry game is sandwiched between hosting IND and STL while GB is off SF with a Monday Nighter vs SEA on deck. While GB has the technical edges going 9-5 ATS as a div HF, CHI will look to avenge the X-mas day loss which eliminated them from the playoffs after QB Culter broke his thumb. **The NFL Marquees went 28-9 80% LY and this is this year's first NFL Thursday Night Marquee.**

NY GIANTS 30 Tampa Bay 20 - TB's Schiano returns to the NY/NJ area where he was the Rutgers HC from 2001-11. LW the Giants became the first defending SB Champs to lose the mid-week opener in nine such contests as they dropped a key div gm to DAL 24-17 (-3). The secondary which was thought to be improved after being torched last year for 255 pass ypg (#29) gave up 307 yds. TB, on the other hand, got off to a great start with a 16-10 win over CAR as a 2.5 pt HD. The Bucs D limited the Panthers to just 0 pts in the 1H and harassed CAR QB Newton all day and forced 2 int's. NYG has been downright mediocre at home the last 3+ yrs going 13-12 SU and 8-16-1 ATS while TB after going 11-3-1 ATS in '09-'10 as a AD fell to 2-6 ATS in that role LY after the tm quit on Morris. After going 3-10 ATS off a SU loss in '09-'10 the Giants were 4-2-1 ATS LY and certainly want to get LW's bad taste out of their mouths. However this is their only non-marquee gm of the first 4 weeks as they play on Primetime the next 2 wks. We'll call for the Giants by 10 and let Vegas decide who we like.

NEW ENGLAND 38 Arizona 10 - NE did what they do best vs TEN as they only had 3 pen and no TO's in their 31-14 win cashing as a 2★ winner here on these pages. While Brady was below his normal level throwing for 236 he still completed 74% of his passes throwing 12 of his 23 to his TE duo. The Pat's offense took what was given to them and Stevan Ridley who never topped 15 carries or 97 yds LY took over with 21-125 rushing. Belichick also goes to 4-0 vs QB's making their 1st start as they held TEN to 4.7 ypg and knocked Locker out of the game. This week they face either a banged up John Skelton (high ankle) who after his first start in PHI LY played 3 more road games and avg just 170 ypg (54%) with a 2-8 ratio or Kolb who SEA didn't game plan for LW in the Cards win.

INDIANAPOLIS 20 Minnesota 14 - In Luck's debut he got off to a slow start vs our #8 D on the road in the 41-21 loss to CHI. While he did have 309 yds passing, he threw 3 int's and had trouble moving the ball as of IND's 13 drives, only 2 were more than 6pl. However, he now gets to make his home debut vs a Vikings back 7 that we rank as the league's worst (LB's #31, DB's #31). MIN also comes into this gm with a banged up Ponder with possibly backup Webb st'g and will be missing a st'g LB. The Vikings were able to pull out a 26-23 OT win (-3) vs JAX LW but it has to be troublesome that much-maligned JAX QB Gabbert had a career-day vs them. On the bright side, RB Peterson looked to be fully recovered from the ACL injury as he ran for 84 yds (4.9) and 2 td's. MIN is just 3-10-1 ATS vs the AFC on the road and while they were 4-4 ATS on the road LY, they were 1-2 ATS in gms where the line was between the 6's and lost two of those outright. Wins will be hard to come by TY for the Colts but with the home crowd behind them, look for Luck and Co to nab one here.

New Orleans 21 CAROLINA 20 - The Saints are 5-1 in this series the L/3Y (avg'd 36 ppg L/3) but just 2-4 ATS. LY in Wk 5 here they failed to cover as a 6.5 pt AF in a 30-27 win. Prior to "Bounty Gate" this game would have been a no-brainer (NO 13-3 ATS off SU loss) but the offensive dynamics have changed with NO HC Payton being out as evident in their 40-32 loss to WAS LW as a 7' pt HF. While the Saints scored 32 pts they had multiple 3&outs and QB Brees comp % was just 46% after completing 71% of his passes LY. When Payton was calling the plays on sidelines LY, they dropped a div game to TB and managed just 283 yds vs STL in a loss, which was 193 ypg under their avg. CAR trailed 13-0 at HT LW and never could recover after a lightning delay despite Newton's 303 yds passing (did throw 2 int's). LY at home CAR was 2-2 ATS but 0-4 SU vs tms with a winning record getting outscored by 11 ppg. While this is a vital div gm, it should be noted that CAR has a primetime mid-week HG vs defending SB champs on deck but clearly the Saints loss brings this line down a couple of pts.

PHILADELPHIA 28 Baltimore 20 - PHI has a big situational edge with this game being sandwiched between CLE and ARZ road games. BAL is off a big MNF Div matchup with a SNF game vs NE on deck. Harbaugh used to be the Eagles STC and has an insight into their operation. After virtually missing all of preseason, PHI was lucky to have escaped CLE with the win as Vick was very rusty with 317 yds (52%) with a 2-4 ratio. The Eagles did tally a 456-210 yd edge and RB McCoy kept the team from imploding with 110 yds rushing (5.5). They now return home after holding RB Richardson to 39 yds rushing (2.1) with CLE gaining just 74 yds (6 FD) in the 2H. BAL has set out to be a more Flacco driven team despite the fact he avg'd just 224 ypg (57%) with a 10-6 ratio on the road LY. PHI had the #10 pass def and led the NFL with 50 sacks LY (2 LW) with their DB's playing zone instead of man which they prefer. We'll call for PHI to get the win to make up for LW's poor offensive showing.

MIAMI 17 Oakland 16 - The last time a pair of true rookie HC's squared off was '08 as John Harbaugh and Tony Sparano met in the Wild Card round in 2008. What happens often with rookie QB's or a new starter is they look good early as teams don't have film on them and HOU showed what they could do LW holding MIA to just 99 total yds in the 2nd half. Operating with the worst WR unit in the NFL, Tannehill had 219 yds (56%) with an 0-3 ratio as HOU's press D shut him down. MIA has an obvious situational edge with OAK coming cross country off a MNF home Div game. MIA has struggled gong 6-10 ATS at home the L2Y and with these 2 being in the bottom tier of our power rating numbers we can't support an OAK team that is an AF for the 1st time since Wk 14 2005 or six HC's ago. Both teams have decent defenses and we'll take the points with whomever is the dog here.

CINCINNATI 19 Cleveland 17 - The dog is 7-1 ATS in the series with CLE having a slight situational edge with CIN having traveled to BAL on MNF. CLE did a decent job of shutting CIN down in the 1st meeting LY until QB Dalton caught CLE in the huddle and hit WR Green for a 41 yd td. CLE LW used 4 Vick int's to lead 16-10 but PHI went 91/16pl to score the GW td with 1:18 left and while the Browns covered it was their 8th straight ssn opening loss. CIN is off a div MN game at BAL and they haven't fared well after facing the Ravens going 2-6 ATS the following game. The Bengals are also a team to play against as a fav as they avg'd only 20 ppg at home and only 19 ppg vs their div LY and that is evident by their 2-9 ATS record as a div HF. We may be the only ones backing a Browns team with QB Weeden making his first road start after having a 5.1 QBR (12-35, 118, 0-4) but remember PHI's wide 9 D is unusual and they led the NFL in sacks LY. We'll almost always back a div AD of almost a td in what we feel will be a low scoring game.

Dallas 28 SEATTLE 24 - LY DAL was -11 hosting SEA but only won 24-14 as they were SOD at the S24 and were held to FG's twice after having 1&gl at the 8 and 1&gl at the 1. The Cowboys knocked off the defending SB Champs on Wed and despite B2B away gms to start the season the travel is negated by the extra rest. DAL does however continue to be up against inflated lines because of their popularity as they are just 4-15-1 ATS as a fav the L2Y and even worse they were only 1-7 ATS LY off of a SU win. If Vegas makes them a dog they are 11-4 ATS in that role as the team seems to relax away from home especially Romo as LY he avg'd 231 ypg passing at home and 280 ypg away and that cont'd LW with 307 (76%, 3-1) vs the NYG. We credit the SEA fans for causing the most false start pen in the NFL S/'07 (111 next best 99) but have much less worries about the veteran DAL team compared to an overexcited Russell Wilson making his home debut.

Washington 24 ST LOUIS 21 - The top 2 tenured and future HOF HC's square off although this is Fishers 1st home game as STL's HC. The Skins are in an unusual scheduling spot opening with B2B road games. RG3 handled the noise of the Superdome with no problems as after his first 6 passes were dumpoffs behind the LOS he then threw an 88 yd td pass finishing with 320 yds (73%) with 2 tds and no int's. The Skins 464 yds of offense topped any of their 2011 performances. STL traveled to face DET and despite their run game getting shutdown (78, 2.9) Bradford (198, 68%, 2-0) led them to a 23-20 lead with 1:55 left but the Rams D allowed an 80/9pl drive and a 5yd td pass with :10 left. Because of the disparate results the Rams went from a 2pf fav to a 3pt dog. This STL team has a new mentality and we'll grab the extra value as Fisher was 8-3 as a HD while RG3 is an AF for the first time in his NFL career.

Detroit vs SAN FRANCISCO Sunday Night - SF is the only NFC team to open vs a pair of playoff teams from LY. After LW's 30-22 win (+5) vs GB they return to Candlestick where they were 7-0 as a HF LY. SF's D was #4 LY but they only played 2 teams at home that were in the top 10 in passing and that was the Cowboys (DAL 472-206 yd edge) and the NYG (Giants 395-305 edge). DET seeks revenge for their 1st loss LY (-4.5, 19-25) as they were 5-0 LY facing a 4-1 SF squad. **A great Sun Night Marquee is yours after 11am ET the day of the game.**

Denver vs ATLANTA Monday Night - Pre-Payton Manning DEN was on Prime time TV 3 times the last 2 years and this is already their 2nd appearance with 5 scheduled. While this is written prior to the DEN/PIT game ATL got off to a great start as Ryan connected with his top 3 rec's (Jones, White & Gonzalez) for 17 rec, 248 yds (14.6) and 3 td's. The Falcons were 4-1 ATS as a HF LY but only faced one winning team (TEN) and they failed to cover while the other 4 opponents avg'd just 4.5 wins last season. **This will be our Monday Night Magic release so call on game day after 3pm ET.**

UNDERDOG PLAY OF THE WEEK

Over the past 30 years this play has been a reader favorite hitting 203-149. Over the last 13 years the Underdog Play of the Week has added 42 **OUTRIGHT UPSET WINNERS** to the incredible record **INCLUDING 6 in 2011** and **FLORIDA last WEEK!** Here is this week's Underdog Play:

BOWLING GREEN (+6) over TOLEDO

These schools are just 20 miles apart and this is the 77th meeting but this is the earliest these rivals have squared off. The HT is 11-3 SU (10-2-1 ATS). New UT HC Campbell was a grad asst at BG in '03-'04 and later an asst from '06-'08. LY UT never trailed and up 28-14 w/1:34 left all'd an 88 yd KR td but the onsite went OOB (UT ran out L/1:20) as UT won 28-21 (-8). LTH BG was down 26-7 at HT as their only 2H score was a 71 yd PR td in the 33-14 loss (+10). TY both tms are off tough opening day losses to BCS schls followed up by wins over non-BCS tms. BG beat ID 21-13 (-17) at home (led 21-6 into 4Q) as QB Schilz has limited his turnovers this year. UT (+3) went on the road and upset Wyoming 34-31 after trailing 14-3 early (WY QB Smith was KO'd). After a underwhelming performance vs Arizona QB Owens got the start LW and went the distance throwing for 300 yds (61%). The exp edge has to go to the Falcons as UT has just 8 ret'g str's while BG has 17 and the Falcons get just their 2nd win in the Glass Bowl s/'94. We're going to take the value with the media picking Toledo as the champ but BG being the better team and the team we feel should be favored.

FORECAST: Bowling Green 31 TOLEDO 27

OTHER COLLEGE GAMES CONT

FRESNO ST 30 Colorado 20 - First trip to Fresno for the Buffs. CU is 4-1 vs FSU but lost the L/ meeting 24-22 ('01). The Buffs have lost 7 str 'true' road openers SU by 19 ppg (4-12 SU/ATS). CU is a disappointing 0-2 SU/ATS getting upset by in-state rival CSU in the opener and then LW lost on the final play to Sacramento St 30-28 (-21) as they were outgained 466-341. FSU comes in 1-1 after LW's 42-25 (+34) loss to Oreg. At one point the Bulldogs were down 35-3 in the 2Q. They do have a very solid trifecta in QB Carr (266 ypg, 68%, 3-0 ratio) RB Rouse (119 ypg, 4.9) and WR Adams (19 rec, 11.1). FSU has 14 ret'g str's and will be excited hosting a P12 tm while CU has just 9 ret'g str's and has their P12 opener on deck. FSU was just 1-13 ATS as a HF under former HC Hill but this is a new staff. FSU has a large edge on off (#43-108) and CU is just 1-11 ATS on the road. FSU has hosted 3 BCS tms the L3Y knocking off both Cincy and IL and will make it 3 str here.

UTEP 28 New Mexico St 20 - "Battle of I-10". UTEP has now won 3 in a row (by 21 ppg) in this series both SU/ATS and the LTH, won 42-10 with a 495-296 yd edge (-15). LY UTEP was without starting QB Lamaison and bkp QB Jay Hall hit just 9-28-124 but UTEP (+3) won 16-10 on the road. NMSt fmbld at the 1 after an 80/15pl drive, missed a 21 yd FG and settled for a 20 yd FG and led 10-6 when UTEP had a fake P which went 60 yds and set up a td. The HT is 11-4 SU but just 1-6 ATS the L7Y. The Aggies are 1-6 L3Y in the 2nd of B2B road gms (win LY at NM) and are off a 51-24 loss to Ohio (+21). The gm was just 21-17 in the 3Q before OU exploded. One wk after throwing for 367 yds, NMSt QB Manley had just 132 LW. UTEP is 0-2 but both losses came to BCS tms as LW they lost 28-10 to Ole Miss (+8). While UTEP is just 9-19 as a fav the Miners are playing a brutal sked TY and this will be the only gm in Sept in which they will be favored and need to take care of business.

UCLA 44 Houston 20 - LY UH had a clear-cut edge in the weather as they had been practicing in high heat and LA's high temperature all summer had been 76°. The game was moved to 3:00 in the afternoon and it was 92° at KO. UH led 31-14 at the half. UCLA converted on 4&gl for a td and UH fmbld at the LA5 and the Bruins went 95 yds for a td to pull back to 31-28. UH led 38-28 with 9:31 UCLA got a td with 1:19 left but UH rec'd the onsite and took a knee. UCLA is 11-5 SU/ATS vs non-conf. LTH UH trailed 31-3 after 3Q's gaining 32% of their yds in the 4Q (115). QB Keenum was inj'd late 2Q and UH was down to its 3rd string late 3Q (current QB Piland DNP). These tms seem to be heading in different directions under 1st yr HC's as UCLA is 2-0 SU/ATS and UH is 0-2 SU/ATS. LW both tms were involved in shootouts as the Bruins pulled a 36-30 upset (+5) over Neb while the Cougs set multiple NCAA records in a 56-49 loss (+3) to La Tech (see LT write-up). UCLA frosh QB Hundley has been sensational avg 254 ypg (69%) with a 6-1 ratio while RB Franklin leads the NCAA in rush with 431 (10.5!). UH QB Piland, after struggling in the opener (UH OC fired), rebounded nicely completing 53-77-580 and a 4-0 ratio. The HT is 5-1 ATS (4 str covers) while UH is 4-9 ATS in road openers so with the technical and talent edges in their favor, expect the Bruins to continue their hot start.

GEORGIA 48 Florida Atlantic 6 - GA is 9-0 vs the SBC (avg win 46-11) but is just 2-5 ATS and in an SEC sandwich between a 1st time road trip to Mizzou with 3 SEC gms on deck. Despite missing 4 D str's (susp) the Dawgs rallied from a 17-9 early 3Q deficit to score 32 2H pts in a 41-20 win as 3 pt AF's. Up 27-20 in the 4Q MO had an int ret'd to their 1 and a FR to the 5 which set up short td "drives" to blow the gm open. Ex-FAU HC Schnellenberger used these "money games" to play bkps and get his team ready for conf play and was just 5-18-1 ATS vs BCS schools. They have a new HC in Pellini and are off a 31-17 loss to MT as 7' pt dogs in which they trailed just 7-0 at the half before being worn down by the Raiders run game being outrushed 302-96. FAU is 1-6 ATS vs ranked tms. GA did beat NMSt in an SEC sandwich LY 63-16 (-34') and look for more of the same here.

NEBRASKA 47 Arkansas St 21 - In their only previous meeting NU was a 21 pt HF in '09 and won 38-9 with a 494-274 yd edge. NU has won 9 str non-conf HG's (5-4 ATS) by 29 ppg and is 10-0 SU and 6-2 ATS all-time vs current SBC members (avg score 47-7). Ark St has dropped 11 str non-conf away gms by 17 ppg. ASU (-23') was almost an upset victim in HC Malzahn's home debut as they

rallied from a 21-10 deficit to Memphis as RB Oku got the go ahead td run with 6:31 left. ASU outFD'd (33-13) and outgained (619-293) the Tigers as Mem scored td's thanks to a blk'd P and a FR in the EZ. In front of a nearly split Rose Bowl crowd NU did get upset by UCLA (-5) as the Bruins sk'd QB Martinez in the EZ for a S to break a 27 tie in the 4Q. Despite a 92 yd td run for Martinez the Huskers were outgained 653-439 as they played without RB Burkhead (1357 yd LY, CS). The Blackshirts are all'g 457 ypg and 28 ppg. The Huskers are 8-5-1 ATS off a SU loss under Pellini and will take the Red Wolves seriously as they were 10-3 LY and won the SBC but Pellini is just 5-12 ATS as a HF.

NC STATE 40 South Alabama 6 - LY NCSt was off a loss and -24' at home vs a SA team that came in having won the 1st 19 gms in program hist but mostly vs competition that was below FCS level. NCSt never got ahead of the spread, adding a 67 yd td pass with 3:55 left to win by 22 w/a 392-286 yd edge. This is SA's 1st road gm but they have 15 ret str's. Hitting just 3 FG's SA won 9-3 over a Nicholls tm playing its 1st gm of the yr. The Jags held NSU to just 118 yds (best s/'10) and forced 3 TO's stopping the Colonels twice inside SA terr in the 4Q. NCSt (-3') also leaned on their D to force 4 TO's in a 10-7 win at Conn in which QB Glennon hit the GW 46 yd td pass in the 3Q. After throwing for 3,054 yds and 31 td LY Glennon has struggled behind an OL which has all'd 7 sks and the run gm is avg 87 ypg (2.4). O'Brien may want to get the offensive kinks out here. NCSt is 7-2 ATS as a HF, this is their home opener and they have just The Citadel on deck.

UCF 37 FIU 13 - LY (1st meeting) UCF led 7-0 and took over with 2:58 left 2Q but QB Godfrey was sk'd and fmbld (Godfrey said his arm was going forward and O'Leary was upset that they did not review) and FIU ret'd it 49 yds for a td with :06 left 1H to tie it at 7. In the 3Q UCF fmbld a punt at their own 8 setting up another FIU td as the Knights lost 17-10 (-6) on the road despite a 300-238 yd edge LW. The Knights covered (+18') but lost at Ohio St thanks to 3 TO's and their inability to contain Bucks QB Miller (296 tll yd and 4 td). UCF tied the gm at 10 in the 2Q but after an exchange of TO's, OSU got td's on 3 str pps to put it out of reach. OSU finished with 25-16 FD and 411-352 yd edges. FIU (-23') needed OT to beat an Akron team 41-38 at home who the Knights (-24) pummelled 56-14 thanks to 4 UA TO's on the road 2W ago (UCF 3★ Winner on these pages). After a botched snap, FIU hit a 30 yd FG on the last play of regulation and a 29 yd'r to win after UA missed a 45 yd'r. Medlock ran for a schl QB rec'd 141 in the win. UCF is 20-10-1 ATS in Bright House, have a bye on deck and are playing with legit revenge. UCF is 10-4 ATS off a SU loss and FIU is 4-18 SU in non-conf AG's.

OKLAHOMA ST 52 Louisiana 17 - While OSU is 5-0 SU vs UL with no win by less than 17, they are just 2-3 ATS. In '10 they were -24 at UL and actually trailed 21-17 at half but covered 54-28. LY it was 100' and OSU outgained UL 666-320 but thanks to 2 D td's, UL got the cover +38 "only" losing 61-34. Gundy is 16-7-1 as a HF but UL is 13-1 ATS as an AD incl LW's (+3) 37-24 upset at Troy snapping a 21 gm road opener losing streak. Despite being outgained 588-398 UL capitalized on 3 TO's incl a 56 yd FR td behind bkp QB Broadway (Gautier inj'd 1Q, CS) as they scored on all 6 FR trips. OSU got out to a 14-0 lead but pen's (15 for schl rec'd 167 yd) and mistakes (4 TO's) were the difference as the Cowboys had a 636-501 yd edge in the 59-38 loss. UA clung to a 37-31 lead in the 4Q when the Cats got a 48 yd IR td to make it a 2 score gm. After not finishing the 1Q in wk 1's blowout true frosh QB Lunt hit 37-60-436-3 in his road debut. OSU is 11-6 ATS under Gundy after a SU loss and has a bye on deck but the Cajuns are scrappy dogs.

KANSAS ST 37 North Texas 13 - KSU's only loss vs NT was in '85 (1st gm) and since then they have won 5 str by 28 ppg. In the L/3 in Manhattan ('00, '05 and '08) the Mean Green have been out-gained by 367 ypg with the avg score 51-8. K-St is off a huge blowout of Miami and has Okla on deck making this a sandwich game and the dog is 19-10 ATS in K-St gms (0-2 TY). KSU (-6') dominated the Canes jumping out to a 52-6 4Q cushion before ULM scored their only off td and the Cats finished with 27-13 FD and 498-262 yd edges. NT crushed TX Southern 34-7 dominating the LOS with a 352-31 yd rush edge. Snyder was 7-5 ATS ('95-'06) vs McCarney when the latter was at Iowa St but McCarney won 2 of the L/3 SU/ATS incl '04 when they won here 37-23 (+11). To keep QB Klein fresh for OU they will probably limit his runs making this number too high for our liking.

Middle Tennessee 31 MEMPHIS 30 - LY we had a Big Dog POW on Mem and almost got another outright DD upset. MT was a 23' pt HF at home but needed a 33 yd td pass with :11 left to get a win. Each team finished LY with just 2 wins. The home tm is 7-1 while MT is 7-3 SU in this instate series (2-2 ATS all-time lined). All 3 of MT's losses in the series have come in the Liberty Bowl. LTH UM scored all 24 pts off of 4 TO's in a 24-17 win (+3). UM has its 3rd HC in 4 yrs and is just 5-13 ATS at home incl the ssn opening SU loss to UT Martin. LW we nearly got another big upset for the Big Dog as the Tigers (+23') had td's on a blk'd P and a FR and led Ark St for most of the gm despite being outFD'd 33-13 and outgained 619-293. MT (-7') had two 100 yd rushers for the first time since '09 and dominated the ground gm (302-96 yd edge) in their 31-17 (-7) win over FAU. MT is 10-5 ATS as an away favorite and the schools are just 240 miles apart.

KENTUCKY 27 Wku 20 - LY these 2 played in LP Field and WKU actually had an 86-45 1H yd edge and UK had just 75 yds after 3Q's (WKU 234-190 yd edge gm even though QB Jakes repeatedly overthrew open rec's). UK (-16') still won 14-3. Fourth meeting in 5 yrs and UK is 3-0 vs WKU (all gms after '08). LTH the Wildcats won 63-28 with a 482-284 yd edge. UK did trail 7-0 but by HT the gm was well in hand leading 42-14. WKU does have 16 ret str's to UK's 11. Phillips is 7-2 ATS as a fav incl LW's 47-14 win over Kent St. UK led that gm just 17-14 when they scored the final 30 pts in 22:06 with QB Smith hitting 30-39-354-4-0, the most yds by a Cats QB s/'07. Despite 4 TO's WKU (+38') covered vs #1 Bama although they were shutout for the 1st time in 120 gms (10Y) and surprisingly were only outgained 328-224. Can't see the Cats looking ahead to Florida as WKU was 7-5 LY and made some in road on in-state recruiting vs them.

Miss ST 37 TROY 13 - MSU is 3-8 SU/ATS in road openers while the Trojans are 2-0 SU/ATS hosting BCS conf opp's since their move to FBS status (upsets vs OKSt +10' in '07 and vs #19 Mizzou +11' in '04). The Trojans return 15 str's (most s/'04) but this is Mullen's best tm yet in Starkville and he is 6-2 ATS as an AF. Troy is 2-0 as a HD over 7 yrs. Mullen is 3-1 ATS on the road vs non-BCS tms winning by an avg of 39-12 incl a rare Oct 5★ in 2010 when they won at Houston 47-24 (-5). MSU (-3) won a 2★ on these pages LW with their 28-10 win over Aub as they held the Tigers to no off td's, forced 5 TO's and scored the gm's final 21 pts after a 100 yd KR td. The Trojans outFD'd (34-15) and outgained (588-389) UL but 3 TO's contributed to a 37-24 home loss. The 2 biggest edges for MSU are on D (#14 vs #107) and ST's (#37 vs #116) and lookahead isn't a factor for MSU with only S Alabama on deck.

AUBURN 41 ULM 13 - AU is 8-0 (4-1 ATS run) vs ULM and have not all'd a td in this series in 13 str Q's. Over the L/4 gms (all after '03) the Tigers avg win has been by 45 ppg (2 shutouts) with an avg 443-220 yd and 22-14 FD edge and outscoring ULM by a comb 117-3. The L/gm was here in '10 which ULM lost 52-3. ULM's monumental 34-31 OT shocker (+30') of #8 Ark was one of the biggest outright upsets in our Big Dog Play's history at +5475 on the money line. ULM QB Browning was the star totalling 481 tll yds and 4 td incl the GW td in OT as the Warhawks outgained a Razorbacks tm (minus QB Wilson for the 2H) 550-377. The Tigers fell to 0-2 for the 1st time s/'03 as we won a 2★ on these pages on Miss St (-3). The Tigers took a 10-7 lead after McCalebb's 100 yd KR td but MSU answered with the final 21 pts. QB Frazier hit 13-22-125 and was responsible for 5 TO's but the OC said he's "100% confident" in his ability. Berry is 2-4 ATS on the road vs BCS schools. Aub has a huge ST edge (#5-121) and is a team desperate to get the offense going esp with LSU on deck.

To Read Rankings - YPC is yards per carry for each team's offense and defense. Turnover edge is the amount of turnovers that team is + or -. OFF YPP is offensive yards per point. This shows the avg amount of yds a team travelled per point scored. The lower the number the more efficient the off. DEF YPP is defensive yards per point. The higher the number here, the better the def is at making their opponents work at scoring points. The remaining columns show the team's rank in that category. Next to the passing ratings there may be a * or an X. On the offensive side a * means they are completing over 59% of their passes while the X shows that their QB's are completing less than 53%. Defensively, the opposite holds true as the * has that team's def holding its opp under 53% completions and the X shows that they allow over 59% completions.

PRO ANGLES

There are 3 main methods of handicapping. Fundamental, Situation & Technical. Fundamental handicapping, or the analysis of personnel matchups & power ratings, is our main method of handicapping. This accounts for roughly 50% of how we view a game. Situational handicapping (analysis of letdown, look ahead, systems) takes up approximately 25% of our handicapping. Technical handicapping (analysis of angles) takes up the rest. You should never base your final selection on 1 factor. To be a complete handicapper you must look at all 3 methods. For more complete analysis you should read *Ten Keys To A Winning Season*. Each week in *Power Sweep* we provide the angle section to add to your handicapping arsenal. Many times we will agree with the angle plays. Sometimes the Fundamental & Situational aspects of a game will outweigh the angles & we have the other side written up in *Power Sweep*. We want to make it clear that the side we write up in *Power Sweep* is the side we are on. We are NOT technical handicappers, but we do use them in our handicapping analysis. Each week in *Power Sweep* we provide pro angles for the current week's games. For the angle plays the number in the () indicates how many angles apply to that team. The higher the number the stronger the angle play.

There are 3 main methods of handicapping, Fundamental, Situation & Technical. Fundamental handicapping or the analysis of personnel matchups & power ratings is our main method of handicapping. Technical handicapping (analysis of angles) takes up the rest. You should never base your final selection on 1 factor. To be a complete handicapper you must look at all 3 methods. Each week in Power Sweep we provide a system to add to your handicapping arsenal. This is done at the request of our subscribers who want handicapping tips & methods. Many times we will agree with the side that the system chooses. Sometimes the Fundamental & Technical aspects of a game will outweigh the system & we have the other side written up in Power Sweep. **We want to make it clear that the side we write up in Power Sweep is the side we are on.** If that is ever the case during a week, keep the system for future use, but be aware that the side we write-up in the Power Sweep Selections page is the side we are on.

This is the 29th season of our System Section & it has been a consistent winner. Each week we release a super system which pertains to that week's games. Here is an NFL Week 2 System:
