PLAYOFF PLAY OF THE YEAR GOES THIS WEEK!!! See 1994 NFL Top Plays 14-3 82%

HANDICAPPING NOTES FOR THIS WEEK'S NFL SEMI-FINAL GAMES

Here are some notes for the Semi-Final round of the playoff games. We tried to put as much information as possible in the write-ups but there was not room for all of it. Below are some questions you might have about this upcoming round and our researched answers. Not all of these will be in effect for this week's games. If one is not, we are including it so you can add it to your handicapping arsenal.

How do double digit favorites do in the Semi-Final round? Remember, teams in the Semi-Final round not only have the home field edge but had a bye the previous week. They catch their opponent off a big win in the playoffs and playing a second straight tough game. Since the playoffs were expanded in 1990 there have been 21 DD favs and they've gone 13-8 ATS and 14-7 O/U. However, since 2002 there have been 6 DD favs and they are 4-2 SU and 3-3 ATS but did cover the L/3 incl SEA LY (-13, 31-17 vs Carolina).

How does a road team do after a win in the Wild Card round? Since '97, this has happened 26 times. From '97-'02 there were 5 road teams which won (all underdogs) and they went 0-5 SU/ATS the next week. But since 2003 there have been 21 road teams which won in the WC round and while they were 9-12 SU in the Conf Semi's they did go 16-5 ATS. The 6 teams that won as AF's in the WC round are 7-1 ATS the next week incl Seattle covering in '14.

How do teams do that COVER by double digits in the Wild Card round? Since the 4 game Wild Card round was started in 1990, there have been 44 teams that COVERED by double digits. Of those, 20 were underdogs in the WC round that pulled upsets and those teams went 8-12 ATS in the next round. Favorites that cruised to big wins are 10-13 ATS in the next round for an

overall record of 16-25 ATS. BAL covered by DD against PIT LY and went on to nearly upset the Patriots a week later as a 7 point dog (lost 35-31).

How do upset winners in the Wild Card round that won SU by 13 points or more do in the next round? Since the NFL went to the 4 game Wild Card round in 1990 there have been 13 teams that pulled an upset in the Wild Card round and won BIG (by 13 points or more). In the next round those teams are just 3-10 SU and 5-8 ATS with the last SU/ATS winner being CAR in 2005 when they also upset CHI in the Conf Semi-Finals. It hasn't occurred in the L5Y.

How have #1 seeds fared? Up until 2009 Vegas had overcompensated and the #1 seeds in the Conf Semis were 7-5 SU but 2-10 ATS. After the #1 seeds went 2-0 SU/ATS in '09 they've gone 6-4 SU & 2-8 ATS the L5Y. Last year was the first time that both #1 seeds went to the Super Bowl since the 1999 season.

How do teams do after a shuout win (all rounds)? After the Chiefs 30-0 blanking of the Texans a week ago we decided to also go back and see how teams did following a shutout victory. There have been 5 occurences during the postseason since 1996 with Carolina's 23-0 win over the Giants in 2005 being the last time. The Panthers were actually the only team to win and cover the following week as the remainder of the tms went 0-4 SU and ATS.

2015 NFL SEASON POWER RATINGS

We grade each team position by position and list the **2015** Power Ratings. Each week we update these Power Ratings in our weekly Power Sweep editions.

NEW ENGLAND PATRIOTS LINE: (12-4)

Saturday, January 16th • 4:35 pm • CBS

PLAYOFF CHECKLIST WR OL DL 77 OVERALL PATRIOTS by 4

The Chiefs and Patriots got to this point in the playoffs in very different circumstances as NE was dominant in the 1H of the ssn while KC needed a big winning streak after beginning the year at 1-5 These 2 met a ssn ago on MNF with KC dismantling NE 41-14 (+2') as they forced Brady into 3 TO's in one of the more lopsided losses of Belichick's career. KC has now gone 6-3 SU/ATS on the road TY while the Pats are 7-1 SU (4-1-3 ATS) in their home venue.

KC earned their 1st playoff victory in 22 yrs a week ago with a 30-0 blanking (1st shutout in playoffs s/'05) of the Texans. While the final score appears to show that KC was dominant throughout in HOU, it's worth mentioning that they were aided by 5 Hoyer TO's incl 3 in KC territory. With that being said, the Chiefs remain on quite the roll with their 11th consec win (9-2 ATS run).

NE was able to scorch through the start of the ssn w/a 10-0 beginning but due to a plethora of inj's (mainly on off), they dropped 4 of their L/6 incl the final 2 to lose out on the #1 seed (just 480 ttl vds over L/2). While NE did see 2 RB's land on IR and a few of their WR's and TÉ's miss ample time, the clear issue has been an OL that has seen 12 different starting lineups on the yr! Despite the issues, they were still able to finish at 12-4 for the 4th straight yr behind a Top 10 D that also placed 2nd in the NFL w/49 sks. NE matched up vs 6 tms with winning records in '15 going 4-2 SU (2-2-2 ATS) although they were outgained by 11 ypg in those contests (+2 TO's).

With the previously mentioned offensive issues going on in NE and the fact that the Chiefs have avg just 292 ypg over their L/6

and were part of a solid 3★ LP Winner on the Under LW against HOU, the Under looks like the right call once again TW as it's unclear as of presstime how many of the Patriots' weapons will be available to participate.

FORECAST: UNDER Kansas City/New England Rating: 1★

PITTSBURGH **STEELERS**

DENVER BRONCOS

(11-6)

LINE: **(12-4) DEN** -7/45

Sunday, January 17th • 4:40 pm • CBS

PLAYOFF CHECKLIST QB RB WR OL DL LB DB CCH DEN - V V VV OVERALL BRONCOS by 4

These 2 met just a little over a month ago in a contest that saw DEN jump out to a 27-13 HT lead before being dominated in the 2H. PIT would go on to to score 21 unanswered pts in the final frame while holding the DEN offense to just 90 ttl yds. PIT has gone 5-3-1 ATS on the road in '15 while DEN is 6-2 SU (3-4-1 ATS) at "Mile High."

The Steelers have to once again be feeling pretty fortunate heading to DEN following their penalty and turnover-aided escape a wk ago in Cincy as they hit a 35 yd GW FG w/:14 left (2 Bengals PF pen put them in easy FG range). PIT shouldn't have even been in the situation to have to escape however as they dominated the 1st 3Q of the game w/a 15-0 lead and a 306-154 yd edge but a shldr inj to Roethlisberger helped turn the tide in favor of CIN who would score the next 16 pts. PIT is now 4-4 SU (4-3-1 ATS) vs tms w/a winning record TY (+15 ypg).

While the Broncos offense has been the main focal point in their success from 2012-2014, their defense stepped to the forefront in 2015 finishing #1 in the NFL in total D (#1 pass, #3 rush) and 4th in scoring all'g just 18.5 ppg (also #1 in NFL w/52 sks). DEN actually earned the #1 seed in spite of their offense this ssn as a banged-up Manning posted a 9-17 ratio before missing the next 6 w/inj. While bkp Osweiler was serviceable in Manning's absence w/a 10-6 ratio and guiding comeback OT wins vs NE and CIN, Manning was inserted back into the lineup in the 2H of their finale vs SD to help clinch homefield. On the year the Broncos faired pretty well against tms with winning records going 5-2 SU (3-3-1 ATS) while outgaining those foes by 74 ypg (-3 TO's).

This series has seen some pretty decent marquee gms in the past as far as the playoffs are considered with 3 separate meetings s/98 (winner of playoff matchup went on to win 2 of the 3 SB's). With the status of Roethlisberger and Brown undetermined as of presstime and DEN's recent struggles at home in the DIV Rnd (BAL '12, IND LY), the Under may be the right call as PIT has all'd just 14 ppg and 271 ypg over the L/2 while the Broncos have the most dominant D in the NFL

FORECAST: UNDER Pittsburgh/Denver

GREEN BAY ARIZONA PACKERS CARDINALS LINE: ARZ -7'/50 (13-3)(11-6)

PLAYOFF CHECKLIST DB CCH MTCH ST HM GB ΔR7 OVERALL CARDINALS by 5

Saturday, January 16th • 8:15 pm • NBC

The Packers and Cardinals met just 3 wks ago in the desert with ARZ delivering an absolutely dominating performance in their 30 pt victory as they held GB to just 8 pts, 178 ttl yds (77 pass yds) while forcing 9 sks (2 fumble return TD's). While the Packers did move to 6-3 SU/ATS away from home TY, the Cardinals have gone 6-2 SU (3-5 ATS) in Glendale.

In what appeared to be a competitive contest early in the 3Q with the Redskins leading 18-17, QB Rodgers and the Packers offense rattled off 18 unanswered pts to deliver an easy 4★ Winner in this very newsletter (most pts scored for GB since wk 3 vs KC). The biggest positive for GB LW had to be the performance of their patchwork OL that surrendered just 1 sk after all'g a ttl of 14 in the previous 2.

While the Cardinals suffered a pretty nasty defeat at the hands of the Seahawks in the ssn finale, they do enter the playoffs with the #2 seed and having posted victories in 9 of their final 10. The reason for ARZ's success has been due to an opportunistic defense (6 return TD's) and an offense that finished #1 in the NFL at 408 ypg (#2 in scoring at 30.6). QB Palmer finished in the Top 5 in nearly every passing category and has now posted a 19-3 record as a starter under HC Arians. The Cardinals finished the ssn at 4-2 SU/2-4 ATS vs tms that finished with winning records

while outgaining those foes by 59 ypg (-2 TO's).

ARZ is back in the playoffs for a 2nd straight ssn although they do have some health this time around after being forced to use their 3rd string QB LY. The Cardinals ssn finale loss to SEA and the Packers big run in the 2H against the Redskins appears to have given us some extra line value here as we felt that the opening line would be closer to double digits

Rating: 2★

SEATTLE CAROLINA **SEAHAWKS PANTHERS** LINE: CAR -3/44

Sunday, January 17th • 1:05 pm • FOX PLAYOFF CHECKLIST CAR OVERALL PANTHERS by 1

SEA heads to CAR seeking revenge from a previous home loss this ssn against the Panthers, a gm that saw CAR storm back late in the 4Q (trailing by 9) with a pair of TD's in the final 4 minutes. The Seahawks have been as good as it gets on the road with 6 straight wins in which they've all'd just 1 offensive TD! CAR meanwhile went a perfect 8-0 SU (6-2 ATS) at home TY while

outgaining those foes by 68 ypg. SEA escaped the bitter cold of MIN LW despite posting just 226 yds of offense (fewest pts in a playoff win s/97) thanks to a missed chip-shot FG by the Vikings as time expired. While the offense did struggle, the D stepped up yet again by holding MIN to just 183 ttl yds incl just 45 yds on 23 carries by RB Peterson. SEA is now 4-4 SU (3-4-1 ATS) on the ssn vs tms w/a winning record.

The Panthers became the 6th tm in NFL history to finish the regular ssn at 15-1 as their only blemish came just a few wks back against ATL. While their defense deserves a good amount of credit for their success (#6 in ttl and scoring D), the offense led by QB Newton was one of the biggest surprises in the NFL this ssn with a virtual cast of unknowns at WR (Kelvin Benjamin missed ssn w/inj). Newton is the biggest dual-threat under center in the league today and finished the year with 4,473 ttl yds and 45 TD's while also being the favorite to earn MVP honors. CAR went a perfect 4-0 SU/ATS against tms that posted winning records with a +77 ypg edge (+4 TO's).

Despite the Seahawks proving to be road warriors so far TY, a trip to Charlotte is a whole different monster as CAR has been as dominant as it gets with a perfect record and finishing #1 in the NFL in TO margin at +20 (SEA +6). While SEA ended with the top scoring D in the NFL once again, it may be difficult for them to put a lid on Newton and the league's top scoring offense (31.3 ppg).
