4★ Wisconsin over ILLINOIS - UW is 7-1 SU vs Illinois but he HT has covered 4 in a row and Illinois has covered the last 3 here. LY we had a 3★ Key Selection on these pages on Wisc. UW was at home -14' and the game was tied at 7 at half. UW led 24-7 but UI got a td with 6:27 left to pull within 10. UW rec'd the inside kick, went 46/6pl and got an 18 yd td run with 3:26 left for the cover. UW did take a knee at the 18 at the end. UW is off a bye and NW with bye on deck while Illinois is off a bye. LW we used the Badgers as a 4★ Key Selection on these pages and also our 4★ Top Weekly LPS and they crushed the Wildcats 35-6 (-10) w/24-10 FD and 527-241 yd edges. The Gordon/White combo each topped 100 rush yds as the Badger OL just wears tms down and off a bye are nearly unbeatable. Look for them to overwhelm an Illini D that all'd 273 (5.5) to Wash and 335 (6.7) to Neb. We're not afraid to continue to ride the Badgers here as we always prefer big physical tms down the stretch especially against an undersized Illini front 4 that avg 268 lbs.

3★ GEORGIA TECH over Syracuse - Third meeting and 3rd diff venue. The L/gm was in the '04 Champs Sports Bowl, SU lost 51-14. What could the ACC do to give Syracuse a difficult start? How about their first conf game vs Clemson at home, make them travel to face a new offense in NCSt (did win 24-10 as a 6' pt AD) and then have them prep for the option on a 2nd straight away. GT needs to take some frustration out having faced #3 D of VT, Mia, and BYU's D (#14). Cuse HC Shafer was the DC here the L4Y and the closest thing they saw to an option offense vs was USF LY with a mobile QB as USF put up 552 yds (369, 8.2 rush). GT is 11-5-1 ATS as a HF. Off 3 str losses, the locals are starting to get restless in ATL as the Yellow Jackets are just 12-14 SU their L/26 gms. The Orange are fat and happy after LW's upset win and get stung in a big way here.

FORECAST: GEORGIA TECH by 24 over Syracuse

3★ HOUSTON over Byu - First meeting. EXPOSURE GAME. The undefeated yet unranked Cougs still are getting no respect from the nat'l media. They are off a bye and a HG vs Memphis where we cashed a 3★ Key Selection on the Cougs for the 3rd time this year! BYU, on the other hand is not in a good spot here as they just faced the GT option at home and has a huge revenge gm vs Boise St on deck Friday. Now they must travel down south to the heat and humidity (although Reliant could be closed). BYU is 9-4 ATS the L2Y on the road but UH counters that by being 11-5 ATS at home and they are also a perfect 5-0 ATS TY covering their games by an avg of 10 ppg. Ring up 3★ Key Selection winner No. 4 for UH here as they pull the upset and move to 6-0!

OTHER SELECTIONS

2★ USC (+) over NOTRE DAME - The visitor has won the L/4 SU and has covered 3 straight (2 upsets). USC has actually won 5 str in South Bend as Bob Davie was still pacing the sidelines in ND's last win over USC here (27-16 in '01). LY was the 2nd most watched game of the reg ssn as USC was +5' at home and ND was playing to get to the Nat'l Title game. ND did have a 24-19 FD edge and 439-281 yd edge. USC was w/o QB Barkley and Wittek got his first start and hit 14-23-186. USC could easily have gotten the cover. Trailing 19-10 they went 80/13pl and got a td but Kiffin called time-out prior to the snap and they settled for a 21 yd FG. ND got a 19 yd FG with 5:58 left. USC got to the 1 yd line but they dropped a td pass and were SOD at the 2 with 2:33 left and lost by 9. Irish are off a bye but not the full edge as USC was home on Thursday. ND was also off a bye in their '11 loss to USC as they were favored by 9 and lost outright 31-17. Irish have been very unimpressive TY prior to their L/gm, a 37-34 win (+6') over ASU. That win was costly though as they lost their best blk'g WR Smith and their best MLB Grace for the yr. Meanwhile the Trojans playing with renewed confidence after giving Kiffin the boot, had some fun LW in a 38-31 (-5') win over Ariz. The final was a bit misleading as USC jumped out to 28-3 and 38-17 leads and the off finally threw the ball down the field despite playing w/o inj'd star WR Lee who should be back here. The Trojans have the talent edges (#35-50 off, #6-21 def) and as long as they continue to play loose, we think they are a play-on team the rest of the year. Fight On!

FORECAST: USC by 3 over NOTRE DAME

2★ OKLAHOMA ST over Tcu - LY was only mtg in the L16Y. OSU came in #1 in the FBS in offense but did not get their first FD until 3:00 remained in the 1Q. We used OSU as our 5★ Oct GOM and after that slow start, OSU dominated. OSU settled for 22 and 30 yd FG's and trailed 14-9 despite having a 211-176 yd edge at the half. The Cowboys got 2 td's and a FG to open the 3Q, added another 27 yd FG and won easily 36-14 covering by 2 plus td's. The Cowboys are 21-8 ATS as a HF (6-0 LY) and come in off a bye. Both tms have not lived up to their preseason hype as OSU has already been upset and TCU has not impressed us in any of their 6 gms TY. LW was no exception as they beat lowly KS 27-17 (-24') as Boykin only has a 5-4 ratio on the yr. While OSU has "struggled" on off, they are still avg 38 ppg and 445 ypg and look for them to get it in gear here. We like them for the 2nd yr in a row at home vs the Frogs.

OTHER GAMES

Thursday, October 17th

Miami, FI at NORTH CAROLINA - While Miami has covered 3 straight, they did lose outright at home LY 18-14 (-7') and NC blew some opportunities like being int'd at the 1 and also missing a 33-yd FG. TY these two tms look to be going in opposite directions as the Canes are 5-0 for the 1st time s/'04 and have covered 4 str gms. UNC, on the other hand, is 1-4 SU/ATS as they have yet to find a replacement for the all-everything RB Bernard. While Miami is clearly the more impressive tm so far, this is UNC's last chance to save their ssn. Will they play their "A" game or will they continue their slide?

Friday, October 18th

Ucf at LOUISVILLE - While it's only Oct, the AAC champ and a possible BCS berth is on the line here. Only prev mtg came in 1985, a 42-21 UL win. UCF has the luxury off a bye while UL is home for a 2nd str hge midweek gm after their 24-10 (-19) win over Rut last Thur. This matchup features 2 great QB's: Bridgewater who is avg 312 ypg (71%) w/an 18-2 ratio and gets all the pub vs the underrated Bortles (avg 267 ypg, 65%, 9-3 ratio). With not many more opportunities to impress the nat'l media, will UL play sloppy for the 2nd wk in a row or will they make a statement over arguably the best tm they will face in the reg ssn?

Saturday, October 19th

Duke by 1 over VIRGINIA - This gm brings back great memories as it was our very first FREE Sept 5★ back in 1984 and UVA won 38-10 (-3) on the road. Let's put this series in perspective - Duke has NINE ACC wins the 6 yrs under Cutcliffe and FOUR have come vs UVA (4 of last 5 SU). In fact, Duke is 5-0-1 ATS in the series. Duke had a bye to prep for Navy LW (also prepped for GT earlier TY) and it showed in their 35-7 (-4) win. QB Boone was named the surprise str 10 min before KO and was 31-38-295-3-0 as Cutcliffe termed it "just ridiculous." However, this is the 1st conf road game for Boone and only 2nd away gm for the Devils this yr (Mem 6 wks ago). Boone did get his only start LY vs Virginia and hit 18-31-212 guiding the 42-17 (+1) win. In a gm UVA HC London needed badly, the Cavs lost a heartbreaker to MD LW 27-26 (+5') as K Vozenilek's 42-yd FG sailed wide right w/10 left. Three wks ago in the loss to Pitt, it

was the offense that did in the Cavs (188 yds) but its the pass D which has been gashed for 339 ypg in the L/2. Must-win here for London while it's also a must-win for Duke if they want to get back to another bowl. Look for this to go down to the wire and we'll side with the series history and the dog.

Army by 3 over TEMPLE - These 2 have played the L5Y with Temple going 5-0 SU/ATS as there is no looking past Army like some teams do, plus they have familiarity seeing them every ssn. However, Temple does have a new staff and the L4Y shows Temple's ypc all'd has increased (3.6, 3.8, 4.1, 5.7, 6.6). The Owls come in winless at 0-6 (3-3 ATS) after LW's 38-20 loss (+21) to Cincy. It was 21-20 late 2Q before UC got a td w/1:00 left to give them momentum. With QB Reilly less than 100%, they have decided to go with frosh Walker who was 12-22-200-2-1 and had 47 rush (5.2). Army has been playing FB s/1890 but LW RB Baggett did something not even Heisman winners Blanchard, Davis or Dawkins could accomplish - top the 300-yd rush mark. Baggett finished with 304 yds (16.9) and 4 td's in Army's 50-25 win (-7') over EM. Knights are clearly the better tm (4+16 ypg vs -163 ypg) and they do have familiarity w/this stadium as they routinely play Navy here (4 of L/5 yrs).

Ohio by 17 over EASTERN MICHIGAN - OU has won 5 str and has gone 6-1-1 ATS but this is only the 3rd gm in 6Y. LY Ohio hosted EM off a loss to rival Miami. They were tied at 7 but OU led 17-14 at HT. Bobcats D shut EM out in the 2H incl holding them to -6 yds in three 4Q drives. Every yr English says his team is bigger, stronger and faster but outside the 2011 ssn, you have to wonder if he needs new eye glasses. TY while the off has been respectable, the D continues its woes (English also DC) as they are all'g 263 rush ypg (6.6) after LW's 50-25 loss (+7') to Army. Even though it was their 4th time seeing the option in 5Y, they were gashed for 513 (9.5). Speaking of getting gashed, after 4 str wins/covers, OU shockingly was upset by CM LW 26-23 (-18') as they all'd 208 rush (4.7). What made it even more shocking was that all wk long the Bobcats said they were the healthiest they had been in 2Y while CM played w/o arguably its best ply'r in WR Davis. OU should come in angry (5-2 ATS off a loss) while Eagles had to prep for Army LW and this HG is sandwiched by 4 road gms.

Ball St by 21 over WESTERN MICHIGAN - Ball St is 5-1 ATS vs WM plus they've covered 4 straight when visiting Kalamazoo. They are 11-1 ATS as a conf AD (5-0 under Lembo). LY WM had a 278-187 yd edge on the road at the half and led 21-10. WM went 55/16pl but missed a 28 yd FG w/7:33 left. BS got an 11 yd td pass with :50 left to take the lead and WM got a 52 yd FG for OT but missed a 36 yd FG in OT and BS scored a td for the cover (-3). WM comes in 0-7 SU and have failed to cover 4 str gms by 21 ppg after LW's 33-0 loss to UB (+10). It was the 1st time s/'04 that WM was shutout but they were only trailing 6-0 at HT. QB Terrell made his 1st start and was 16-34-164-0-2 as WM QB's have just a 6-15 ratio TY. Ball St is 6-1 but LW failed to cover in a 27-24 win (-14) over Kent St as they rallied to score the gm's final td w/1:29 left. The Cards were on an overall 19-6 ATS run coming in and were 7-0 ATS as a HF. This will be only the 2nd time they've been a DD AF s/'08 but they did cover in that role earlier TY vs EM. First-yr HC Fleck didn't have a lot of nice things to say about the state of the program he inherited and with him deciding to RS their best ply'r, WR Wilson (inj'd 1st 4 gms) you have to wonder if they are just throwing the rest of the ssn in the trash.

Northern Illinois by 14 over CENTRAL MICHIGAN - The Huskies are 25-2 SU vs the MAC recently with BOTH losses to CM. The home team has now won and covered 4 straight (6-1 ATS). CM has won their last 3 in Mt Pleasant SU winning by 25, 14 and 7 and are 4-2 SU in the series. In that last game here, CM was a Big Dog POW and an outright upset winner as a 9' pt HD. Chips in tough spot off 3 straight away but should be confident after LW's shocking upset of OU 26-23 (+18'). Despite playing w/o WR Davis (CS), RB Lavallini has been a revelation w/Tipton OFY in the opener and he has tallied 335 (6.6) in the L/2 wins alone. Huskies have this sandwiched between HG's vs Akron and E Mich so CM should get focus. The Huskies are living dangerously TY but they continue to find ways to win as they won their 23rd consec HG (longest in nation) LW 27-20 (-23') over Akron. Unlike most of the yr, it was the D that bailed out an offense that was struggling. It was their 27th overall win in 29 gms and they are now 12-1 SU in gms decided by a td or less in that run. While technical edges favor the Huskies who are 5-0 ATS as a conf AF while CM is 1-6 as a HD under Enos, undefeated pressure will start settling in as they are ranked in the Top 25 getting everyone's best shot.

MICHIGAN ST by 28 over Purdue - MSU has won 4 str but in their L/2 mtgs ('09-'10), they pushed as a 3 pt AF 40-37 in '09 (-162 yds) and then failed to cover as a 20 pt HF in a 35-31 win (+3 yds). Even though the Spartans were on a 1-8 ATS run as a HF heading into LW and Indy has looked impressive, we boldly went against that trend and called for them to win and cover vs the Hoosiers. Sparty didn't let us down as after giving up a 64 yd td run 1:01 into the gm, MSU outscored the Hoosiers 42-14 before IU went 37/6pl after an int getting a td w/2:17 left. After struggling for most of the ssn, the Spartan offense has managed B2B 400+ yd efforts while the D is still only all'g 58 spit (2.2). The Boilers off a bye were destroyed LW 44-7 (+13') at home to Neb (although crowd was spilled 50-50) as frosh QB Elling struggled in his 1st start going 14-35-184-1-1. PU's only win TY came vs FCS Indiana St (-11 yds) and they are now getting out-gained by 130 ypg. MSU, on the other hand, could be a play-on tm down the stretch off B2B covers and are now +146 ypg (#15) this yr. A frosh QB making his 1st career road start vs our #4 D. Yikes!

EAST CAROLINA by 21 over Southern Miss - The visitor has won 3 str and is 6-2 SU/7-1 ATS (3 upsets). SM is also 7-0 ATS here. LY SM had its largest crowd ever for a CUSA gm. However, we used EC as our NC Sportsline Comp Underdog POW and they were +7' and won outright 24-14. This is the Pirates only home game from Sept 14-Nov 9th and they are off 3 str road gms. LW we loved the fact that they were on their 3rd str away while Tulane was playing w/confidence at home. We used the Green Wave (+10') as our Underdog POW on these pages and for the 4th time TY, it won outright as Tulane won 36-33 in 3OT. EC's only lead prior to OT was 3-0 but they did have a 543-310 yd edge getting most of those yds in the 4Q as they rallied from a 10 pt deficit. S Miss riding a 17-gm losing streak is off a bye after a disappointing 24-23 (-17) loss to prev winless FIU in their last outing. For a tm that is getting out-scored by 25 ppg, the Golden Eagles are only getting outgained by 76 ypg as TO's continue to be the issue as they have a negative ratio in all 5 gms TY and are -13 for the yr (#124). QB Bridgford only has a 6-11 ratio on the year and SM is 2-7 ATS as an AD. EC is 6-0 ATS off a loss and will be angry here.

Florida St by 3 over CLEMSON - The game of the wk and maybe entire month of Oct as the winner here takes a major step in the race for the BCS Champ. The home team has won 6 str and Clemson is 7-1 ATS in the series. The Tigers have also won and covered 5 straight at home (avg cover by 15 ppg). LY was a big showdown and it was just the 9th time 2 ACC teams came in ranked in the top 10. FSU only won 49-37 (-14', 667-426 yd edge) as they missed 2 crucial FG's, fmbld a punt, ended the game at the CU9 and CU got the backdoor cover on a tipped pass td on 4&3. Clem hosted BC LW and it was a clear flat spot as they trailed for most of the first 3Q's. With the offense struggling, the Clem D held tough as they held their 5th str opp to 14 pts or less while nat'l sk leader Beasley had a 13 yd FR td to close the scoring. That D will be greatly tested here against a FSU off that is avg 54 ppg and can beat you both w/the run 228 (6.0) and through the air as QB Winston (as we predicted in the preseason) is this yr's RS frosh sensation avg 288 ypg (73%) w/a 17-2 ratio. While both tms have played similar sked, FSU is +272 ypg while Clem is +170 ypg and this is 5th str gm for Clem while FSU is off a bye. This one goes down to the wire but the Noles come out on top.

Maryland by 3 over WAKE FOREST - The home team is 6-0 SU/4-2 ATS. LY WF had susp'd 6 ply'r's incl 4 str's and then lost 3 more in a CB, S and LB during the game. MD (-7) got a td with 5:37 left, 19-14. MD is 2-9 ATS vs the ACC when the line is SD. MD is in a UVA/CO sandwich and WF is off bye where the crafty Grobe is 8-1 ATS covering the wins by 8 ppg. The Deacons got a much-needed ACC win in their L/gm vs NC State as QB Price had one of the better gms of his career (40 starts!) going 24-39-268-3-1 while running for a car-high 82 (4.6). After the 63-0 embarrassing loss to FSU, MD needed a bounce-back win LW and they got it 27-26 (-5') benefiting from a UVA 42-yd missed FG w/10 left. QB Rowe st'g in place of Brown (head, CS) was 18-34-332-1-0 and MD got the win despite being -3 in TO's. MD does have the off (#51-108) and def (#23-66) edges and become bowl elig with a win but Wake is dangerous here.

OTHER COLLEGE GAMES cont from page 3

NORTHWESTERN by 14 over Minnesota - Visitor is 10-2 ATS (4-1 SU) AND Minny has covered EIGHT straight here! LY UM was at home and both of their QB's were less than 100%. Venric Mark rushed for 182 yds as NW won 21-13 (-3). UM trailed at the half 21-10 despite a 211-198 yd edge. NW was 4-13 ATS as a HF in Fitzgerald's FGy but now is on a 6-2 ATS run dating back to LY. Minny is 0-4 ATS as an AD and has lost last 2 SU/ATS off a bye (LY also vs NW). They will be playing here w/o HC Kill who took a leave of absence foll'g his 5th epileptic attack in 2+ yrs. DC Claeys will fill in as the Gophers try to snap a 2 gm losing streak. In their L/gm vs Mich, the 42-13 (-19) final was a bit misleading as the Gophers had a 136-113 rush edge and it was only 28-13 until the L/4:00. B2B wks we have cashed going against the Wildcats and LW we had a 4★ Key Selection on these pages and a 4★ Top Weekly LPS on Wisc as the Wildcats were off the huge HG vs OSU while the Badgers were off a bye. NW (+10) was dominated as the Badgers had 24-10 FD and 527-241 yd edges. QB Colter left the gm in the 1H w/a head inj (CS) while Siemian was only 13-34-163-0-0. We wonder what both teams frame of mind will be here and for now we'll call for the HT by 2 td's.

TOLEDO by 14 over Navy - UT's won 2 of 3 vs Navy but all were prior to '01. UT's Campbell's first gm as HC was in the bowl vs AF and they held them to 48 yds and 1.2 ypc under their avg. Toledo does have edge off a bye to prep for Mids and that worked wonders LW for Duke (also prepped for GT earlier) in their 35-7 win over the Mids. Navy was trying to start the ssn 4-1 for the 1st time s/'06 but according to HC Niumatalolo, "it was one of the worst days Navy's had in the a long, long time." The gm was tied at 7 mid-2Q and the Mids were -3 in TO's. While their record stands at 3-3, the Rockets have been impressive TY at 5-1 ATS and their only losses are at SEC powers UF and Mizzou and a nail-biter at 6-1 Ball St. They are +17 ypg vs a #59 sked while Navy is -10 ypg vs the #104 sked. With avg QB play from Owens, the Rockets have ridden RB Fluellen to the tune of 846 (6.6) and 9 td's while the D has all just 119 rush ypg (3.2) s/the opener. Solid rush D plus time to prep equals another DD loss for the Mids.

CINCINNATI by 17 over Connecticut - Prior to LY the home team was 5-0 SU/4-1 ATS. The Bearcats lead wire-to-wire scoring 2 td's off a pair of int's. CT trailed 21-17 and was w/o starting QB Whitmer for the 4Q and after a McEntee int, CIN went 4 yds for a td and got the road win 34-17 (-5). Conn has lost 5 str gms to open the ssn for the 1st time s/'77 as LW despite USF playing w/o QB Bench and st'g RB Shaw (best ply'r), the Huskies fell 13-10 (-4). Conn did have 21-13 FD and 356-228 yd edges but all'd a 44 yd FR td and had a FG blk'd. In his 1st start, true frosh Boyle struggled mightily going 15-43-149-0-0. Cincy playing w/healthy hearts LW at home for 1st time s/losing their teammate in a car accident beat Temple 38-20 (-21). It was a back and forth gm until Cincy scored the final 17 pts incl shutting out the Owls in the 2H. QB Kay was 31-37-270-2-0. Bearcats at home are outscoring their opp 49-12 TY (+263 ypg) and this will be a true frosh's 1st career road start.

SMU by 1 over Memphis - The L/2 meeting avg's have favored SMU greatly as they are outscoring Memphis 43-7 (+333 ypg). Mustangs have already faced 4 BCS tms and despite losing all 4 gms are undervalued plus they are off a bye. In their L/gm they cashed as our Oct 5★ GOM rallying from a 21 pt 2H deficit but eventually lost 55-52 in 3OT to Rut. QB Gilbert broke schl rec going 45-70-484-5-0 while WR Johnson also broke records w/217 (12.1) and 3 td's. Despite playing the #12 sked, SMU is actually +1 ypg. Memphis is off B2B losses incl LW when we cashed a 3★ Key Selection on these pages on UH in a 25-15 final. Memphis is a HF for the 3rd time in the L3Y (1-1 LY, win) but SMU is 3-8 ATS as an AD the L3Y. We've had a pretty good vibe on these 2 tms in the L/2 wks and we'll side with the rested dog here vs a tm they have owned each of the L/2 yrs.

WYOMING by 3 over Colorado St - Border War. Wyoming is 4-0 SU/3-1 ATS while the home team has covered 3 str (8-2 ATS). LY CSU actually had a 512-468 yd edge. The key play of the game happened when WY got a 99 yd IR td and instead of a tie at 14, WY led 21-7 (3:27 1Q). Cowboys had been a HF 10 times in 4Y (5-5 ATS) under Christensen but this is the 4th gm TY they are a HF (1-2 ATS). LW vs NM, it was a back and forth gm as after jumping out to a 21-0 early lead, WY was outscored 24-3 in the next 16:00. The Pokes did retake control and held on for a 38-31 win (-14) as QB Smith continued his impressive ssn incl running for 140 (9.3) and 2 td's. CSU went 1-4 as an AD in McElwain's 1st ssn and they were -TO's in all 5 gms finishing -8. TY they are 2-0 ATS but lost outright in both. They are off a disappointing 34-27 (-3) home loss to SJSt as they were outscored 17-3 in the 2H. QB Grayson threw for 310 yds and 3 td's but two 2H int led to 10 SJSt pts. The tms are evenly matched talent-wise and we think after UW's impressive 3-1 SU/ATS (non-cover was by a 1/2 pt) start, their lines have been inflated a bit the L/2 gms and they have failed to cover both.

TEXAS A&M by 14 over Auburn - LY A&M was off a big game vs LSU and had struggled in their only 2 prev road games beating Ole Miss by 3 and La Tech by 2. They were -14' and Aub was in a must-win situation. It wasn't even close. In the 8 poss Manziel was on the field, A&M scored 7 td's and their only non-score was a missed FG right before the half as A&M won 63-21. TY Aub is coming off lowly WC as they cruised 62-3 (-41) as frosh QB Johnson got the start in place of inj'd Marshall (CS) and was 17-21-201-4-1. The Tigers racked up a schl-rec 712 yds and after a 3-9 disaster ssn a yr ago are now just one win away from bowl elig. Manziel continues to work his magic as LW he overcame an inj scare and several early mistakes to lead A&M to a 41-38 comeback win (-7) over Ole Miss for the 2nd year in a row. The Aggies did have 33-22 FD and 587-462 yd edges as Johnny Football had 470 total yds. With Aub's QB situation up in the air as of presstime, we'll call this game near the line.

OREGON by 42 over Washington St - Oregon is 6-0 SU beating Wash St by an avg of 51-17. The surprising number is that WSU has covered 3 in a row and the L2Y UO has only outgained WSU by 29.5 ypg. In almost all of the Ducks games LY they blew teams out in the 1H and let up in the 2H but LY UO only led Wazzu 23-19 at half. They did win 51-26 and actually got ahead of the spread going up 51-19 with 10:52 left but WSU went 72/6pl and got a 25 yd td pass with 4:13 left for the cover and ended the game at the UO17 running out of time. The #2 Ducks continue to win and cover as LW they beat their rival Wash 45-24 for the 10th consec yr (also 10 str ATS wins) and are now the only tm in the country to be 6-0 ATS TY. They outgained UW 631-376 and outFD'd them 30-20. QB Mariota should be the Heisman frontrunner at this point as he has a perfect 17-0 ratio while also adding 426 rush (10.4) and 8 td's. LW's 52-24 home loss (E) to Oreg ST dealt the Cougs a blow in their hopes of reaching a bowl for the 1st time in a decade. The gm was misleading as they led 24-17 late in the 3Q before the Beavers erupted for 3 quick td's (Wazzu also had 6 TO's). While Wash St is 1-21 SU vs ranked tms losing by 25 ppg, they are 9-2 ATS. The Ducks are in a Wash/UCLA sandwich but there is no way we are stepping in front of their streak here.

MICHIGAN by 7 over Indiana - Indiana is 1-32 SU vs Michigan incl 17 str losses and Vegas agrees with the series domination making the Wolverines a DD favorite FOURTEEN straight times (this barely makes it 15 str). IU was outgained by 235 ypg from '00-'06 (1-4 ATS) but in the L/2 gms was only outgained by 45 ypg and covered both. Hoosiers are on B2B away and are 1-4 SU/ATS as a B10 AD while UM has gone 6-1 ATS as a B10 HF under Hoke. The Wolverines are off a 43-40 4OT marathon loss (-2) at Penn St. It was another NC Sports Comp Underdog POW outright upset winner (get it FREE on button #3 every Tue at 1-347-677-1700). The Wolves trailed 21-10 at HT but were in control in the 4Q up 10 before PST made a furious rally. UM K Gibbons after 16 str makes will go down as the scapegoat as he missed 2 FG's and had another blk'd, each time with the gm on the line and it spoiled a decent performance by QB Gardner (still had 2 TO's) as he tallied 361 total yds. LW we loved physical MSU over pass-happy Indiana off a 20 pt win over PST and the Spartans delivered with a 42-28 win (-9). It should be noted that the Hoosiers did tally 351 yds vs the Spartans and are avg 157 ypg more than what their opp are all'g on the ssn. We have not been impressed w/ the Wolves at all this yr and look for this to go down to the wire like many of their gms TY.

Oregon St by 17 over CALIFORNIA - Home teams has won 3 str covering by 22 ppg. LY OSU was off their crushing loss to Stanford which eliminated them from the P12 North Title chase and were -14' at home and it was the first time all season Reser Stadium was not sold out. Mannion hit 24-34-325 in just over 3Q's of work and OSU crushed Cal 62-14 getting revenge for their 23-6 loss in '11 where they were outrushed 296-31. Beavers also have a HC gm vs Stanford on deck but they have won 5 str gms after the shocking opening loss to FCS E Wash. LW they scored the gm's final 35 pts in a 52-24 win (E) over Wazzu as Mannion is having a monster ssn avg 419 ypg (67%) w/a 25-3 ratio while WR Cooks has 944 (15.0) and 11 td's. Cal is off a 37-10 loss (+25') to UCLA but it was a bit misleading as the Bears were driving down 30-10 (81/2pl drive) but fmbld at the UCLA3 and the Bruins would go 97/10pl for the frontdoor cover. The Bears have now lost 10 str gms vs FBS opp (longest streak among BCS tms) while OSU is 4-0 SU/ATS in Berkeley as '11's loss was at AT&T Park. These tms continue to go in opposite directions.

OHIO ST by 21 over Iowa - OSU is 12-1 SU/9-3-1 ATS SU but in the L/2 mtgs ('09 and '10) Iowa covered by 13' and pushed. Completely different mentality coming out of their byes as Iowa lost their 4th straight conf home gm while Ohio St took care of their toughest home opp in Wisc and then what most called their toughest road foe in NW. Meyer has now covered 8 str off a bye and the Buckeyes have covered 7 str vs BCS teams. The Hawkeyes rely on RB Weisman (624, 5.0) to alleviate pressure and vs the one quality D they've faced (MSU), he had 9 yds (1.3) while being bothered by an ankle inj. Iowa totaled just 13 FD's at home in the 26-14 loss! OSU's young D is still a work in progress, but they have made it a priority to stop the run each of the L/2 wks and have just 99 rush ypg (2.8). Look for them to make the Hawkeyes one dimensional, while OSU QB Miller after an off-performance vs NW (3 TO's, nearly pulled) will rebound in a big way here.

ALABAMA by 31 over Arkansas - LY Bama posted a shutout vs Ark which was 1 of 4 on the season. The 52-0 win was Bama's largest MOV in an SEC game s/'48. Bama has won 5 str (4-1 ATS). Solid technical edges here as the Tide are 6-1 ATS L3Y as SEC HF over 21 pts. Ark was 1-3 as an AD LY (0-2 ATS TY) and Bielema went 0-4 ATS as conf AD his F2Y at Wisc as well as 0-4 ATS vs top 10 his F4Y there. Ark is on the final leg of the toughest 4 gm stretch in the country having just faced A&M, Florida and SC in B2B2B weeks while Bama only has faced Georgia St and Kentucky the L2W. The Tide LW easily cashed a 2★ Selection on these pages and another Early Bird POW winner (given out FREE on button #9 every Mon at 1-347-677-1700) in their 48-7 win (-26) over UK. After a scoreless 1Q, the Tide rolled to 8 consec scores as they racked up 35-13 FD and 668-170 yd edges. Keep in mind this was vs a UK tm that was "only" outscored by 13 ppg vs UL/UF/SC. With no pass gm whatsoever (just 30 yds LW in 52-7 loss to SC), the Hogs have become one-dimensional and they were outFD'd 32-7 LW! LTH in '11 we used Bama (-11) as a 4★ Key Selection on these pages and a Top Weekly LPS and they dominated even more than the 38-14 final. Will we go back to the Tide yet again here?

South Carolina by 1 over TENNESSEE - SC has won 3 str while the visitor is 14-2 ATS incl 3 straight covers. LY with SC leading 21-14, they lost Marcus Lattimore to a gruesome season ending inj. They led 28-14 at the half with a 296-188 yd edge. UT trailed 38-35 and had the ball at the SC14 but Bray was sk'd by Clowney and fmbld and SC rec'd with 1:18 left and escaped. SC is away for 3rd time in 4 gms and has another road game on deck. Tenn is off a bye but AMAZINGLY coming into TY w/3 diff HC they were 1-9 ATS as a HD with the cover +1.5 vs a team they were 21-1 SU against (Vandy). However, that may be changing here with new HC Jones as in their L/gm, they were a 13 pt HD to UGA and nearly pulled the outright upset losing 34-31 in OT. SC, despite all the distractions LW were able to beat Ark 52-7 (-5'), which gives us some line value here. While we definitely lean with the home dog here, we won't call for the outright upset until we actually see the Vols pull one of these games out (19 str losses to ranked tms).

ARIZONA ST by 3 over Washington - Last met in '10. ASU has the situational edge here off a blow-out win over Colorado and have a bye on deck while UW is off Stan/Oregon w/HC vs Cal on deck. Also series domination as the Sun Devils are 7-0 SU/ATS in the series. UW is 5-9 ATS as P12 AD under Sark and ASU is 9-3 ATS as a fav under Graham. We do think UW has the better team but a high-level HC told us in the offseason that it's much tougher to bounce back from an emotional loss giving all that effort and coming up short than it is to come off an emotional win. You have to wonder how much UW has left in the tank after two huge gms where they came up short.

North Texas by 4 over LOUISIANA TECH - L/gm '06. LT is one of the least exp'd tms but now have 6 gms under their belt and are off a bye. Prior to the bye they got a confidence-boosting 38-35 win (-2) over UTEP as prior to that their only win came against FCS Lamar 27-14. LW we loved NT at home in Apogee off a loss to Tulane. They were a 3★ LPS and easily cashed 34-7 (-6) having 25-13 FD and 416-205 yd edges. They got the easy win despite QB Thompson having an off night (13-19-113-0-2) as RB's Byrd and Pegram combined for 227 (5.4) and 3 td's. NT does have a #73-107 D edge but LT is 11-5 ATS as a HD. While McCarney took over a team that had 7 wins in 4Y and has posted 12 in his 3 ssn's they are still 2-14 SU on the road and we can't lay too many pts here.

Kent St at SOUTH ALABAMA - The Golden Flashes hosted the Jaguars in 2011 and they were USA's 2nd ever FBS opponent. The Flashes dominated the 1H with a 26-0 lead and 208-44 yd edge. USA actually rallied in the 2H and got the backdoor cover 33-25 (+10). Kent is on a 2nd str away but is playing their 8th str gm while the Jags come in fresh off a bye. Both tms have had some tough luck TY as USA has lost 3 gms by a total of 9 pts while Kent St had to play much of the 1H of the yr w/o AA Archer. LW they nearly pulled the road upset vs Ball St but lost 27-24 (+14). Even more costly than the loss, however, was the fact that QB Reardon and RB Durham were lost to inj and are ? here. While the Jags have certainly impressed us TY, we can't lay too many pts as they are 0-4 ATS as a HF and we'll wait to check the Kent ST inj report later in the week.

Utah St by 6 over NEW MEXICO - Lobos lead the all-time series 11-8 but have met just 4x s/'67 with the last mtg in '03. The dynamics have certainly changed for the Aggies TY as after a 3-2 start w/only losses to Utah and USC by a comb 7 pts, they lost QB Keeton for the year and lost to BYU by 17 and LW trailed Boise St 34-10 before putting up some window dressing td's incl a 65 yd IR td in the 34-23 win (+6). QB Harrison in his 1st start was 7 of 17 for 105 yds before frosh Garretson replaced him in the 3Q and was 9-14-116-1-2. While at most program's a 6-13 start to your tenure may have you on the hot seat, at NM, HC Davie is doing a great job inheriting a program that was just 3-33 in the prev 3Y and then lost nearly 2 dozen players to attrition. After 3 str losses to their in-state rival NMSU, Davie has regained control of the state and LW had an impressive outing in a 38-31 loss (+14) to WY. Now they return home and have a bye on deck. Prior to Keeton's injury, the Aggies might have been 3 to 2 fav's here but now we can't lay more than a td vs a NM off that is avg 37 ppg.

Florida by 1 over MISSOURI - LY UF was at home -18 (off a loss to Georgia) but MU had a 143-111 yd edge at the half. James Franklin ret'd to the lineup for MU and hit 24-51-236 but had 4 int's. UF was w/o their LT, a DE and K and then lost both starting G's in the 2H to injury. UF fmbld at their own 27 setting up a MU td with 6:10 left in the half and MU led 7-0. UF tied it w/9:03 left in the 3Q and MU had a 25 yd FG blk'd. UF got a 45 yd td pass w/13:32 left and held on. UF has a bye on deck but is off their showdown at LSU and interestingly the Gators are 1-7 ATS off a SU loss under Muschamp. This is Mizzou's SEC home opener and despite losing QB Franklin (shld'r) for the rest of the reg ssn, Tiger fans have to be jubilant after LW's 41-26 win (-7) over UGA. It should be noted that they did benefit from a +4 TO margin and were outgained 454-375. The Tigers are now 6-0 and control their own destiny in the SEC East but that is easier said than done as they have UF here and SC on deck. Their DL, however (4 str SEC DPOW awds) continues to play lights out as DE Sam scored on a FR td. Keep in mind, that despite losing their QB, Franklin's replacement Mauk was highly regarded coming out of HS and was in a hotly contested competition w/Franklin in the spg. This goes down to the wire.

UNDERDOG PLAY OF THE WEEK

Over 32 years this play has been a reader favorite hitting 213-157. The last 14 years the Underdog Play of the Week has recorded numerous **OUTRIGHT UPSET WINNERS (501) to the incredible record INCLUDING 4 TY including LW with Tulane - the 3rd straight outright winner!!!!** Here is this week's Underdog Play:

WEST VIRGINIA (+8) over TEXAS TECH

Holgorsen was the WR ch the L2Y Kingsbury was QB at TT. LY WV was off its big win at Texas and was travelling for a 2nd str week in a letdown spot. TT was a 3' pt HD whereas UT had been a 7 pt HF. The prev wk vs UT, WV converted on all five 4th down att's but vs TT was 2 of 7. Smith came in with 38 inc on the season and tossed 26 in this game. TT led 49-7 before WV went 73/9pl getting a garbage td with 3:14 left. TY TT is off a HC win over ISt but has another away trip to OU on deck. The Red Raiders are 6-0 for the 1st time s/08 and Kingsbury is the 1st HC to win his 1st 6 gms in TT history. LW QB Webb got his 1st start in place of inj'd Mayfield (CS) and was 35-56-415-3-1 in the 42-35 win (-14). The Red Raiders outgained the Cyclones 666-311 but were -3 in TO's and gave up a 95-yd KR td. WV is 0-4 ATS in the reg ssn off a bye under Holgorsen but did pull off a big upset earlier TY at home 30-21 (+19) over OSU. They are playing with legit revenge (were undefeated and #5 when lost LY) and this is TT's first trip to WV (which has been tricky for most B12 tms). Make it 5 outright upsets for the Underdog POW TY. **FORECAST: WEST VIRGINIA by 1 over Texas Tech**

OTHER COLLEGE GAMES cont from page 4

Lsu by 6 over MISSISSIPPI - LSU has won the L/3 SU and the visitor has covered 4 str. LY LSU was -19 at home but UM's Wallace threw for 310 yds vs them. UM led 21-17 at the half and had a 296-174 yd edge. UM led 35-28 when the ghost of Billy Cannon emerged. Cannon had a memorable PR td on Halloween night to beat UM and here it was Beckham that got an 89 yd PR with 9:10 left to tie it at 35. UM missed a 53 yd FG w/4:18 left after having a FD at the 16 and LSU went 64/9pl getting a td with :15 left to pull it out. Ole Miss was a HD twice LY losing to Texas and covering vs A&M (+13 27-30) and LW again blew a late lead to A&M in a 41-38 loss (+7). The key play being a 4th Dn conv where Manziel picked up a FD as Ole Miss dropped 8 in coverage and had no spy on the QB. That makes it 3 str losses for the Rebs who came into the ssn w/high expectations. The Tigers, meanwhile, are off a 17-6 win (-7) over UF. After being ridiculed all yr long, the D stepped up when the offense was struggling vs the best D in the country. The Rebs have been so close to getting that signature win over highly ranked foe under Freeze and while we'll side with them here, we can't yet call for the outright upset.

BUFFALO by 24 over Massachusetts - LY UM outplayed UB in the 1H but they were SOD at the 1 and settled for 39 and 32 yd FG's. Mass led 13-0 at half but Buffalo blk'd a punt and ret'd it 33 yds for a td with 10:31 left to get back in it. UM still led 19-7 (6:49 3Q) when Buffalo got a 79 yd td pass, went 77/9pl for a td and a stunning lead. After a safety, UB went 80/15pl after the free kick for the td and a 10 pt win. TY The Bulls dropped their 1st 2 gms to highly ranked OSU and Baylor but since then have won 4 str gms in relatively impressive fashion. Their ground gm with a now healthy Oliver has gotten better each week TY going from 73 yds in the opener to 290 yds (5.2) LW in their 33-0 win (-10) over WM. The D which was burned in the 1st 3 gms has given up just 71 rush ypg (2.3) the L/3 and will be facing a UMass off that is avg just 282 total ypg. LW's 376 yds in the 17-10 (-5) win over Miami, Oh was their highest total of the ssn but was actually 130 yds less than what MU was all'g coming in. Look for the Bulls to continue their winning ways as they make it one step closer to bowl elig.

TEXAS ST by 21 over Georgia St - Georgia St played their inaugural Sun Belt game LW cashing versus Troy giving them 4 straight covers. During the ATS win streak, the Panthers were +94 pts vs WV and Bama while being a 10' pt HD to an FCS team and a 16 pt HD LW. They did post an FBS high 422 yards vs Troy but where their lack of depth truly shows is on the defensive side of the ball where they allowed Troy 634 yards. Now for the first time ever they travel as a conf foe playing a team hungry off a loss that allowed just 192 yards but threw a pair of 70+ yard pick-6's. The Bobcats have won their other 2 home games by 24 ppg (Wyoming and SF Austin) and don't think they'll be afraid to run it up versus a conf foe as evidenced by home wins LY vs previous WAC foes in New Mexico St (66-28) and Idaho (38-7).

Akron by 7 over MIAMI, OH - It's time to start using the phrase historically bad in the same sentence as Miami. Many teams have been horrendous but the RedHawks do have the dubious distinction of being the only team to ever be an underdog to UMass when they got outgained 376-290. Now they return home and Akron gets to be an AF for the first time in 5Y. While we would usually fade the Zips in this unusual role the offense has proven they can play competitively on the road only getting outgained at Michigan, Bowling Green and Northern Illinois by 45 ypg despite an avg line of +25. The Zips have shown they prefer to push the pace and against a defense that is allowing 51% conversions on 3D and 6.7 yds/ply there will be no mercy for this Akron squad, which has lost 30 straight away from home.

BAYLOR by 30 over Iowa St - The headlines on Baylor's website read: Football Reaches Highest AP Ranking s/91. That press has players thinking too highly of themselves which means a bull's-eye for opponents. LW Kansas St almost knocked them from their perch as the Bears were making their first road trip TY and after avg over 16 FD's per half they totaled only 15 on the day finishing with a 451-446 edge. Iowa St is in an extremely difficult situation having to face the Bears and their offense which has run 78 pty/gm vs conf foes the week after the defense was on the field for 101 plays and 666 yards at Texas Tech. Cyclones have rushed for 174 ypg and 3.9 ypc their last 3 games and with couple of long drives they can shorten the clock as they have done in the past under Rhoads going 5-1 ATS as a 20+ pt dog.

Oklahoma by 24 over KANSAS - Oklahoma has won 8 str (all by 14+ and by 26 ppg), and has covered 5 of 7 but LTH the #3 Sooners were -35' and "only" won 47-17. LY KU trailed 52-0 after 3Q's getting 7 of their 19 FD's in the 4Q. LW the 2 td favorite Sooners were punched in the mouth by a hungrier underdog Texas tm who beat them in all 3 phases of the gm especially at the LOS where they outrushed the Sooners 255-130. This is the 4th time in 5Y OU plays KU the week after Texas and after the one game they lost to UT they beat KU 35-13 (-7). In fact, OU is 9-2 ATS off a SU loss the L4Y. Kansas went 3-1 ATS as a HD LY losing as a SD dog and going 3-0 as a DD dog covering by 14 ppg. TY after 4 str ATS losses they covered LW as a 24' pt AD to TCU losing 27-17. While OU does not have the same explosive offense they had when Bradford/Jones were behind center (avg only 29 ppg TY), look for them to get their ground gm on track while the Sooner front 7 will play feast upon a KU run off that after avg 212 rush ypg (4.6) LY is only avg 79 rush ypg (2.3) vs FBS opp TY.

STANFORD by 10 over UCLA - Stanford has won 5 str and covered 4 str before LY's second mtg in P12 champ. It was an unusual first meeting because a UCLA win over Stanford would put the Bruins at Oregon for the P12 Title game where a UCLA loss to Stanford would have them playing SU again. SU controlled that meeting on the road recording 7 sacks and won 35-17 (-3). The next week they met again in the P12 Title game and the field conditions were poor and the Bruins blew a 24-17 4Q lead. UCLA had a 461-325 yd edge but lost 27-24. UCLA went 4-1 ATS as a dog LY (L vs 1st SU) pulling 3 upsets. Stanford was 12-5 ATS vs P12 at home but now is on a 0-5 ATS conf HF run. LW after the tough 31-28 win over UW, they travelled to Salt Lake City to take on an underrated Utah tm. They found themselves down 27-14 in the 2H, but were down 6 late in the 4Q and inside the Utah 10 decided to throw it on their final 2 plays even with a timeout and lost 27-21 (-7). UCLA now comes in undefeated after their misleading 37-10 win (-25') over Cal as they got a 97-yd drive for the front door cover after Cal was going in to make it 30-17 in the 4Q. Look for them to bounce back in a big way here as UCLA is 0-9 SU, 1-8 ATS in the state of CA outside the Rose Bowl and the HT is 8-4-1 ATS in the series.

TECHNICAL PLAY OF THE WEEK..... OHIO ST REVENGE PLAY OF THE WEEK..... WEST VIRGINIA SITUATIONAL PLAY OF THE WEEK..... TEXAS ST

Rice by 14 over NEW MEXICO ST - First meeting. NMSt is off a bye and Martin was 2-4 ATS off bye while HC at Kent. NMSt was 7-14 ATS at home under Walker and are now 1-2 ATS this year. Rice is on a 3rd straight away and in the L4Y was only an AF twice (both LY) going 0-2 ATS losing one outright. LW they opened as a favorite at UTSA but the gm was a pick'em at KO as Rice won 27-21. While the final stat line shows they were outFD'd 24-15 and outgained 434-340, they did lead 27-7 entering the 4Q. They have won 3 str gms but all have been by SD. NMSt has played well early at home in each of their 3 prev gms TY (outscored only 47-37 in 1H) but a D that is all'g 579 ypg and an incredible 341 rush ypg (7.2!) continues to wear down in the 2H. While Rice is clearly the better tm we fade them here as they have not been an AF of 2 td's since laying 14' to San Jose St in 2004, a gm they lost 70-63.

BOISE ST by 24 over Nevada - Boise has a 14Y streak of finishing #1 or #2 in their conf (BWC, WAC, MW) with 11 #1's. In Boise's L3Y in the WAC, Nevada was their main threat as the Wolf Pack finished T#1 and had a pair of #2's. Boise is 12-1 SU (lost in '10) but Nevada has covered 4 straight. LY was BS's first trip to NV since their upset loss in '10 which cost them a spot in the National Title game. They appeared to have it locked up leading 24-7 after 3Q's (-8) but only finished with a 434-430 yd edge. BS had a 243-90 yd edge at the half but UNW went 74/5pl for a 6 yd td run with 2:27 left for the backdoor cover. UNW is off a bye with a HG vs UNLV on deck and Boise is off a key 34-23 win over a depleted Utah St tm and have BYU on deck. The win over the Aggies was a bit misleading as they led 34-10 entering the 4Q and UTST scored a td w/20 left. While Fajardo and Co are capable of the backdoor, Boise is now 3-0 SU/2-1 ATS on the blue turf TY w/a 55-14 avg score as they are back to wearing the blue uniforms.

Georgia by 10 over VANDERBILT - The Bulldogs have won 6 straight overall and 10 straight in Nashville BUT the home team has covered 3 straight. In UGA's 33-28 non-covering win in '11 (-11') at Vandy, words were exchanged between VU HC Franklin and UGA DC Grantham so both staffs were keyed up prior to LY. It was VU's worst defeat s/03 as UGA was -14' at home and rolled to a 48-3 win. It was 48-3 after 3Q's and UGA had a 303-136 yd edge at the half. The game was our "almost 5★" as it was our #2 LPS on a 5★ weekend and they covered the spread by 30' pts! Vandy is off a bye and they went 4-1 as a HD the L2Y as many teams and players surely "looked past" them. That hasn't happened off a 9-win season as they are 1-3 ATS at home and in their L/gm were destroyed 51-28 (E) by Mizzou as we cashed a 4★ LPS on the Tigers. UGA LW simply couldn't overcome all the inj's in a 41-26 loss (-7) to Mizzou. After trailing 28-10, the Bulldogs rallied to w/in 2 but their 2 pt conv failed and they were also -4 in TO's in the loss as they outgained the Tigers 454-375. After sitting out 2 wks, RB Gurley could be back here and w/a bye on deck, the Bulldogs just need a win before the showdown w/UF.

ARIZONA by 7 over Utah - These two play in much different home settings so it's surprising that the visitor is 4-0 ATS and there have been 4 outright upsets in 6 meetings s/00. LY AZ was +2 on the road but Carey rushed for 204 yds and Matt Scott ret'd to the lineup after missing 1 game with a conc but only hit 12-27-160 in the 34-24 win. Utah led 24-17 but AZ scored the gm's final 17 pts. Arizona went 1-4 ATS as an FBS HF in RR's 1st ssn and this in their only HG from Sep 14th thru Nov 9th (8 wks). While they are 2-0 SU/ATS at home TY, the covers were only by a comb 1.5 pts. LW they ran into a trap in LA as the Trojans played inspired ball under interim HC Orgeron and jumped out to 28-3 and 38-17 leads before AZ rallied. One positive was the play of QB Denker down the stretch as he hit 28-44-363-4-0 after avg just 111 ypg (50%) w/a 2-2 ratio in the 1st 4 gms. The Utes are off one of the biggest wins in schl hist as they upset #5 Stanford 27-21 (+7). It was their 1st win over a top 5 team at home and the biggest win s/ joining the P12. They deserved the win to as they had a 21-13 FD edge and led 27-14 before Stan rallied at the end. However, this situation clearly favors the Cats here and Utah is 2-7 ATS on P12 road.

FRESNO ST by 28 over Unlv - L/gm '97. UNLV travels to Fresno after recording 4 str wins for the 1st time s/00. LW they led Hawaii 36-17 in the 4Q but the Rainbow Warriors rallied for a 37-36 lead. The Rebels were able to get a 44-yd FG on the final play as we easily cashed our Top Weekly LPS Totals Play on the OVER as the tms comb for 1,033 yds and 59 FD's (UNLV 38-21 edge). They now travel to face the MW's best team that is rested off a bye as well as having an easy win vs Idaho the prev week (61-14, -27'). UNLV was 1-11 ATS as an AD in '10 and '11 and Vegas kept pumping up the # as they went 3-1 ATS LY incl a .5 pt and 3 pt cover. Fresno was "lay the wood" LY going 6-0 SU/ATS as a HF and 3-0 SU/ATS as an AF. But this year Vegas inflated their numbers and they are 1-4 ATS despite their 5-0 start. We think the Rebs will come in fat and happy here, while Fresno will want to prove who reigns supreme in the MW.

PITT by 14 over Old Dominion - First meeting. ODU played EC & MD on the road the F2W but now has beaten 4 FCS tms and is off a bye. QB Heinicke is avg 348 ypg (75%) w/a 14-5 ratio and was inj'd in their L/gm (conc, CS). Pitt is off a 19-9 loss at VT as we cashed a 3★ LPS on the Hokies who led throughout. Pitt QB Savage was bruised and battered as he was sk'd 7x and the offense continues to be hit and miss as they avg'd 54 ppg and 563 ypg vs NM/Duke but only 12 ppg and 235 ypg in their other 3 gms. Pitt's D faces a wide open pass offense here and the next 2 wks has to face the option rush offenses of Navy and GT. Chryst is 5-1 ATS as a HF but the Monarchs have plenty of backdoor potential.

Tuesday, October 22nd

Louisiana at ARKANSAS ST - The home team is 10-2 SU in this series but just 5-7 ATS. UL had won 4 in a row ATS but LY was -4 at home in a Tue Nighter played before 19,873, the smallest in 1.5 seasons of the Hudsphere era. UL was down to bkp QB Broadway and while he hit 28-39-374 he had 2 fmb'l's and 3 int accounting for 5 TO. ASU went on to win 50-27 (+4). While UL was our pick to win the SBC in the preseason, the sked edge goes to Ark St here as they are off bye and easy win over Idaho with a bye on deck while UL is on B2B AG's (6-1 ATS). Those 2 road gms will most likely decide SBC title.

PRO SELECTIONS

HOME TEAM IN CAPS

KEY SELECTIONS

4★ CAROLINA by 13 over St Louis - Both teams are off upset wins but they couldn't be more different. The Panthers were traveling for a second straight game and after losing to ARZ despite outgaining them 353-250, they went into an emotional Metrodome and Newton led the way with his arm (242, 77%, 3-0). HC Rivera has tried to protect Newton running him only 13 times in the 3 losses but he avg'd 8 att's in the wins and scored a td in both. In fact LY when he ran 8 times or more, which opened the passing lanes, CAR went 6-1 ATS failing to cover only vs TB as a dog in OT. The Rams meanwhile are now traveling for a second straight with a 3-3 record incl B2B wins. STL, however, is coming off of a game which defines "misleading score" as they +4 in TO's and got a 40 yd pen leading to their first TD as they finished getting outgained 420-216 at HOU. The value of playing against STL doesn't stop there as they've been outgained in their other 2 wins as well incl JAX at home. The Panthers' D has allowed the second fewest FD's and with the Rams avg under 19/gm, there will be no long drives while this being the Rams first game outdoors also can't hurt.

3★ DETROIT by 10 over Cincinnati - Both took to the road winning vs tms with new HC's playing someone other than their starting QB's. The Lions cashed as our 4★ on these pages LW and after a slow start had a 257-145 2H edge with a 15-8 FD advantage. Stafford's early struggles were in part to Megatron not being 100% (8 targets, 3 rec) but another week removed from his injury will have him raring to go. The Bengals are a similar team on defense to the Browns (DET opp LW), but they can't be happy allowing BUF 322 yds without their top WR Smith and with a QB that was on the practice squad the previous week. On offense however CIN does have more weapons than their up north rival with a veteran QB Dalton who has his best game TY (337, 65%, 3-1). DET's #21 pass def is better than their ranking (7-10 ratio) as they've started the same secondary for 6 str for the 1st time in over 4 yrs! Ford Field plays to the speed strength of Bush/Megatron as well as the DL and we'll take the home team.

OTHER SELECTIONS

2★ WASHINGTON by 6 over Chicago - CHI has a situational edge off LW's win vs NYG on Thurs with WAS having played on SNF. However, INDIV road teams with the extra rest are only 9-16 ATS. This is an interesting matchup with the mercurial Griffin and now healthy RB Morris (74 ypg 5.3) vs a depleted CHI def. The Bears who are all g 67 % comp were down to their 4th and 5th DT's vs NYG (#2 DT Paea may return) and they lost top MLB DJ Williams. CHI has all'd only a pair of teams to top 80+ yds rushing TY and failed to cover both while WAS has topped that total mark 20 of the 21 games with RGIII here. On the flip side WAS #32 D is exciting for any QB to face and while Cutler looks much improved under new HC Trestman's offense in his last 5 on the road he has hit only 56% (6-5 ratio). The exclamation mark in this one is that the Bears haven't played well in close games and are 0-9-1 ATS in games decided by 8 points or less while the Redskins are 7-6 ATS.

OTHER GAMES

Seattle at Arizona - Thurs. SEA 0-3 ATS as a div AF under Carroll and lost the L/2 here by 3 pts in OT and by 4 LY. ARZ has been a dog in all 6 TY and while they are playing arguably the 2 most physical teams in a 4 game span they already pulled upsets in both HG's. **Marq noon EST on the NC VIP Debit System.**

New England by 7 over NY Jets - NE came into the ssn having avg'd 28 FD/gm while topping 23 or more in every game LY. They opened up with 26 FD's vs BUF and then Ryan and the Jets held Brady to NINE FD's although NE came away win the non-covering win (-11, 13-10) in poor weather. Both teams have injury issues with NE expected to be without Amendola (conc) and CB Talib (hip) while the Jets are minus WR Holmes (hamstring) and CB Cromartie (knee) was limited LW. The Jets actually have the stat edge w/ the #19 and #4 units vs NE's #15 and #15 units but the Patriots simply hold onto the ball better (+5 TO's vs -11 TO's). Brady should fare much better with NE finally expected to debut Gronkowski.

San Diego by 6 JACKSONVILLE - JAX played DEN very tough LW and trailed 21-19 when DEN had to roll out a fake punt. Now they host SD who are just the 11th AF with bye on deck off a MNF game (6-4 ATS) s/89. Tough to handicap, as a win will have SD 3-3 and focused on every winnable game but if they're off a loss with a 2-4 record isn't LY's 4-8 finish carryover? This is SD's 1st DD AF role since Wk #3 2011 and while the road record isn't great (6-4-1 ATS) Rivers has been pretty decent avg 249 ypg (67%, 21-9). LW JAX lost another weapon in WR Shorts (38% of rec yds). Henne gives them a shadow of a competent QB (over twice Gabbert's QBR) and gets the #26 pass def allowing 70% comp w/a 10-1 ratio TY. We won't call for JAX to win outright here as their OL issues are too big but they should cover the spread as home teams that are DD dogs for the 3rd straight are a reasonable 8-5-1 ATS.

KANSAS CITY by 1 over Houston - Enigmatic, incomprehensible, inscrutable are the adjectives and maybe the answer is pick-6. We have one team 6-0 (5-1 ATS) with the #24 Off and #5 Def vs an 2-4 team (0-6 ATS) with the #6 and #1 units. There are always a handful of games that you can't handicap because of the unknown. This is one of them with a talent laden Texans team that is winless with a All-Pro QB who might be benched under the disguise of an injury for Case Keenum. Texans players stood proud and made public statements LW and they came away with yet another blowout thanks to being -4 in TO's. Now with a bye on deck what will their reaction be. The Chiefs did what they do best LW play mistake free football and they have been even or +TO's in every game TY (+12). They don't care to be fancy (outgained 279-216 vs OAK) as they are avg 326 ypg and have yet to reach 400 yards.

MIAMI by 4 over Buffalo - After starting 3-0 the Dolphins went into their bye week in a disappointing fashion dropping their L/2 incl vs BAL when they allowed a 44 yd FG with 1:42 left then missed wide left from 57 yds on the final play. Prior to Philbin, Miami was 2-10 as a div HF but did cover LY in Wk 16 vs the Bills and split their 2 HF roles TY. The Dolphins are also a fav of 7+ for only the 2nd time in 4Y and they also covered that as well LY vs JAX (-7, -24-3). The unique stat in this game is that the Dolphins units rank #28 & #24 on Off/Def and while they have faced our toughest set of opponents it's not often you find a sizeable fav that has been outgained in every game so far this year. The Bills struggled as expected with Lewis making his first start at QB being here just 7 days but that was vs the Bengals top 10 D and without star WR Smith who was unavailable (personal). Paired with Spiller who avg'd 7.4 ypc on the road LY and ran for 138 (6.3) here in MIA it kept the offense from being a liability. We will take generous points in what we expect to be a pair of conservative game plans.

Dallas by 6 over PHILADELPHIA - Eagles fans are never happy but they can't be in an overly hostile mood returning home off B2B road wins with their 3 losses on the season to teams that are a combined 15-2. DAL meanwhile is off B2B "A" games battling the Bronco's and losing on the last play in a draining game then coming off that loss having hosted the Skins. While those factors lean PHI the Cowboys are clearly more talented. What we do know is that in LY's tumultuous Cowboys season they played on the road after B2B losses twice winning both incl here as a 2pt fav (38-23). With Vick out LW the Foles led the Eagles to 425 yards and HC Kelly said he would keep all guessing on who makes the start here. One thing the Eagles should be concerned about is a D that has just 4 sacks the L/3 games and has allowed 4 of their 6 foes season highs on offense with the other 2 getting their second highest yardage totals. The road team has covered 4 of 5 w/Romo avg 267 ypg (67%) w/a 9-2 ratio in his L5 full games vs the Eagles and with the #4 rush D they can slow the Eagles #1 rush offense.

ATLANTA by 13 over Tampa Bay - Just 10 yards away from the Super Bowl LY, injuries at LB (Weatherspoon/Biermann) and now to WR Jones (30% of TY's off) have dealt major blows to ATL. The much needed bye week will not only help physically (RB's Jackson & White ?) but also mentally. Under HC Smith the Falcons have never lost more than 2 games in a season but they did that in an 8 day window prior to the bye while also losing vs TB here in their reg ssn finale albeit resting starters. Ryan has enjoyed hosting the Buc's hitting 65% with a 4-0 ratio and Tampa has regressed allowing PHI's Foles to look like Peyton throwing for 296 (71%, 3-0) in his first start of the year. Rookie Glennon (273, 60%, 2-1) was handed the job after Freeman was jettisoned and while his numbers were respectable he was

at home facing the Eagles #31 D. Throw in the Dome noise and a DL that has had 4+ sks in 2 of their last 3 games and this will be a different story.

San Francisco by 7 over TENNESSEE - While there is no love between SF and SEA, the other should benefit when playing the same team in the second of B2B games. Not only has the team been through a physical battle but in this case SF can make adjustments to any new schemes the Titans threw at Seattle's read option. TEN is off misleading cover vs SEA as a 77 yd return for a td on a flubbed FG as they were outgained 404-223 LW. RB Johnson was held to 33 yds (2.8) and almost half of Wright's rec yds (32 of 69) came on a rare busted play by SEA's secondary. After these 2 physical games, TEN does get a needed bye but HD's of 6+ are only being 5-11 ATS prior to their break. Fitzpatrick in his 2 sts has hit (54% 6 sks and a 1-4 ratio) as the fact he has one of the weaker arms in the NFL means more defenders creeping up vs the run and intermediate game. We don't mind backing SF on the road under Harbaugh as they are 8-2 SU/ATS vs non-div foes and have covered all 8 wins by at least a TD (14 ppg avg).

GREEN BAY by 17 over Cleveland - The Browns D was ranked #4 going into LW when DET put up 24 pts and 257 yds in the 2H. What happened? The Browns finally faced an offense that was ranked in the top 15 (DET #9) as their first 5 foes avg'd #22 on Off. Now they face the league's #2 off on the road which just put up 438 yds at BAL despite some key injuries at WR. What make Rodgers so special is that not only is he accurate he throws deep and he is the only QB beside Manning to hit over 65% AND have a ypa over 8.6. He's been especially sharp at home TY hitting 75% and a 5-0 ratio! On the flip side the Packers Def has been atrocious and are now without LB Matthews but we would still side with them vs CLE's Weeden who was benched for the now inj'd Hoyer. In his last 6 starts he has not led CLE to over 20 points and in his lone road start TY he "led" his team to 6 points and 13 FD's getting sacked 5 times. The Packers had 9 sacks their previous 2 games but there was no fall off without their star LB as they had another 5 in BAL. Lambeau is still special as GB has gone 22-1 SU and 17-5 ATS.

PITTSBURGH by 4 over Baltimore - As you would expect with these defensive minded teams the dog is 9-2 ATS in the series. PIT went into their bye week 0-4 and came out healthy vs the NY Jets. The Steelers had 4 scoring drives of 8+ plays and while they were held to FG's it was on the road versus the leagues #2 D. BAL meanwhile is on their 3rd road game in 4 weeks and off hosting GB where their D allowed 438 yds. The road has spelled trouble for the Ravens and it starts up front with an OL allowing 3.3 sks/gm while opening holes for only 72 ypg rushing and 3.1 ypc. Without the time for play action Flacco is hitting 54% with a 4-8 ratio on the road and while they've put up 24 ppg it was vs D's that came into LW ranked #20, #24 & #28) while the Steelers are ranked #6. Pittsburgh may be 1-4 but with a win here they know they will only trail BAL by 1/2 a game and they have CIN in their sights.

Denver at Indianapolis - Peyton returns "home" and will be honored by the Colts. The Bronco's scoring fest slowed a bit LW as they only won by 16 laying almost 4 TD's LW. It is unknown how Luck and Co. handled their first prime time role at SD but it will make for an unusual week having played on the West Coast and having to deal with the obvious distractions. Denver has covered 9 of their L/10 overall and has gone 8-0 SU (7-1 ATS) on the road while Indy has not only covered all 5 as a HD the L/2Y but has pulled the upset in all 5 incl GB, HOU, MIN and SEA.

Minnesota at NY Giants - An emotional week for AP and the visiting Vikings who were outgained 367-290 vs the Panthers. The Giants continued their historically poor start dropping their 6th straight at Chicago but it's obvious that they haven't quit getting their first cover TY. Now these 2 are a combined 1-10 SU and 3-8 ATS with defenses that both rank near the bottom. The most amazing stat may be that the Giants are -16 in TO's while the next worst NFC team is -4!! Pride is on the line.

Stanford (-3) 35 UCLA 27 - The Bruins were in a tough situation spot here because if they beat Stanford, they would have to travel to face the potent Ducks on the road in Autzen Stadium whereas if they lost to Stanford, they would play them again this week, although they would still have to travel. Had Oregon St upset UO earlier in the day, UCLA would have been playing for a home field in this gm. Perhaps this helped SU be a little more focused, although they only had 19-13 fd and 381-334 yd edges. Stephan Taylor rushed for 142 yards and now needs just 36 to become the all-time career leading rusher here. Kevin Hogan continued his steady play hitting 15-22-160. Each team drove for a td on its opening pass and then there were 6 punts. SU went 88/10pl for a td then got a 56/2pl drive with a 49 yd td run by Taylor, 21-7 (6:43 2Q). SU had a bad snap on a punt at its own 22 w/3:02 left in the half and LA got a 48 yd fg to pull within 21-10 (SU 231-165 1H yd edge). Each team punted to open the 3Q then LA was int'd and SU went 42/4pl for a td then ret'd the fmbld' KO 11 yds to blow open a tight game, 35-10 (7:21). After 2 punts, LA drove 65/5pl for a td, 35-17 (1:53). SU went 53/12pl but missed a 45 yd fg. UCLA got 2 fd's but on 4&17 fired inc from the SU45 (6:40). The D held SU to a 3&out and LA took over w/ 5:45 left. From their own 38 using the no huddle, they drove 48/11pl but on 4&5 fired in from the SU14 w/2:30 left. SU got 1 fd and took a knee. UCLA 22-284-177-0 SU 18-170-155-0

STANFORD 27 UCLA (+9) 24 - PAC 12 Championship. UCLA lost in the Pac-12 Title game for the 2nd straight year but this one was much closer than LY and the Bruins led 24-17 in the 4Q but blew their lead. Interestingly, in the 6 Champ games, not a single favorite won their game in reg by as much as the folks in Las Vegas thought, yet 5 of the 6 won SU. A heavy rain pounded the Bay Area during the day but let up at night as it was just scattered showers making the grass slick. Johnathan Franklin rushed for 194 yards on 19 carries. Brett Hundley rushed for 83. UCLA had a 461-325 yd edge and 22-18 fd edge. Stephan Taylor put himself within range to break SU's school rushing record as he needs just 78 yards

to top Darrin Nelson. UCLA went 85 and 75 yards on their first 2 pass to lead 14-7. Two 2 key plays in the 1H happened with UCLA driving with a 14-7 lead and at the SU30, were int'd and ret'd 80 yards to the 1 setting up a td and basically a 14 point swing and it was tied at 14. SU took over w/1:31 left 1H at their own 17 and managed to go 52/10pl getting a 37 yd fg on the last play of the half to take the lead, 17-14 despite UCLA having a 266-136 yd edge prior to that drive. UCLA opened up the 3Q with a 47/9pl drive for a 31 yd fg and 80/12pl drive for a td to lead 24-17. SU got a 3&15, 26 yd td pass with 11:21 left to tie it then after an 18 yd PR to the UCLA43, got 1 fd and nailed a 36 yd fg for the lead w/6:49 left. UCLA punted w/4:39 left and SU got 1 fd and punted w/2:18 left. UCLA got 1 fd, converted on 4&7 to the SU39 but their 52 yd fg on 4&5 was wide left. Unlike LW, this time the sacks were even at 3. SU 18-170-155-0 UCLA 22-284-177-1

OREGON ST (-14*) 62 California - 48', overcast. Sean Mannion made his 2nd return to the starting lineup for Oregon St. The first time he was rusty and threw 4 int's and OSU lost to Washington. This time he threw for 325 yards and 4 td's. Cal came in having given a good effort vs Oregon the week before and having clinched a losing season and had little left in the tank, playing in their season finale. Cal25 got 2 fd and punted 4&11, 42 yd punt 12:33 (10/6). OSU23 1 fd and on 2&11 a pass was int'd by Hill at the C23 (11:21) 47/3. Cal23 on 3&7 was int'd at the C48 (4 yd PR) 10:35. OSU(Cal44) went 44/5 for a 11 yd td pass, 7-0 (9:10). Cal18 went 82/9pl for a td, 7-7 (6:30). OSU32 went 68/5pl for a td, 14-7 (4:23). Cal25 got 2 fd and punted 4&8, 32 yd punt 1:05. OSU10 got 1 fd and punted 4&5, 41 yd punt (14:06). Cal26 got 3 fd and fmbld' at the OSU38 (12:22). OSU38 got 1 fd and a 48 8 yd td pass, 21-7 (10:56). Cal22 went 3&out 4&4, 41 yd punt 9:17. OSU31 went 69/5 for a td, 28-7 (7:13). Cal42 went 3&out 4&20, 41 yd punt 5:33. OSU27 went 3&out 4&2, 49 yd punt 4:04. Cal16 got 2 fd and fmbld' at the OSU35 2:00.
