### Who played the toughest schedule?

Once the schedules are finalized in spring we like knowing "how tough" our favorite teams schedule is. Most fans and media outlets use the records of their opponents previous years to rank them, but we like to use our power ratings on each team to get a better gauge.

As you can see Iowa St, Kansas, USC, Maryland and Texas played OUR 5 toughest schedules!

If you base it on the win % of a teams opponents the 5 teams that played the toughest schedule were: Maryland, Alabama, Arkansas, Georgia Tech and Auburn.

The LARGEST difference between our Strength of Schedule compared to the opponent win % is Navy. The Midshipman faced the #37 toughest schedule ranked by opp win % while facing only the #80 schedule in our rankings.

Let's look below at Navy's Schedule so far this year: On the right are tougher opponents with the same record

Colgate	9-4	Baylor - also 9 wins
East Carolina	5-7	Nebraska - also 5-7
Connecticut	6-6	Auburn - also 6-6
Air Force	8-5	USC - also 8-5
Tulane	3-9	Georgia Tech - also 3-9
USF	8-4	Texas A&M - also 8-4
Memphis	9-3	Michigan - also 9-3
SMU	2-10	Purdue - also 2-10
Tulsa	3-9	South Carolina - also 3-9
Houston	12-1	Alabama - also 12-1

As you can see just how deceiving a teams strength of schedule can be when using an opponents win %

The 5 teams that played a much TOUGHER schedule per our rankings are: Utah, UCLA, Wash St, TCU & E Michigan.

Finally, the 4 teams along with Navy to play an EASIER schedule are: Texas St, W Mich, Cincinnati and Louisiana Tech.

## DOUBLE BOWL ISSUE AND HOW TO USE IT

We have been hard at work putting together our jam-packed Double Bowl Issue of Power Sweep as this is our biggest and best issue of the season. The Double Bowl Issue is 28 full pages loaded with the most information available on the bowls, including selections. We have complete write-ups on 40 bowl games! This issue provides our exclusive Computer forecasts for each game. The Computer Projections take into account things like: strength of opponents played, weather, garbage yards, injuries, etc. It is the most accurate set of Power Ratings in the country. The projections include yards rushing, yards passing, turnovers, special teams edge and strength of schedule number. Our Power Sweep selections at the bottom of each bowl takes into account ALL factors, including the Computer projections, emotion, bowl experience, talent matchups, momentum, special teams, coaching, etc. Many times the intangibles in bowls outweigh the pure statistical forecasts. We supply the Computer Projections at the top of the page to give you some solid statistical information. We have not provided a score as we had done in the past (always right at the number) because we did not want to commit to the Over or Under on Dec 13th (press time for this issue) and we want to have yet another huge winning year with the Private Play Hotline Triple Totals Plays (58-35 on units last 14 years! 8-2 80% L2Y). The bowl checklists are invaluable as every stat and ranking is analyzed with checks going to the better unit. Each check represents approximately one point. **A special NFL Only Issue of Power Sweep will be available next week for Week 16 of the NFL season.**

With the date of the bowl and the National Championship game on the 11th of January, we are not including 2 weeks of NFL selections as we've done in the past. Look next week for a special edition of the NFL for Wk 17. If you have not renewed your subscription to Power Sweep for the 2016 season, time to save is running out. Sign up now for 2016 as you will be paying just \$89 to renew for download (add \$40 for mail delivery) and when you become a 2016 subscriber, you will be offered special pricing on all of the 2015 season Late Phone Packages! These schls have a long history that dates back to 1908. AZ leads the all-time series 43-20-3. The last mtg was in '08, a 36-28 (+10') NM home win. They met in the Insight.com bowl in '97, with AZ winning 20-14 (-9'). NM has ply'd in this bowl twice, losing to SJSU 20-12 (-3) in '06 & beating UV 23-0 (-2) in '07, while AZ won their lone appearance in the bowl 49-48 (-8') over NV. AZ HC Rodriguez is 2-1 SU/1-2 ATS in bowl gms with the Wildcats & was 2-4 SU/1-5 ATS in bowl gms with UM/WV. This is NM HC Davie's 1st bowl with the Lobos & he was 0-3 SU/ATS at ND. The 2 HC's have 1 prior mtg in '01 when Rodriguez was at WV & Davie at ND with ND winning 34-24 (-12').

NM has assured itself of its 1st winning ssn s/'07. 4th yr HC Davie had to do a major rebuild when he took over a tm that finished 1-11 in B2B2B ssn. NM suffered a lot of attrition LY, but entered this ssn w/14 ret str's. After st'g 3-2 incl a win over rival NMSt, the Lobos dropped 2 of 3 heading into their bye wk. Regrouped, they won 3 of their LY/4, despite being the dog in all 4, with all 3 wins as DD dogs incl beating Boise on the "Blue" as 31 pt dogs!

AZ won the P12 South LY, but only ret'd 13 str's TY incl just 6 Sr str's. Things worsened when AA LB Wright was inj'd (ply'd just 2 gms) & QB Solomon missed 2 full gms incl the Territorial Cup loss (conc). They had 5 P12 road gms, losing 4 & ply'd 12 str wks. After st'g 5-2, the Wildcats then dropped 4 of their LY/5, with their lone win in that span an upset over Utah in 2OT.

Arizona has faced the much tougher schedule and has more talent. They are missing 3 of the top 4 LB's from the start of the year. New Mexico is playing this on their home field but will be excited for their first bowl s/'07. Versus 2 mut opp AZ was +64 ypg & NM -199. Over the L4 gms NM was playing their best ball of the year. AZ has more talent but we side with the motivated home DD dogs.

**FORECAST: NEW MEXICO (+) RATING: 3★**

The Holy War rivalry continues as these schls met every yr from 1922-2013 with UT leading the overall series 54-31-4. UT has won 5 of the L6 SU incl the L/mtg 20-13 (+6') & cov'd 8 of the LY/10. This is BYU's 6th appearance in this bowl (3-2 SU/ATS) but 1st s/'09. UT beat CSU 45-10 (-2) in this bowl LY & is making their 5th overall appearance (3-1 SU/2-2 ATS). UT HC Whittingham is 7-1 SU/6-2 ATS in bowls, while BYU HC Mendenhall accepted the HC gig at UVA, but will cch the bowl gm & is 6-4 SU/ATS in those. In H2H mtgs, Whittingham is 6-3 SU/7-2 ATS.

After 3 str 8-5 ssn's, a win here would give BYU DD wins for the 1st time s/'11. The Cougars had just 5 ret str's on D as they lost 5 of their top 7 tk'rs, but Mendenhall showed how valuable he was as they enter with our #43 ranked unit. They went 2-2 to open the ssn despite ply'g NE, Boise, UCLA, & Mich (3 on the road & dogs in all 4) & losing st'g QB Hill & st'g RB Williams. The Cougars then rolled off 7 wins in 8 gms with their lone loss coming in KC vs MO. UT entered the ssn full of hope as they had 14 ret str's & 5 conf home gms. This was their best tm since joining the P12 & they were 6-0 & ranked #3 before losing at USC. The Utes then won B2B gms, but closed the ssn losing 2 of 3. They placed a total of 7 players on the 1st or 2nd All-conf tm with 5 coming on D/ST's. A win here would give them a DD win ssn for the 1st time s/'10, which would also be the 1st time s/joining the P12 as they finished tied with USC for 1st place in the South.

BYU was upset that Utah ended the series but both teams figure to be well motivated. BYU was +70 ypg (Utah +12) but vs a softer schedule. BYU has an edge on offense with Utah RB Booker likely out but Utah has the edge on defense & ST's. Tough to pick either in this rivalry but both have top notch D's including our #15 & #18 rated pass D's so Under looks like the best play here.

**FORECAST: UNDER RATING: 2★**

This is the 1st all-time mtg & just the 2nd Camellia Bowl. This gm is ply'd at the historic Cramton Bowl, which is best known as the site of the Blue-Gray Football Classic, ply'd every year from 1938-2001. This is ASU's 1st ever bowl gm after joining the FBS LY. HC Satterfield will also be coaching in his 1st bowl game. OU missed out on a bowl LY after going for 5 str yrs. HC Solich is 2-4 SU/ATS in bowls at OU & was 3-3 SU/ATS in bowl gms at Nebraska.

ASU entered the ssn off 6 str wins to close out LY & had an amazing 20 ret str's. They held undefeated Clemson to their 2nd lowest yds tti in their expected loss, then reeled off 6 str wins before falling to eventual SBC champ Ark St. The Mountaineers then closed the reg ssn w/3 str wins. On the ssn they held 5 of their opponents to either their lowest or 2nd lowest yds total & finished #15 in the FBS holding their foes to 75 ypg less than their avg. Offensively they avg 471 ypg incl 269 (5.8) rush ypg & were skd just 9 times all ssn (3.4%)!

It's been a ssn of streaks for OU, as they've won 3 str twice & lost 3 str once. They entered the ssn a serious contender for the MAC East title after ret'g 18 str's, which matched the most here under Solich. It wouldn't be a complete ssn if OU didn't have inj's & that happened again as QB Vick (CS) has missed the LY/2 gms & they had to move LY's leading rusher Ouellette to the D to start a gm at LB. They finished the reg ssn on a 3 gm winning streak & over their LY/4 gms have avg'd 499 ypg incl 299 (5.5) rush ypg! DB Wells is their lone player to make either 1st or 2nd Tm All-Conf honors.

Ohio was playing its best ball down the stretch and will be motivated by being a TD+ dog here. Ohio has a large edge on ST's. App St figures to have the crowd edge (375 vs 533 miles) and have sold out their initial allotment of tickets. App St was +76.8 vs bowl tms (Ohio -45.7) but Ohio upset Marshall, only lost to Minny by 3 and knocked NIU out of the MAC Title gm so are worth a look as a large dog.

1st ever mtg. This is the inaugural Cure Bowl & the 1st ever bowl for GSJ (joined FBS 2Y ago). This is just the 3rd bowl gm in the L20Y for SJSt (1st s/12). Both tms have 1st time bowl HC's (Panther's Miles was 0-1 in the FCS playoffs).

SJSt was one of 3 tms to earn a bowl bid despite a losing record. They entered the ssn as an improved club as they ret'd 16 str's, 10 on offense incl QB Gray. Juco signee Potter was IFS & is a dual threat option & eventually won the job, but suffered a sprained ankle against OSU. He missed 2 gms, but ret'd vs UNLV & posted three 300 yd pass gms & one 100 yd rush gm in the L7. Tyler Ervin, maybe the best RB you've never heard of, had 6 gms over 100 yds incl 2 over 200, finishing once w/300! The Spartans never won B2B gms & finished the ssn losing 3 of 4. SJSt only all'd 154 pass ypg (55.5%), but still enter just #61 in our pass eff D rankings.

GSJ is far & away the most surprising team to make a bowl this ssn. They entered '15 having never beaten an FBS tm, won just 2 gms in 3Y & that included a ssn in the FCS! The Panthers did ret 17 str's & its very interesting that HC Miles had almost the exact kind of success in his 3rd yr at Ind St that he had this ssn, with similar records the prev 2Y! GSJ began the ssn 1-4 & then at 2-6, needed to win out to become bowl elig. After winning 3 str, they were a 21 pt road dog to powerful rival Georgia Southern. The Panthers won outright by nearly 4 td's & are one of the hottest lesser known tms in the country. QB Arbuckle finished the ssn w/7 str gms over 300 yds incl 2 over 400 in that span!

Georgia St is a lot closer (402 vs 2409 miles) but rarely get fans at home. SJSt is just 5-7 and while win or lose they will have a losing season, I expect them to be a motivated bunch. This figures to be the smallest crowd of the post season. The key matchup is SJSt's solid pass D vs Arbuckle who has been shredding weak pass D's.

**FORECAST: SAN JOSE ST BY 3 RATING: NO PLAY**

These schls met every yr from 1970-'98, but haven't met since. LT leads the all-time series 25-12 & has won 9 of 10. This will be AST's 2nd app in this bowl (LT's 1st). They lost to SM 31-19 (+15') in '05. HC Anderson cch'd his 1st bowl LY (GoDaddy), a 63-44 (+3) loss to Toledo. LT has been to 3 bowls in the L7Y (2-1 SU/3-0 ATS) incl winning LY's Heart of Dallas Bowl 35-18 (-6') over Illinois. Prior to LT, HC Holtz was 2-3 SU/3-2 ATS in bowls at EC & USF.

LT entered the ssn as the fav to win the CUSA West, but fell 1 gm short. After st'g the ssn 1-2, they reeled off 3 str wins, then lost as expected at Miss St, then won 4 str before falling to SM in the finale. Former Gator QB Driskel had a resurgence in Ruston, as he finished w/6 gms over 300 pass yds to lead an offense that avg'd 466 ypg. RB Dixon entered the ssn as the schls all-time leading rusher & is nearing 1,000 yds for the 3rd time despite an injury plagued year. LT finished the reg ssn with our #52 ranked rush D which faces AST's potent rush offense.

AST was one of the favorites to win the SBC as they ret'd a 2nd yr cch for the 1st time s/'03 & went undefeated in conf play. They enter this gm red hot, having won 8 str. QB Knighten was banged up early, but is healthy & threw for over 300 yds twice in the L/3 gms. RB Gordon leads a rush attack that avg'd 237 (5.0) ypg as the Red Wolves avg'd 449 ttl ypg on the ssn. Defensively AST finished a respectable #23 in our pass eff D rankings, all'g just 52.7% with a 23-26 ratio.

LT is closer (233 vs 409 miles) but AST travels well. LT is -8 ypg vs bowl tms but AST is -73.8. AST lost their starting left OT week 11. Both teams figure to be motivated and this one should be a shootout in the dome. Ark St played better ball down the stretch but it has been a couple wks since they played last. The checklist says LT by 4 so we will side with the Bulldogs in a near pick'em game.

## KEY SELECTION

**3★ New England over MIAMI** - With their OT loss a week ago vs the Jets (outgained 428-284), the Pats (8-1 ATS off a SU loss) now find themselves needing a win to earn the #1 seed in the AFC for the 4th time in the past 6 ssn. They now head down South to take on a MIA squad that dropped their 5th gm in the past 6 wks (0-6 ATS) a wk ago vs IND despite a 361-268 yd edge and having the ball inside the 10 in the final seconds trailing by 6. In their previous meeting this ssn on Thur Night in NE, the Pats dominated from the start in the 29 pt win as they held MIA to just 7 pts and 270 tl yds. Backing the Dolphins (CS on QB Tannehill) in DIV contests doesn't appear to be a wise decision at this moment as they are on just a 4-14 ATS run vs AFC East foes. **FORECAST: NEW ENGLAND by 14**

## OTHER SELECTION

**2★ BUFFALO over NY Jets** - After getting back into the win column a week ago against the Cowboys behind a nice performance from their ground game (236 yds) and defense (all'd just 6 pts, 14 FD's & 307 yds), BUF HC Rex Ryan welcomes his old team with the goal of earning the ssn sweep following their turnover-aided road victory earlier in the ssn (NYJ 318-280 yd edge, -4 TO's). The Jets meanwhile delivered their 5th consec win LW in OT over NE (428-284 yd edge) behind yet another big outing from QB Fitzpatrick (296 pass yds, 3 TD's). While the Jets are within reach of clinching a playoff spot with a win here, we expect Ryan and company to play spoiler here as they are an impressive 12-5-1 ATS vs their DIV opponents. **FORECAST: BUFFALO by 1**

## OTHER PLAYS

**CAROLINA by 10 over Tampa Bay** - The Panthers 18-gm regular ssn winning streak came to a screeching halt a week ago in ATL as the Falcons had a 373-268 yd edge and held QB Newton under 200 yds of tll offense for the 2nd time this ssn. They now play host to a scuffling Bucs squad that dropped their 3rd straight contest LW vs the Bears as HC Smith moved to 0-2 against his former team despite a 389-327 yardage edge (TB 3 TO's). In their previous meeting this ssn way back in Wk 4, CAR went into TB and came away with a 37-23 win thanks in part to 4 int's thrown by QB Winston (Bucs had 25-17 FD and 411-244 yd edges). While we feel pretty confident that the Panthers will get the outright victory this weekend with significant home edges TY in both points (32-18) and yardage (396-315), we'll let Vegas decide which way we lean as far as the spread is concerned.

**CINCINNATI by 13 over Baltimore** - The Ravens ended a 3-gm losing skid LW at home against the Steelers behind Ryan Mallett (274 pass yds, 1 TD) who became the 4th different QB to start for BAL in the past 6 gms (swept PIT for 1st time s/11). They now head to Cincy to take on a Bengals team that returns home following their MNF clash with Denver. In their previous meeting in BAL with a then healthy QB Flacco, RB Forsett and WR Smith, the Bengals were able to survive 28-24 (CIN led 14-0 at HT). With CIN posting a very solid 11-2-1 ATS mark this ssn and still able to improve their playoff positioning no matter what their outcome is against the Broncos, we'll lean with the home squad to get it done in this one.

**ATLANTA by 7 over New Orleans** - The Saints head to ATL fresh off of their relatively easy win over the Jags in the Superdome (led 24-0 in 2Q) behind a 412 yd, 3 TD performance from QB Brees. They now take on an ATL team that pulled out one the bigger upsets of the ssn LW at home against the undefeated Panthers as WR Jones posted a 9 catch, 178 yd outing while the defense held CAR to just 268 yds (106 yds under their ssn avg). In their previous meeting back in Wk 6, a 5-0 ATL team went into the Superdome and left with their 1st loss of the ssn thanks to a plethora of 1H miscues that saw them down by 7 at half despite a 242-169 yd edge. While the Falcons have endured quite the collapse as the year has wore on and were eliminated from the playoffs following MIN's win LW, keep in mind that they've actually outgained their opponents by +67 ypg TY at home. The Saints meanwhile continue to have no solution on their defensive side of the ball (#31 in tll defense, DEAD LAST in scoring defense) which doesn't bode well against an ATL squad that's not only searching for revenge from their early ssn loss, but for some much-needed momentum as they head into the offssn.

**HOUSTON by 14 over Jacksonville** - Despite being forced to use 4 different QB's for significant time throughout the ssn, the Texans enter their ssn finale with a game lead on the Colts atop the AFC South standings following their easy road victory in Nashville a week ago (3★ LP Winner) behind QB Weeden and his 200 yd, 3 tl TD outing (HOU ssn-high 34 pts). They now play host to a Jaguars team that suffered defeat in the Superdome LW against the Saints as they were unable to come back from an early 24-0 deficit (JAX outgained 537-412). In their prior meeting this ssn back in Wk 6, the Texans (trailing by 7) rattled off 3 TD's in a span of 3:25 (final TD came on 31-yd IR) to leave JAX with a 31-20 victory. With HOU now at home and riding a solid defense that has surrendered less than 300 yds in 6 of their past 8 contests, we expect them to get back into the playoffs for the 1st time in 3 years.

**Pittsburgh by 17 over CLEVELAND** - The Steelers suffered a costly defeat a week ago in BAL as a streaking offense that had surpassed the 30+ pts in 6 straight was held to just 17 pts on 303 yds. They now face a Browns team that they have clearly dominated over the past 15 ssn with a 26-4 SU mark (14 pt avg MOV) including an easy 30-9 victory in Heinz Field back in Wk 10, a game that a hobbled Roethlisberger came off the bench to throw for 379 yds and 3 TD's. CLE nearly delivered a shocking upset in KC a week ago against the Chiefs as they finished with a 368-258 yd edge (QB Manziel 136 pass, 108 rush) but ran out of time in KC territory as time expired trailing by 4. With the Browns on just a 2-6 ATS run and the Steelers needing a win and some help here to clinch a Wildcard spot in the AFC, we expect them to improve upon their already impressive 14-7-1 ATS mark inside of their DIV.

**KANSAS CITY by 10 over Oakland** - While the Chiefs earned their 9th consec win (7-2 ATS run) LW against the Browns (tied franchise record for most consec wins), it wasn't easy as CLE finished with a 368-258 yd edge and had the ball in KC territory as time expired. They now welcome a Raiders team that survived LW in OT against SD in potentially their final gm in OAK despite recording just 1 FD in the 3rd and 4th quarters combined (SD 343-281 yd edge). In their previous meeting this ssn in the "Black Hole", the Chiefs overcame a shaky 1st 3 quarters (trailed 20-14) by closing out the 4Q with 20 unanswered pts in the 34-20 win (KC outgained 361-232). While the Chiefs are back in the playoffs as they remain alive for the DIV title in the AFC West following the Broncos' recent skid.

**INDIANAPOLIS by 10 over Tennessee** - Must win situation for the Colts as they still sit at a game back in the AFC South standings following their 18-12 victory in MIA a wk ago (3★ LP Winner!). IND now plays host to a banged up Titans squad that's just 1 more loss away from clinching the #1 overall pick for next year's Draft following their massive home beatdown (257 tl yds of off, 4 TO's) at the hands of HOU LW as they were without the services of Mariota under center (bkp Mettenberger 27-51-234 w/a 1-1 ratio, now 0-9 SU in career as a starter). In their previous matchup this ssn (Wk 3) at TEN, the Colts (trailing 27-14 mid 4Q) were able to string together 3 TD's over a 4 minute span to leave with a 2 pt victory (TEN backdoor cover w/47 left, 2 pt conv failed). While IND is a very solid 11-4-2 ATS vs DIV foes and the Titans are just 7-21-2 in their role as a dog, it appears that the Colts' ssn will now be on the shoulders of 3rd string QB and former Titan Charlie Whitehurst (9-14-78 vs MIA) who was thrown into action once again for the inj'd Hasselbeck (left w/inj for 4th consec gm).

**DALLAS by 4 over Washington** - These 2 squads met less than a month ago on MNF in D.C. with the Cowboys getting the GW 54-yd FG w/09 remaining in a defensive slugfest. A lot has changed since that matchup however as DAL has dropped each of their past 3 contests including a 16-6 loss LW in BUF in QB Moore's 1st career start (13-31-186, 1 int). WAS meanwhile is on a 3-gm winning streak that includes their DIV-clinching win LW in Philly behind yet another strong showing from QB Cousins (365 yds, 4 TD). While DAL is a porous 2-8-1 ATS inside of their home venue, it's unclear

as of presstime about just how much action the WAS starters will see now that they've earned the #4 spot. While we'll give the Cowboys the edge for now, we'll also reserve the right to adjust our line once we get further details on the Redskins' plans.

**Detroit by 3 over CHICAGO** - While the beginning of the Lions ssn didn't go as expected with losses in 7 of their 1st 8 matchups, some changes on the coaching staff have seen them rattle off victories in 5 of the L7 including LW's 32-17 win over the 49ers, a game in which DET scored the final 17 pts (SF shutout in 2H). They now head to CHI to take on a Bears team that won for just the 2nd time in the past 6 gms LW in Tampa despite a 389-327 yd edge by the Bucs (TB 3 TO's). Ironically, the only win during DET's 1st 8 contests came against this very same Bears squad back in Wk 6, a game that saw the Lions connect on the GW 27-yd FG with 2:29 remaining in OT. The deciding factor in our decision to lean with DET in this one is CHI's surprising lack of success at home over their L10 matchups as they've come out victorious just once while going 2-8 ATS in that span.

**Philadelphia by 1 over NY GIANTS** - Both teams saw their playoff hopes dashed a week ago following the Eagles' 38-24 home loss to the Redskins on Sat night. The Giants and their #32 ranked defense suffered a fairly substantial beatdown at the hands of the Vikings LW as they were without the services of standout WR Beckham (NYG trailed 19-3 at HT). In their previous meeting in Philly on MNF in Oct, the Giants were able to jump out to a 7-0 lead before a slew of TO's and crucial penalties quickly turned the tide in favor of the Eagles (20 pt win, 425-247 yd edge). While the Giants do get the home edge in this one as they seek some revenge, it's tough for us to lean against the Eagles as a DIV AD where they've posted an impressive 14-3 ATS mark.

**DENVER by 14 over San Diego** - DEN is back at home for a 2nd consec week following their crucial MNF tilt against the Bengals. They now play host to a banged-up Chargers team that fell just short in their upset attempt LW in OAK (23-20 OT loss) despite a 343-281 yd edge. These two squads met less than a month ago in SD with DEN coming away with a 17-3 victory behind a splendid performance from their defense (#1 NFL) that allowed just 272 yds for the gm. With the Broncos' playoff picture still cloudy as of presstime with the Chiefs now just a half game back prior to their matchup with the Bengals, this could very well be must-win territory for DEN who has gone an impressive 17-6 ATS vs AFC West foes.

**St Louis by 4 over SAN FRANCISCO** - While the Rams are in the midst of a 3-game winning streak following their 1st victory in SEA s/2004, they have been outgained in each of their L2 including a 313-207 yd deficit a week ago. They now head back on the road for a 2nd consec weekend to close out their ssn against a 49ers squad that moved their current ATS run to just 6-15 following their defeat in DET vs the Lions (11 penalties for 2nd straight week, shutout 17-0 in 2H). In their previous meeting back in Wk 8 (final start by QB Kaepernick), the Rams jumped out to a 14 pt HT lead (27-6 victory, -7) while holding the SF offense to just 11 FD's and 189 tl yds for the game. While 3 of the 49ers' 4 wins have come at home, a porous 1-10 ATS run inside of the NFC West has us leaning with the visitor in this one.

**Seattle at ARIZONA** - The Seahawks head to the desert following just their 2nd defeat in their past 9 contests after being swept by the Rams on the ssn thanks to 3 TO's (SEA 313-207 yd edge). Ironically, their only loss prior to LW during that span came at home to this same Cardinals squad back in the middle of Nov as ARZ jumped out to a 22-7 HT lead (269-89 yd edge) and held off a late Seahawks charge to prevail by 7. The Cardinals (18-9 ATS run) clinched the #2 seed thanks in part to a monumental defense performance a week ago against the Packers as they recorded 4 TO's (2 ret'd for TD's), 9 sks and held GB to just 8 pts and 178 tl yds. With the results of the Panthers contest against TB playing a big part of how ARZ will handle this game (resting starters if CAR wins?), we'll pass on a projection for this matchup.

**Minnesota at GREEN BAY** - Flexed to SNF - After their solid 49-17 home victory on SNF over the Giants that saw them earn a playoff spot (forced 3 Manning int's), the Vikings head to Lambeau with revenge on their mind following a 30-13 loss to the Packers back in Wk 11 (MIN 342-320 yd edge). GB was dominated from the start a wk ago in ARZ as the Cardinals forced 4 TO's (2 ret for TD's), recorded 9 sks and held GB to 17 ppg and 167 ypg under their ssn averages. While the Vikings have covered 6 straight games on the road, GB has been nearly as impressive as a HF with a 10-4-1 ATS mark. With the winner of this matchup earning the NFC North Title and the #3 seed, grab one of our Red-Hot NFL Marquee Selections (9-1 run!).

This is the 7th all-time mtg between these schls. Four gms took place when both were 1AA members from '97-'00. In the 2 mtgs as FBS members in '09-'10, USF won both SU (0-2 ATS). USF leads the series 4-2 SU. This is the 2nd Miami Beach Bowl. USF went to 6 str bowls (4-2) from '05-'10, but this is their 1st since. HC Taggart ironically led WKU to their 1st bowl as their HC in '12, but didn't cch the gm (hired by USF) so this will be his 1st ever bowl gm. WKU lost that gm in '12, but HC Brohm led them to a bowl win LY, 49-48 (-3) over CM in the Bahamas Bowl, a game they led 49-14 in the 4Q.

Things looked bleak early on for USF as they started the ssn 1-3 & were trying to find an identity on offense (just 4 ret str's) as they had 2 new Co-OC's. They then shifted back to more of a pro-style & won 3 str before falling to Navy on the road. The Bulls then closed the ssn w/4 str wins despite being a dog in 3 just missing the AAC champ gm! Over those final 4, they were +26 ypg & +195 ypg, while avg'g 504 ypg incl 303 (5.6) rush. RB Mack finished w/8 over 100.

WKU was the fav to win the CUSA as they were the 1st tm in FBS hist to have a 4,500 yd passer (Doughty) & 1,500 yd rusher (Allen) & both ret'd. Allen was inj'd & OFY vs LT & RB Wales took over vs MT & finished w/five 100 yd gms while Doughty again threw for over 4,500 yds! Their lone losses were on the road at Indiana & LSU, but they were out'd'g by less than 100 yds in each & had the 4th most yds LSU all'd all ssn! WKU indeed was the CUSA Champ & are #10 in the FBS avg 121 ypg more then their foes allow & posted the most yds allowed by their opp's in 5 gms.

These two were among the hottest teams in the country at the end of the year. USF will have the fan edge (207 vs 859 miles). WKU is +83 vs bowl tms while USF is -24.8 but USF led solid Temple and Cincy squads by a combined 82-13 at the half and have a slight edge on defense and are getting over a FG.

**FORECAST: USF (+) RATING: 2★**

1st meeting. Akron is bowling for just the 2nd time ever & they lost their initial appearance, 38-31 (+4) to Memphis in the '05 Motor City Bowl. HC Bowden cch'd in 3 bowls while at Auburn, going 2-1 SU/0-3 ATS. This is UTST's 5th str bowl & their 3rd appearance in the Idaho Potato Bowl. In their prev 2 post ssn trips here in '11 & '12 they went 1-1 SU/ATS & HC Wells is 2-0 SU/ATS in bowl gms.

UTST entered the ssn a contender for the MW crown as they ret'd 15 str's from a 10 win ssn. 2012 1st Tm WAC QB Keeton ret'd, but was again inj'd vs UW, but has st'd the L/2. Kent Myers did well again filling in for him, as they won 3 str, but have lost 4 of their L/6 despite being a fav in all but 1. The Aggies still finished in a 4 way tie for 2nd in the MW Mountain Div. They held 4 opp's to either their lowest or 2nd lowest yds on the ssn & finished w/26 sks (8.4%).

Akron entered this ssn with high expectations despite ret just 12 str's. After expected losses to OU & Pitt to open the ssn they then won 3 of their next 4. The Zips were blown out by eventual MAC champ BG & lost a close gm to CM, but then won their L/4 gms. Their calling card entering the ssn was their D & it lived up to the billing as they held 3 of their foes to their ssn low in yds & finished #17 in the FBS, holding their foes to 75 ypg below their avg. Over their L/4 gms, Akron avg'd 401 ypg incl 203 (4.5) rush ypg while all'g just 293 ypg incl 12 (7.2) rush ypg in that same span.

Once Woodson emerged at QB and gave Akron an offense they won those last 4 to clinch a winning year and they are happy to be in any bowl. Utah St will have the crowd edge (258 miles away, Akron 1769). QB Keeton was not up to his usual standards the last two but should be more to form here. Utah St shockingly has lost 6 gms so they need a win for a winning season. Wells 1st 2 bowls were 21-14 & 21-6 so figuring he follows suit (two strong defenses meet up with 2 average offenses) we'll go with the Under.

1st meeting. NIU lost their previous two trips to the Poinsettia Bowl, losing to Utah St, 21-14 (pk) in '13 & TCU 37-7 (+12) in '06. BSU lost in their only trip to the Poinsettia Bowl, 17-16 (+3) in '08. Since that loss, the Broncos have gone 5-1 SU/4-2 ATS in Bowls. HC Harsin is 1-0 in Bowls, winning LY's Fiesta Bowl vs Arizona, 38-30 (+3). HC Carey is 0-3 SU/ATS in bowls & the Huskies are 2-6 SU/ATS. BSU came into this ssn with high expectations after their Fiesta Bowl win & 17 ret str's. The Broncos appeared to be reaching those expectations at 5-1 but lost 3 of their L/5 incl a shocking 31-24 (-31) home loss to NM. BSU had the highest offensive output their opponent's all'd in 4 gms. BSU avg's 489 ypg & out'd foes by 147 ypg. The Broncos D started the ssn on fire & held foes to -139 ypg below their avg but in the L/4 all'd +87 ypg above their foes avg! The first year after Petersen left, Harsin beat expectations but very few would have forecast a 4 loss season this year. Northern had won 5 straight MAC West Titles but was not favored in the West.TY. They upset Toledo on the road 32-27 but then lost to Ohio week 12 & needed Toledo to be upset to get to their 6th straight MAC title gm. Down to their #3 QB (True Fr Fiedler) they were outgained by BG 501-259. Their D allowed 450 ypg the last 5. Boise is closer but still has to travel 756 miles (Niil 1678) but they travel well & should have the crowd edge. Nil is a solid 25-9 as a dog incl 3-1 this year with an upset of BG and they only lost to Ohio St by 7. Boise was favored in every gm but went just 8-4 SU & 6-6 ATS. The biggest edge may be at QB where Boise had their ups & downs with true frosh Brett Rypien (PS#24) while NIU could be down to a 3rd string walk on true frosh. Boise was +71 ypg vs bowl teams and NIU just -75 ypg. Both teams will try to set the tone for a rebound in 2016 and we will side with the stronger team that has a clear cut edge at QB.

**FORECAST: BOISE ST RATING: 1★**

1st meeting. This bowl was formerly known as the GMAC Bowl from '01-'10. This is BG's 1st GoDaddy Bowl, but they did go to 2 GMAC bowls, winning in '04 & losing in '07. They are 1-2 SU/ATS all-time in bowls. HC Babers accepted the Syracuse job & DC Ward will be the interim HC here. GS made a bowl in just their 2nd ssn in the FBS. HC Fritz is ch'g his 1st bowl, but he has a lot of postseason exp as he guided Sam Houston St to B2B Nat'l Title gms. GS was undefeated in the SBC in '14, but were ineligible for a bowl. After losing as expected at WV to open the ssn, they reeled off 5 str wins & then lost their 1st ever SBC gm at App St. They then won 3 of 4, with their lone loss on the road at UGA in OT. They split their L/2 as they were shocked by GSt as a 3 td fav. The Eagles run the triple option (356, 6.5 rush) & their D held 4 foes to ssn lows in yds as they finished #11 in the FBS all'g 90 ypg less than their foes avg. BG ret'd 15 str's incl 10 on offense & didn't disappoint. Despite a brutal out of conf sked that had them on the road in 3 of the 4 gms, they went 2-2. BG then won their F/6 conf gms, but then lost to Toledo for the 6th str yr. They rebounded to win their finale & then pounded NIU 34-14 to win the MAC. Their strength is on offense, as they avg'd 561 ypg & are #3 in the FBS avg 169 ypg more than their foes allow. QB Johnson had 6 gms w/400+ passing, but has failed to throw for more than 274 in the L/4. They haven't seen the option & are just #60 in our rush D rankings (all'ing 162 ypg, 4.0). GStH was held under 280 total yds in 4 gms. In their 4 losses, the Eagles avg'd 239 ypg & in their 8 wins 507 ypg. They were 1-4 vs bowl tms (-131 ypg) but did beat the MAC's WMich 43-17. GStH figures to have the crowd edge (388 miles vs 778 mile trip for BG). BG was +73 ypg vs bowl tms. While they each have time to prep for each other they run completely different offenses (wide open spread pass vs option) and we expect a lot of points in this one.

**FORECAST: OVER RATING: 3★**

This is the 1st ever mtg between these schls & this is the 2nd Bahamas Bowl. This is MT's 5th bowl gm with all of them coming in the L10Y. They failed to get a bid LY despite being elig. HC Stockstill has led them to all their bowl gms & is 1-3 SU/ATS. This is also WM's 5th bowl in the L10Y & the 1st time they've ever been to B2B bowls. They lost the Idaho Potato Bowl to AF LY, 38-24 (-2) & were 0-3 SU/1-2 ATS in the 3 prev. This is HC Fleck's 2nd bowl gm. WM surprised many by getting to a bowl gm LY. They ret'd 16 str's but faced a much tougher sked. After opening up 1-3 with expected, but respectable losses to MSU & OSU, they reeled off 5 str wins. Then came the brutal portion of their sked & they lost to eventual MAC champ BG & then to the MAC West champ NIU. They then faced a Toledo mt that needed a win to get to the MAC Title gm & pulled the outright upset despite being over a td dog. WM avg'd 481 ypg & are #19 in the FBS avg 82 ypg more than their foes. They are led on offense by QB Terrell, who had another fine ssn incl four gms w/over 300 pass yds. WM has our #68 ranked pass eff D all'ing 225 ypg (54.8%) w/a 21-9 ratio. MT entered the ssn as a prime contender in CUSA as they had their best tm in yrs coming off a 6 win ssn. They had 16 ret str's incl their QB Grammer. RFr QB Stockstill (HC's son) won the job & improved the position as he has had a fine ssn. Things looked bleak for the Blue Raiders early on as they st'd the ssn 2-4 after their loss at eventual CUSA champ WKU. They beat FIU, then lost to CUSA West champ LT & were sitting at 3-5. MT closed the ssn w/4 str wins, avg'g 496 ypg incl 310 pass ypg in that span. On the ssn they avg 459 ypg (QB Stockstill finishing w/7 gms of 300+ pass yds). MT has our #69 ranked pass eff D (247 ypg, 58%, 21-16). Both are excited to be here and hopefully the finish will be as great as LY when WKU led CM 49-14 4Q but needed to stop a 2pt to win 49-48. WM was -29.5 vs bowl tms & MT -112. Both tms are very similar statistically but WM has played the tougher schedule (#70 vs #109) facing 8 bowl tms including Ohio St & Mich St and we side with them here.

Last met in '07 when Cincy won easily on the road, 52-23 (-15). Both tms are making their 1st trip to the Hawaii Bowl. SDST does have the edge though as they played on the islands TY & won 28-14 (+2) vs UH. The Aztecs are making their 6th str bowl but Long is 2-7 SU in bowls all-time. The Bearcats are in their 5th str bowl. Tuberville is 0-2 SU/ATS at UC in bowls but 7-5 in bowls overall.

SDST came into this ssn with high expectations w/14 ret str's. The Aztecs started slow, losing 3 str non conf gms but ran through the MW, going 8-0 SU/7-1 ATS & winning the MW Title, beating AF 27-24 (-6) despite missing QB Smith (inj, CS). SDST swept the MW post-ssn awards & 9 players were 1st or 2nd Tm All-Conf. This was the 1st DD win ssn for SDST s/71. The Aztecs D finished 8th in the FB, holding foes to 100 yds below their avg. On the ssn, SDST all'd 288 ypg & outg'd foes by 90 ypg. However, against 3 FB NC foes, the Aztecs were outg'd by 175 ypg & all'd foes to gain 61 yds above their avg.

Cincy also came in w/high hopes despite only 13 ret str's but was derailed by a tough skid & once again lost their starting QB to inj. In their 5 losses, UC actually outg'd their foes by 73 ypg. The Bearcats are #2 in the FB, avg'g 166 ypg above what their foes have all'd. On 5 occasions, UC had the highest output their foes all'd. The Bearcats D struggled to stop the run & all'd 191 (5.0) ypg & faces RB Pumphrey who was the MW Off POY.

Cincy probably had the best collection of NFL caliber athletes in the AAC so they are very talented. This is a clash of styles with San Diego St's run game and defense vs the prolific pass attack of Cincy. We have rode the Aztecs all year and they delivered 7 straight ATS wins for us until the MW Title game. Even without QB Maxwell Smith they put up 436 yds vs Air Force and could have covered. Should be an entertaining game on Christmas Eve.

**FORECAST: SAN DIEGO ST RATING: 1★**

This is the 8th St Petersburg Bowl, formerly known as the Beef O' Brady's Bowl from '10 to '13. 1st mtg. UConn is in their 1st bowl s/11 when the Huskies lost to Oklahoma 48-20 (+14) in the Fiesta. Conn is 3-2 SU/ATS in Bowls. The Herd have been money in their bowl appearances, going 9-2 SU

1st time either are ply'g in this bowl & 1st overall meeting. This is SM 1st bowl s/'11 & they're 8-6 SU/7-6-1 ATS in their L/14 appearances. HC Monken is cch'g in his 1st bowl gm. UW is bowling for the 6th str ssn & lost to OSU 30-22 (-6) in LY's Cactus Bowl in HC Petersen's 1st yr as HC with the Huskies. Prior to UW, Peterson was 5-2 SU/ATS in bowls at Boise.

It looked to be a rebuilding yr for UW, as they lost a lot of talent to the NFL & ret'd just 9 str's. True frosh QB Jake Browning had a fine ssn along with another true frosh in RB Gaskin (3 str 100+ yd gm). With youth comes inconsistency & that is what UW has displayed, but they have an elite D as they held 4 of their foes to either their lowest or 2nd lowest yds tll & are #10 in the FBS holding their foes to 99 ypg below their ssn avg. The offense turned the corner late as they are avg'g 491 ypg incl 218 (4.4) rush ypg their L/3 gms.

For yrs you could count on SM being bowl elig as they had gone 19 str yrs w/o a losing ssn before '12! In his 3rd yr, HC Monken has done a great job and SMiss was a money machine this year at 10-3 ATS. As expected they split their 4 non-conf gms, losing to both P5 conf tms, then crushed NT & outgained Marshall in a loss. They then reeled off 6 str wins incl going on the road and crushing LT for the CUSA West Div title, before losing to WKU in the CUSA Champ gm. They are #15 in the FBS avg 100 ypg more than their foes allow & Mullens has had 9 gms w/300+ pass yds incl 1 over 400.

If you look at the stats you take SMiss (+8') which has outgained their foes by 156 ypg. UW is just +38 ypg. Sometimes stats lie. SMiss faced our #125 schedule and UW #32. SMiss has not faced a defense all year that ranked above #51 (avg #97) and now take on our 6th rated D. UW faced 10 bowl teams and SM just 5 and they were 1-4 vs them losing by an average of 16 ppg. UW has a young team that just keeps getting better.

**FORECAST: WASHINGTON RATING: 2★**

This is the 6th Pinstripe Bowl. These two L/met in '84. Both tms look to end long droughts w/o a bowl victory. IU is making their 1st bowl trip s/'07's Insight Bowl, a 49-33 (+5) loss to OKSt. The Hoosiers haven't won a bowl s/'90, in the now defunct Copper Bowl, 24-0 vs Baylor. IU is 3-6 all time in Bowls. Prior to HC Cutcliffe, Duke had never appeared in 2 consecutive bowls but are now heading to their 4th str. The Blue Devils are 0-3 SU/2-1 ATS in recent bowls incl LY's loss in the Sun Bowl to AZSt, 36-31 (+7) & haven't won a bowl s/the days of black & white television in the '61 Cotton Bowl, a 7-6 win over Arkansas.

IU ret'd just 12 str's but did bring back QB Sudfeld & UAB transfer RB Howard. IU won their 1st 4 before losing 6 str in B10 play incl close losses to Ohio St, Mich (OT) & Iowa. The Hoosiers fought back to gain bowl eligibility with wins over MD & Pur. The Hoosiers offense was one of the nations best, avg'g 119 ypg more than their foes all'g (#13 in FBS) but their defense was one of the nations worst, all'g foes to gain 114 ypg more than they avg'd (#124 in FBS).

Duke came into the ssn with just 13 ret'r str's but once again exceeded expectations under HC Cutcliffe. The Blue Devils started the ssn 6-1 but lost 4 str before winning their ssn finale. Duke outgd'g foes by 59 ypg on the ssn which is their best tll under Cutcliffe. One concern for Duke is their pass D. In the L/4, Duke all'd 353 pass ypg & their foes put up 139 ypg more than they avg'd on the ssn.

Duke's defense allowed just 252 ypg the first half of the season and 491 ypg over the 2H. QB Sirk should be 100% after missing the Pitt game. We have to believe it is a priority for Cutcliffe to get a bowl win here but also for Indiana who is trying to finish with a winning year. The checklist has it at the line. We like the Over depending what the weather is in New York on Dec 26th so at this point we will make it a 1★.

**FORECAST: OVER RATING: 1★**

Last met in '78. TU leads the series 3-1 SU. This is VT's 3rd app in this bowl as they lost to AF in '84 & beat Ind in '93. Beamer has been in a bowl the L23Y, going 10-12 SU/10-11-1 ATS & won the Military Bowl 33-17 (+2) over Cincy TU/10 in a bowl following a 2 yr absence & have also ply'd in this bowl twice, losing to McNeese St in the Inaugural Indep Bowl in '76 & falling to Oregon in '89.

Montgomery, the former Baylor OC took over a 2-10 tm & got them to bowl in his 1st ssn. They did ret 16 str's incl 10 on offense & QB Evans fit perfectly into the new offense incl 3 gms over 400 yds pass. TU never won more than 2 str gms, but also never had a 3 gm losing streak. They won every gm they were a fav in, & lost every gm they were a dog in except for their upset at NM week 2. The Golden Hurricanes avg 503 ypg & are #16 in the FBS avg'g 97 ypg more than their foes allow. The 603 yds they put up on OU, was the most the Sooners all'd all ssn!

VT had extremely high expectations entering the ssn as they ret'd 16 str's incl their QB Brewer & had a manageable ACC sked. Unfortunately Brewer broke his collarbone in the opener vs OSU & didn't fully return until the Duke loss, which made them 3-5. Following a win at BC, Beamer announced he would retire after the ssn & they won 2 of their L/3 with an OT loss to NCAr then beat rival UVA that made them bowl elig. Like TU, VT also never won or lost more than 2 str & held 4 foes to either their lowest or 2nd lowest yds & have our #19 ranked pass eff D.

While Tulsa is a lot closer (339 vs 942 miles), VT might have the crowd edge in Beamer's final game as head coach. Tulsa rates the edge on offense and VT has a massive edge on D. Tulsa was -91 ypg vs bowl tms (VT -69 ypg). We will be rooting for VT to win this for Beamer but huge favorites prior to New Years have been a poor proposition and Tulsa has enough firepower for back door potential.

This Foster Farms Bowl was known as the Emerald Bowl from '04-'09 & the Kraft Fight Hunger Bowl from '10-'13. These two met in the '12 & '13 reg ssn w/the Bruins pulling outright upsets in both. UCLA is making their 3rd trip here but lost the previous 2 in '06 to FSU 44-27 (-3) & '11 to Illinois 20-14 (+3). This is UCLA's 5th str bowl & HC Mora has led them to 2 str wins while Neb is playing in their 8th str bowl but are 1-4 SU/2-3 ATS incl LY's Holiday Bowl, a 45-42 (+7) loss to USC. HC Riley & HC Mora L/met in '12. Riley's Beavers upset the Bruins on the road 27-20 (+7). UCLA came into the ssn w/18 ret str's & was Mora's most experienced tm. However, inj's decimated their Defense & they lost 3 expected 1st Tm All Conf players incl LB Jack for the ssn. Despite the inj's, UCLA still had a chance to salvage their ssn with a win over rival USC but lost 40-21 (+3). UCLA outgd' foes by 79 ypg & held them to 43 ypg below their ssn avg. The Bruins also avg'd 56 ypg more than their foes all'd. UCLA had 9 players named to the 1st or 2nd Tm All-Conf selections.

Neb finished 5-7 on the ssn but became bowl eligible after not enough tms reached 6 wins. Neb came into the ssn w/12 ret str's & a new HC but were still expected to contend in the B10 West. The Huskers lost their opener to BYU on a hail mary 33-28 (-6'), an OT gm to Miami 36-33 (+3) & last second losses to both Illinois 14-13 (-6') & UW (-2'). The Huskers ssn highlight was a controversial upset win over Mich St, 39-38 (+5'). NU outgd' foes by 41 ypg on the ssn & was #20 in the FBS, avg'g 82 ypg more than their foes all'd. Nebraska already upset Mich St and outgained Iowa 433-250 but both of those were at home in favorable situations. UCLA had National Title hopes into the year but are playing just a 5-7 team here. Neb was +41 ypg & lost 4 gms on the last play or could be 9-3. Despite the value on Neb, UCLA looks like the stronger team.

**FORECAST: UCLA** **RATING: 1★**

This is the 40th mtg between these schls, with the last coming in '13 when Navy won 24-21 (+5). The Middies are 3-8-1 SU, but 7-5 ATS s/'79. This bowl was previously named the Eagle Bank Bowl & Navy s/'d in the inaugural edition in '08, losing to WF 29-19 (-3). This is their 4th str bowl appearance & Niumatalolo is 3-4 SU/4-3 ATS in bowls. Pitt is bowling for the 8th str yr (1st here). They've gone 3-4 SU/ATS in that span & this is HC Narduzzi's 1st bowl gm.

Despite a new HC, Pitt had plenty of talent & ret'd 15 str's incl all their top playmakers on offense. The main concern was the D, but with Narduzzi being excellent on that side of the ball, the Panthers held 4 of their foes to either their lowest or 2nd lowest yds mark & are #21 in the FBS holding their opp to 69 ypg less than their avg. Things were bleak early as 2nd Tm AA RB Conner was OFY in the opener, but r/Ollison filled the void w/207 yds in the opener & had 3 additional gms of 100+ rush yds. Tenn trans QB Peterman beat out Voytk early. The best play'r on offense is clearly WR Boyd, who's numbers were down because of constantly double & triple teamed. They s't'd the ssn 6-1, but ended 2-3 as the sked toughened up.

Navy was an IND for 124 yrs & had a chance to play for the AAC Title in their 1st ssn as a conf member. Despite only ret'ing 10 str's, they had QB Reynolds who set the car rushing td rec. The Middies lone loss entering the conf ssn finale was at ND, but with a trip to the conf championship on the line, they were outclassed by UH.

Navy's 2 losses came to tms with a comb 3 losses. Pitt has losses to ND, NCar & Iowa. While Pitt was shredded by the GTech option for 482 yds, they won the game and gained exp vs the option. They have now had 3 weeks to prep for it. Navy has an edge in playing 16 days ago and this is Reynolds FHG (beat SMU 55-14 in last one). This should be a close game and the checklist says the wrong team is favored by over a FG.

**FORECAST: PITTSBURGH (+)** **RATING: 3★**

This is the 2nd Quick Lane Bowl. These two haven't met s/'87. CM hasn't played in this bowl but has played in bowls at Ford Field 4 times, going 2-2 SU/3-1 ATS. The Chips' are 3-3 SU/4-1-1 ATS in recent bowls incl LY's Bahamas Bowl when they trailed 49-14 in the 4Q but scored 3 str before missing the 2pt conv & lost 49-48 (+1). Minn had won 3 str bowls from '02-'04 but have lost 7 straight.

With just 10 ret str's & a new HC, it appeared CM was in for a rebuilding year. CM started the ssn 2-4 before going 5-1 & keeping their bowl streak alive. QB Rush was #2 in the MAC w/3,703 yds despite a poor run gm that avg'd just 101 (3.1) ypg. CM was #26 in FBS, holding foes to 60 ypg below their avg & outgd' foes by 85 ypg on the ssn.

UM came into the ssn w/just 10 ret str's defense (NC 8 win ssn in '14). The Gophers still had high expectations & appeared to be on their way to another winning ssn when HC Kill abruptly announced his retirement due to health concerns. The Gophers went into their home gm vs Mich full of emotion & fell just a yard short of upsetting the Wolverines. The Gophers went 1-4 under Clayes but were 4-1 ATS taking on the big guys. Due to the lack of 6 win tms, UM was chosen for a bowl. UM held foes to 50 ypg below their avg & held their foes to their 2nd or 3rd lowest output of the ssn 5 times. UM was outgd' in their L/4 by 71 ypg. Minn did play 2 other MAC tms (Kent St, Ohio) TY, going 2-0 SU/0-2 ATS, +3 ppg & +135 ypg.

The Gopher coaching staff has been to 5 bowl games while CM's head man came over from the NFL and last was in college at Army from '93-'98. While the Gophers are favored they might feel like the underdog at 5-7 and have the stronger offense and defense and a huge edge on ST's. CM should have the crowd edge but a quick look at the checklist shows the Gophers by 10' and they are laying less than a TD. Clayes has been named HC full time and gets it done.

This is the 9th mtg between these schls (Cal 6-2). The last mtg was in this very bowl, which Cal won 42-36 (-4) in '07. Cal is bowling for the 1st time in 4Y. HC Dykes was 0-1 SU/1-0 ATS in his lone bowl while at LT. This is AF's 5th appearance in this bowl & 8th overall in the L9Y. They're 1-3 SU/ATS here & 2-1 SU/3-0 ATS in the other, all w/HC Calhoun.

It was going to be tough for AF to match LY's 10 win total as they ret'd 11 str's & had to break in a new QB. St'g QB Romine was inj & OFY after 2 gms & then lost 3 of their next 4 gms. They then won 5 str incl B2B outright upsets vs UTSt & at Boise. Having the Mountain Div wrapped up, AF lost an opportunity to host the conf champ gm when they lost at NM despite being a DD fav. AF then lost at SDSt in the MW Champ gm. They avg 453 ypg incl 322 (5.5) rush ypg & are #22 in the FBS as they avg 72 ypg more than their foes allow, but have just our #76 ranked pass eff D & will be taking on a QB that will likely be st'g in the NFL next ssn.

Cal was 1 pl away from getting to a bowl LY & entered TY w/17 ret str's. After st'g the ssn 5-0 the sked turned brutal & they lost 4 str against UT, UCLA, USC, & Oreg. They beat OSU to become bowl elig, but then lost to rival SU & then won their finale. QB Goff was 1st Tm P12 & threw for 300+ yds 9 times incl 2 over 400 & ssn high 542 yds & 5 td's in the finale. The Golden Bears avg 524 ypg & are #10 in the FBS avg 117 ypg more than their foes allow. Defense is a struggle as they are #103 in the FBS all g 45 ypg more than their foes avg & they enter with our #87 ranked rush D.

Pass attack vs option so it should be a higher scoring game (and the total reflects that). Goff should polish up his NFL resume with another 400 yd effort. AF did put up 35 vs Utah St & 38 vs Boise which both have better D's than Cal. We will take gladly the dog getting a TD which is a service academy in Armed Forces bowl.

**FORECAST: AIR FORCE (+) RATING: 2★**

1st mtg. This bowl has had many names (Blockbuster, CarQuest, MicronPC, Tangerine, Champs Sports). NC beat Ark in the '95 CarQuest Bowl here 20-10 (-2) & this is their 7th bowl gm in the L8Y incl their 3rd str. Under HC Fedora NC is 1-1 SU/ATS & he was 2-2 SU/1-3 ATS in bowls at SM. This will be BU's 6th str postssn appearance & they're 2-3 SU/ATS. HC Briles was also 0-4 SU/1-3 ATS in bowls at HU.

BU entered the ssn a legit contender for a Nat'l title as they ret'd 18 str's. QB Seth Russell took over w/o a hitch & won his F/7 sts by 36 ypg, albeit against a soft sked. Russell was then OFY & true frosh Stidham took over, but the sked got tougher. The Bears improved to 8-0, but then lost to OU. Stidham was then inj vs OSU & they lost their final 2, failing to throw for 100 yds in either gm! They lost #3 QB Johnson vs Texas and used WR Hawthorne at QB They did avg 325 (4.6) rush ypg over their L3 gms.

NC was the surprise tm in the ACC. Despite 17 ret str's incl 10 on offense & QB Williams, there were plenty of ? on D. Fortunately, their offense had so much firepower, they were able to win the Coastal Div despite being #102 in the FBS, all g 43 ypg more than their foes avg. NC lost their opener to SC, then won 11 str & were within striking distance of CU in the ACC Champ gm, but had a bogus offside pen on an inside kick. They are #9 in the FBS, avg g 126 ypg more than their foes allow. QB Williams had another fine ssn & RB Hood took over as the feature back & had 7 gms with 100+ rush yds.

This should be a redemption bowl for Baylor as they lost their bowl LY and are off 3 losses in their last 4. Briles will have the QB situation in much better shape with extra time to heal and prepare. While the Def #'s are similar, Baylor holds their opp to 56 ypg below their avg and NC allows 43 above. Baylor was +92.5 ypg vs bowl tms and NC just +19.5. We like the now underrated and angry Bears here.

**FORECAST: BAYLOR RATING: 3★**

This is the 1st ever Arizona Bowl. This is a rare mtg between Conf foes in a Bowl gm. MW Commish Thompson was livid and spoke out publicly regarding this matchup. These 2 did not meet TY, but CSU won the L/2 mtgs & is 11-2 SU/6-6 ATS vs NV. This is CSU's 3rd str bowl. The Rams were blown out LY 45-10 (+2) by Utah in the Las Vegas Bowl. CSU's last bowl win was in the '13 New Mexico Bowl. NV is making their 2nd str bowl trip. The Wolfpack are 1-7 SU/3-5 ATS in bowls & lost their L/3 incl LY's New Orleans Bowl to ULL, 16-3 (-1). This is HC Bobo's 1st bowl and Polian's 2nd.

CSU came into this ssn having to replace their QB, RB, top OL, top 2 tklr's & their HC so they were expected to take a step back. CSU started the ssn 2-4 but showed improvement down the stretch, winning 5 of 6, incl a 38-23 (+3) home upset vs AF. CSU relied on their run gm heavily at the end of the ssn. In the 1st 8 gms, the Rams avg'd 164 rush ypg but in the L/4 went for 258 rush ypg. The Rams all'd 208 (4.9) rush ypg & was #94 in the FBS, all g 28 ypg more than their foes avg'd.

NV also came into TY with heavy losses which incl their star QB & had just 11 ret str's. The Wolfpack were up & down all ssn, being upset at home by UNLV 23-17 (-5) & at Wyoming 28-21 (-6) to put them at 3-4 before rattling off 3 str wins to get bowl eligible. NV will try to expose the weak CSU run D with their two 1,000 yd rushers in RB's Butler & Jackson. NV has been outg'd by 17 ypg on the ssn & has avg'd 30 ypg less than their foes all'd.

There may be a little more pressure on Nevada to avoid a losing season. The checklist comes up with a slight edge to Nevada but this game is near pick'em any way. The key matchup is both teams avg 4.8 yards per carry and allow 4.8 & 4.9 ypc. If two teams are each gaining roughly 5 yds per rush both offense will have success and the total is only 54, so we will side with the OVER.

Two meetings both in '50's. This was previously known as the Texas Bowl ('06-'10) & Car Care Bowl (ret's TY as Texas Bowl). TT beat MN 34-31 (-13) in the Car Care Bowl in '12 (late comeback) & this is their 17th bowl in the L20Y. They're 10-6 SU/6-10 ATS & HC Kingsbury won his only bowl, 37-23 (+14) vs ASU in the '13 Holiday Bowl, TT's last post ssn appearance. LSU is making their 1st appearance here, but this is their 16th str bowl gm. They're 6-4 SU/5-5 ATS in bowls under HC Miles & he was 1-2 SU/0-2-1 ATS in bowls at OSU.

LSU entered this ssn as a Nat'l Title contender & while they fell short, they still have 8 wins for the 16th str ssn. Their opener was cancelled due to weather & they were 7-0 but lost their huge showdown with Bama. Despite poor QB play, Fournette was the Heisman frontrunner. Fournette was shut down vs Bama & the Tigers then lost to Ark & Ole Miss & it appeared Miles would be let go. They beat A&M in the finale. LSU was held under 100 pass yds 4X, but on D they are #16 in the FBS all g 80 ypg less than their foes avg.

TT could only improve after winning 4 games LY & ret'd 17 str's incl their top playmakers on offense. They started 3-0, incl an outright upset win at Ark (+10'). In conf play they won all their gms as a fav & lost all their gms as a dog except in the finale when they upset TX. Despite a new DC, they still struggled as they are #120 in the FBS, all g 90 ypg more than their foes avg. Their offense bailed them out (#1 FBS avg 182 ypg more than opp allow). Stopping Fournette could be a tall task as they have our #117 ranked rush D.

A look at the checklist shows LSU with edges across the board except for that pesky QB spot. TT ran the ball more (438 vs 329 rush att '14), so are more balanced. LSU has a massive edge on defense (#20 vs #116) and Fournette vs a rush D allowing 5.9 ypc is a mismatch. LSU also has a top notch secondary and despite this being in the state of Texas, LSU is 250 miles closer.

**FORECAST: LSU RATING: 3★**

1st meeting s/'76. This was formerly known as the BBCA Compass Bowl from '10-'13 & the PapaJohns.com Bowl from '06-'09. Both make their 1st trip. MU is making their 2nd str bowl trip & won LY's Miami Beach Bowl vs BYU, 55-48 (-2, 2OT). Aub is making their 3rd str bowl trip under HC Malzahn but are 0-2 SU/1-1 ATS. Prior to Malzahn, Aub was 8-1 SU/6-3 in bowls. HC Fuente resigned to take the job at VT. Interim HC Dickey will take over for the bowl. Dickey was 1-3 SU/ATS in bowls as HC of North Texas.

Auburn came into this ssn a National Title contender but are glad to just have made a bowl. The Tigers did have to replace their QB, top RB & top WR but added DC Muschamp. After barely winning their first two gms, Aub was dismantled by LSU 45-21 (+6'). Struggling QB Johnson was replaced by RB QB White. White was inj'd & they turned back to Johnson who led them to wins over A&M 26-10 (+7') & Idaho, 56-34 (-34) to get bowl eligible. Aub was outg'd by 55 ypg & inj's took a toll on their D as they missed multiple str's for extended periods. Muschamp has left to take the SC HC'ing job.

MU was expected to contend for the AAC title despite having just 11 ret str's but had an explosive offense led by QB Lynch. The Tigers started the ssn 8-0 incl the ssn highlight, beating #13 Ole Miss 37-24 (+10'), then lost 3 str when the beef of their AAC sked came around. MU outg'd foes by 103 ypg & had the 1st or 2nd highest output their foes all'd on 5 occasions. The Tigers were #18, avg'g 93 ypg more than their foes all'd & avg'd 324 pass ypg.

If this game was played wk 1, Auburn would have been a 17+ pt fav! Auburn has had a miserable year but really cannot afford to lose and finish 6-7. Memphis has the large edge at QB but Auburn has it in most other areas including a HC that almost won a National Title, vs an interim HC. Memphis has more wins and is better statistically but Auburn played a much tougher schedule & has more talent.

**FORECAST: AUBURN RATING: 4★**

6th mtg with the L/2 being in the '63 Liberty Bowl (MSU won 16-12) & the '94 Peach bowl (NCST 28-24, +6). This bowl was also called the Queen City, Continental Tire, & the Car Care Bowl. NCST ply'd here twice, beating USF 14-0 (-3') in '05 & L'ville 31-24 (-2) in '11. They won the St Petersburg Bowl 34-27 (+2') vs UCF LY, making Doeren 2-0 SU & ATS in bowls. This is MSU's 6th str bowl under Mullen (3-2 SU/2-3 ATS) & lost to GT in LY's Orange Bowl 49-34 (-6).

It was going to be tough to match LY's 10 win ssn as MSU ret'd just 7 str's, but that did include dynamic QB Prescott. They won their opener then lost by just 2 to LSU. MSU then won 6 of 7 w/their lone loss at A&M & were ranked a ssn high #20 into their showdown vs Bama. They had a 20-13 FD edge but lost by 25, then upset Ark but then lost the Egg Bowl. Prescott threw for 300+ yds 6X incl 508 vs Ark & leads the tm in rushing. They are #21 in the FBS avg 75 ypg more than their foes allow. Their D did lose lockdown CB Will Redmond & another DB str late in the year.

HC Doeren had his best tm staking over in Raleigh as NCST ret'd 15 str's from an 8-5 tm incl QB Brissett. They went 4-0 in the non conf portion of their sked, but struggled in conf play as not once did they string together B2B ACC wins. With the exception of L'ville, they won every gm they were favored in & lost every gm they were a dog in. RB Dayes was having a great ssn & off a 200 yd effort when inj'd his foot vs CU & is OFY. The have our #35 ranked pass eff D & our #51 ranked rush D.

Miss ST was +1.6 ypg vs 8 bowl tms and NCST was -124.2 ypg taking on 5. Prescott was overcome with emotion in his FHG and struggled and will be out to atone for that here. NCST figures to be more excited to be here but Miss ST had a poor showing in the bowl LY, is off a loss to their rival and will want to send Prescott out with a win in his final game. The checklist has Miss ST by 8'.

These schls have met twice w/UM winning the '02 Outback 38-30 (-1) & the '07 Capital One 41-35 (+11). UM is back in the post ssn for the 5th time in the L6Y after missing out LY. Their last Citrus bowl appearance was a 45-17 (+3) loss to Tenn in '01. HC Harbaugh was 1-1 SU/ATS in bowls at Stanford. UF is bowling for the 24th time in the L25Y. They beat EC 28-20 (-7) in LY's Birmingham Bowl (outgained 339-536). McElwain was 1-0 SU/0-1 ATS at Colo St.

UF retd just 11 str's & brought in a new HC w/new schemes. OC Nussmeier was the OC at UM LY. UF began the ssn 6-0 w/rFR QB Grier & a D that McElwain claimed reminded him of Bama when he was there from '08-'11. Grier was then susp before LSU & Treon Harris took over. They lost to LSU, but won the rest of their reg ssn SEC gms despite poor QB play. They needed OT to defeat a 3 win FAU squad & then were embarrassed by FSU before getting thumped in the SEC Champ gm. UF only avg'd 231 ypg their L3 gms, but are #6 in the FBS on D all g 111 ypg less than their foes avg.

UM had a home run hire in Harbaugh and had 15 ret str's from a 5-7 tm LY. The players bought into his intense antics. They lost their opener at UT, but gained respect with their physical play. At 5-1 they were hosting eventual B10 champ MSU & appeared to have the gm won, but lost when their punter mishandled a last second snap & lost a gm they never trailed. They then won 4 str, but were embarrassed in "The Game" vs arch rival OSU. They are #4 in the FBS all g 116 ypg less than their foes avg.

UM should travel well but UF is just 112 miles away. Both teams have avg offenses and top 10 D's. Mich rates the edge on ST's and Harbaugh has more big game exp as a HC. Mich's D gave up over 300 yds rush vs Indy & Ohio St once DT Glasgow was OFY. The checklist has UM by 2.5 and right now the Gators are getting 4 so that has us leaning with the dog in a low scoring game.

This is just the 6th mtg between these 2 blue bloods (OSU 3-2 SU). Last met in the '05 Fiesta (OSU 34-20, -4). ND has been in the post ssn every yr under HC Kelly, going 3-2 SU/2-3 ATS incl beating LSU 31-28 (+8) in LY's Music City Bowl. Kelly was 1-2 SU/0-3 ATS in bowls at UC. OSU is 2-1 SU/ATS in bowls under HC Meyer winning both LY to become Nat'l Champs. Prior to OSU Meyer was 7-1 SU/ATS in bowls at UF/Utah & was the WR Cch at ND from '96-'00.

OSU was expected to repeat as Nat'l Champs after ret 14 str's incl 3 AA's. The QB play was inconsistent as Jones (7 st's) & Barrett all'd the F/7 gms & the offense unexpectedly struggled (lost OC Herman to Hou). Barrett was named the str vs RU, then was susp vs MN. He retd to start the L/3, but struggled in a downpour in the home loss to MSU & workhorse RB Elliott was underutilized. Elliott was then given a ssn high 30 carries in a rout over arch rival UM. OSU avg'd 429 ypg & are #7 on D in the FBS all g 97 ypg less than their foes avg.

ND retd 17 str's. QB Zaire won the job but was inj & OFY after 2 gms. RFR Kizer did a solid job. Inj's were the norm for ND & Kelly said that 9 str's were OFY. They lost by 2 at Clemson despite a 141 yd edge as a def holding/pass interference was not called on the 2pt conv that would've tied the gm. They then won 6 str & 1 in the finale met Stanford. They lost in Palo Alto by 2, all g the GW 45 yd fg w/no time left after taking the lead :30 earlier. They are #12 in the FBS avg 115 ypg more than their foes allow.

ND is a couple of plays from being undefeated and was 5-1 ATS vs bowl tms (+78 ypg) while OSU was 3-5 ATS (+98). Urban Meyer is 9-2 in bowls with 3 Nat'l Titles. OSU is disappointed not to be in the playoffs while ND was 3-0 as a dog this year. Ohio St is #7 in yds vs opp ypg (pg 25) but ND is #8. The checklist is right at the number (Ohio St by 6'). Meyer's 3 bowls at Ohio St have avg 71.3 ypg and their offense should be at its best so take the OVER.

First Mtg. The 'Granddaddy Of Them All' gets its traditional B10 vs P12 matchup for the 102nd Rose Bowl. Iowa is 2-3 in Rose Bowls but is playing here for the 1st time s/90 & haven't won it s/58. Stanford is playing in their 15th Rose Bowl (7-7). Their L/trip was in '13 when they lost to Mich St, 24-20 (-6') but did win it in '12 over Wisc, 20-14 (-6). Ferentz is 6-6 SU/8-4 ATS in bowls but hasn't won a bowl s/10 (0-3). Stanford is making their 7th str bowl & 5th under Shaw (2-2 SU/2-1-1 ATS).

Iowa exceeded all expectations TY, going 12-0 & winning the B10 West despite ret' just 12 str's from a 7-6 tm. The Hawkeyes benefited from a sked that avoided OSU, Mich St & Mich. Iowa pulled out their biggest win of the ssn at Wisky, 10-6 (+6) despite being -99 yds & -7 FD's. Iowa would be in the playoffs but allowed a 22 ypg drive for TD and lost to Mich St 16-13 (+3') in the final seconds. On the ssn, Iowa was #36 in the FBS, holding foes to 46 ypg below their ssn avg (but Off avg'd 2 ypg less than foes allow). DB King won the Thorpe Award.

Stanf brought back 13 str's (just 4 on D). They expected a P12 Title. Those expectations were tempered after a ssn opening loss to NW, 16-6 (+10'). SU stayed the course & won 11 of 12. Their key wins were over ND & two over USC, incl the P12 Title Gm where SU won 41-22 (-4). SU finished #21 in the FBS, holding foes to 61 ypg less than they avg'd. RB McCaffrey was invited to the Heisman Ceremony leading the nation in all purp yds by over 1000.

Will the last yug leaving Iowa please shut the lights off? Iowa should have about 60,000 fans for their first Rose Trip in 25 yrs. Both tms like to run but Iowa allows 3.4 ypc and Stanf 4.6. Stanf has the Off & ST edge and Iowa the stronger D. Stanf is 6-4 ATS vs 10 bowl tms (Iowa 5-2 ATS). Iowa will be playing the no respect card all month and will be a solid defensive dog here with the spread near a TD.

FREE FOOTBALL PLAYS 7 DAYS A WEEK

## FREE PLAYS EACH AND EVERY DAY!!!!

While the football season winds down, we do not offer the same **TEN FREE PLAYS EVERY WEEK** that we normally do **EVERY WEEK** of the regular season, but we offer **FREE** football plays right through **Super Bowl Sunday!** During the offseason our Comp Line is your source for **FREE** Basketball, Hockey AND Baseball Plays from the Northcoast Community Line Handicappers! As always - we've got you covered.

## NORTHCOAST SPORTS PLUS OR MINUS POWER RATINGS

The Power Ratings listed below are not based on the Power Plays, they are based on last year's final computer power rating numbers with the pluses and minuses from the off season changes factored in. They are then adjusted during the course of the season based on the final score of the games that are played on a weekly basis. The Power Ratings listed below can be used for you as a base power ratings to forecast up coming lines and strength of opponents, etc. Once again, they are not based on Power Plays and they differ from what we have shown in recent years, which has been our actual computer Power Ratings. These are Northcoast Sports Plus or Minus Power Ratings.

These schls have just 1 prior mtg, a 27-23 Penn St win in the Sugar Bowl in '82. This bowl was formerly known as the Gator Bowl & started in '46. UGA lost to Neb 24-19 (-8) in the '13 Gator Bowl. This is UGA's 19th str bowl app & they're 13-5 SU/12-6 ATS in that span. WR Cch McClendon will be the interim HC here. After being banned from post ssn play from '12-'13, Pst ret'd LY, beating BC 31-30 (+3) in the Pinstripe Bowl. HC Franklin was 2-1 SU/ATS in bowls at UVU.

PSU ret 15 str's incl QB Hackenberg. The inexp'd OL from LY was thought to be improved (4 ret str's), but the improvement never came. After all'g 44 sks LY, they've all'd 39 (10.8%! ) TY. Hackenberg was sk'd TEN times in the opening loss to Temple. They then won 5 str before getting blown out by Ohio St. They then won B2B gms, but ended the ssn on a 3 gm skid, all to bowl bound tms. While the offense struggled again there is encouragement in true frosh RB Barkley. The D is the strength as they are #22 all'g 67 ypg less than their foes avg & held 3 foes to ssn lows in yds and had 44 sks!

UGA once again entered the ssn w/Nat'l Title aspirations. They ret'd 13 str's incl RB Chubb, but had to break in a new st'g QB. Greyson Lambert (trans from UVA) set an NCAA rec by compl 24-25 vs SC, but then failed to throw a td in 3 str gms & was benched. Faton Bauta, struggled mightily in his lone start vs UF. Chubb was OFY vs Tenn & the offense never got on track. They ended the ssn w/4 str wins, but still let HC Richt go following the ssn. UGA is #24 in the FBS all'g 64 ypg less than their foes avg.

We came in thinking Georgia but the checklist only has Georgia by 3'. With 2 below avg Off & 2 top 25 D's you would think under. All our computer point forecasts say under but the yds say over. Franklin's 4 bowls have avg'd 61 ppg combined. Georgia's D only had 21 sks so Hackenberg may have time to throw. Georgia has an interim HC. The total is low so lets go out of the box and call for the OVER.

# Offensive and Defensive YPG Averages Compared to Opponent Average thru Week #14

BOWL TEAMS IN BOLD TYPE

This chart shows how teams fare vs what their opponents average on the season. As an example Clemson avg 510 ypg this year but their opp's avg's in games (taking out the Clemson game) saw them allow just 349.7 ypg. Therefore Clemson was +160.3 ypg over what their opp's normally allow. On the defense Alabama allowed 258 ypg and their opponents normally avg 412.4 ypg on the year. They held their foes to -155.4 below their season avg. A minus sign is a negative number meaning they avg below what their opp's allowed or on defense allowed more than their opp's usually avg. The Total Column adds the two number together and the top 3 teams all made the playoffs.

6th mtg (KSt 3-2 SU edge). UA won the L/mtg 29-16 (-9) in the '11 Cotton Bowl. UA beat EC 20-17 (-7) in the '09 Liberty Bowl & this is their 2nd str bowl under HC Bielema & they beat TX 31-7 (-7) in LY's Texas Bowl. Bielema was 2-4 SU/3-3 ATS in bowls at UW. KSt is bowling for a 6th str ssn. They are 1-4 SU/ATS in that span incl losing 40-35 (+1) to UCLA in LY's Alamo Bowl. HC Snyder was 6-5 SU/4-7 ATS in bowls during his initial stint as HC here.

UA ret'd 15 str's from a 7-6 tm incl their QB, two 1,100 yd RB's & their top 2 WR's. RB Williams was OFY before the ssn st'd but Collins failed to rush for 100+ yds just 3 times. The Hogs got off to a rough start after their opener, losing 3 str incl home gms vs TO & TT. They beat Tenn on the road, but then lost at Bama. They turned their ssn around w/4 str wins incl beating Ole Miss & LSU in B2B road gms. They lost to MSU in a shootout & then beat MO to close the reg ssn. QB Allen had 3 gms over 400 yds passing, which goes away from the normal power style of offense that Bielema favors.

KSt had just 12 ret str's, but that was the most in 3Y. QB Hubener struggled mightily in a B12 conf that isn't known for ply'g D. The Wildcats st'd 3-0, but then lost their first 6 conf gms. Once the conf sked eased up, the wins came as they closed the ssn winning 3 str. They are just #121 in the FBS, avg'g 102 ypg less than what their foes allow on Off & Snyder had his 1st losing rec in conf play s'10.

Bill Snyder is one of the best underdog cch's out there going 23-8 ATS as a dog with 15 outright upsets in reg ssn but 0-3 in the bowls the last 5 yrs. A look at the checklist shows Ark with the clear cut talent edge at every position except DL (KSt DL 25 sks). In years past we have talked about our bowl systems and both are high on KSt. Will Snyder announce this is his last game? We like large underdogs in bowls as they hear for 3+ weeks that they have no chance and Snyder is the Underdog King.

**FORECAST: KANSAS ST (+) RATING: 2★**

Only 2 meetings in '77/78. OU beat TX 30-7 (-14') in the '13 Alamo Bowl & this is their 11th str ssn going bowling. HC Helfrich is 2-1 SU/ATS in bowls, with his lone loss being in LY's Nat'l Title gm. This is TCU's 1st Alamo Bowl & 14th bowl gm under Patterson (8-5 SU/5-7-1 ATS). They beat Ole Miss 42-3 (-3') in LY's Peach Bowl.

TCU entered '15 #2 AP with 15 ret str's incl 10 on offense, led by AA QB Boykin. They survived a physical gm vs MN & won a shootout at TT in their B12 opener. Three of their next 4 wins were via blowout & in their 1st major test lost at OSU by 20 despite having a 207 yd edge (-4 TO). They survived an unexpected close gm vs KU, but Boykin was inj'd (seemed to be the TCU theme TY!) and DNP vs OU in the 1st pl loss. They then defeated BU in a monsoon. They did lose star WR Doctson late (OFY). TCU is #8 in the FBS avg'g 126 ypg more than their foes allow.

Despite losing the Heisman winner, OU was #7 AP. They ret'd just 12 str's but did bring in 2X FCS POY runner up QB Adams. Adams was inj'd but ply'd thru it in the loss to Mich St, but wasn't able to fully come back until the UW gm. They still had RB Freeman, but the D struggled mightily in home losses to Utah & WSt. When Adams did return fully healthy, the Ducks closed the ssn w/6 str wins incl beating both participants in the P12 Title gm in B2B wks! OU is #9 in the FBS avg'g 134 ypg more than their foes allow, but are #102 all'g 50 ypg more than their foes avg.

This is in a dome (perfect conditions) so it will be a shootout. Oregon avg 48.6 ppg the L5 gms and TCU avg 564 ypg on the season. The Off's and ST's are nearly even. TCU despite being banged up on D held opp to 32 yds below their season avg and Oregon's D allowed 50 ypg above. Both teams played a similar schedule and TCU was +168 ypg and Oregon just +68. Keep in mind on the road vs a powerful Oklahoma team and without QB Boykin, TCU lost by 1 on a failed 2pt conv & Boykin here is as healthy as he has been the entire ssn.

**FORECAST: TCU RATING: 3★**

Only meeting was a 42-7 ASU win in '79. 1st Cactus Bowl as this was formerly known as the Copper Bowl, Insight Bowl & BW3 Bowl. WV lost to MO 34-31 (+3') in the '98 Insight Bowl. WV is bowling for the 4th time under HC Holgorsen (1-3 SU/ATS) losing to A&M 45-37 (-2) in LY's Liberty Bowl. This is ASU's 4th str bowl under Graham (2-1 SU/1-2 ATS). They beat Rutgers 45-40 (-9) in the '05 Insight Bowl. ASU beat Duke 36-31 (-7) in LY's Sun Bowl. Graham was 4-1 SU/3-2 ATS in bowls at Rice/Tulsa with many of those blowout wins.

ASU was considered a contender for the P12 South after ret'g 16 str's from a 10-3 ssn, but fell way short of expectations. QB Bercovici had plenty of exp. The D was the downfall of TY's tm. They lost their opener to A&M & also dropped their opening P12 gm to USC. They then pulled the outright upset at UCLA (2 td dog) & after beating Colorado, lost 3 str. They had a chance to bring a 3 gm winning streak into the bowl but fell at Cal in the finale. Over their L/5 gms, the Sun Devils all'd 538 ypg & 40 ppg.

WV had their most ret str's s'10 incl 9 on a D. The D did indeed get better but new st'g QB Howard couldn't come close to the production of the '14 offense. They opened the ssn 3-0 in non-conf play, but then dropped their first 4 conf gms, albeit as a dog in 3, against the top 4 Big 12 teams. Once they got past that gauntlet, they won 4 str, but fell in the ssn finale at KSt in a gm the Wildcats needed to win to reach bowl elig. The D improved so much that they are #16 in the FBS all'g 77 ypg less than their foes avg.

WV was 0-6 ATS vs Power 5 bowl teams this year. Ariz St at 6-6 needs a win to avoid a losing season. Ariz St opened the year with a loss to a SEC team and will want to end it with a win vs the Big12. Ariz St faced 9 bowl tms (WV 7) and this is 10 miles from the ASU campus (WV 2078 miles away). ASU is the better team (check list ASU 5' edge), almost at home and the line is E, that makes this a 4★.

**FORECAST: ARIZONA ST RATING: 4★**

# BOWL TEAMS TOUGHEST UNITS FACED

Here is a chart showing how difficult of a schedule each bowl team faced in opposing units. For example, Air Force ranks #41 in the NCAA in pass D. The Falcons however have taken on the #128 toughest slate of passing offenses including just one top 40 passing team and our pass eff D ranks them as #77. This chart is very helpful to look at bowl matchups. For instance if team A is playing Team B who has a strong rush offense, you will want to see how strong the rush defenses were that team B faced this year to get an idea of how they matchup vs their bowl opponent.
