★ 40 GAME DOUBLE BOWL ISSUE! ★

BOWL ISSUE 326-235 ★'S L8Y

NFL SELECTIONS FOR WK 15 INSIDE

NORTHCOAST SPORTS SERVICE P.O. BOX 450829 CLEVELAND, OHIO 44145

Thank you for purchasing our 2016 Double Bowl issue.

Please remember that this issue was mailed out December 12, 2016 and while many things can and will change we don't adjust our ratings. If you're interested in our Late Phones (released day of the games) there are specials on page 22.

We are proud to produce the finest bowl guide available and while next year's price is expected to increase to $30 (plus $7 priority shipping) you can purchase the entire 2017 season for just $84 email or $124 mail or pay just $25 for the 2017 Bowl Issue by 1/6/17 (add $6 for priority shipping).

Who played the toughest schedule?

Once the schedules are finalized in spring we like knowing "how tough" our favorite teams schedule is. Most fans and media outlets use the records of their opponents previous years to rank them, but we like to use our power ratings on each team to get a better gauge.

As you can see USC, Mississippi, California, Colorado and Stanford played OUR 5 toughest schedules!

If you base it on the win % of a teams opponents the 5 teams that played the toughest schedule were: Mississippi, Arizona, LSU, Tennessee and Florida St:

The LARGEST difference between our Strength of Schedule compared to the opponent win % is Kent St. The Golden Flashes faced the #17 toughest schedule ranked by opp win % while facing only the #86 schedule in our rankings.

Let's look below at Kent St's Schedule this year:

On the right are tougher opponents with the same record

Penn St	11-2	A legitimate Tough Opp
NC A&T	9-3	Louisville - also 9-3
Monmouth	4-7	Oregon - also had 4 wins
Alabama	13-0	A legitimate Tough Opp
Akron	5-7	Miss St - also 5-7
Buffalo	2-10	Virginia - also 2-10
Miami, OH	6-6	Baylor - also 6-6
Ohio	8-5	Florida - also had 8 wins
Central Mich	6-6	TCU - also 6-6
Western Mich	13-0	Alabama was 13-0
Bowling Green	4-8	Notre Dame - also 4-8
Northern Illinois	5-7	Mississippi - also 5-7

You can see just how deceiving a teams strength of schedule can be when using an opponents win %

The 5 teams that played a much TOUGHER schedule per our rankings are: Stanford, Texas, USC, West Virginia & Colorado.

Finally, the four teams along with Kent St to play an EASIER schedule are: Utah St, Georgia St, Northern Illinois and Colorado St.

Happy Holidays From the Staff at Northcoast Sports!

STRENGTH OF SCHEDULE COMPARISON

DOUBLE BOWL ISSUE AND HOW TO USE IT

We have been hard at work putting together our jam-packed Double Bowl Issue of Power Sweep as this is our biggest and best issue of the season. The Double Bowl Issue is 28 full pages loaded with the most information available on the bowls, including selections. We have complete write-ups on 40 bowl games! This issue provides our exclusive Computer forecasts for each game. The Computer Projections take into account things like: strength of opponents played, weather, garbage yards, injuries, etc. It is the most accurate set of Power Ratings in the country. The projections include yards rushing, yards passing, turnovers, special teams edge and strength of schedule number. Our Power Sweep selections at the bottom of each bowl takes into account ALL factors, including the Computer projections, emotion, bowl experience, talent matchups, momentum, special teams, coaching, etc. Many times the intangibles in bowls outweigh the pure statistical forecasts. We supply the Computer Projections at the top of the page to give you some solid statistical information. We have not provided a score as we had done in the past (always right at the number) because we did not want to commit to the Over or Under on Dec 12th (press time for this issue) and we want to have yet another huge winning year with the Private Play Hotline Triple Totals Plays **(59-34 on units last 14 years! 12-2 86% L3Y)**. The bowl checklists are invaluable as every stat and ranking is analyzed with checks going to the better unit. Each check represents approximately one point. **A special NFL Only Issue of Power Sweep will be available next week** for Week 16 of the NFL season.

BOWL ISSUE 171-133 L9Y / 371-271 on ★'s!!!

We look forward to the outcome of this year's Double Bowl Issue! The last 9 years anyone who purchased the Double Bowl Issue has enjoyed a record of **171-133 winners and on the ★ basis 371-271 with the 4★'s the last 4 years hitting 67% winners!** With the date of the bowl and the National Championship game on the 9th of January, we are not including 2 weeks of NFL selections as we've done in the past. Look next week for a special edition of the NFL for Wk 16. If you have not renewed your subscription to Power Sweep for the 2017 season, time to save is running out. Sign up now for 2017 as you will be paying just $84 to renew for download (add $40 for mail delivery) and when you become a 2017 subscriber, you will be offered special pricing on all of the 2016 season Late Phone Packages! On 1/1/17 there will be a price increase so make sure to renew before year's end! All bonus offers are included!

COMPUTER CORNER

The Computer Corner features the top plays from our Computer Power Ratings. These plays are based solely on the team's Power Ratings vs the Vegas lines and does not take into account matchups, etc. The team that is listed in bold is the computer's selection.

53-29 65% L14Y IN THE DOUBLE BOWL ISSUE!!

There's been 2 prior meetings with each having a win. The last matchup took place in 2014, with NM pulling off the outright upset, 21-9 (+16'). This will be NM's 3rd appearance (home gm for the Lobos here) in this bowl including the 2nd straight. The Lobos lost their 1st bowl here in '06, then came back the next yr & won 23-0 (-2') vs NV. LY's appearance was their 1st bowl since & they lost to Arizona, 45-37 (+9). This will be UTSA's 1st ever bowl game & HC Wilson is in his 1st ssn as a HC. NM HC Davie is 0-4 SU/ 1-3 ATS in bowls, which includes his time at ND.

NM has assured itself of B2B winning seasons for the 1st time since 3 straight from '03-'05. They entered the ssn as the most exp'd tm in the MW & ret'd 15 str's. They st'd the ssn just 2-3 incl a loss to rival NMSt for the 1st time in 5Y. The Lobos then won 5 str before falling at CSt in the 2nd of B2B AG's. NM then rebounded to dominate Mountain Div Champ WY in the finale to finish in a tie for 1st in the Div.

UTSA was off their worst ssn ever at 3-9, but ret'd 12 str's & was vastly more exp'd. They went into their bye week at just 1-4, with their lone win over an FCS foe. UTSA then won 4 of 5 with their lone loss coming in 5OT. The Roadrunners then were crushed by CUSA West Div champ LT & fell by just 13 at A&M. Needing a win to become bowl elig, they defeated Charlotte in their finale, all'g a ssn low 237 yds. Their D held their L/4 foes to 98 ypg below their ssn avg.

UTSA was 5-2 ATS as a dog including covering vs A&M and Arizona St. New Mexico is just 1-3 ATS as a favorite and half of their wins came by 7 points or less. While New Mexico runs the unique triple option offense, teams historically fare well when having extra time to prepare. Thru their F/4 gms vs FBS foes UTSA all'd 211 (4.7) rush ypg, but in their L/7 gms all'd 129 (4.1). The Checklist to the left shows NM by 4 & we expect UTSA to keep this closer than expected.

FORECAST: UTSA **RATING: 2★**

These 2 schls met in B2B yrs from 1972-'73 & haven't met since. UH won both prior mtgs. The Cougars are bowling for the 4th str yr, but will be w/o HC Herman & DC Orlando will be the HC here. UH is 4-7 SU/6-5 ATS & beat Florida St LY 38-24 (+7) in the Peach Bowl. SDSt is making their 7th str bowl & while HC Long is just 3-7 SU in bowls all-time, they did crush Cincinnati LY, 42-7 (-2').

The Aztecs enter as B2B MW Champs. They had their 15 gm conf win streak snapped at WY after they had already clinched their Div. They entered the MW Champ gm off B2B losses, but avenged their previous loss to WY with a win when it counted. RB Pumphrey is 108 yds shy of becoming the FBS car leader in rush yds & he has 2018 (6.1) this ssn while the #2 RB Penny has rushed for 995 (7.9). SDSt is #14 in the FBS on D, all'g 84 ypg less than their opp's avg.

While UH was ret'g just 11 str's from LY's magical ssn, they were still the fav to win the AAC. After beating #3 OU to start the ssn, playoffs looked like a possibility. The Cougars were 5-0 & ranked #6, but then lost 2 of their next 3 gms. They rebounded to win 3 str incl pulling the outright upset vs L'ville as over a 2 td dog, but lost their finale at Memphis. QB Ward entered the ssn as a Heisman candidate, but was banged up, & failed to produce the rush numbers he had from LY, however he did throw for 500 more yds. UH is #12 in the FBS on D, all'g 87 ypg less than their opp's avg and they've held foes to 98 (2.9) rush ypg.

While SDSt QB Chapman is efficient, their strength is the running gm. Unfortunately for them, UH's strength is their rush D & takeaway the Navy gm they all'd just 79 (2.5) rush ypg. Pumphrey is a small RB at just 5-9 180 & appeared to run down late as he avg just 80 (4.0) his L/3 gms. Against bowl tms UH was +84 ypg, while SDSt was -16 ypg. UH has ply'd the tougher sked & despite losing their HC will be able to handle what the Aztecs offer.

The Cure Bowl is played at the Citrus Bowl in Orlando so this is a virtual home gm for UCF. This is just the second all time mtg and also just the 2nd Cure Bowl. Ark St is going to their 6th str bowl gm. HC Anderson is 0-2 SU/ATS in bowls, losing both by 19 pts. UCF is one of the big turnaround stories after going from 0-12 in '15 to 6-6 under 1st year HC Frost. The Golden Knights had gone bowling 3 consecutive years prior to '15, going 2-1 SU/ATS.

Ark St came into the ssn with 13 ret'g starters and high expectations in the SBC. After an 0-4 start, incl a loss to FCS Central Ark, many wrote off the Red Wolves. That was a mistake as Ark St went 7-1 SU (6-2 ATS) in conf play with the highlight of their ssn being a 35-3 (+8) win at #25 Troy, and went on to win a share of the SBC Title. Ark St finished +17 ypg. Their D is #49, holding foes to 25 ypg below their ssn avg and they ended the ssn by all'g a ssn low 237 yds vs Texas St. They have our #48 ranked pass eff D. Their OFF is #79, avg 23 ypg less than their foes allow.

UCF had nowhere to go but up after going 0-12 in '15. 1st yr HC Frost vowed to bring an up tempo OFF dubbed UCFast. With 17 ret'g starters, improvements were expected and they jumped out to a 6-4 SU/8-2 ATS record before losing their L/2 SU/ATS. Their D was the catalyst, all'g 25 ypg less than their foes avg (#48 in nation) and they're #13 in our pass eff D rankings. Their OFF started the ssn well, putting up more yds than their foes all'd on the ssn in 4 of their F/5 gms but in their in their L/6 they put up 94 ypg less than their foes all'd on avg. The Golden Knights do have a significant edge on ST's with the #23 unit vs #70.

This is a game that our power ratings and checklist all have UCF by 4 to 6 points and the spread is currently 6. The game does feature our #90 and #95 offenses going against our #43 and #56 defenses so those numbers point to the UNDER.

App St is back in the Camellia Bowl for the 2nd consecutive ssn after beating Ohio 31-29 (-7') LY in their 1st ever bowl. Tol is looking to win their 3rd str bowl and 2nd under HC Candle who was the interim HC in LY's Boca Raton Bowl win over Temple 32-17 (+2'). This is the 1st mtg between these foes. Tol is ply'g in their 10th bowl in 16 years (5-4 SU/4-5 ATS).

The Mountaineers entered the ssn with 15 ret'g starters and were considered one of the fav's in the SBC. They nearly upset Tenn in the opener, losing 20-13 (+20') in OT. After st'g 1-2 they won 6 str incl a 45-38 (-5') win at MAC foe Akron (whom Tol beat 48-17) and finished tied for the SBC Title. They ply'd especially well on the road, going 4-2 SU/5-1 ATS. App St finished +105 ypg on the ssn. Their OFF is #66, avg 6 ypg more than their foes all'd and in their L/2 gms they put up their 2 highest yd ttls. Their D is #18, holding foes to 74 ypg less than their foes avg and their pass eff D is #14, although they were shredded for 385 pass yds by Miami, FL and this will be the best pass OFF they've faced since.

Tol opened '16 against an SBC foe & will close with one. In the opener at Ark St they finished +290 yds & won 31-10 (+4) and Ark St went on to finish tied with App St for the SBC Title. The Rockets needed a win in their final gm at WM to take the MAC East Title but lost to the undefeated Broncos 55-35 (+7'). Tol's OFF is ranked #5, avg 128 ypg more than their foes allow and they pass for 329 ypg behind QB Woodside who has a 43-9 ratio. The Rockets D has all'd 166 (4.7) rush ypg and App St is avg 247 (5.6) rush ypg.

Tough to go vs either of these tms as App St has the much stronger D & our computer forecast has them winning by 6 & right now they're a slight dog. The Rockets avg 39 ppg. App St has a solid option OFF vs a D that allows 4.7 rush ypc & those factors point us to the OVER.

These schls have a long history that dates back to 1923. SM is 38-11-1 all-time & the last mtg took place in the '08 opener with SM winning 51-21 (-10'). This is the 5th time SM has ply'd in this bowl & 1st s/'09. They're 3-1 SU/2-2 ATS. SM lost their bowl gm LY, 44-31 (+8) vs Washington. LA had 4 str appearances in this bowl before LY. All were with HC Hudspeth & they went 4-0 SU/ATS. The Cajuns were dogs in 3 of the 4.

SM entered the ssn w/13 ret str's & were the 2nd most exp'd tm in CUSA. They began the ssn 4-1 w/their lone loss to SBC member Troy. Then began a slide of 5 losses in 6 gms with star QB Mullens missing 2 due to inj. In need of a win to become bowl elig, Mullens ret'd vs West Div Champ LT in the finale & guided the upset as a 2 td dog. That win also snapped a 7 gm ATS slide. RB Ito Smith has gone over 1,000 yds in B2B ssns & also is a rec threat w/42-453.

LA had their 4Y bowl streak snapped last year, but entered this season with 14 ret str's and was expected to be bowl eligible once again. They added LSU QB Anthony Jennings as a grad transfer and while he completed 61%, he has just a 11-12 ratio. 2014 SBC OPOY RB McGuire was banged up all season, but still has rushed for over 1,000 yds 3 straight years. The Cajuns began just 2-4 and after falling at home to ID, were 3-5 with a gm vs SEC UGA among their final 4. They played their best down the stretch beating both G Sthrn & Co-SBC Champ Ark St despite being a dog in both & then dominated rival ULM in a rainstorm in the finale to become bowl elig.

Southern Miss QB Nick Mullens and LA RB Elijah McGuire (each teams top offensive weapon) were both banged up down the stretch and are now healthy. Neither team has an overpowering defense so we will take the value of a line that is in the high 50's as opposed to mid 60's.

4★ Excellent
3★ Very Good
2★ Good

PRO SELECTIONS

HOME TEAM IN CAPS

KEY SELECTIONS

4★ BALTIMORE over Philadelphia - Following a back & forth matchup LW against WAS that saw them drop their 4th in a row (PHI 383-334 yd edge), the Eagles head to BAL for their final road contest of the ssn. The Ravens meanwhile return home on short rest (MNF vs NE) and for the final time in the regular ssn. While PHI has had some solid success in their battles against the AFC with a 9-2 ATS mark, they have covered just 2 of their L/8 overall which may not bode well against the NFL's #1 defense (17.3 ppg, 296 ypg). The Ravens get the nod as our Top Weekly Play in Power Sweep as they look to keep pace atop the AFC North with the Steelers. **FORECAST: BALTIMORE by 14**

3★ Green Bay over CHICAGO - Following an impressive win a week ago in Lambeau against the favored Seahawks where they forced 6 TO's, the Packers head back into DIV play for the final 3 gms of the ssn. The Bears meanwhile were tripped up a week ago in DET (outgained by just 27 yds, game-tying drive stalled on penalties). With victories in 13 of the past 16 (12-4 ATS, 13 pt avg MOV) including a 26-10 (-7') win in October (406-189 yd edge!), we expect the Packers (assuming QB Rodgers is healthy enough to play, CS on leg inj) to add on to their already impressive 15-7 ATS mark as a DIV AF in this one. **FORECAST: GREEN BAY by 13**

OTHER SELECTION

2★ Detroit over NY GIANTS - Despite being held to fewer than 300 yds of offense for a 3rd consec wk, the Giants were able to get the job done at home against the front-running Cowboys who they've now beaten twice in a ssn for the 1st time s/'11. Unfortunately the schedule doesn't get any easier as they welcome a Lions squad that won their 5th straight LW against the Bears in a closer than expected matchup (GW TD w/3:17 left trailing by 4). While we realize that the Giants are still battling for the NFC East Title, we'll also be happy to take the points here as this red-hot DET squad is on a very solid 6-2-1 ATS run despite their non-cover a week ago. **FORECAST: DETROIT by 3**

OTHER PLAYS

Los Angeles at SEATTLE - Thursday - Following a blowout loss in Lambeau where they were forced into 6 TO's (5 int by QB Wilson), the Seahawks return home where they've been a perfect 6-0 so far in '16 (3-3 ATS). The Rams meanwhile have lost 8 of their past 9 contests (1-6-2 ATS) after being throttled at home against the Falcons. While the Seahawks are a solid 16-6 ATS as a DIV HF, it's worth mentioning that the Rams have actually won 4 of the past 5 in this series outright including a 9-3 victory in Wk 2 this ssn. **We'll have one of our Marquee selections available after Noon EST on gameday on either your VIP Debit System or through the Marquee 7-pk.**

Miami at NY JETS - Saturday - Following their GW FG conversion as time expired against the Cardinals to move back into the 6th spot in the AFC playoff picture, the Dolphins head back into DIV play where they've posted just a 6-15 ATS mark. The Jets meanwhile were able to escape the Bay Area with a come-from-behind OT win LW against the 49ers (snapped 4-gm losing skid, trailed 17-3 at HT). In their previous matchup in early Nov the Dolphins needed a 96-yd KR TD w/5:15 left to escape with the 4 pt win (NYJ 332-274 yd edge). While the Dolphins come in with victories in 7 of their L/8, they will be without QB Tannehill for the rest of the ssn (knee inj) against the Jets who are on a 7-1 ATS run as a DIV HD. **We'll have one of our Marquee selections available after 11am EST on gameday on either your VIP Debit System or through the Marquee 7-pk.**

MINNESOTA by 7 over Indianapolis - After getting back into the win column a week ago against the Jaguars for their 1st road win since Sept (377-315 yd edge) and moving their record vs the AFC to an amazing 10-1 ATS, the Vikings return home to take on a Colts squad that was surprisingly tripped up at home LW against the Texans despite a 348-316 yd edge (IND 3 TO's). In a crazy AFC South division that has the Colts sitting 2 gms behind HOU & TEN, their overall playoff aspirations could very well come to an end here against a MIN team that's +12 TO's on the ssn and is on a 20-7 overall ATS run.

BUFFALO by 17 over Cleveland - The season of horrors continued a week ago for the Browns as they moved another step closer to becoming the 2nd team in NFL history to go winless following their 13 pt home loss to CIN (RG3 just 12-28 for 104 yds & 1 int in his return). Things don't get much easier for CLE in this one as they head to BUF to take on a Bills team that's steaming after suffering their 2nd consec loss a week ago against the Steelers (BUF outgained 460-275). With the Browns having failed to cover each of their L/7 coming in (15 pt avg defeat), we'll go ahead and call for the Bills to move back to .500 on the ssn before a pair of DIV contests to close out the year.

KANSAS CITY by 3 over Tennessee - Following a solid home win last Thur against the Raiders (323-244 yd edge) where they took control of the AFC West in the process, the Chiefs play host to a Titans team that they've had mixed results against over recent ssns including an outright loss in Arrowhead back in '14 as a 3 pt fav. After getting by the Broncos a week ago at home despite just 253 yds of offense, the Titans moved to 7-6 on the ssn (tied atop the AFC South). While we expect the Chiefs to continue to churn through the remainder of the ssn with another victory here, their 2-7 ATS mark at home will have us taking the points in this one.

HOUSTON by 10 over Jacksonville - After dropping 5 of their 1st 6 road contests on the ssn in subpar fashion, the Texans were able to continue their solid run against the AFC South a week ago by going into IND as a 6' pt dog and coming out with the 5 pt victory (HOU outgained 348-316). Ironically, their only other road victory of the ssn came against this very same Jaguars squad as HOU earned the outright upset (+2') despite FD (23-16) and yardage (327-273) deficits. JAX meanwhile moved their current spread skid to 5-14 ATS following a rough home outing against the Vikings who scored the game's final 13 pts in the 9 pt victory. With HOU a solid 8-1-1 ATS vs AFC South foes and dominating the recent series with 5 consec wins by 12 ppg, the smart money will be on their side here as they've posted an impressive 5-1 SU (4-1-1 ATS) record at home in '16.

ARIZONA by 3 over New Orleans - Following another embarrassing road effort LW in rainy MIA where they turned the ball over on 4 more occasions (Dolphins GW FG as time expired), the Cardinals are back home for the final time this ssn to take on a Saints squad that has been held to just 24 combined pts the past 2 wks (30 ppg over previous 11) in losses to DET & TB (Brees 3 int in B2B gms for 1st time in career). While we expect the Cardinals to get the victory here despite having their playoff hopes crushed a week ago, the Saints' 7-1 ATS road record will have us placing this matchup right at the opening line.

ATLANTA by 24 over San Francisco - The season cannot end soon enough for the 49er faithful as LW's OT loss to the Jets moved their losing streak to 12 in row (SF blew 17-3 HT lead, outgained 404-364). They now head across country for the 3rd time in the past 4 wks to take on a Falcons squad who earned a much-needed victory LW in LA (led 42-0 in 4Q) to stay tied atop the NFC South standings. While the line is elevated for good reason with the 49ers at just 5-13 ATS as an AD, we expect an ATL offense that's avg 34 ppg & 413 ypg inside of the Georgia Dome this ssn to take advantage of the NFL's DEAD LAST defense (30.2 ppg, 415 ypg)!

New England by 3 over DENVER - Following a MNF home matchup against the Ravens where they had a chance to move into the #1 slot in the AFC playoff picture, the Patriots (9-3 ATS run as of presstime) head West on a short week to take on a Broncos team that they've dominated the series against with wins in 5 of the past 6 (only loss came in LY's AFC Championship). After being held scoreless for the 1st 3 quarters a week ago in Nashville, DEN's late comeback bid (10 unanswered pts) fell just short (DEN 348-253 yd edge). While the Patriots are clearly the stronger of the 2 squads as they head to Mile High, a 3 pt edge is all that we feel comfortable laying here as the Broncos have posted a solid 7-3 ATS mark as a dog.

SYSTEM	NFL OVER/UNDERS
Play the Under on a DIV HD Following a DIV Away SU Loss **18-4 82%** THIS WEEKS PLAY: **Packers/Bears Under**	Our Over/Under Section is in its 29th season. Each week we list the Top 3 plays as of Sunday Night. **3★ TEN/KC ..... Under** **2★ OAK/SD..... Over** **1★ NO/ARZ..... Under**

Oakland by 6 over SAN DIEGO - After being knocked off for the 2nd time this ssn against the Chiefs last Thur in Arrowhead in a game that they were held to nearly 150 yds under their '16 avg, the Raiders head back to the road again this weekend to take on a Chargers squad that they were narrowly able to get past back in October (3 pt win as a 3' pt fav). While the Chargers had some chances to come back a week ago at Charlotte despite an early 23-0 deficit, 5 TO's and 5 sks did them in during the 12 pt defeat. Despite SD coming out victorious in 3 of the past 4 meetings at home in this series, their inability to hold onto late leads for a good portion of the ssn will have us leaning with the Raiders (DIV AF for the 1st time s/'02) in this one.

Pittsburgh by 10 over CINCINNATI - First of 3 consec AFC North matchups to close out the ssn for the Steelers as they head to CIN looking for the ssn sweep after a 24-16 (-3) victory at Heinz Field back in Wk 2 (CIN had FD and yd edges). LW's matchup in BUF was a success for PIT as they had a 460-275 yd edge in the 7 pt win (RB Bell 298 ttl yds & 3 TD). The Bengals meanwhile earned their 2nd consec win a week ago in CLE behind a defense that all'd just 13 FD's & 255 yds. While the Steelers do have the ever-important meeting with BAL on deck, we'll give them the edge in this one as they've covered 5 of the past 6 in the series with a 9 pt avg MOV.

Tampa Bay at DALLAS - Flexed to SNF. Following their 5th consec win a week ago where they forced the Saints into 3 TO's while holding them to 135 yds under their ssn avg, the Bucs head to Dallas to take on a Cowboys squad that saw their winning streak halted at 11 straight following their 2nd loss of the ssn to the Giants (held to just 7 pts & 260 yds of offense). While the Bucs have been amazing so far in '16 as an AD with 5-1 ATS mark that includes 5 outright upsets by 7 ppg, the Cowboys appear to be on the verge of clinching homefield advantage in the NFC in the 2nd consec trip to SNF. **Call your VIP Debit Card for tonight's Marquee Winner!**

Carolina at WASHINGTON - MNF - The Redskins return home for the 1st time in nearly a month following a 3-gm road trip that featured a pair of losses to DAL & ARZ along with a victory a week ago against PHI (GW TD w/1:53 left). Unfortunately their recent meetings with the visiting Panthers haven't gone as planned as CAR has won each of the past 4 (3-1 ATS) by nearly 11 ppg. The Panthers ended a 2-gm losing skid a week ago as they jumped out to a 23-0 lead in their 12 pt victory over the Chargers (forced 5 SD TO's). While CAR is on a solid 14-6 ATS run as an AD, it's also worth mentioning that the Redskins are on an impressive 13-4 ATS streak of their own and need a win here to stay relevant in the NFC playoff mix. Remember on Monday Nights you can get a **$back+ guarantee!** Call 347-677-1700 on game day for more details!

This is the 3rd annual Miami Beach Bowl ply'd at MLB's Marlins Park and the 1st trip here for both tms. These two haven't met since '86-'87. This is CM's 3rd consecutive bowl trip and they're 1-1 SU/ATS after LY's 21-14 (+4) loss to Minn in the Quick Lane Bowl. CM's last bowl win came against WKU in '14. Tulsa is ply'g their 2nd str bowl under HC Montgomery after LY's 55-52 (+14) loss vs VT in the Independence Bowl. Despite having the 2nd smallest enrollment of all the FBS schools, Tulsa is going to their 10th bowl in 14 years.

CM was one of the most exp'd tms in the country coming into '16 with 16 ret'g str's incl QB Rush. The Chipps' should feel fortunate to be here as they finished just 6-6 and 1 of their wins came vs OKSt on a fluky "hail mary" on a play that shouldn't have even been all'd. After a 5-2 start, they dropped 4 of their L/5 incl at home vs Kent St as a 2 td fav. CM's D is #42, all'g 35 ypg less than their foes avg and they allow 161 (4.5) rush ypg but that number jumps to 184 (5.0) in their L/3. Their OFF avg 395 ypg but in their L/4 they dropped to 328 ypg and had 2 of their 3 lowest outputs in gms 10 and 11.

Tulsa was expected to have an explosive OFF coming into '16 but they've surpassed their own expectations, coming in at #2, avg 135 ypg more than their foes allow. They finished 9-3 on the ssn and their losses were all to bowl tms (Ohio St, Hou & Navy). If WR Atkinson gets 73 rec yds then TU will be the 1st tm in FBS history to have two 1,000 RB, a 3,000 yd QB and two 1,000 WR! The Golden Hurricane avg 262 rush ypg behind the AAC's top 2 RB's Brewer (1330, 5.4) and Flanders (1529, 6.3). TU finished +115 ypg in their L/6 and they put up the most or 2nd most yds all'd against 7 of their foes.

We wouldn't be shocked if both Flanders & Brewer each end up with over 100 yds rushing as Tulsa OL avg 301 lbs & CM's DL avg just 274. We feel the Tulsa pass D will neutralize Cooper Rush enough to cover as a DD fav.

FORECAST: TULSA **RATING: 1★**

These schls have 5 prior mtgs, but the last time they ply'd was 1956, so no games have been ply'd as FBS members. The series is tied 2-2-1 all-time. This is WKU's 4th bowl gm in 5Y incl 3rd str. They're 2-1 SU/1-2 ATS & DC Holt (HC at Idaho in '04-'05) will be the HC here as Jeff Brohm has been hired by Purdue. Memphis is bowling for the 3rd str yr & each with a diff HC in their bowl gm. They lost to Aub LY 31-10 (+3). Interim HC Holt has been a HC prior but both he & UM HC Norvell are cch'g in their 1st bowl.

Memphis came into the ssn full of question marks as they lost their #1DC QB & had a new HC implementing new systems on both OFF & D. New QB Ferguson is a trans from Tennessee & flourished, finishing with a 26-9 ratio. The Tigers began the ssn 5-1 with their lone loss at Ole Miss. They then lost 3 of 4 to the top tms in their conf, but enter the bowl with B2B wins incl pulling the outright upset vs Houston in the finale. Ferguson had his best gm of the ssn in that finale, hitting 30-45-409-4-0.

WKU won the CUSA title LY & like Memphis, entered the ssn a ? after losing their star QB. Also similar to Memphis, WKU used a trans QB (Mike White from USF) & he also did a great job, throwing for over 4,000 yds w/a 34-6 ratio. RB Wales ran for over 1,000 yds for the 2nd str ssn & WR Taylor again had over 1,000 rec yds with Norris, who just missed that landmark LY, getting over the hump TY. WKU alternated W's & L's their F/7 gms, but enters having won 7 str, including avenging their reg ssn loss in the CUSA Champ gm. The Hilltoppers are #9 in the FBS on OFF, avg 107 ypg more than their foes allow.

While QB White has had a great season, Memphis rates a solid #39 in our pass eff D rankings w/a 17-15 ratio. WKU will have an interim HC. Memphis will be motivated being a dog as an AAC member vs a CUSA team & we feel will keep this gm closer than expected.

FORECAST: MEMPHIS (+) **RATING: 2★**

FBS vs FBS OUTRIGHT UPSETS - Bowl Teams

Below are all the outright upsets for games involving FBS vs FBS teams. Teams are listed in alphabetical order that pulled the outright upset followed by the line, score, opponent, what they covered by and if they were a Away Dog (AD), Home Dog (HD) or † (neutral site). Also listed is if the game went to OT. The rank number is by what the team covered by, a look below shows Iowa St's 60 pt cover over Texas Tech as the most a dog has covered by this season so far and TCU's 48 pt cover over Baylor ranked #2. Eastern Michigan and Wyoming are the KING's of the outright upset this year so far with FIVE each followed by Arkansas, Navy, New Mexico, North Texas and Vanderbilt with 4 each. Double Digit outright upsets are in **BOLD** and Charlotte has the lead in that department with THREE.

WYOMING (8-5)
ATS: 9-4 O/U: 9-4

COWBOYS +2.2 ppg -24.8 ypg

This is the 16th Poinsettia Bowl in San Diego. These 2 were conf foes in the WAC & recently in the MW ('99-'10) & have ply'd 77 times in series history. BYU is on a 7-0 SU/6-1 ATS run & won the L/mtg in '10, 25-20 (-10'). The Cougars are ply'g a bowl gm for the 12th str ssn & they've lost their L/3 incl LY's Las Vegas Bowl to rival Utah 35-28 (+2'). Their last bowl win actually came in this bowl in '12 over SDSt 23-6 (-3). WY is ply'g in their 1st bowl s/'11 and just their 3rd in 22Y. They are looking for their 1st bowl win s/'09. Both HC's are in their 1st bowl gm but WY HC Bohl is 14-1 in FCS playoff gms w/3 Nat'l Titles.

While WY seemed to be improved coming into '16, the sked looked daunting & they seemed to be a yr away from a bowl. The Pokes started 2-2, but shocked everyone by winning the MW Mtn Div with wins over CSU, AF, Boise St & SDSt and HC Bohl was named MW COY. They lost 3 of their L/4 incl the MW Title gm at home in a rematch vs SDSt 27-24 (+6). Their run D was a major issue to close the ssn as they all'd 347 (7.2) ypg in their L/4. The Pokes were -25 ypg on the ssn. They were led by 1st Tm MW RB Hill (1767, 5.5). Their OFF is #42 in the nation, avg 49 ypg more than their foes allow but their D was only #105, all'g 56 ypg more than their foes avg.

Of BYU's 8 wins this ssn, only 1 came against a tm that finished w/a winning rec (Tol). However, 3 of their 4 losses were against bowl tms and all 4 came by a fg or less. BYU started 1-3 but rallied to win 7 of their L/8 (4-1 ATS), with the loss coming by 1 pt at Boise St. The Cougars are +42 ypg on the ssn. Their D is #31, all'g 47 ypg less than their foes avg and in their L/gm they all'd a ssn low 200 yds vs UTSt. Their OFF is led by RB Williams who went for 1165 (5.6) despite missing 3 gms. QB Hill was inj & OFY in the finale, but Mangum st'd 12 gms LY (3377, 60%, 23-10).

WY is 6-1 as a dog TY & large dogs in bowl gms usually fare well & we'll call for the Pokes to keep this gm closer than expected.

IDAHO (8-4)
ATS: 8-4 O/U: 6-6

VANDALS -1.5 ppg -34.4 ypg

CSU is 4-3 in this series. The most recent mtgs were in '09-'10 and ID won in '09 & CSU won in '10. This was previously called the Humanitarian & MPC Computers Bowl and is home to the famous "Blue Turf" (Boise St homefield). ID is ply'g here for the 3rd time & won both in '98 & '09. Their most recent trip was also their last bowl, a 43-42 (E) win over Bowling Green. CSU has never ply'd in this bowl but just made this trip 10/15 (lost 28-23 vs Boise but covered +28). Idaho is 454 miles closer than CSU (750 mile trip). They are in their 4th str bowl and 2nd under HC Bobo. They lost LY's Arizona Bowl to MW rival NV 28-23 (-3').

This was an important ssn for CSU HC Bobo as they had just 10 ret st'rs. QB's Stevens and Bauta were benched for true frosh QB Hill by the 3rd gm. They were 3-3 when Hill went OFY and Stevens took over again and had a 14-1 ratio in his L/6 sts. They won 4 of their L/5 and in their finale beat SDSt 63-31 as a DD dog. CSU avg 451 ypg and are +47 ypg. Their OFF is #30, avg 60 ypg more than their foes allow. The Rams have covered 7 straight gms entering this bowl gm.

ID announced they will be dropping down to the FCS in '18 so this could be their final FBS bowl. The Vandals had 14 ret st'rs coming into '16. They won 6 of their L/7 gms to close the ssn. Their 4 losses were all to bowl tms who have only lost a comb'd 11 gms but of their 8 wins, none came against a tm with a winning record. ID is -34 ypg on the ssn and their D is #88, all'g 23 ypg more than their foes avg. The Vandals have also covered their L/7 gms of the ssn.

We like Idaho's size advantage in the trenches as their DL is actually larger than CSU's OL! The Vandals will be excited to play in their home state and this is another bowl gm where we like the large dog to keep this gm closer than expected. A look at our checklist to the left shows CSU favored by just 4'.

OLD DOMINION (9-3)
ATS: 8-3-1 O/U: 8-4

MONARCHS +8.2 ppg +57.1 ypg

This is the most unlikely bowl matchup as ODU is ply'g in their 1st ever bowl while EM hasn't gone to a bowl s/'87. This is the 3rd Bahamas Bowl and the previous 2 were both won by WKU. While these two tms aren't familiar with bowling, they are familiar with each other as they met in '14 and '15. ODU is 2-0 SU/0-2 ATS in those mtgs winning 38-34 (-5') on the road LY. The Monarchs were outg'd 444-413 and never led until scoring the go ahead td with 2:12 left.

EM was expected to be improved in HC Creighton's 3rd yr, but no one saw them going 4-1 to start the ssn incl an outright upset over MW Mtn Div winner WY, 27-24 (+3'). They also got wins over MAC Bowl tms OU & CM. The Eagles avg 454 ypg and were +18 ypg against the #95 sked. Their OFF is #53, avg 33 ypg more than their foes allow and they put up their top 2 outputs in their L/3 gms. Their D is #86, all'g 20 ypg more than their foes avg and they are #88 in our pass eff D rankings. EM is on an 8-2 ATS run and 7-1 as a dog.

HC Wilder was fuming mad during CUSA Media days when ODU was picked to finish 6th in the East. With 17 ret'g starters they were one of the most experienced tms in the country and they used the snub as motivation. After a 1-2 start, ODU went 8-1 SU/7-1-1 ATS and finished 2nd in the CUSA East. ODU is avg 434 ypg on the ssn and is +57 ypg against the #123 sked and they only beat 2 bowl tms (UTSA & S Miss). In their L/4 they are +166 ypg. In their L/4 gms QB Washington had a 12-1 ratio & RB Lawry finished w/1122 (6.3). Their OFF is #58, avg 24 ypg more than their foes allow and their D is #53, holding foes to 22 ypg less than their foes avg.

We feel the oddsmakers got this gm right as a 3 pt gm & we feel more comfortable with a totals selection. David Washington figures to have another big game against EM's #89 ranked pass eff D, and don't be surprised if Brogan Roback has his most productive game of the yr.

Their only 2 mtgs took place in 2009-'10 with Navy winning & covering both. This is Navy's 5th str bowl appearance & Niumatalolo is 4-4 SU/5-3 ATS in bowls. Navy ply'd in this bowl in '13, beating Middle Tenn 24-6 (-6'). This will be LT's 3rd str yr in a bowl & they're 2-0 SU/ATS & beat Ark St LY 47-28 (-1'). Prior to LT, HC Holtz was 2-3 SU/3-2 ATS in bowls at EC & USF.

After winning 11 gms LY, Navy ret'd just 8 str's incl just 1 on OFF. Tago Smith won the job to replace 3rd Tm AA QB Reynolds, but was inj & OFY in the opener. Will Worth became the st'r & set the schl rec for ttl OFF. Unfortunately, both Worth & #2RB Gulley were inj on the same play in the AAC Title gm & are OFY. Navy then had their 14 gm winning streak vs arch rival Army snapped in the finale as they were held to ssn lows in FD's & ttl yds. The new QB is Zach Abey, a strong runner who threw his 1st college pass in the Title gm. The Middies were avg 49 ppg their 7 gms prior to Temple.

LT ret'd just 9 str's & was the least exp'd tm in CUSA. They vastly exceeded expectations & have a chance at winning 9 gms in 3 str yrs for the 1st time since the 70's. Despite the inexperience, LT only lost their opener at Ark by 1. They lost their CUSA opener at Middle Tenn, then reeled off 7 str wins before losing at SM in the reg ssn finale. They defeated WKU in the reg ssn, but were defeated by the Hilltoppers in the CUSA Champ gm by 2 td's. 1st yr st'g QB Higgins had a phenomenal yr, throwing for over 4200 yds w/a 37-8 ratio & is coming off a 502 yd performance his last game. LT is #19 in the FBS on OFF avg 76 ypg more than their opp's allow.

Navy will have plenty of time to get their struggling offense back up to speed with the bowl practices. La Tech allowed 44 ppg in their last 3 games of the season. Navy allowed 36 ppg in their last 6 games before Army. We think there's more value in the total for this game & expect a high scoring affair.

This was previously the GoDaddy.com Bowl ('11-'15) and the GMAC Bowl ('00-'10). Both tms ply'd in the GMAC with Ohio losing in '06 to S Miss 28-7 (+6) and Troy losing to C Mich 44-41 (+3) in '09. These two met in the '10 New Orleans Bowl with Troy winning easily 48-21 (-2) in their only mtg. This is Troy's 1st bowl since that '10 mtg and also HC Brown's 1st Bowl. Ohio is going to their 2nd str bowl and 7th in the L8Y. LY they lost the Camellia Bowl to App St 31-29 (+7') and their last bowl win was in '12. HC Solich is 2-5 SU/4-3 ATS in bowls at OU & was 3-3 SU/ATS in bowls at Nebraska.

Ohio came into the ssn with 12 ret starters but opened with a shocking 56-54 (-20') home loss to TXSt. They rebounded and went on to win a depleted MAC East. In the MAC Title gm they held W Mich to a ssn low 404 yds but were outg'd by 153 yds and only lost 29-23 (+16'). Ohio avg 392 ypg and is +29 ypg on the ssn. The Bobcats' D is #40, all'g 38 ypg less than their foes avg and they only allow 106 (3.0) rush ypg. They are led by MAC DPOY Tarell Basham (49 tkl's, 11.5 sks, 12 QBH).

HC Brown had his troops ply'g well at the end of '15 and it was no surprise to see them start well in '16, going 8-1 with their only loss to Clem 30-24 (+35). However, they lost 2 of their L/3 incl 28-24 (-7) at Ga Sthrn that cost them a share of the SBC Title. The Trojans are #51 on D, holding foes to 24 ypg less than their avg. Their OFF is #61, avg 22 ypg more than their foes allow and are led by 1,000 RB Chunn. They avg 439 ypg on the ssn and are +74 ypg but in their L/4 avg just 353.

The crucial matchup in this gm will be Ohio DL vs Troy's offensive line. We feel that the Bobcats will have the edge here. The Trojans allowed just 1 sack in their first 7 games, but allowed at least 1 in each of their last five games. Ohio had 12 sacks in their last four games. We feel that the Bobcats keep it a tad closer than expected.

The lone mtg between these schls took place in '93 with UH winning 35-14. UH ply'd in the 1st Hawaii bowl in 2002 & this is their 7th appearance overall. The Warriors are 3-3 SU/2-4 ATS & this is their 1st bowl s/'10. MT is ply'gin their 1st Hawaii bowl, but they did travel to the Bahamas LY & lost to W Michigan 45-31 (+4'). HC Stockstill is 1-4 SU/ATS in bowls.

UH entered the yr off a 3-10 ssn, but ret'd 15 str's & new HC Rolovich was a former QB here. After a 1-3 start with expected losses to P5 Cal, Michigan & AZ, UH won 3 of 4 to start MW action. After dropping 3 str their bowl chances appeared slim, but they defeated FSU on the road & with not enough 6 win teams qualifying for the postssn, UH was allowed to get in provided they beat UMass in their reg ssn finale & they did just that. New st'g QB Brown hit a solid 62% & is off a 5 td pass gm & his fav target is the tall 6-4 Sr Marcus Kemp. UH does allow 455 ypg incl 244 (5.3) rush ypg.

MT had high hopes of a CUSA Title entering the ssn as they ret'd 12 str's incl frosh POY QB Stockstill & leading WR James. The Blue Raiders won 4 of their F/5 gms, then lost by just 1 pt to eventual CUSA Champs WKU. They then won B2B gms incl over SEC Mizzou but suffered a huge loss when Stockstill was inj & OFY vs FIU & proceeded to lose their next 2 gms w/QB Urzua under center. Urzua was inj'd in the finale vs FAU but WR James filled in & rushed for 207 (9.4) w/RB Mathers adding 213 (11.8) as MT put up a ssn high 77 pts.

Middle Tenn figures to have a nice sized advantage in the trenches with an OL that avg 314 lbs vs a Hawaii DL that only avg 269 lbs. HC Stockstill also has experience coaching in bowls. With QB Brent Stockstill practicing but questionable, this is the only bowl game that Vegas hasn't put a number on. Without us knowing who is favored and by how much, we cannot put a selection on this game.

This is the 9th St Petersburg bowl, formerly known as the Beef O'Brady's Bowl from '10-'13. 1st mtg. MU is in their 1st bowl s/'10, a 35-21 (+2) win vs Middle Tenn in the GoDaddy.com bowl. HC Martin in cch'g in his 1st bowl game. This is MSU's 7th str bowl under HC Mullen (4-2 SU/3-3 ATS). The Bulldogs defeated NCSt 51-28 (-4') in LY's Belk Bowl. They are bowl elig despite 5 wins due to their high APR scores.

MU HC Martin has done a great job. He inherited an 0-12 tm & won 2 gms in '14, 3 LY & have them bowling TY. They ret'd 16 str's, but lost their F/6 gms & getting to a bowl wasn't even in the discussion. Despite those 6 losses, UM was just -3 ypg as they outg'd 4 foes. The Redhawks switched to QB Ragland & won 6 str to end the ssn incl defeating 2 bowl tms in EM & CM along the way. Ragland had an outstanding 15-0 ratio in those 6 wins. The run gm became a focal pt as the ssn wore on as they avg 217 ypg (5.1) rush in the 4 gms prior to their finale. They all'd MAC foes 67 ypg less than their avg.

MSU lost QB Prescott, but had a favorable sked on paper heading into the ssn. Nick Fitzgerald took over for Prescott and has done a great job. Fitzgerald has a 21-10 ratio, and was the top rushing QB in the SEC with over 1200 yds (14 td's). They surprisingly lost their opener to S Alabama & after 7 gms were just 2-5. They all'd a ssn high at the time 627 yds vs FCS Samford, but still won, then pulled an outright upset vs A&M as a DD dog. With 4 wins heading into the Egg Bowl, and knowing a win would get them into a bowl, they again pulled off an upset as a DD dog.

A look at our checklist to the left shows just how much of a mismatch this game could be. MSU proved it wanted to be in a bowl as they accepted the birth despite 5 wins in the reg ssn. The Redhawks have had a solid 2H of their ssn, but just don't matchup well vs a motivated SEC foe.

ST Rank	64	

These two used to be ACC foes and met every year from '05-'13 with MD going 7-2 SU but only 3-6 ATS before MD left for the B10. Both tms return to a bowl after a 1 year absence. BC's last bowl was a 31-30 (-3) loss to Penn St in the Pinstripe Bowl while MD lost 45-21 (+14) to Stanford in the Foster Farms Bowl. BC hasn't won a bowl gm since '07 while MD's last win was in '10. BC HC Addazio is 0-2 SU/ATS in bowls while MD HC Durkin was the interim HC at Florida in '14 (won 28-20 -7 vs EC, Birmingham Bowl)

BC entered '16 on an 8 gm losing streak but was a much more experienced squad. After a 3-4 start, they got an upset win over NCSt then had to win their L/2 gms to go bowling and finished with a 30-0 (-8) win over UConn and a 17-14 (+3') win at WF. Their D is ranked #9, holding foes to 96 ypg below their avg however, their top performances all came against weak OFF's. They only allow 311 ypg but their pass eff D is ranked just #62. Their OFF is #127 in the nation, avg just 291 ypg and 124 ypg less than their foes allow. Only once all ssn (vs NCSt) did they put up more yds than their foes allow on avg.

In HC Durkin's 1st ssn there were expected growing pains but they were more experienced and signs pointed upwards. They were fav's in their F/4 gms and went 4-0 then upset Mich St to get to 5-1 before losing their next 4 gms. The Terps beat Rut 31-13 (-14') to get to 6-6. All 6 of their losses were to bowl tms while only 1 of their wins came against a bowl tm (UCF) and they were 0-7 ATS vs bowl tms. They avg 380 ypg and are -54 ypg on the ssn. Their D is #106 in the nation, all'g 59 ypg more than their foes avg.

While Maryland has had success running the ball averaging over 200 rush ypg, don't expect solid results here as BC is all'g just 107 ypg & 3.3 ypc. HC Addazio has exp cch'g in bowls & we feel both these tms are even & will go with the much stronger defensive dog.

This is the 41st Independence Bowl and surprisingly both tms are making their 1st ever trip here. This is NCSt's 3rd straight bowl and they lost LY's Belk Bowl 51-28 (+4') to Miss St. Their last bowl win came in '14. Vandy is off a 2 year bowl absence and won their L/2 bowls incl in '13 vs Hou. This is HC Mason's 1st bowl while HC Doeren is 2-1 SU/ATS in his career.

HC Mason came into the ssn with unreasonable pressure considering how hard it is to win at Vandy. After a 4-6 start with 4 close losses, the Dores appeared destined to be home for the holidays. They pulled B2B home upsets over Ole Miss and Tenn to get here and put up a ssn high 608 yds vs the Vols. For the ssn, they avg 359 ypg and are -52 ypg. Their OFF is just #110, avg 62 ypg less than their foes allow and RB Webb has gone over 1,000 yds in B2B ssns. Their D is #49 in the nation, all'g 24 ypg less than their foes avg but they are just #81 in our pass eff D rankings.

The Wolfpack entered '16 with 14 ret'g starters but after going 0-7 vs bowl tms in '15, expectations were stagnant. After st'g 4-1, they dropped 4 straight vs ACC foes (all bowl tms). They were 5-6 and in a must win at rival NC and pulled the upset 28-21 (+10). Their OFF is #51, avg 37 ypg more than their foes allow while their D is #24, all'g 66 ypg less than their opp's avg and they held 2 foes to ssn low yds. They only allow 105 (3.2) rush ypg and held FSU RB Cook to 65 (3.8). NCSt avg 157 (4.0) rush ypg and RB Dayes had eight 100 yd perf's and went over 1,000 yds on the ssn.

Ralph Webb has had a solid yr with over 1,000 rush yds, but we don't anticipate him finding many lanes here as NCSt has a dominant rush D. The Wolfpack are +63 ypg vs our #29 toughest sked while Vandy is -52 ypg vs our #52 toughest slate. NCSt is also +42 ypg vs bowl tms, while the 'Dores are -84.5! A look at our checklist to the left shows NCSt by 6.5 & the line is just over a fg.

This is a rematch from Oct 22nd when NT went on the road & pulled the outright upset, 35-18 (+17'). Army leads the series 4-1 SU/2-3 ATS. This is just the 2nd bowl for NT in the L11Y & that was also this bowl which they won 36-14 (-6') vs UNLV in '13. This is Army's 2nd bowl in 19Y & they last were in the postssn in '10 & beat SMU, 16-14 (+7) in the Armed Forces Bowl.

NT had an entirely new cch'g staff entering this ssn & were coming off a 1-11 ssn. While they ret'd 14 str's they remained vastly inexp'd. Bama transfer Alec Morris began as the st'r at QB but was benched for Mason Fine. They began the ssn alternating W's & L's before their bye, then had their lone B2B wins after beating Army. They lost 3 str & 4 of 5 to close the ssn & Fine was inj & OFY vs WKU so Morris is back under center. The Mean Green were granted bowl elig despite 7 losses due to their high APR scores. NT is #117 in the FBS on OFF avg 76 ypg less than their opp's allow & have all'd 42 (10.3%) sks.

Army entered the ssn with 16 ret str's & 7 of their 10 losses LY were by 7 or less pts. All of their key contributors ret'd & improvement was expected. After st'g the ssn 3-0, incl a win at Temple, excitement was in the air, but they were then upset as nearly a 2 td fav at Buff. After a bye, they regrouped and gave Duke all they could handle & then alternated W's & L's until their expected loss vs ND in San Antonio. They snapped a 14 gm losing streak to arch rival Navy in the finale. Army is #11 in the nation on D all'g 91 ypg less than their opp's avg as they held 5 foes to their least or 2nd least yds gained.

NT has the advantage with extra time to prep for an offense they've already seen this yr. The Mean Green has a distinct size advantage in the trenches with an OL avg 309 lbs vs an Army DL that avg just 265. NT had 202 (6.1) rush yds in the prior mtg & could have similar results. We'll side with NT to keep this gm closer than expected.

This is the 9th Military Bowl but both tms ply'd in this when it was known as the EagleBank Bowl with WF beating Navy in '08 and Temple losing to UCLA in '09. The only mtg was way back in 1930! WF is ply'g in their 1st bowl s/'11 and HC Clawson was 0-2 SU/ATS in bowls at BG. HC Rhule took Temple to B2B bowls for the 1st time in schl hist! He has since left to take the Baylor job and the interim HC is ST coord Ed Foley. They lost LY's Boca Raton Bowl to Toledo and their L/win was in '11.

WF was one of the most exp'd tms coming into '16 (16 str's ret'g) and this was Clawson's best tm in his 3Y here. They jumped out to 4-0 incl upset wins at Duke & Indiana. They were 6-3 before losing their L/3. All 6 of their losses came to bowl tms and were 3-0 ATS vs the ACC's top trio (L'ville, FSU & Clem) but only 1 of their wins came against bowl tms. WF avg just 307 ypg and is -63 ypg and in their L/3 only put up 232 ypg. Their OFF is just #119 in the nation, avg 83 ypg less than their foes allow. Their D is #47, all'g 28 ypg less than their foes avg.

Temple was coming off their best ssn in schl hist in '15 and expectations were still high despite just 12 ret'g str's. An opening loss to Army was surprising but after a close loss at Penn St (which looks great now) they went on to win 9 of their L/10 and covered an amazing 12 straight! They smoked Navy 34-10 (+2') in the AAC Champ gm to win their 1st ever conf title in schl hist. The Owls avg 416 ypg and are +141 ypg. Their D is #5 in the nation, all'g 135 ypg less than their opp's avg. They've held their L/9 foes to their lowest or 2nd lowest yds on the ssn.

Sure Temple has covered 12 str, but that gives us tremendous line value here. A look at our checklist to the left shows that WF is much closer to a td dog & will have a significant cch'g edge here. We'll gladly take the DD dog.

WSU is 3-2 SU in the series with the last mtg taking place in '88. WSU has ply'd here twice losing in '81 & winning in '03, while UM is here for the 1st time. The Gophers snapped a 7 gm bowl losing streak LY, beating CM 21-14 (-4) in the Quick Lane Bowl. The Cougars are bowling for the 3rd time in 4Y & beat Miami, Fl 20-14 (-3) in LY's Sun Bowl. HC Leach is 7-4 SU/4-7 ATS in bowls, which includes his time at TT.

WSU ret'd 14 st'rs incl QB Falk & WR Marks and were the 2nd most exp'd tm in the P12, so it was shocking when they lost their opener vs FCS E Washington. After losing at Boise & sitting at 0-2, a less exp'd squad would've collapsed, but the Cougars went on an 8 gm winning streak & were ranked #20 when taking on South Div champ Colorado. Despite that loss, they still had a chance to get to the P12 Champ gm, but were dominated in the Apple Cup by their rival. Falk is compl 71% w/a 37-10 ratio & Marks is 133 yds shy of 1,000.

UM had to deal with their HC stepping down LY due to health reasons, but benefitted from bowl practices & entered this ssn as 1 of the most improved tms with 13 ret str's. They took advantage of a favorable conf sked that gave them a chance to make the B10 Title game into Nov. Their 3 losses entering the finale were all by 7 pts or less. Rodney Smith has over 1,000 rush yds, but has been held under 100 yds in each of the L/3 gms & Mitch Leidner has just a 7-12 ratio, but 4 of those int's came in the finale. The Gophers went 1-4 SU/0-4-1 ATS against tms with a winning record.

Minnesota has competed well as a dog this yr as they led B10 champion Penn State in overtime & led West division champion Wisconsin by a touchdown in the fourth quarter. The biggest weakness on Wazzu's team is their special teams, which is perhaps the Gophers biggest strength. We'll side with the stronger defensive dog to keep this game a tad closer than expected.

1st mtg. This is the 2nd Cactus Bowl as this was formerly known as the Copper Bowl, BW3 Bowl & Insight Bowl. Baylor lost the '91 Copper Bowl. BSt is in their 3rd bowl under HC Harsin (2-0 SU/ATS) and are bowling for the 15th consecutive year (9-5 SU/ATS). BU is ply'g in their 7th straight bowl and Interim HC Grobe was 3-2 SU/4-1 ATS at WF (former Temple HC Matt Rhule will take over in '17). This is BSt's 1st trip to this bowl.

BSt entered the ssn with hopes of a MW Title and a NY's 6 Bowl Bid and after a 7-0 start incl home wins over Wash St and BYU those hopes looked legit. Unfortunately an inexplicable (at the time) loss at WY and their 3rd straight upset loss to AF (1-6 ATS to end the ssn) derailed their goals. The Broncos avg 480 ypg and are +101 ypg on the ssn. Their OFF is #19, avg 74 ypg more than their foes allow led by 2nd Tm MW RB McNichols (1,663, 5.6). Their D is #37, all'g 42 ypg less than their foes avg but they are #63 in our pass eff D rankings. BSt had 11 ply'rs named 1st or 2nd Tm MW.

After a tumultuous offssn that resulted in the loss of HC Briles and a depleted class of '16, Baylor was expected to still contend for the B12 Title. It was the tale of 2 ssns for BU as they got off to a 6-0 start but lost their L/6 partly due to inj's (QB Russell OFY in gm 10) and depleted depth due to the offssn attrition. Their OFF is #20, avg 75 ypg more than their foes allow but their D is #74, all'g 8 ypg more than their foes avg. They all'd 320 ypg in their F/6 but in their L/6 all'd 554 incl 267 (5.3) rush. The Bears were just 3-8 ATS vs FBS foes this ssn and have just 1 win over a bowl foe.

Sure Baylor limps into this gm with 6 str losses, but they've still been mostly competive during their losing streak & want to show new HC Rhule they have no quit. KD Cannon has promised they will win this gm & we like the Bears size advantage on their OL vs a Boise DL that avg just 269 lbs.

This is the 7th Pinstripe Bowl and it's ply'd at MLB's Yankee Stadium. Neither tm has ply'd here before. The series is split between these two but the L/mtg was back in '73 in Tony Dorsett's Frosh ssn. HC Narduzzi is 0-1 SU/ATS in Bowls, losing LY to Navy 44-28 (+3) in the Military Bowl. This is Pitt's 9th straight bowl and they are 1-4 SU/ATS in their L/5 (L/win in '13). This is NW's 2nd str bowl and they were blown out by Tenn 45-6 (+10) in LY's Outback Bowl. HC Fitzgerald is 1-6 SU/4-3 ATS in bowls and the lone win came in '12.

Pitt entered '16 with 16 ret str's. They st'd 2-2 but did have a win over Penn St. They went on to win 6 of their L/8 incl a huge upset win over Clem 43-42 (+21). While an 8-4 finish doesn't seem thrilling, all 4 losses came to bowl tms and they are the only tm in the nation to beat 2 P5 conf champs. The Panthers avg 448 ypg but are actually -6 ypg on the ssn partly thanks to a D that is #105, all'g 57 ypg more than their foes avg. They also all'd 2 of their L/3 foes to put up a ssn high yds. Their OFF is #26, avg 68 ypg more than their foes allow and are led by RB Conner (1060, 5.1).

NW was coming off their 1st DD win ssn in schl hist. They had just 12 ret str's back this ssn but still had high expectations. After a loss in their opener to W Mich that looks much better in hindsight they were shocked by an FCS foe. They were 1-3 when they won 3 str incl B2B upsets over Iowa & Mich St. After closer than expected losses to OSU & Wisky, they rallied to win 2 of their L/3. NW avg 393 ypg and is -9 ypg on the ssn. Their OFF is #34, avg 44 ypg more than their foes allow led by 2X 1,000 yd rusher Jackson.

NW has done a solid job vs the run, all'g just 3.7 ypc while ply'g a B10 sked. If Pitt is forced to pass, Peterman has a solid 26-6 ratio, but the Wildcats counter with a defense that has all'd a fantastic 11-13 ratio. NW will be a motivated dog as a loss here would hand them a losing record & we feel they'll keep it closer than expected.

This bowl has had many names (Blockbuster, CarQuest, MicronPC, Tangerine, ChampsSports). These former Big East rivals have met 19X w/UM owning a 16-3 SU record. The last mtg took place in '03. This will be UM's 5th appearance here in the L20Y & they're 2-2 SU/ATS & is on just a 1-7 SU/ATS overall bowl run. WV has been here twice in the L19Y (0-2 SU/ATS). The Mountaineers are bowling for the 5th time under HC Holgorsen (2-2 SU/1-3 ATS) beating AZSt 43-42 (-2) in LY's Cactus Bowl.

UM entered the ssn as 1 of the more exp'd tms in the country & ret'd 15 st'd incl NFL caliber QB Kaaya. It was a ssn of streaks for the Canes, as they opened the yr w/4 str wins, then lost 4 str before ending w/4 str wins. All of their wins were by 2 td's or more, while 3 of their 4 four losses were by 7 pts or less. QB Kaaya has a 23-7 ratio & the Canes are #25 in the FBS on D all'g 57 ypg less than their opp's avg. They only allow 133 (3.5) rush ypg.

WV surprised many as they ret'd just 4 str's on D, however that was a strength early in the ssn that helped them get off to a 6-0 start. WV rebounded from their 1st loss w/B2B wins, but then lost to eventual B12 Champ Oklahoma despite having nearly a 100 yd edge. The Mountaineers enter this gm winners of B2B gms & are led by QB Howard, who improved to 61% completions w/a 26-10 ratio. RB Crawford went for 1,161 (7.1) incl 331 vs OU. In B12 action WV held their opp's to 61 ypg less than their avg.

We were surprised to see Miami as just a fg fav. A look at our checklist to the left shows the Canes with an 8 check edge. In the L/5 wins Miami's D all'd 366 ypg, holding their opp's to 41 yds less than their avg, while in WV's L/5 gms, they're D has regressed to allow 493 ypg & their opp's are avg 24 ypg more than their ssn avg. Miami's huge ST's edge will also play a factor & HC Richt is dominant ATS in SU wins (94-45-2, 68%!) incl 8-0 TY!

The Utes are 2-1 in this series and they won the L/2 mtgs in '01 & '02. This is the 3rd Foster Farms Bowl and this was previously the Kraft Fight Hunger ('10-'13), Emerald ('04-'09) & San Francisco ('02-'03). Utah ply'd in the Emerald in '05, beating GA Tech 38-10 (+9). They are ply'g in their 3rd str bowl and won LY's Las Vegas Bowl 35-28 (-2') over rival BYU. Utah is 12-1 SU/10-3 ATS in bowls. HC Wittingham is 8-1 SU/7-2 ATS and they've won their L/3. IU is ply'g in their 2nd str bowl for the 1st time since '90-'91and they've lost their L/3 bowls with their L/win coming in '91. HC Wilson was let go after the ssn and DC Tom Allen has been named new permanent HC.

The Utes came into '16 with 13 ret str's. They started off 4-0 incl a home win over USC 31-27 (-2'). They were 7-1 but lost 3 of their L/4 incl to P12 Champ Wash, 31-24 (+10). All 4 of their losses came by 7 pts or less (19 pts comb'd). Utah avg 427 ypg and is +41 ypg on the ssn. Their OFF is led by RB Williams who actually retired during the ssn but came back and rushed for 1,110 yds in his L/6 incl a schl rec 332 vs UCLA. Their D is #48, all'g 28 ypg less than their foes avg. They are led by DE Dimick who was 3rd in the nation with 14.5 sks on the ssn.

IU entered '16 with 13 ret str's. They won their finale vs Pur 26-24 (-21) to get here. The Hoosiers avg 433 ypg on the ssn and are +61 ypg. They put up their 2 worst OFF perf's in their L/2 gms but also had their 2 best Def perf's. Their OFF is #35, avg 54 ypg more than their foes allow while their D is #54, all'g 21 ypg less than their foes avg. They have just 1 win vs a bowl foe (at home vs MD) all ssn.

HC Whittingham is 9-1 SU in bowls & IU made an unexpected HC change. Usually we side with large bowl dogs, but will side w/the tm that has the edge on OFF, D, ST's, Cch'g, & crowd and will be hungry coming off 2 losses to end their ssn.

These former B12 rivals have met 15 times with A&M owning an 8-7 SU record & the last mtg took place in '11. This was previously known as the Car Care Bowl & ret'd to being named the Texas Bowl LY (also was named Texas Bowl from '06-'10). A&M appeared here in '11 & beat NW 33-22 (-9). HC Sumlin is 2-1 SU/1-2 ATS in bowls here after losing to L'Ville 27-21 (+3') in LY's Music City Bowl & was 1-1 SU/ATS as HC at UH. KSU ply'd here in '06, losing to Rutgers 37-10 (+8'). The Cats are bowling for a 7th str yr & are 1-5 SU/ATS in that span incl losing 45-23 (+13) to Ark in LY's Liberty Bowl. HC Snyder was 6-5 SU/4-7 ATS in bowls during his initial stint as HC here.

After finishing with a losing record LY for the 1st time s/HC Snyder ret'd, KSt rebounded nicely. They lost their opener at Stanford, but then won 3 of their next 4 before losing at eventual B12 champ OU. They then won B2B & lost to B12 runner up OSU. The Cats then ended the yr w/a ssn high 3 gm win streak. QB Ertz only compl 57% w/a 8-4 ratio, but leads the tm in rushing & is coming off a ssn high 170 yd effort. KSU is #24 in the FBS on D, all'g 63 ypg less than their opp's avg.

A&M had done the same the 2Y before TY which was to start fast, but falter late. This yr was no diff. They again started fast, ranked #6 at 6-0, but lost to Bama en route to losing their last 4 conf gms & enter this gm unranked. QB Knight was reported as being OFY, but ret'd in the finale. The Aggies are #103 in the FBS on D all'g 49 ypg more than their opp's avg.

This one is tough to call. Our computer has Kansas St winning by five and Bill Snyder is the best dog coach in the country. Our Checklist and bowl systems lean with Texas A&M, however. We cover 40 bowl games and give you 36 star rated plays, but this isn't one of them.

These two have met once before with SC winning at home 34-3 (-12'). This is the 3rd Birmingham Bowl and it was previously the BBVA Compass and Papa Johns Bowl. SC ply'd in the '10 BBVA Compass Bowl and lost to UConn 20-7 (-3') while USF won the inaugural Papa Johns Bowl over E Carolina 24-7 (-5). SC is back in a bowl after a 1 yr absence and won 4 straight from '11-'14 (3-0-1 ATS). HC Muschamp was 1-1 SU/ATS in bowls at UF. USF is in B2B bowls after LY's loss in the Miami Beach Bowl to WKU 45-42 (+2'). Their last bowl win came in '10 over Clem in the Car Care Bowl. HC Taggart left for Oregon & OC Weist will cch the bowl.

SC had just 9 ret str's coming into '16 and 34 of the 42 players in their 2-deep were either Frosh or Soph's yet HC Muschamp got them to a bowl. They started the ssn just 2-4 then switched QB's, going w/true frosh Bentley. They won 3 straight incl a home upset over Tenn 24-21 (+13') and eventually got to 6 wins. SC avg just 336 ypg and are -71 ypg on the ssn. Their OFF is ranked #125, avg 109 ypg less than their foes allow. Their D is #59, all'g 17 ypg less than their foes avg.

USF came into '16 as a fav to win the AAC East with 14 ret str's. Their only 2 losses on the ssn were to FSU & Tem, which cost them the AAC East Title. The Bulls avg 515 ypg incl 292 (6.7) rush and their OFF is #7, avg 114 ypg more than their foes allow. They are led by AAC OFF POY QB Flowers (1,425 rush & 22-6 ratio). Their D is just #118, all'g 81 ypg more than their foes avg and they all'd 3 of their L/4 foes to put up their highest or 2nd highest yds of the ssn.

The computer forecast shows why USF is a DD fav. However, we look at all the angles & SC is a young tm that was ply'g better OFF down the stretch w/youngsters QB Bentley, RB Dowdle & WR Samuel. USF is led by an interim HC & SC is an SEC tm that is a DD dog to a group of 5 tm.

This bowl was formerly called the Queen City, Continental Tire & Car Care Bowl. This is the 1st all-time meeting between these schools. This is Ark 3rd str bowl under Bielema & they beat KSt 45-23 (-13) in LY's Liberty Bowl. Bielema is 4-4 SU/5-3 ATS in bowls, which includes his time as HC at Wisconsin. This will be VT's 24th str bowl gm (11-12 SU/10-12-1 ATS) & they beat Tulsa 55-52 (-14) in LY's Independence Bowl. HC Fuente was 1-0 SU/ATS in his lone bowl gm while HC at Memphis.

Legendary HC Beamer retired & Justin Fuente was hired and he was able to keep longtime DC Foster. The Hokies ended up #23 in the FBS on D all'g 66 ypg less than their opp's avg. VT opened the ssn 4-1 with their lone loss coming vs Tenn, but then were upset at Syr as a near 3 td fav. VT rebounded to win 3 str incl over Miami & Pitt, but fell to GT before rebounding to beat ND & rival UVA. They were driving with a chance to tie CU in the ACC Champ gm, but QB Evans was int'd from the CU 23 on 4&6.

Ark only ret'd 5 str's on OFF as they had to replace their QB, 1500 yd rusher & Mackey Awd winning TE. Austin Allen replaced his bro at QB & hit a solid 61% w/a 24-12 ratio, while Rawleigh Williams avg 5.7 ypg & has 1326 rush yds. Their D was supposed to be the strength w/9 ret st'rs, but that wasn't the case as they all'd 429 ypg incl 209 (6.2) rush. The Hogs enter having alternated W's & L's their L/11 gms with a loss at Mizzou in their finale.

While Virginia Tech is all'g just 3.9 rush ypc, they've had their struggles. Against Tennessee, Duke & Notre Dame they all'd 222 (5.2) and we expect Arkansas RB Williams to find open running lanes. The checklist to the left favors the Hokies by just 1.5 and the Hogs are a touchdown dog. If Arkansas follows their season pattern they should get a win here and we wouldn't be surprised if they did pull off the outright upset.

FG's	17-25 (long 54)	
ST Rank	109	

These two used to be P12 rivals and their last mtg was in '09 with OKSt winning 31-28 (-17) at home. CU is 26-19-1 all time in the series. This is the 25th Alamo Bowl. OKSt won here in '10, beating Arizona 36-10 (-4') but also lost here in '04 & '97. CU lost here in '02, 31-28 (-7) vs Wisky. HC McIntyre has his troops in their 1st bowl s/'07 and this is his 1st ever bowl as a HC. OKSt is ply'g in their 11th str bowl gm and lost LY's Sugar Bowl 48-20 (+8') vs Ole Miss. HC Gundy is 6-4 SU/5-5 ATS in bowls.

HC McIntyre has done a fantastic job rebuilding CU. They had 18 ret'g st'rs entering '16 but no one expected them to win the P12 South. CU was 2-0 and beating Mich in the 3Q but QB Lifau got hurt. The Buffs rebounded and only lost 1 reg ssn gm (at USC) the rest of the way to win the P12 South and McIntyre was named Walker Camp COY. They lost the P12 Title gm 41-10 (+7) and were held to ssn lows of 163 yds and 9 FD's. CU avg 446 ypg and is +92 ypg on the ssn. The Buffs D is #11, all'g 92 ypg less than their foes avg and held 4 of their foes to a ssn low yds. They are also #2 in our pass eff D rankings. The Buffs are 10-3 ATS on the ssn.

OKSt brought 17 ret str's into the ssn. The Pokes were 9-2 going into their ssn finale vs OK with the B12 title on the line but lost 38-20 (+11). They would have gotten to DD wins for the 2nd str ssn if it wasn't for a hail mary vs C Mich that occurred on a play that shouldn't have happened. OKSt avg 492 ypg on the ssn and are +35 ypg. Their OFF is #28, avg 63 ypg more than their foes allow but their D is just #78, all'g 13 ypg more than their foes avg and they are #67 in our pass eff D rankings.

While OKSt QB Rudolph has had a great ssn, he could struggle as CU is all'g just 48.2% completions & this will be easily the best pass D he's seen. CU has ply'd a much tougher sked to get them prepared here, taking on Michigan, USC, & Washington.

There has been 3 prior mtgs w/UGA winning all 3 & the last gm took place in '88. UGA ply'd here in '10, losing to UCF 10-6 (-6'). This is the Bulldogs 20th str bowl & they're 14-5 SU/13-6 ATS & beat PSU 24-17 (-6) in LY's Taxslayer Bowl. TCU ply'd here in '02, beating CSU 17-3 (+5). This is their 15 bowl gm under HC Patterson (9-5 SU/6-7-1 ATS) & they beat Oregon 47-41 (+7) in LY's Alamo bowl.

UGA went thru a cch'g change, but still had 14 ret str's & a talented team. They were expected to compete in the SEC East but fell short of expectations. After st'g 3-0, the Bulldogs then lost 4 of their next 5 gms with their lone win in that span coming vs Vandy. UGA beat KY & Aub to close out their SEC sked & then beat ULL, but lost their finale vs rival GT. True frosh QB Eason was named the st'r after wk 1 & RB Chubb ret'd from a gruesome knee inj & is just 12 yds shy of 1,000.

TCU also fell well short of expectations this yr. Despite returning just 11 str's they had the talent to compete for a nat'l title as they brought in A&M trans QB Hill to lead the OFF. Unfortunately Hill also fell short of expectations as he has just a 15-13 ratio & the D, which is the strength of the team, couldn't overcome the OFF's shortcomings. They began 3-1 & in their lone loss vs Ark finished +169 yds. They then lost 3 of their next 4 with their lone win coming over lowly KU. The Frogs then alternated W's & L's to close their inconsistent reg ssn.

These schls are about as even as you can get so it makes perfect sense the Vegas line is anywhere from a pick'em to a 1 pt spread. We believe more value for this game lies within the total. While TCU ranks #23 on OFF by the NCAA, our rankings have them just #71, while the NCAA ranks them with the #74 D, but ours has them at #27. TCU has been held under a td in 2 of their L/3 gms & we'll call for a lower than expected outcome.

ST Rank	16	

The only 2 mtgs between these foes occurred in '97-'98 and NC went 2-0 SU/0-2 ATS. This is the 82nd addition of the Sun Bowl. NC has ply'd here 4 times, going 2-2 and their last trip here was a loss to Texas in '94. Stan has gone 2-1 here but lost their L/trip in '09 to OK 31-27 (+10). This is Stan's 8th str bowl. HC Shaw is 3-2 SU/3-1-1 ATS in bowls. They won the Rose Bowl LY 45-16 (-6) vs Iowa. NC is ply'g their 4th str bowl and HC Fedora is 1-2 SU/ATS.

Stan came into the ssn with 11 ret str's but were still fav's in the P12 North. The Cardinal faced the #5 sked in the nation TY and after st'g 3-0 they dropped B2B gms to UW & WSU. They were just 4-3 when HC Shaw switched to QB Chryst and they won their L/5 gms. RB McCaffrey had dealt with inj's early and had just 570 rush in his F/7 but in his L/5 went for 991 and set a schl rec w/284 vs Cal. Stan's OFF is #102, avg 50 ypg less than their foes allow. They avg 374 ypg but in their L/3, they avg 543 and 32 ypg more than their foes allow. Stan's D was #17, all'g 81 ypg less than their foes avg. They held all but 1 foe they faced below their ssn avg and they are #10 in our pass eff D rankings.

NC entered '16 with 14 ret str's off a ssn where they won their 1st ever ACC Coastal Title. They were 7-2 and needed to win their L/2 ACC gms for another Div Title but were upset by both instate rivals NCSt and Duke. The Heels avg 442 ypg and are +24 ypg on the ssn but were outg'd by 53 ypg in their L/3. They are led by QB Trubisky (28-4 ratio) who has emerged as a possible #1 DC. Their OFF is #42, avg 50 ypg more than their foes allow. NC's D is just #77, all'g 11 ypg more than their foes avg and they've all'd 291 (4.9) rush their L/4 gms.

Stanford has a HUGE edge on D. McCaffrey should have a big game against NC's weak rush D. Trubisky could be neutralized vs our #10 ranked pass eff D.

This is just the 2nd ever Arizona Bowl & the 1st ever mtg between these schls. SA started ply'g football in 2010, became an FBS member in 2012 & made their 1st (only) bowl in '14 losing to BG 33-28 (-2') in the Camellia Bowl. AF is bowling for the 9th time in the L10Y under HC Calhoun. They're 3-5 SU/4-4 ATS & lost to Cal 55-36 (+7) in LY's Armed Forces Bowl.

AF entered the ssn with an exp'd squad that made it to the MW Champ gm. Nate Romine began the ssn as the st'g QB, but was inj'd & Arion Worthman took over and kept the job even when Romine was healthy. AF began 4-0 incl a win over rival Navy. They then lost 3 str, all as DD fav's. The Flyboys then rebounded and won their L/5 gms, incl beating Boise St in the finale. Worthman kept the job because of his running ability & AF avg 323 (5.1) rush ypg with Worthman leading the team in 3 of his 5 gms he st'd down the stretch.

SA nearly made a bowl LY with a lot less exp'd team than they had returning TY. The Jags pulled off a major upset, beating Miss St as a 28 pt dog in the opener, but then lost their F/2 conf gms. They pulled another huge upset, beating eventual MW champ SDSt as a 19 pt dog, then again lost 2 conf gms. Needing a win in their finale to become bowl elig, SA had ssn highs in ttl (521) & rush (282) yds & beat NMSt. RB Johnson is over 200 yds shy of 1,000 and got off to a slow start, but is avg 118 (7.8) the L/3 gms.

Air Force has struggled in their role as a double digit favorite this year, going just 1-6 ATS, with three outright losses. Conversely South Alabama has fared well as a double digit underdog, going 3-1 ATS with outright wins over Mississippi State and San Diego State. The Jaguars have extra time to prepare for the triple option offense. While South Alabama quarterback Dallas Davis hasn't put up phenomenal numbers, we feel he has a chance at his best game of the season looking across at just our #92 ranked pass eff D.

FORECAST: SOUTH ALABAMA (+) **RATING: 2★**

These 2 met in the '97 Orange & '99 Fiesta Bowls with Neb beating the Vols in both QB Manning & Martin's final gms. This is the 19th Music City Bowl. UT was here in '10 and lost to NC 30-27 (+1). The Vols are in their 3rd str bowl and have won the prev 2 by 28 ppg incl LY's 45-6 (-10) win over NW in the Outback bowl. HC Jones is 4-1 SU/ATS in bowls in his career. Neb is in their 9th str bowl. LY in HC Riley's 1st Bowl as Neb HC they won 37-29 (+5') vs UCLA in the Foster Farms bowl. Riley is 6-1 SU/4-3 ATS in bowls going back to his days at Oregon St.

Tenn had 17 ret st'rs coming into '16 but were fortunate to start 5-0 as they trailed in 4 of those incl vs UGA when they won on a "hail mary". Inj's took their toll and they lost 4 of their L/7 incl to SC & Vandy which cost them the SEC East. The Vols avg 437 ypg and are -23 ypg. Their OFF is #23, avg 70 ypg more than their foes allow. Their D is #111, all'g 70 ypg more than their foes avg and in 5 of their L/6 gms, the tm they faced put up a ssn high or 2nd high in yds. They all'd 460 ypg but in their L/3 they all'd 661 ypg. The Vols are 2-7-1 ATS vs bowl tms.

Neb entered '16 with 13 ret st'rs. The Huskers were fav'd in their F/7 and went 7-0. They suffered an OT loss to Wisky 23-17 (+8') then were blown out at OSU 62-3 (+17). They won 2 of their L/3 and finished 9-0 SU/6-2-1 ATS as a fav but 0-3 SU/1-2 ATS as a dog. The Huskers avg 386 ypg and are +36 ypg. Their D is #29, all'g 48 ypg less than their foes avg. Their OFF is #75, avg 10 ypg less than their foes allow. Neb went 5-3 SU/6-2 ATS vs bowl tms.

Tommy Armstrong wasn't practicing when we went to press (CS). While Tennessee is disappointed in the way their season played out, being close to home and going out with a statement win would give them confidence going into next year. The Volunteers have a HUGE ST edge that will help them win this by around a td.

These 2 storied programs have met twice, with FSU winning in '91 & UM winning in '86 when HC Harbaugh was QB. This is the 83rd Orange bowl & FSU is 4-5 SU here and won in '12 vs NIU 31-10 (-13). Mich was last here in '99 and won vs Bama 35-34 (+1). This is FSU's 35th str bowl which is an FBS high. HC Fisher is 4-2 SU/3-3 ATS and L/won in the '13 BCS Nat'l Title. Mich is ply'g in their 2nd str bowl and won LY vs Florida 41-7 (-4'). HC Harbaugh is 2-1 SU/ATS in bowls and won here in '10 in his final gm as HC at Stan.

Mich came into TY with 14 ret st'rs and a fav in the B10. They were 9-0 with 8 DD victories when they travelled to Iowa and lost 14-13 (-21'). They needed a win at OSU to take the B10 East Title but after some controversial calls, lost 30-27 (+5) in 2OT and just missed out on a playoff spot. The Wolverines avg 439 ypg and are +187 ypg on the ssn against our #56 sked. Their OFF is #20, avg 74 ypg more than their foes allow while their D is #3, holding foes to 146 ypg less than their avg. DB Jabrill Peppers is the B10 DPOY and a Heisman finalist and 14 ply'rs made 1st or 2nd Tm All-B10.

FSU was a much more exp'd squad coming into '16 with 17 ret st'rs. The Noles proved to be a year away from contention after a blowout loss at L'ville and close losses to NC and at Clem. They avg 474 ypg and are +117 ypg on the ssn against our #18 sked. In their L/3 they were +290 ypg. Their OFF is #9, avg 108 ypg more than their foes allow and put up the most yds all'd against 3 of their foes. Their D is #19, all'g 74 ypg less than their opp's avg and they held foes to a ssn low yds on 2 occasions incl their ssn finale vs SEC East Champ Florida.

When looking at the checklist to the left these teams are even so we're surprised that Michigan is a td fav. Florida St has ply'd the much tougher sked, with 9 bowl teams, while Michigan played 7 and we'll call for the Seminoles to pull off the outright upset!

1st mtg. LSU last ply'd here in '04 & '09 when it was called the Capital One Bowl, losing each, despite being a fav in both. They're bowling for the 17th str yr. The Tigers beat TT 56-27 (-7) in LY's Texas Bowl. This is Ed Orgeron's 1st bowl as a HC. L'ville has never appeared here. They're making their 7th str bowl (4-2 SU/ATS) & beat A&M 27-21 (-3') in LY's Music City Bowl. HC Petrino is 6-4 SU/ATS in bowls.

L'ville entered the ssn 1 of the most exp'd in the country & ret'd 17 str's. They st'd 4-0, avg over 60 ppg incl destroying #2 ranked FSU 63-20 (-1). After falling at Clem, they won 5 in a row, 4 by DD's, but lost their L/2 gms despite being 14' & 27 pt favs. They're #1 on OFF in the FBS avg 179 ypg more than their opp's allow & #11 on D, all'g 90 ypg less than their foes avg. QB Jackson is the probable Heisman winner as he's thrown for 3390 yds, ran for 1538 & ttl'd 51 td's.

LSU entered the ssn as a legit Nat'l Title contender. They fell to Wisconsin in the opener & after losing at Aub were sitting at 2-2 & Les Miles was fired. Under interim HC Orgeron they won 3 str, all by over 2 td's & were tied with Bama in the 4Q before losing 10-0 (+7'). They won 2 of their L/3 to close the ssn & Orgeron was named the new HC. RB Fournette is likely the #1RB taken in the next yrs draft, but he was banged up for the 2nd str yr & Derrius Guice has taken over as the lead back w/1249 (8.0) and is 1st Tm All-SEC. QB Etling took over for QB Harris after the opener, but has just a 9-4 ratio. The Tigers are #4 in the FBS on D, all'g 137 ypg less than their opp's avg & has our #17 ranked pass eff D.

While L'Ville is solid against the run, they did allow 201 (6.5) vs Clemson & 229 (5.3) vs KY. LSU RB Fournette should be as healthy as he's been all ssn & along with Guice should be able to run wild here. The Tigers ply'd a much tougher sked & the ST's edge will likely play a role in this gm too.

GT is 11-7-1 SU in this series but the last mtg was in '60! HC Stoops faced GT in his final ssn as DC at FSU & GT was held to 183 (3.5) rush yds, 128 below their avg. This is the 4th TaxSlayer Bowl (previously Gator Bowl). GT ply'd in the Gator Bowl 7X, going 3-4 with their L/trip in '06, a 38-35 (+10) loss to WV. The Yellow Jackets are back bowling after a 1 yr absence. HC Johnson is 2-5 SU/ATS in bowls at GT with their L/win in '14. This is KY's 1st trip here & HC Stoops has them bowling for the 1st time s/'10. They haven't won a bowl since the '08 Liberty Bowl.

GT only came into '16 with 11 ret st'rs but were expected to improve after a poor '15. The Jackets st'd 3-0 but lost 3 str & some grew tired & wondered if HC Johnson would return. GT won 5 of their L/6 incl upsets over VT & UGA so those questions have disappeared. They avg 389 ypg (-20 ypg) & despite winning 3 of their L/4, were -78 ypg. They avg 257 (5.5) rush ypg, the lowest under Johnson. Their D is #80, all'g 17 ypg more than their foes avg & 2X all'd tms to put up a ssn high yds.

KY had 14 ret st'rs TY, but was outg'd by 263 yds during their 0-2 start. After switching to QB Johnson, they won 7 of their L/10 incl an upset over rival L'ville in their finale. The Cats avg 428 ypg & are -11 ypg. Their OFF is #41, avg 51 ypg more than their foes allow & they have two 1,000 yd RB's. Their D is just #94, all'g 30 ypg more than their foes avg. They allow 225 (5.1) rush ypg & in their L/4 all'd 282 (6.2).

When going through this matchup we favored KY by 2.5 checks, so we're suprised that GT is the fav. KY has extra time to prep for the option & they're rush OFF is as good as GT's & the Yellow Jackets all'd 174 (5.0) rush ypg vs bowl tms. UK was 5-2 as an SEC dog & GT has been lucky in their 3 gm win streak entering here (outFD'd 72-38)! We'll call for the Cats to pull the outright upset.

This is the Playoff semi-final. These schls have 4 prior mtgs, 2 in bowls, the 1926 Rose & 1986 Sun, which was the last matchup. Bama is 4-0 SU. This is UW's 1st appearance here & their 7th str bowl overall. They beat SM 44-31 (-8) in LY's Heart of Dallas bowl & HC Petersen is 6-3 SU/ATS in bowls and 3-0 as a dog incl 2 outright upsets, going back to his time at Boise. Bama has made the playoffs all 3 yrs. They lost to Ohio St in the '14 semifinal & won the Nat'l Title LY. HC Saban is 7-3 SU/6-4 ATS in bowls here.

UW entered the ssn w/15 ret str's incl their QB, 1,000 yd RB & top 2 tkl'rs. They had an extremely weak non-conf sked, but once their conf slate started, proved they were capable as they were 9-0. Hosting a USC team that was playing as good as anyone in the nation, they were held to a ssn low 276 yds & lost. The Huskies rebounded & won the Apple Cup to get to the P12 Title gm then dominated Colorado to reach the playoffs. QB Browning has a 42-7 ratio & RB Gaskins ran for over 1300 yds again. UW is #7 in the FBS on D all'g 102 ypg less than their opp's avg.

Bama is the defending Nat'l Champs & entered the ssn expecting to be here again, despite breaking in a new QB. True frosh Jalen Hurts won the job & is compl 65% w/a 22-9 ratio while also rushing for 841 & 12 td's. Bama ran thru the ssn undefeated, while hardly being challenged. The closest gm they had was at Ole Miss wk 3 & after trailing 24-3 in the 2Q, came back to take a 48-30 lead before all'g 2 td's in the L/3 min to make the gm seem closer than it actually was.

Besides Kansas State HC Bill Snyder, there isn't another HC that relishes the underdog role better than Petersen. Bama is favored in nearly every category on our checklist to the left and while we agree and feel the Tide will win, we also feel that the Huskies will keep it closer than the line of over a 2 td dog.

This is one of the Playoff semi-finals. OSU won the inaugural Nat'l Championship that included the playoffs in '14, while CU made it to the title gm LY. CU has won both prior mtgs, each in bowls, the last being the '13 Orange Bowl 40-35 (+2). OSU is 3-1 SU/ATS in bowls under HC Meyer, beating ND 44-28 (-6') in this bowl LY & he was 7-1 SU/ATS at UF/Utah. This is CU's 10th bowl gm under HC Swinney & they're 5-4 SU/6-3 ATS after beating OU 37-17 (+3') in LY's Orange bowl & losing 45-40 (+6') in the Champ.

OSU lost a TON of talent, setting a record w/9 players selected in the F/3 rounds of LY's NFL draft. They entered the ssn as the least exp'd tm in the country. They passed an early test at OU, winning by 3 td's. In their 2nd of B2B AG's off a trip to Madison, the Buckeyes outply'd PSU for 3Q, but were done in by ST mistakes & suffered their lone loss. In their finale in 'The Game' they defeated their arch rival Mich in 2OT to earn a spot in the playoffs. QB Barrett has a 24-5 ratio, Curtis Samuel is as dangerous in the backfield (704, 7.7, 8 td's) as he is as a rec (822, 12.6, 7 td) & rFr Weber has 1000+ rush yds. They are #2 in the FBS on D, all'g 147 ypg less than their opp's avg & have our #1 ranked pass eff D.

CU also entered the ssn as a young tm, but did return 8 str's on OFF led by QB Watson, who wasn't asked to run as much TY & his pass #'s thru 13 gms are better than LY's, despite the public thinking otherwise. The Tigers beat Aub on the road in the opener & were undefeated before falling to Pitt despite being +166 yds as they had 2 chances to close the gm out. CU has not only QB Watson but 1000 yd RB Gallman & WR Williams. The Tigers won out & survived a valiant effort from VT in the ACC Championship.

We feel OSU is about a fg stronger than Clemson, so we are going to call for the OVER as the Buckeyes have gone OVER in 3 of their L/4 gms, while the Tigers 5 of 6 incl 4 str.

NC SPORTS COMP LINE 1-347-677-1700

FREE FOOTBALL PLAYS 7 DAYS A WEEK

FREE PLAYS EACH AND EVERY DAY!!!!

While the football season winds down, we do not offer the same **TEN FREE PLAYS EVERY WEEK** that we normally do EVERY WEEK of the regular season, but we offer **FREE football plays right through Super Bowl Sunday!** During the offseason our Comp Line is your source **for FREE Basketball, Hockey AND Baseball Plays from the Northcoast Community Line Handicappers!** As always - we've got you covered.

NORTHCOAST SPORTS + OR - POWER RATINGS

The Power Ratings listed below are not based on the Power Plays, they are based on last year's final computer power rating numbers with the pluses and minuses from the off season changes factored in. They are then adjusted during the course of the season based on the final score of the games that are played on a weekly basis. The Power Ratings listed below can be used for you as a base power ratings to forecast up coming lines and strength of opponents, etc. Once again, they are not based on Power Plays and they differ from what we have shown in recent years, which has been our actual computer Power Ratings. These are Northcoast Sports Plus or Minus Power Ratings.

These two have met 3 times, all in bowl gms and the L/2 mtgs were also in the Outback bowl. In '05 UF won 31-24 (E) and in '03 Iowa won 37-17 (+3'). Both tms are making their 5th trip here, with UF most recently winning in '10 over Penn St 37-24 (-7) and Iowa losing in '13 to LSU 21-14 (+7'). This is the Gators 3rd str bowl and they L/won in '13. HC McElwain is 1-1 SU/0-2 ATS in bowls in his car. Iowa is bowling for the 4th str year but haven't won s/'10. HC Ferentz is 6-7 SU/8-5 ATS in bowls but has lost 4 in a row SU.

UF came into '16 with 12 ret st'rs and st'd 3-0 but ended their 11 gm win streak vs Tenn with a 38-28 (+4') road loss. They won 5 of their next 6 to clinch the SEC East incl a 16-10 (+14) win at LSU when they got a SOD's at the UF1 on the final play. They went on to lose their L/2 vs FSU & Bama in the SEC Title gm. The Gators avg 345 ypg and are +47 ypg on the ssn against our #25 sked. Their D is #6, all'g 124 ypg less than their foes avg and on 6 occasions, held their foes to their 1st or 2nd lowest yds of the ssn. They also have our #3 pass eff D and #24 ST's unit.

Iowa had 13 st'rs ret'g in '16 and were contenders to win the B10 West. Surprising losses to FCS N Dakota St & Northwestern knocked them down a peg then losses to Wisky & PSU eliminated them from B10 Title contention. They won their L/3 incl a home upset over Mich 14-13 (+21'). Iowa avg 333 ypg and is -20 ypg against our #47 sked. Their OFF is #89, avg 33 ypg less than their foes allow and they rush for 172 (4.5) ypg. Their D is #44, all'g 29 ypg less than their foes avg. They have our #22 pass eff D and #18 ST's unit.

This game has some conflicting trends. The computer numbers say Iowa winning outright, but gives Florida the yardage edge. This game is being played 3 weeks from now and we would like to know how healthy the Gators are and what the line moves to. We have a selection on almost every bowl game, but this one is a no play.

NO PLAY

Offensive and Defensive YPG Averages Compared to Opponent Average thru Week #14

This chart shows how teams fare vs what their opponents average on the season. As an example Louisville avg 558.8 ypg this year but their opp's avg's in games saw them allow just 380.9 ypg. Therefore Louisville was +177.9 ypg over what their opp's normally allow. On the defense side Alabama allowed 247.8 ypg and their opponents normally avg 465.4 ypg on the year. They held their foes to -195.0 below their season avg. A minus sign is a negative number meaning they avg below what their opp's allowed or on defense allowed more than their opp's usually avg. The Total Column adds the two number together and 3 of the top 4 teams all made the playoffs.

UW is 3-1 SU in this series and the most recent mtg was back in '00. Both tms are making their 1st trip to the Cotton Bowl. This is Wisky's 15th str bowl gm and they've won their L/2 incl LY's Holiday Bowl vs USC 23-21 (+3). HC Chryst is 2-1 SU/ATS in bowls going back to his days at Pitt. HC Fleck has the Broncos in their 3rd str bowl for the 1st time in schl hist. They are 1-1 SU/ATS and got their 1st ever bowl win in LY's Bahamas Bowl over MT 45-31 (-4').

The Badgers came into '16 with 12 ret st'rs but faced one of the toughest sked's in the country with LSU, Mich, OSU, Iowa & Neb all highly ranked when they ply'd them. The Badgers opened with an upset over LSU and were 4-0 but lost B2B gms to Mich & OSU by 7 pts each. They won their next 6 to clinch the B10 West but lost the B10 Title gm vs PSU 38-31 (-3'). UW avg 384 ypg and are +81 ypg on the ssn against the #13 sked. Their D is #8, all'g 95 ypg less than their foes avg and they are #8 in our pass eff D rankings. These two tms have 3 common foes (Akron, ILL & NW) & UW was +34 ppg & +211 ypg.

WM came into '16 as the fav to win the MAC. They won at NW & IL then easily ran the table in conf play, with their closest win by 14 pts in the reg ssn. The Broncos won the MAC Title gm over Ohio 29-23 (-17). WM avg 497 ypg on the ssn and are +143 ypg against the #114 sked. Their OFF is #17, avg 78 ypg more than their foes allow. QB Terrell has a 32-3 ratio. WR Davis was named MAC OFF POY & HC Fleck was named MAC COY. Their D is #29, all'g 49 ypg more than their foes avg but they do allow 152 (4.7) rush. Against the 3 common foes they were +22 ppg & +174 ypg.

The playoffs have been around 2Y & the group of 5 tm is 2-0 in these NY6 bowls, pulling outright upsets each time. UW doesn't strke us as a tm that will look past a foe b/c it's led by a D that never lets up & the Badgers are the more talented tm.

The 'Grandaddy of Them All' gets arguably the 2 hottest tms in the nation against each other. USC is 5-4 SU & the last mtg was in '08 Rose Bowl w/USC winning 38-24 (-9). This is the 5th str bowl for USC, they lost to UW 23-21 (-3) in LY's Holiday Bowl, & they're 1-1 SU/ATS under HC Helton in bowls. PSU is bowling for the 10th time in the L12Y as their lone 2 yr drought was when they were banned from the post ssn. They lost to UGA 24-17 (+6) in LY's TaxSlayer bowl & HC Franklin is 3-2 SU/ATS in bowls (incl Vandy).

The biggest ? USC had entering the ssn was their inexp'd DL & that was exposed in their blowout loss to Bama in the opener. Max Browne opened as the st'r, but was benched for Sam Darnold. Darnold lost his 1st st, but settled in & has the Trojans playing as well as anyone. The DL that was a ? early, has dominated down the stretch, holding Oreg, Colo & Wash to under 100 rush yds. USC is #15 on D, all'g 83 ypg less than their opp's avg, while Darnold is compl 68% w/a 26-8 ratio.

PSU entered the ssn vastly more exp'd & had 14 ret str's incl 9 on OFF. They had to replace their #2DC QB, but McSorely has produced better than Hackenberg. Barkley leads the B10 in rushing. The Nittany Lions lost at Pitt early, which cost them a trip to the playoffs & lost at Mich by 39 pts (w/o top 6 LB's). Sitting at 2-2 they won the rest of the their gms incl playoff bound OSU (ret'd blk'd fg for a td in misleading final). They clawed back from a 2 td HT defecit to beat UW in the B10 Champ gm. McSorely has thrown for 300+ in 3 of his L/4 gms, while Barkley has been held under 100 rush yds in 4 str gms.

PSU trailed their L/2 gms at the half being outg'd in each, but used big plays to roll in the 2H's. USC's secondary is too good to get beat by 50/50 balls & if PSU resorts to that then the Trojans will get some int's & Adore Jackson may just take 1 back. PSU would be fun to root for but USC has the talend edge & makes a statement for '17.

These two storied programs have met just once, in the '71 Sugar Bowl and OU won 40-22. This is the 83rd Sugar Bowl and 6th trip here for Auburn. Their last time here was in '04 when they beat VT 16-13 (-6) to complete an undefeated ssn. This is OU's 8th trip to the Sugar Bowl and their last time here was is also their L/bowl win in '14 when they beat Bama 45-31 (+15). They also lost the '04 BCS Nat'l Title here to LSU. HC Malzahn is 0-2 SU/ATS in bowls and the Tigers are off a 1 year bowl absence. Their L/bowl win came in '11. HC Stoops is 8-9 SU/6-11 ATS in Bowls and just 3-8 when fav'd.

OU ret'd 13 st'rs and were a fav to reach the playoffs but early losses to Houston & Ohio St derailed their hopes. They regrouped and went on to go 9-0 in conf play (5-0 ATS vs bowl tms) and win the B12. The Sooners avg 557 ypg and are +118 ypg. Their OFF is #2, avg 141 ypg more than their foes allow and both QB Mayfield and WR Westbrook are Heisman finalists. Their D is #47, all'g 25 ypg less than their foes avg. They allow 161 (4.6) rush ypg and in their L/3 they all'd 272 (6.8).

Auburn had 12 ret st'rs coming into '16. HC Gus Malzahn was on the hot seat entering '16 and a 1-2 start didn't help. A win over LSU propelled the Tigers to win 6 str before losing their L/2 SEC gms. The Tigers avg 449 ypg on the ssn and are +101 ypg. They avg 279 (5.7) rush and RB Pettway went for 1,123 (6.1) despite missing 3 gms. Their D is #21, all'g 69 ypg less than their foes avg and they've held foes to 125 (3.6) rush ypg. The Tigers are #20 in our pass eff D and also have the #14 ST unit led by K Carlson who went 26-30 (L/53).

With QB Sean White & RB Kamryn Pettway returning to full health the Auburn offense should be humming like it was mid-season before they got injured. There's no doubt Auburn has the stronger defense and they are an underdog by over a field goal.

FORECAST: AUBURN (+) **RATING: 3★**

BOWL TEAMS TOUGHEST UNITS FACED

Here is a chart showing how difficult of a schedule each bowl team faced in opposing units. For example, Arkansas St ranks #28 in the NCAA in pass D. The Red Wolves however have taken on the #128 toughest slate of passing offenses including Zero top 40 passing team and our pass eff D ranks them as #54. This chart is very helpful to look at bowl matchups. For instance if team A is playing Team B who has a strong rush offense, you will want to see how strong the rush defenses were that team B faced this year to get an idea of how they matchup vs their bowl opponent.

	RUSH OFFENSE SCHEDULE	AVG RANK RUSH OFF Faced	TOP 40	TOP 20	PASS OFFENSE SCHEDULE	AVG RANK PASS OFF Faced	TOP 40	TOP 20	TOTAL OFFENSE SCHEDULE	AVG RANK TOTAL OFF Faced	TOP 40	TOP 20	RUSH DEFENSE SCHEDULE	AVG RANK RUSH DEF Faced	TOP 40	TOP 20	PASS DEFENSE SCHEDULE	AVG RANK PASS DEF Faced	TOP 40	TOP 20	TOTAL DEFENSE SCHEDULE	AVG RANK TOTAL DEF Faced	TOP 40	TOP 20
