Who played the toughest schedule?

Once the schedules are finalized in spring we like knowing "how tough" our favorite teams schedule is. Most fans and media outlets use the records of their opponents previous years to rank them, but we like to use our power ratings on each team to get a better gauge.

As you can see Maryland, Notre Dame, Auburn, Stanford and Iowa played OUR 5 toughest schedules!

If you base it on the win % of a teams opponents the 5 teams that played the toughest schedule were: Notre Dame, Auburn, Maryland, Syracuse, Iowa:

The LARGEST difference between our Strength of Schedule compared to the opponent win % is FAU. The Owls faced the #26 toughest schedule ranked by opp win % while facing only the #89 schedule in our rankings.

Let's look below at FAU's Schedule this year:

On the right are tougher opponents with the same record

Navy	6-6	Purdue - also 6-6
Wisconsin	12-1	a legitimate Tough Opp
Bethune-Cookman	7-4	Kansas St - also had 7 wins
Buffalo	6-6	Utah - also 6-6
Middle Tennessee	6-6	Ole Miss - also 6-6
ODU	5-7	Minnesota - also 5-7
North Texas	9-4	Mich St - also had 9 wins
WKU	6-6	Texas - also 6-6
Marshall	7-5	Iowa - also 7-5
Louisiana Tech	6-6	UCLA - also 6-6
FIU	8-4	Miss St - also 8-4
Charlotte	1-11	Baylor - also 1-11
North Texas	9-4	LSU - also had 9 wins

You can see just how deceiving a teams strength of schedule can be when using an opponents win %

The 5 teams that played a much TOUGHER schedule per our rankings are: Oklahoma, Rutgers, Texas, Oklahoma St and West Virginia.

Finally, the four teams along with FAU to play an EASIER schedule are: Charlotte, UCF, Tulane and Boise St.

Merry Christmas and Happy Holiday Season From the Staff at Northcoast Sports!

DOUBLE BOWL ISSUE AND HOW TO USE IT

We have been hard at work putting together our jam-packed Double Bowl Issue of Power Sweep as this is our biggest and best issue of the season. The Double Bowl Issue is 28 full pages loaded with the most information available on the bowls, including selections. We have complete write-ups on 39 bowl games! This issue provides our exclusive Computer forecasts for each game. The Computer Projections take into account things like: strength of opponents played, weather, garbage yards, injuries, etc. It is the most accurate set of Power Ratings in the country. The projections include yards rushing, yards passing, turnovers, special teams edge and strength of schedule. Our Power Sweep selections at the bottom of each bowl takes into account ALL factors, including the Computer projections, emotion, bowl experience, talent matchups, momentum, special teams, coaching, etc. Many times the intangibles in bowls outweigh the pure statistical forecasts. We supply the Computer Projections at the top of the page to give you some solid statistical information. We have not provided a score as we had done in the past (always right at the number) because we did not want to commit to the Over or Under on Dec 11th (press time for this issue) and we want to have yet another huge winning year with the Private Play Hotline Triple Totals Plays **(62-35 64% on units last 15 years! 15-3 83% L4Y)**. The bowl checklists are invaluable as every stat and ranking is analyzed with checks going to the better unit. Each check represents approximately one point. **A special NFL Only Issue of Power Sweep will be available next week** for Week 16 of the NFL season.

This is the 3rd Cure Bowl. GSt played in the Inaugural Cure Bowl, losing to San Jose St in their only other FBS Bowl trip. This is WKU's 4th consecutive Bowl trip, winning all 3 (2-1 ATS). WKU won the only mtg between these two in '12 when the 'Toppers were still in the SBC. Both HC's Sanford & Elliott are making their 1st bowl trip.

Former HC Brohm had led WKU to B2B CUSA Titles but left Mike Sanford with just 10 returning starters. QB Mike White threw 37 td passes in '16 but was slow to adjust, throwing just 2 td passes in the 'Toppers F/5 games Despite White's early struggles, WKU started 5-2. Sanford made some schematic changes to help White, and he threw 22 td passes over the L/7 games. WKU avg 401 ypg and are +27 ypg on the season. Over their L/7 games they avg 453 ypg. Their D is #89, allowing 28 ypg more than their foes avg. WKU's biggest issue all year has been their OL. They avg just 66 (2.1) rush ypg and have allowed 42 sks (5.3%).

GSt was the 2nd most experienced tm in the SBC entering '17. The Panthers got off to a rough start, losing to an FCS foe then getting crushed by Penn St 56-0. GSt won 6 of their next 7 to become bowl eligible, winning 5 of those on the road. They dropped their final 2 games, both at home to finish 1-4 in their new venue. The Panthers avg 385 ypg and are -6 ypg on the season. They are #79 on both OFF & D, avg 12 ypg less than their foes allow while allowing 15 ypg more than their foes avg. WR Penny Hart finished with 1,094 (15.0) yards but is a ? for this game and their next best receiver has 342 yds.

While GSt did face the tougher schedule, none of their wins came over bowl opponents. The 'Toppers finished with just 1 win over a bowl foe but of their 6 losses, 4 came against bowl teams and 2 came against P5 foes. WKU has the edge on OFF, D & ST's. QB White has played his best in the 2nd half of the season.

These two former SBC rivals L/met in '12. Troy is 8-2 SU in this series, covering 4 of the L/6. NT played in this bowl every year from '01-'05, going 1-3 SU/ATS. This is their 2nd straight bowl after losing LY's Heart Of Dallas Bowl vs Army. Troy is 2-1 SU/ATS in this bowl, with their trip in '10. The Trojans ended a 5 year bowl hiatus LY, beating Ohio in the Dollar General Bowl.

Troy returned 14 starters from LY's 10 win team incl 1st Tm SBC QB Silvers & 1st Tm SBC RB Chunn. The Trojans were 3-1 when they pulled a monumental upset, ending LSU's home non-conf win streak despite being nearly 3 td 'dogs. One week later they suffered a letdown and lost to S Alabama. The rebounded to win their L/6 gms including a 32-25 victory over Ark St in the finale despite being outgained 606-293 (99 yd KR & 100 yd IR). The win gave Troy a share of the SBC Title. The Trojans avg 417 ypg and are +77 ypg. They avg 151 (4.8) rush ypg and they've allowed just 14 sks. On D they allow 26 ypg less than their foes avg. They have 36 sks on the ssn (9.4%) and allow just 115 (3.0) rush ypg.

HC Littrell has done a fantastic job with NTex when you consider that 2Y ago they went 1-11. In just his 2nd ssn, he not only got NT to a bowl game again, but to their first ever CUSA Title game. The Mean Green had close wins against UAB, UTSA, ODU, LT & Army while also getting blown out by FAU twice, while allowing a CUSA record 804 yds in the reg ssn mtg then 633 in the CUSA Title gm. QB Fine threw for 3,749 and a 28-13 ratio. RB Wilson won't be available (inj'd). Their OL gave up 33 sks (7.1%) on the ssn. The Mean Green all'd 208 (4.9) rush ypg and their D is #116, allowing 57 ypg more than their foes avg. NT is #98 in our pass eff D rankings.

NT has a slight edge on OFF but Troy has a big edge on D, especially at DL. Both tms have experienced QB's and gave up big yards in their finale so we will call for a lot of points.

This is the 3rd all-time meeting between these 2 with the Broncos winning the prior matchups including the '09 contest in Boise that saw RB LeGarrete Blount cold-cock DL Byron Hout. The Broncos have earned a bowl appearance for 16 consec ssns incl 3 straight visits to the LV Bowl (3-0 SU/2-1 ATS). Following their 1st losing campaign in 12 yrs at 4-8, the Ducks rebounded with a 7-5 mark and earning their 2nd all-time LV Bowl bid (lost to BYU 38-8 in '06). HC Harsin is 2-1 SU/ATS in bowl gms with the Broncos while UO interim HC Cristobal went 1-1 SU/ATS back in '10 & '11 with FIU.

The Broncos claimed their 2nd MW Title in the past 4 ssns following a 3 pt victory over Fresno St in the Championship game. After a 2-2 start that featured losses to Wash St & Virginia in non-conf play, Boise would rattle off 7 straight victories prior to a loss to the previously mentioned Bulldogs in the reg ssn finale. While their offensive ypg dipped from 473 to 400 this ssn, the defense showed vast improvement in the ypg allowed as they went from 390 to 337.

The Ducks jumped out to a 4-1 start to begin the ssn with the only defeat coming by 2 in Tempe to the Sun Devils. Following an injury to QB Herbert in their victory over Cal, Oregon would would drop 3 straight in P12 play by a 38-10 avg margin. After a win over Utah and a loss to Wash, Herbert would return to action with victories over Ariz & OSU (40 pt avg MOV). The biggest key for the Ducks' turnaround in '17 came from a defense that trimmed their ppg (41.4 to 28.3) and ypg (518 to 360) by significant margins.

The Broncos and Ducks had nearly the same sked strength TY at #68 and #58 respectively. While the Ducks did cash 5 out of their 7 gms with Herbert starting under center, the loss of HC Taggart (new HC at Fla St) and Boise's 2-0 ATS mark as a dog in '17 and covers in 6 of their past 8 bowl matchups against P5 schools will have us gladly taking the points in this one.

1st mtg. CSU is playing in their 5th straight bowl and 3rd under HC Bobo. They've lost their L/3 bowls (last win in '13) & are 0-4 ATS. Their last trip here was also their last bowl win, beating Wash St in '13. The Rams also played in this venue earlier TY, beating NM. They also won here in '08. Marshall is making their 1st trip here and are back in a bowl after a 1 year hiatus. They are an amazing 10-1 SU/ATS in bowl trips, having won their L/5. HC Holliday is 4-0 SU/ATS in bowls.

Marshall was expected to bounce back this year after a disappointing 3-9 campaign in '16. The Herd started the season 6-1 and contended for the CUSA Title until they faltered down the stretch, losing 4 of their L/5 (2-3 ATS). They only allowed 338 ypg on the season and their D is #28, allowing 48 ypg less than their foes avg. Opponent's ran for just 125 (3.5) on the Herd D. Marshall is #58 in our pass eff D rankings. Their OFF is just #84, avg 15 ypg less than their foes allow. QB Litton is a 3Y starter & has a 23-12 ratio.

CSU had 14 ret'g starters entering '17 and was expected to contend for the MW Title. The Rams started the season 6-2 with losses coming to P5 foes Colo & Bama. They lost 3 straight incl an OT loss vs Boise where they led 52-38, but all'd 2 td's in the L/1:41. They finished with 6 straight non-covers. The Rams are +75 ypg and avg 501 ypg. QB Stevens has thrown for 3,479 yds with a 27-10 ratio and WR Gallup has 1,345 (14.3). The Rams put up the most yards that 3 of their foes have all'd. The Rams are #116 on D, all'g 57 ypg more than their foes avg and they allow 183 (5.0) rush ypg.

CSU has a huge edge on OFF, but has struggled in past bowl games. Marshall has great success in bowl games and comes in with a huge edge on D as well as the ST's edge. With the Herd's ability to limit the Rams' OFF and the Rams' defensive struggles, we will happily take the pts against a CSU squad that is on an 0-6 ATS run.

This is the 4th Camellia Bowl. These two met every year from '01-'12 as SBC rivals with Ark St taking the L/3 mtgs SU/ATS. The chalk dominated this series, winning/covering 10 of 12 mtgs. MT is playing their 3rd straight bowl game, and they are on an 0-4 SU/ATS bowl run (L/win came in '09). Ark St is playing in their 7th straight bowl, having won LY's Cure Bowl over UCF. HC Anderson is 1-2 SU/ATS in bowls while HC Stockstill is 1-5 SU/ATS.

Ark St came into '17 expecting to contend for the SBC Title despite having just 10 st'rs back. After a 1-2 start, they won/covered 4 straight over SBC rivals. They slipped up at S Alabama as DD chalk, but won their next 2. A win over Troy meant a share of the SBC Title, but they gave up the GW td with :17 left and lost 32-25 despite holding 606-293 yd & 32-14 FD edges! The Red Wolves are +117 ypg. Their OFF is #26, avg 68 ypg more than their foes allow. They put up 781 & 606 yds in their L/2. They allow 381 ypg, but only allowed 325 ypg in their L/6, incl 4 where they held their foe below 300.

MT entered '17 with 12 returning starters including All CUSA performers QB Stockstill & WR James. After upsetting Syracuse on the road, both Stockstill and James were inj'd the following week. They lost 4 of their next 6 until Stockstill returned and led them to 3 wins in their L/4. The Blue Raiders are +48 ypg. They only avg 397 ypg, but did put up a ssn high 586 in their reg ssn finale vs ODU and ply'd 6 games w/o Stockstill. They averaged 469 ypg after Stockstill returned.

Ark St has the edge on OFF, D, & ST's are about even. Ark St is much better against the pass as MT is just #94 in pass eff D. Both teams have veteran QB's and their OFF's hit their stride at the end of the ssn. We find it hard to go against either team since they both played their best ball at the end of the season, but we do expect a lot of points in this one.

PRO SELECTIONS

HOME TEAM IN CAPS

KEY SELECTIONS

4★ New England over PITTSBURGH - The Patriots return to action following a MNF trip to MIA to take on the Steelers in what will be their 5th game away from home over a 6-wk span. PIT meanwhile earned the ssn sweep of the Ravens for the 1st time since 2008 behind a 506 yd passing effort from QB Roethlisberger (PIT 10 pts in final 3:29 to win). In their 2 matchups a yr ago the Patriots earned an 11 pt victory in PIT as 7 pt chalk (Big Ben out for PIT) as well as a 36-17 (-5.5) victory in the AFC Champ. With NE posting 8 consec SU wins (6-0 ATS) as of presstime along with going 11-3 ATS in recent road contests, we'll call for them to make a huge step in claiming yet another #1 seed in the AFC! **FORECAST: NEW ENGLAND by 10**

3★ Baltimore over CLEVELAND - Following yet another close home defeat against GB where they blew a 21-7 lead in the 4Q (DeShone Kizer int in OT set up GB for GW TD), the winless Browns are back in the Factory of Sadness for the final time in '17 where they've posted just a 3-13 ATS mark as a HD. BAL meanwhile heads to CLE for their final AG of the ssn but may have done some damage to their playoff hopes LW in PIT as they blew a 9 pt lead late in the 4Q. In their previous meeting back in Wk 2, the Ravens took advantage of 4 Kizer TO's (1st career road start) in the 24-10 win (-7'). With BAL on an 11-2 ATS run against DIV foes and CLE covering just 3 of their past 16 versus the AFC North, we'll ride with the visitor here as they've won and covered the past 4 in the series by 12 ppg. **FORECAST: BALTIMORE by 17**

OTHER SELECTION

2★ Chicago (+) over DETROIT - Saturday - Following a GW 46 yd FG w/:20 left LW in Tampa (QB Stafford 381 pass yds, 1-2 ratio), the Lions remain in the hunt for the final postssn berth sitting at 7-6. CHI meanwhile was eliminated from playoff contention long ago but could give the final dagger to DET as they head in with confidence after a dominating performance in CIN (29-14 FD & 482-234 yd edges) as nearly 7 pt chalk. In their Soldier Field matchup a month ago, DET escaped with the narrow 3 pt win (52 yd FG w/1:35 left) in a game that CHI finished with a then ssn-best 398 yds (482 LW vs CIN). While DET has posted an 8-4-1 ATS mark as a DIV HF, the dog is now 7-1-1 ATS in recent Bears gms! **FORECAST: DETROIT by 1**

OTHER GAMES

Denver at INDIANAPOLIS - Thursday - The Broncos saw their 8-gm SU/ATS losing streak end LW at home against the Jets behind a suffocating defense that all'd just 6 FD's & 100 yds in the shutout victory. They now head back on the road for the 3rd time in 4 wks to IND where they've dropped 6 consec SU & ATS (16 pt avg loss) dating back to the '03 playoffs. The Colts have now suffered 4 straight (1-3 ATS) losses following BUF's OT victory LW in blizzard conditions (easy 3★ LP Winner on UNDER 39). While the Colts are on a 13-4 ATS run as a HD, it will be interesting to see how IND QB Brissett handles the #2 pass defense in the NFL. **We'll have one of our Marquee selections available after Noon ET on gameday.**

LA Chargers by 3 over KANSAS CITY - Saturday - Huge matchup in the AFC West as the Chiefs and Chargers square off for sole possession of the DIV lead. In their meeting LW in Arrowhead against the Raiders, KC was finally able to end their losing skid at 4 in a row thanks to RB Hunt (116 yds, TD) and a D that surrendered just 14 FD's & 268 yds. The Chargers meanwhile earned their 4th consec victory a week ago at home against the Redskins behind 319 yds & 2 TD's from QB Rivers. In their Wk 3 meeting back in LA, the Chiefs delivered our 4★ September NFL GOM with a 24-10 victory (outgained 330-311, Rivers 3 int) for their 7th consec victory in the series (5-2 ATS). With the visitor having covered 5 straight in this series and the Chargers delivering spread wins in 7 of their past 9 heading in, we'll call for the Chargers to earn the outright upset here as the Chiefs are just 7-13 ATS as a DIV HF coming in.

Philadelphia by 16 over NY GIANTS - Final away matchup of the ssn for the Eagles as they head to NY following an 8 pt victory over the Rams. The victory may have proven to be costly however with PHI QB Wentz leaving in the 2H w/a knee inj (CS here). After being a DIV HD on just 2 occasions over the previous 7 ssns, the Giants host the Eagles in that role for a 2nd consec week after the Cowboys came into MetLife Stadium as 3' pt chalk and left with a 20 point victory (3★ LP Winner on DAL) in NY's 1st game with interim HC Spagnuolo in charge (Giants 454-330 yd deficit). In their prior matchup back in Wk 3, the Eagles jumped out to a 14-0 lead after 3 quarters before both offenses opened up in the final frame (PHI 27-24 win but outgained 415-354). With outright road wins in 3 of the past 4 ssns for the Eagles in this series (all as dogs) and a 9-1 current ATS run, we'll go ahead and give them a substantial edge in this one as bkp QB Foles has plenty of experience under center with 36 career starts if called upon.

CAROLINA by 3 over Green Bay - Following a stunning OT win in CLE that saw bkp QB Hundley hit on 35 of 46 for 265 yds & 3 TD's, the Packers head to Charlotte sitting at 7-6 on the ssn and potentially returning MVP QB Rodgers after missing the prior 8 wks with a broken collarbone. The Panthers meanwhile picked up a huge victory LW against the Vikings behind a 103 yd, 3 TD outing from RB Stewart. In their most recent matchup in CAR's Super Bowl ssn of '15, the Panthers came away with an 8 point home win as 2' pt chalk (427-402 yd edge). Despite a solid 12-6-2 ATS mark as a NDIV HF for the Panthers, Rodgers' likely return under center has us giving them just a 3 point edge.

MINNESOTA by 14 over Cincinnati - Following a 3-gm road streak that saw victories over the Lions and Falcons along with a 7 pt loss LW in Charlotte that ended their 8-gm win streak, the Vikings return home to take on a Bengals squad that was embarrassed LW at home against the Bears (26 pt loss, outgained 482-234). Prior to his HC stint with the Vikings, Mike Zimmer spent 2008-2013 as the DC of CIN. With MIN on a 12-3 ATS run against AFC foes and still within reach of claiming the #1 seed in the NFC, we'll ride with them here as the Bengals have covered just 5 of their L/18 vs NDIV foes.

BUFFALO by 10 over Miami - After a MNF matchup last week in South Beach against the front-running Patriots, the Dolphins head North on short rest and sporting just a 1-7 ATS mark as a DIV AD. While the Bills have covered just 2 of their past 6 coming in, they were able to move back over .500 a week ago against the Colts behind a 156 yd effort from RB McCoy in blizzard conditions (3★ LP Winner on UNDER 39!). In the Dolphins' playoff run of a ssn ago they were able to earn the series sweep of BUF (both victories came by a FG) for the 1st time since 2011. While these squads are scheduled to meet again in just 2 weeks, we'll call for the Bills (QB Taylor expected to return) to draw first blood here in potential cold weather (early forecast is calling for low 30's and rain) against a MIA team that has covered just 1 of their past 6 as of presstime.

JACKSONVILLE by 14 over Houston - This marks the final HG of the ssn for the Jags as they look to earn the ssn sweep over the Texans for the 1st time in 4 years (HOU had swept the series the prior 3Y) after a 29-7 victory on the road back in Wk 1 as a 5 pt dog (280-203 yd edge). In their home matchup with the Seahawks a week ago, the Jags forced 3 Russell Wilson int's in the 6 pt victory. The Texans meanwhile dropped a home matchup to the previous 1-win 49ers while losing QB Savage to injury in the process (3rd stringer Yates could start here). With JAX now sitting alone atop the AFC South standings following TEN's loss LW to ARZ, we'll call for them to continue to improve upon their solid 7-2 spread mark as a DIV HF here.

NEW ORLEANS by 17 over NY Jets - The Saints blew a golden opportunity to pull further ahead in the NFC South last Thur in ATL with the Falcons getting the come-from-behind victory (Brees int'd in EZ w/1:25 left trailing by 3). The Jets meanwhile were destroyed in Mile High as 1 point chalk with their offense being held to just 6 FD's & 100 yds in the 23-0 defeat (QB McCown left early w/inj, CS here). While the Jets are on an impressive 7-3-1 overall ATS run and have covered 7 of their past 9 in the underdog role, we'll go ahead and back an angry Saints squad with extra rest as they look to get back on track before yet another meeting with the Falcons.

WASHINGTON by 7 over Arizona - After a 4★ Newsletter Winner LW against the Titans where their defense allowed just 13 FD's & 204 ttl yds, the Cardinals head to D.C. to take on a Redskins squad that dropped their 2nd straight LW versus the Chargers (23-9 FD & 488-201 yd deficits). Following a 7-gm win streak from '01-'11 where the Redskins posted a 5 pt MOV, the Cardinals came out with wins in each of the previous 2 ('14 & '16, 9 pt avg MOV). While the Redskins have posted just a 6-11 ATS mark as a HF, the Cardinals' one-dimensional offense (#29 rush offense at 81 ypg) and 0-5 spread run as a NDIV AD has us leaning with the home team here.

SEATTLE by 7 over LA Rams - After a cross-country trip to JAX where they were forced into 3 critical TO's in a 6 pt defeat, the Seahawks return home to take on the DIV-leading Rams. In a home matchup against the Eagles a week ago, the Rams were outgained by a 455-311 clip in an 8 pt defeat. In their Wk 5 meeting in LA, the Seahawks earned the fortunate 16-10 victory despite a 375-241 yd deficit (SEA +3 TO's). With the Rams posting just an 8-16 ATS mark as a DIV AD and the Seahawks on a 17-8 ATS run as a DIV HF, we'll call for them to earn the ssn sweep for the 1st time in 4 years while taking over the NFC West in the process.

SAN FRANCISCO by 3 over Tennessee - Final road contest for the Titans as they take on a 2nd consec NFC foe following LW's rough outing in the desert where the Cardinals held them to just 7 pts, 13 FD's & 204 yds. The 49ers are also in non-conf play once again as they return home after LW's 10 pt win in HOU where QB Garoppolo threw for 334 yds. In their previous 3 meetings dating back to '05, the Titans have claimed victories on 2 occasions including a 7 point win last time in the Bay Area back in '09 (SF 358-315 yd edge). While the 49ers have a porous 4-10 ATS mark against AFC foes heading in, the Titans have had issues getting margin all ssn long (5 wins by 6 points or fewer and 2 more with late garbage TD's).

Dallas at OAKLAND - SNF - Final HG of the ssn for the Raiders as they enter play following an 11 pt loss to the Chiefs in Arrowhead (23-14 FD & 408-268 yd deficits) that saw them drop from a 1st place tie in the AFC West to 3rd (Chargers won vs WAS to move to 7-6 and tied w/KC). The Cowboys remained in playoff contention by the narrowest of margins as they sit at 7-6 after their 20 pt win over the Giants (3★ LP Winner, 454-330 yd edge). While the Raiders have gone just 2-8 ATS in matchups against the NFC coming in and the Cowboys are 18-9-1 ATS versus non-conf foes, 2 of DAL's AFC spread defeats have come TY in blowout fashion with DEN claiming a 42-17 win back in Wk 2 and the Chargers getting an easy 22 pt win back on Thanksgiving. **We'll have one of our Marquee selections available after 11am ET on gameday.**

Atlanta at TAMPA BAY - MNF - The Falcons head to Tampa with extra rest following a come-from-behind victory over the Saints where they had 26-18 FD and 343-306 yd edges (QB Ryan 3 int's). The Bucs meanwhile saw the Lions drill a GW 46 yd FG w/:20 left for their 3rd consec defeat. In TB's trip to ATL a few weeks back, the Falcons jumped out to a 27-6 lead in the 3Q of an eventual 34-20 win (516-373 yd edge). While the Bucs have posted just a 4-10-1 ATS mark as a DIV HD, they have won and covered 3 of the past 5 in this series. With a trip to the Superdome and home matchup with the Panthers to close out the ssn for ATL, they need to make sure that they don't come out flat (trailed at HT in 3 of the past 4 AG's). **Check back on Monday at Noon ET to see which way we decide to lean.**

Since the Double Bowl Issue runs through January 1, next week there will be an NFL ONLY selection page sent out to each 2017 subscriber (email and mail subs).

1st meeting. HC Kiffin has the Owls bowling for the first time since 2008's Motor City Bowl. The Owls are 2-0 SU/ATS in bowls. This is Akron's 2nd bowl (1-0 SU/ATS) in 3Y after just one prior in the history of the program (2005). Both teams are making their first trip to this bowl, though FAU does have home field advantage. In his tenure's at Tenn & USC, Kiffin went 0-2 SU/ATS in bowls.

Lane Kiffin walked into a good situation at FAU with 17 returning starters. They were the #1 most exp'd team in the country, yet expectations were low considering they had won just 3 games in 3 straight seasons. The Owls st'd the ssn 1-3 incl a loss at MAC foe Buffalo. They dominated CUSA play, winning every game but one by an avg score of 45-23. They put up 69 pts and a CUSA record 804 yds vs NT in the reg ssn, then put up another 41 pts and 633 yds in the CUSA Title game against the same Mean Green team. Devin "Motor" Singletary went over 100 yds in each of their L/11 games and needs just 204 yds to reach 2,000 (6.5). The Owls avg 492 ypg. While their OFF is #7, avg 102 ypg more than their foes allow, their D is only #93, allowing 34 ypg more than their foes avg.

Akron was the 2nd most experienced tm in the MAC entering '17 but no one expected them to win the MAC East. The Zips won 6 gms in conference play, including a shocking 37-34 (+12') win over Ohio despite st'g QB Woodson being susp. UA finished with 6 conference wins despite being -103 ypg in MAC play. Their OFF is #119, avg 76 ypg less than their foes avg. The Zips 6 losses came to two P-5's, MAC Champ Toledo (twice), and a close loss at SBC Champ Troy.

After steamrolling their competition in CUSA play, FAU gave a lukewarm reception to playing in this bowl game. While FAU does have homefield advantage, and early reports say that ticket sales have been outstanding, this is also the largest line of any bowl game at over 3 td's and we just can't lay that many points.

This is the 1st Frisco Bowl and was previously known as the Miami Beach Bowl. These former WAC rivals had 4 prior matchups with LT winning 3 including the L/mtg in '04. LT is bowling for a 4th straight yr, they're 3-0 SU/2-1 ATS, and beat Navy 48-45 (-7) in LY's Armed Forces Bowl. Prior to LT, HC Holtz was 2-3 SU/3-2 ATS in bowls at EC and USF. SMU ended a 4Y bowl drought. They beat Fresno St in the Hawai'i Bowl in their last appearance. RB Cch Jeff Traylor will serve as interim HC as Chad Morris was hired by Arkansas.

While some did expect LT to contend for the CUSA West Title, one must remember that LT had to replace their star QB and two 1,000 yd WR's. The Bulldogs were just 4-6 but won their L/2 to reach a bowl. They avg 407 ypg, which is a 102 yd drop from '16's avg and they are +12 ypg on the season. RB Boston Scott finished w/ B2B 100-yd games giving him 937 (5.7) for the ssn. Their D is #74, all'g 12 ypg more than their foes avg. They've been consistent, only allowing 395 ypg and no team has put up 500+ yds on LT all year.

SMU improved all 3Y under HC Morris. They had 16 ret str's, including 9 on OFF and 1 of the nation's most exp'd tms. The ssn went pretty much as expected with the Ponies winning every gm they were chalk and losing every game as a dog. They were in control of their own destiny to make the CUSA title game with 3 games to go. Soph Hicks was much improved from LY as he led an OFF that finished #24, avg 70 ypg more than their foes avg. The D, however regressed from #85 LY all the way down to #121 TY as they allowed their foes 70 ypg more than their avg.

LT has a big edge on D, but SMU has a huge edge on OFF as well as the location edge, being just 24 miles away. SMU has faced our #67 toughest sked and while they only have wins over 2 bowl teams, they did beat CUSA West champ NT by 22. LT has just one win over a bowl foe and faced our #103 sked.

This game was previously called the Beef O' Brady's Bowl then the St Petersburg Bowl. This is the first ever meeting between these two. Temple is playing in their 3rd straight bowl, having been upset in each of the L/2. In just his first season, Butch Davis has FIU bowling for the 1st time since 2011 where they lost in this bowl to Marshall. Their last bowl win was in 2010. Davis was 6-2 SU/5-3 ATS in bowl games during previous stints at NC & Miami.

After B2B 10 win ssns Matt Rhule left for Baylor and new HC Collins inherited the least exp'd tm in the AAC and had just 10 ret str's. Not surprisingly Temple struggled early on, but improved as the ssn went along. QB Marchi ply'd thru an ankle inj early on, but was inj'd vs UConn and Nutile st'd the L/5. Needing a win in the finale to become bowl elig, the Owls dominated Tulsa as they enter having won 3 of their L/4 overall. The D is the strength as they're #29, holding foes to 50 ypg less than their avg, but the OFF is just #103, avg 42 ypg less than their foes allow.

Butch Davis inherited a veteran squad that entered '17 #5 in the nation in experience with 15 ret str's. After getting blown out in their opener at UCF, the Panthers rattled off 6 wins in their next 7 incl 4 outright upsets. Despite getting upset by ODU, they actually had a chance to win the CUSA East but lost the Shula Bowl. FIU pulled 2 more outright upsets to finish the season 8-4. QB McGough threw for 2,791 yds with a 17-8 ratio. They avg 404 ypg and saved their best for last, putting up ssn highs of 63 pts & 674 yds in their ssn finale win vs UMass. While the Panthers' D only allows 417 ypg, they allowed 490 ypg in their L/4. Their D is #94, allowing 35 ypg more than their foes avg and they are #112 in our pass eff D rankings.

With FIU's D struggling down the stretch and Temple's OFF improving as the ssn went along as QB Nutile became more comfortable, we feel the score will be higher than expected.

This is the fourth Bahamas Bowl and each team is making their first appearance. This is the first ever meeting between these schools. OU has now gone to a bowl 8 of the L9Y including 3 straight. The Bobcats last bowl win was in '12 and HC Solich is 2-6 SU/4-4 ATS in bowls at OU and was 3-3 SU/ATS at Nebraska. UAB has played in just 1 previous bowl, losing the Hawai'i bowl in '04. HC Clark is also coaching in his first ever bowl.

UAB just may be the most surprising school to make a bowl. After not fielding a team the L2Y, naturally they were the least exp'd tm in the nation entering the season. HC Clark did a masterful job as despite being a 'dog in 8 games, they only lost 4 times. After beginning 2-2, they finished 6-2 and pulled off 5 outright upsets! True frosh RB Brown is a load at 230 lbs and had 6 games of 100+ yds, while QB Erdely has a solid 16-4 ratio and completes 62% of his passes. Against 5 bowl eligible teams the Blazers were +5 ppg and -15 ypg.

After coming close to winning the MAC title LY, OU entered TY more experienced. After getting blown out by an improved Purdue squad, they beat KU and after blowing out Toledo were sitting at 5-1 in the conference and in control of their own destiny to get to a 2nd straight MAC title game. They unfortunately lost their L/2 (both away). OU QB Rourke was named 2nd Tm MAC and leads an OFF that avg 431 ypg including 244 (5.6) rush ypg. The 'Cats are +58 ypg. Against 5 bowl eligible teams OU was -2 ppg and +23 ypg.

UAB's OFF struggled considerably in their L/3 gms. While being held to just 180 yds vs Fla wasn't surprising, they were also held to just 265 yds vs UTSA & their 334 yds vs UTEP was 123 yds less than the Miners allow on avg. While OU all'd their foes 14 ypg more than their avg, their 3 worst D performances came in their F/4 gms (2 vs P5) and they did hold MAC Champ Toledo to a ssn low 316 yds. UAB has thrived as a dog all ssn & we'll back them in their pref'd role.

These two haven't met since 2002. This is the 21st Famous Idaho Potato Bowl. Both teams are making their 1st trip to this bowl. The MW rep has lost the L/2 gms SU/ATS. WY did play on the Blue Turf earlier this year, losing to Boise St by 10 points. HC Bohl has the 'Pokes playing in B2B bowls for the 1st time s/'87-'88. They lost LY's Poinsettia Bowl vs BYU and haven't won a bowl since '09. CM is playing in their 4th straight bowl, having lost all 3 (1-2 ATS). HC Bonamego is 0-2 SU/ATS in bowls.

The Chips' entered '17 with 15 returning starters then added Michigan transfer QB Morris. CM had a brutal early ssn schedule, playing three P-5 foes. Despite pulling upsets at Kansas and Ohio, they sat at just 3-4. They finished their season with 5 straight wins incl 3 upsets over WM, EM & NIU. QB Morris finished with 2,910 pass yds and a 26-13 ratio. The Chips' avg 392 ypg and are +13 ypg. Their D held teams to 11 ypg below their avg (3rd best in MAC) and on two occasions they held teams to their least total yds all season.

After winning the MW Mountain division in '16, WY had high expectations. They were the 3rd most experienced team in the MW with 14 ret st'rs including QB Allen who was being projected as a possible #1 DC. The 'Pokes started 1-2, then won 6 of their next 7 (7-0 ATS run). Allen was inj'd and missed the L/2 and while their loss to Fresno St is excusable, losing to SJSt was shocking. The 'Pokes avg just 287 ypg and are -46 ypg. Allen completed just 56% with a 13-6 ratio. Their D is solid at #26, allowing 51 ypg less than their foes avg but their OFF is just #129, avg 133 ypg less than their foes allow.

While CM does have a huge edge on OFF and the D's are nearly even, WY has the coaching edge, a big crowd edge and a huge ST's edge. We are putting a play on 37 of the 39 bowl games, but since we find it hard to lean either way, this won't be one of them.

This is the first all-time meeting between these schools. This is the fourth Birmingham Bowl and it was previously the BBVA Compass and Papa Johns Bowl. USF won the inaugural Papa Johns Bowl and beat SC 46-39 (-10') in OT in LY's Birmingham Bowl. This is their third straight bowl and HC Strong was 3-4 SU/ATS in bowls at Florida, Louisville, and Texas. TT has alternated bowl appearances the L4Y. Their last win came in HC Kingsbury's first season, a 37-31 (+14) triumph over AZSt and he's 1-1 SU/ATS in bowls.

TT entered the season as 1 of the least exp'd teams in the nation and had to replace a #1DC QB. After winning their 3 non-conf games, they won just 1 of their F/6 B12 games, but then won 2 of their L/3 including pulling the upset in Austin in the finale. QB Shimonek was solid replacing PJ Mahomes and the D improved from #127, allowing foes 116 ypg more than their avg in '16 to #70, allowing just 7 ypg more than their avg this year.

Despite HC Taggart leaving for Oregon, USF was still the favorite to represent the group of five in a NY6 bowl as they hired Charlie Strong and had 16 ret str's including QB Flowers. Sitting pretty at 7-0 and ranked #17, they lost at home to Houston as 10' pt chalk and then lost a shootout at UCF in the AAC title game. Like TT, USF improved tremendously on D. They were #119, allowing 90 ypg more than their foes avg in '16, and #31, holding foes to 45 ypg less than their avg this year. They are #18 in our pass eff D rankings. While Flowers' numbers were down from LY, the Bulls still finished #22 on OFF, avg 73 ypg more than their foes allow and put up 653 yds vs UCF.

While the OFF's are even, USF has sizeable edges on D and ST's. QB Flowers is a dangerous dual threat and with this being his final gm of his career, will no doubt look to put up superior numbers vs a P5 foe. The last dual threat QB TT had to defend was TCU's Robinson & he avg 8.4 ypc. USF will get the statement win.

These two last met in 2012. The Aztecs won both meetings in the series SU with Army covering the spread back in '11. SDSt heads into action with a chance to win 11 gms for the 3rd consec ssn. SDSt has earned bowl berths each ssn under HC Long (7 yrs) with him posting a 3-3 SU/ATS mark during his tenure. Army HC Monken meanwhile has now seen his team reach a bowl 2 consec yrs (beat NT in LY's Heart of Dallas Bowl).

The Aztecs missed out on their 3rd consec trip to the MW Title game thanks to B2B losses to Boise St & Fresno back in Oct. The key to their OFF success revolves around RB Penny who heads into Fort Worth just 176 yds short of eclipsing the 2,000 yd rush mark on the ssn. On the ssn the Aztecs are 11th in the FBS allowing just 304 ypg while surrendering 17 pts or fewer in half of their games. They allow just 111 (3.5) rush ypg and in their L/4 they've only allowed 39 (2.9) rush ypg. They allowed 220 (3.7) rush yds against AF's option earlier this year.

Army entered '17 as the #9 most experienced team in the country, which is rare for a service academy. After a 2-2 start, the Black Knights won 6 straight incl B2B outright upsets of AF & Duke. They finished the ssn w/another outright upset, beating rival Navy 14-13 (+3) which gave them their first Commander-In-Chief trophy since 1996! QB Bradshaw has rushed for 1,566 (7.5). Army avg 385 ypg and is +30 ypg on the season. Their D holds foes to 41 ypg less than their avg. While the Black Knights have allowed 166 (5.0) rush ypg, you must take into consideration that they've faced 3 option teams.

Both teams feature a dominant rush attack. SDSt defends the rush well and HC Long is 11-1 SU/8-4 ATS vs option teams. SDSt has the edge on OFF & D. Army has the ST edge and has a history of playing well in the Lonestar State. The Aztecs have a month layoff prior to this game while Army just ply'd 2 weeks ago.

This was previously known as the GoDaddy.com Bowl ('11-'15) and the GMAC Bowl ('00-'10). This is a rematch of LY's Camellia Bowl, which was won by App St 31-28 (-1) in the first ever mtg between these schls. The Mountaineers have been bowling in each of the 3Y they've been eligible since joining the FBS 4Y ago. They won their last gm in this venue, beating S Alabama 34-27 (-18) in '15. HC Satterfield is 2-0 SU/1-1 ATS in bowls. Toledo is bowling for the 11th time in 17Y (5-5 SU/4-6 ATS) including their fourth straight and HC Candle is 1-1 SU/ATS in bowls.

App St entered the ssn as the favorite to win the SBC as they avoided Troy and Ark St and returned 14 str's including QB Lamb and RB Moore. They had an expected loss to UGA in the opener and lost to WF by just 1 despite finishing w/a 150 yd edge to open 2-2. They then won 3 straight before B2B surprising road losses at Umass and ULM, then rebounded to win their L/3 including finishing w/an FBS ssn high 608 ttl and 357 rush yds in the finale to finish tied for first in the SBC. After holding their foes to 76 ypg less than their avg LY, App St held their foes to 29 ypg less than their avg TY.

Toledo was the pre-ssn favorite to win the MAC for the first time s/'04 and did exactly that! QB Woodside had another outstanding yr and RB Swanson made the Rockets hardly miss Kareem Hunt as they finished #8 on OFF, avg 100 ypg more than their foes allow. Their only two losses were on the road at Miami, Fl (expected) and at Ohio (3 pt chalk in worst performance of the ssn). In five games they finished with the most yds their foes allowed. They do struggle on D, specifically the run as they allowed 200+ rush yds 4 times.

While App St has the edge on D, Toledo has sizeable edges on both OFF and ST's. While App St finished a respectable #40 in our pass eff D rankings, they did allow CC & ULM QB's to complete 67% with a 5-1 ratio and Toledo QB Woodside is the best in the MAC.

This is the 1st ever mtg between these schls. FSU is ply'g in their 3rd Hawai'i Bowl, losing in both '12 and in their last bowl appearance to Rice 30-6 (+2') in '14. The 'Dogs return to a bowl after a 2Y absence and their last win came in the '07 Humanitarian Bowl. HC Tedford was 5-3 SU/3-5 ATS in bowls at Cal. Houston is bowling for the 5th straight yr and lost 34-10 (-4') to SDSt in LY's Las Vegas bowl as Major Applewhite made his HC debut. The Cougars beat Fla St in the '15 Peach Bowl.

HC Tedford inherited a team with 16 ret'g st'rs off a 1-11 campaign so improvements were expected. The Bulldogs understandably lost 2 of their F/3 to Bama & Wash, then won their next 4 by 25 ppg. After a surprising loss at UNLV, they went on another 4 gm win streak incl a season ending home win over Boise St. Despite the head-to-head win and an equal conference record, the MW awarded Boise home field in their rematch in the MW Title game where Fresno lost. The Bulldogs avg 387 ypg and are +68 ypg. DC Steinauer is one of the most underrated hires in the past season, having coached in Canada for 13Y. His D is #24, holding foes to 53 ypg below their ssn average. The Bulldogs held 10 of their 13 foes to 21 points or less.

Houston didn't have much of a learning curve despite a new HC as Applewhite was the OC the L2Y. The Cougars had to break in a new QB after the loss of Greg Ward, but VHT Kyle Allen was expected to take over. TO's plagued Allen and he was replaced by Postma, but after he also struggled, converted WR King led the comeback win at USF and started the L/3. After expecting to compete for an AAC title, losses at Tulsa and vs Memphis ended that dream. Their OFF dropped from #51 LY to #79 TY, while the D fell from #11 LY to #40 TY.

While UH has a large edge on OFF, the D's are nearly even. Fresno did play on the Islands just 6 weeks prior to this game. Eighteen of these teams' 23 games went under the total so that's where we'll go.

The lone mtg between these schls took place in the '64 Liberty Bowl. This is the 8th Heart of Dallas Bowl and each team is making their 1st appearance here. Utah is making their 4th straight bowl appearance and beat Indy 26-24 (-5') in LY's Foster Farms Bowl. HC Wittingham is 9-1 SU/7-3 ATS and they've won their L/4. WV is bowling for the 6th time under HC Holgorsen (2-3 SU/1-4 ATS) and lost to Miami 31-14 (+2') in LY's Russell Athletic Bowl.

Utah entered '17 as the least experienced team in the P12 (#122 in nation) with just 9 returning starters. The Utes started the season 4-0 with Tyler Huntley starting at QB. Huntley was inj'd so they went to '16 starter Troy Williams who started the next 2. Utah lost 4 straight incl close losses to both Stanford & USC. They bookended DD wins with close losses to WSU & Wash. Though Utah only finished 6-6, 4 of their losses were by a comb'd 15 pts. Utah avg 418 ypg and is +64 ypg. The Utes' D is #20, holding foes to 63 ypg less than their avg. They are also #12 in our ST's rankings.

WV returned just 8 st'rs from a 10 win team as they were 1 of the least exp'd schls in the nation. Fla transfer QB Grier proved to be a tremendous addition, but unfortunately he broke his index finger on his throwing hand in the 1Q vs Texas and the Mountaineers had their lowest pass yd numbers in their L/2 gms as Soph Chugunov doesn't possess the same talent. Still, WV finished #19 on OFF, avg 79 ypg more than their foes allow, but with just 3 ret st'rs on D, the unit fell to #96, all'g 35 ypg more than their foes avg. WV is also #120 in our ST's rankings. There is a chance that Grier will be able to return and play.

While WV would certainly have an edge on OFF if QB Grier were to return, Utah has the edge on D and a huge edge on ST's. HC Whittingham is always a safe bet in bowl games but with Grier's status up in the air, we would rather wait to make a decision.

1st meeting. This is the 4th Quick Lane Bowl and both teams are making their inaugural trip. Both of these teams reached bowl eligibility after a 1 year absence. The Blue Devils have covered their last 3 bowls and their win in '15 was their 1st since 1961. NIU is playing in their 9th bowl in ten years but they've lost their L/4 and are just 2-6 SU/ATS. HC Carey is 0-3 SU/ATS in bowls while HC Cutcliffe is 1-3 SU/3-1 ATS.

The Blue Devils started the season 4-0 including an upset win over Northwestern. They scored just 12.1 ppg over their next 6, losing each (0-5-1 ATS). With a bowl game looking unlikely, they pulled B2B outright upsets over Georgia Tech & at Wake Forest to finish 6-6. They put up 37 ppg & 472 ypg in those L/2. Duke's OFF is #85, avg 15 ypg less than their foes allow. QB Jones hit just 56% with a 12-11 ratio. Their D is #34, holding foes to 41 ypg below their avg. They allow 161 (4.1) rush ypg but that drops to 142 ypg when you remove B2B games vs option teams.

Despite being the least experienced team in the MAC with 12 returning starters, NIU is back in a bowl. The Huskies started the season 2-2 with close losses to BC & San Diego St and a huge upset win at Neb. They won 6 of their next 7 with the loss being by 10 pts at Toledo. They lost their ssn finale at Central Mich despite leading 17-0 at half. The Huskies' D has allowed 54 ypg below their opponents' season avg. They allow just 112 rush ypg with an outstanding 2.8 ypc (3rd lowest in FBS). QB Childers has a 15-5 ratio despite only starting 7 games.

While Duke does have edges on OFF & D, they haven't been a favorite in a bowl since Steve Spurrier was their HC in '89 (lost to Tx Tech). NIU has the ST's edge and while their sked has been weaker, they've fared well as a dog (3-1) and against non conf foes (4-0 ATS). NIU is also 7-1 ATS vs P-5 foes so we'll take the points.

These schls have ply'd 3 times, all from '09 with the L/mtg in the Alamo Bowl following the '14 ssn. UCLA leads 2-1 SU/ATS. While this is just the 3rd Cactus Bowl, it's also been the Copper, BW3 and Insight Bowl. KSU ply'd in this bowl under the 3 prior names, with the last coming in their win in the '13 BW3 Bowl. The 'Cats are bowling for an 8th straight yr and are 2-5 SU/ATS including winning 33-28 (+3) over A&M in LY's Texas Bowl. HC Snyder was 6-5 SU/4-7 ATS in bowls during his initial stint as HC. UCLA missed a bowl for the 1st time in 6Y LY and their last bowl win was in the L/mtg between these schls. Interim HC Fisch will coach his 1st bowl here.

KSU had their most ret st'rs s/'12. They won 3 of their F/4, then QB Ertz was inj'd at Tx and they lost 3 straight. Alex Delton struggled in his role as the new st'r and rFR Skylar Thompson started the L/3 and led the upset in Stillwater. RB Barnes ply'd thru inj's and the OFF finished just #111, avg 61 ypg less than their foes allow. The 'Cats are #60 in our pass eff D.

After a disappointing '16, UCLA brought back 15 returning starters incl QB Rosen. They trailed 44-10 3Q vs A&M but Rosen led a comeback to win 45-44 in their opener. They were extremely banged up on D and lost B2B road gms vs Memphis & Stanford. UCLA was 4-3 when QB Rosen was inj'd during a 21 pt loss at Wash and he DNP at Utah in another loss. UCLA got their 6th win in the ssn finale vs Cal despite Rosen being held out in the 2H. UCLA has been an awful team away from the Rose Bowl, losing all 6 road games by 17 ppg. They are -23 ypg on the season. Their D is #117, allowing 60 ypg more than their foes avg. Their run D has been particularly awful, allowing a Power-5 high 283 (5.7) ypg.

While UCLA does avg 345 pass ypg, KSt is used to playing against high powered OFF's. The Wildcats won't want to get into a shootout with the Bruins so we feel this should be lower scoring.

These two last met in 1996. FSU is 11-2-1 in the series. The 'Noles are making their 1st trip here while SM has played here twice, winning both in 1980 & 1988. FSU needed to win their L/3 games to extend their nation's longest bowl streak to 36 years. They are 7-2 SU/6-3 ATS in their L/9 bowls. HC Fisher resigned prior to their final game. Their Interim HC is Odell Haggins, who previously cch'd DT's and has no HC or coordinator experience. SM is playing their 3rd straight bowl with HC Hopson leading them to their 1st bowl win since '11 LY in his first ssn.

SM entered '17 with 6 ret'g starters on both sides of the ball but had to replace their all-time leading passer. Kwadra Griggs started the F/4 at QB. Keon Howard started the next 5 incl B2B losses where SM scored just 22 pts. Griggs finished the ssn, leading the Golden Eagles to 3 straight wins incl putting up a ssn high 584 yds vs Charlotte. SM avg 438 ypg but in their L/3 they put up 491 ypg. Griggs finished with a 15-2 ratio and RB Ito Smith went for 1,321 (5.7). Their D held foes to 25 ypg below their average and they are #36 in our pass eff D rankings.

FSU entered the season with playoff aspirations but that was quickly derailed when QB Francois was inj'd in their ssn opening loss vs Bama. True frosh QB Blackman took over and lost 5 of his first 8 starts. They rebounded to win their L/3, beating 3 non bowl foes. The 'Noles finished +7 ypg and only allow 337 ypg. They held 2 foes to their lowest OFF output. FSU is #10 in pass eff D, but S James said he is skipping the bowl. FSU's OFF is #106, avg 52 ypg less than their opponents' allow.

FSU has obviously played the tougher schedule but they've also gone just 1-7-2 ATS vs P-5 foes and are going through an unexpected coaching change. We see no reason to trust an FSU squad to win by more than 2 td's and SM is solid as a dog (4-1 ATS).

This is the 8th Pinstripe Bowl and it's played at MLB's Yankee Stadium. BC lost to PSU by 1 in OT here in '14. This will be the 1st all-time mtg between these schls. Iowa is bowling for the 5th straight yr, but hasn't won s/'10. HC Ferentz is 6-8 SU/8-6 ATS in bowls but has lost 5 in a row SU. BC is bowling for the 4th time in 5Y and LY's 36-30 (+2) win over MD was their 1st win s/'07. HC Addazio is 1-2 SU/ATS in bowls.

Iowa has gone from winning 12 gms in '15 to 8 in '16 to 7 this yr. They came back from a 10 pt deficit mid 4Q and beat ISU in Ames. RB Butler provided a great 1-2 punch w/Wadley, but he was inj'd in the non-conf finale and Iowa lost 3 of the 4 gms he was out. They pulled a stunning 31 pt upset over OSU as over a 2 td dog, but were then blown out at Wiscy the following wk. Needing a win in the finale to become bowl elig, they were able to blowout a Neb tm that fired nearly their entire staff. Ferentz's son is a 1st yr OC and was heavily criticized all ssn as they finished #83, avg 14 ypg less than their foes allow.

The early portion of BC's schedule was brutal. The Eagles barely survived at NIU then lost 3 straight to WF, ND & Clem. Bowl hopes were dim after their 13 pt loss to VT but a 45-42 win at L'Ville as a 3 td dog was followed by blowout wins at UVA & vs FSU. After a 3 point loss to NCSt where they lost QB Brown for the season, they won their L/2 to finish 7-5. True Frosh RB Dillon is a star in the making, rushing for 1,432 (5.3) incl 272 yds vs L'Ville. The Eagles hold their foes to 31 ypg below their avg and they've got our #1 pass eff D (9-18 ratio!).

BC is on a 9-0 ATS run incl 3 outright upsets. BC ply'd 10 bowl teams, winning 5 of those (7-3 ATS). Iowa ply'd 9 bowl teams and won 4 (3-5-1 ATS). The Eagles have the edge on OFF while Iowa has a slight edge on D. BC also has a huge location edge so we will ride one of the hottest teams in the country for an upset win.

This is the 12th Texas Bowl. Both teams are making their 2nd trip here with Texas losing to Ark in '14 and MO losing to Navy in '09. These two L/met as B12 rivals in '11 and Texas has won 6 of the L/7 meetings (4-3 ATS). HC Herman has the Longhorns in a bowl for the 1st time s/'14. They've lost their L/2 bowls SU/ATS. MO is also making their 1st bowl trip s/'14. They are 3-0 SU/ATS in bowls.

Texas had high hopes after hiring Tom Herman and ret'd 17 str's. The expectations were derailed a bit after a shocking home loss vs MD in the ssn opener. The 'Horns quickly rebounded and their next 3 losses (USC, OU, OSU) were by a comb'd 11 pts. After beating WV on the road to become bowl elig, they were upset at home in the finale vs TT. The OFF was expected to improve with the new hire, but QB's Ehlinger & Buechele were banged up all ssn & the OFF took a step backward, however the D improved to #18, holding foes to 71 ypg less than their avg. Texas has our #12 ranked pass eff D.

MO entered '17 as the 19th most experienced FBS team with 15 returning starters. The Tigers started 1-5 with 4 double-digit losses to SEC teams with their only win being over and FCS school. They finished the season on a 6 game winning streak, beating 2 weak non-conf foes, then winning 4 straight vs SEC foes. In the Tigers 7 wins, they outscored foes 54-24, but in their 5 losses they were outscored 42-18. Of their 7 wins, none came against a team that is bowl eligible, and the P-5 teams they beat finished a comb'd 24-48. All 5 of their losses came against bowl eligible teams. Their OFF is #6, avg 105 ypg more than their foes allow but their D is #113, allowing 52 ypg more than their foes avg.

Texas enters the bowl extremely angry after losing to in-state rival TT in the finale and HC Herman has put a premium on this game. Both QB's should be healthy and the oddsmakers have incorrectly listed Mizzou as the favorite. Herman is 9-1 as a dog w/6 outright upsets.

Purdue won both prior mtgs, which took place in '03 and '05. This is the 4th Foster Farms Bowl and it was previously the Kraft Fight Hunger, Emerald, and San Francisco Bowl. Each schl is making their 1st appearance in this bowl. AZ returns to the postssn after having their 4Y bowl streak snapped LY. HC Rodriguez is 5-5 SU/2-8 ATS in bowls dating back to his time at WV. Purdue is in their 1st bowl s/'12. HC Brohm was 2-0 SU/1-1 ATS in bowls at WKU.

After a disappointing 3-9 season in '16, AZ brought back 14 ret st'rs. QB Dawkins started they F/4 and they were just 2-2. They switched to QB Tate and all he did was rush for 327 & 230 in his F/2 games. He rushed for 137+ in his F/6 starts with the 'Cats winning 5 of those. Tate was held to 60 rush yds in their L/2, both double-digit losses. The 'Cats avg 495 ypg and are +31 ypg. Their OFF is #21, avg 75 ypg more than their foes allow and they put up the most yards their opponent's allowed on 3 occasions. Their D is #111, allowing 50 ypg more than their foes avg.

While Purdue expected to improve after the hiring of Jeff Brohm, ending a 4Y bowl drought far exceeded expectations. They only lost by a td in the opener vs L'Ville and defeated Mizzou handily, holding them to a ssn low 203 yds. After beginning B10 play with just 1 win in their F/5 gms, they won 3 of their L/4 including an upset at Iowa. A 2 QB system was used early until Blough pulled away, but he was inj'd and Sindelar started the L/3 gms. The OFF was expected to improve, but it was the D that provided the difference as they went from #117 LY to #51 TY, holding their foes to 18 ypg less than their avg. They also held 4 of their L/5 foes under 100 rush yds.

AZ has the edge on OFF & ST along with the crowd edge. Purdue has a huge edge on D and has played a much tougher schedule. This is a battle between two contrasting styles. Purdue has gone under the total in 6 of their L/7 and we find more value in the total.

These 2 have met 33 times but the L/mtg was back in 1994. Navy is making their 3rd trip to the Military Bowl, having won in '15 & lost in '08 when it was known as the EagleBank Bowl. This is Navy's 6th straight bowl trip & they lost in the Armed Forces Bowl to La Tech LY. The Middies are 4-0 ATS in Bowls. HC Mendenhall has UVA in a bowl for the 1st time since '11 and their L/bowl win came in '05.

In just his 2nd season, HC Mendenhall helped to improve UVA's record by 4 wins. QB Benkert threw for a school rec 455 yds vs UConn and UVA upset Boise on the road during a 5-1 start but lost 5 of their L/6, getting outgained by 99 ypg in those. QB Benkert threw for 3,062 yds with a 25-8 ratio. UVA's run game was among the nation's worst down the stretch. They avg just 99 (3.2) rush ypg and in their L/4 that dropped to 55 (2.2). Their D holds foes to 42 ypg below their season avg, and earlier this year they held GT's option to 220 (4.2) rush yds in a 40-36 win.

Navy entered '17 inexp'd with 12 ret'g starters. QB Abey did get some experience in '16, having st'd their L/2. The Middies won their F/5 incl a ssn opening win over CUSA Champ FAU by 23 pts. They lost 5 of their next 6, all to bowl teams but none of those losses came by more than 10 pts. Abey is a powerful runner and leads with 1,322 (4.8) but was replaced by the more dynamic athlete in Malcolm Perry who had played RB early in the season. Perry rushed for 282 yds vs SMU but was inj'd so they went back to Abey. Garrett Lewis is the better passer and also saw time. Perry st'd vs Army in the finale. Navy avg 439 ypg although in their L/6 they only avg 380 ypg. Their D is #21, allowing 62 ypg less than their foes avg but they are only #118 in our pass eff D rankings.

While Navy does have the home field edge, HC Mendenhall is 9-1 SU/ATS against option teams, having already beat GT this year and UVA will be excited for their 1st bowl in 6Y.

This bowl has gone by many names (Blockbuster, Carquest, Micron PC, Tangerine, Champs Sports & Russell Athletic). This is VT's 25th straight bowl and they won here in '12 over Rutgers. OKSt is playing in their 12th straight bowl and they've alternated wins & losses each year since '10. The ACC Rep typically has a location advantage and has gone 11-3 SU/10-4 ATS. VT has won their L/3 bowls (2-1 ATS). HC Fuente is 2-0 SU/ATS in bowls going back to his days at Memphis.

VT entered this season with 12 ret'g starters but had to break in a new QB for the 2nd straight year. The Hokies won/covered each of their F/3 games vs FBS foes. They were 7-1 when they dropped B2B games to Miami & GT before winning their L/2. The Hokies put up more than 24 pts just once vs P5 foes (59 vs NC) and in that they only had 383 yds and got 3 Def/ST td's. Their D allowed just 13.5 ppg (never surrendered more than 31). VT allows 92 ypg less than their foes avg and they held 5 of their foes to ssn low yards. They rank #11 in our pass eff D but this will be their stiffest test to date.

With QB Rudolph and WR Washington both returning for their final season of eligibility, OSU entered the season as a legit National Title contender. After rolling thru their non-conference sked, the Pokes were upset at home by TCU by nearly 2 td's despite being 13 pt chalk. They rebounded to win their next 4, then alternated wins and losses in their L/4 with all their losses as home chalk. They have arguably the best QB/WR/RB trio in the nation and finished #3 on OFF avg 172 ypg more than their foes allow. On four occasions OSU finished with the most yds their foes allowed including vs OU.

While OSU has the edge on OFF, VT has large edges on D and ST's. Hokies DC Foster is 1 of the best in the biz and with time to prepare will mix in a healthy dose of effective blitzes to keep the Pokes OFF unbalanced. HC Fuente is 7-3-1 ATS as a dog.

These schools had a home and home series in '07-'08 with TCU winning both. This is the 26th Alamo Bowl. Stanford is making their first ever appearance, while TCU was here just two years ago, winning a 3OT thriller over Oregon 47-41 (+7). This is the Horned Frogs' 15th bowl under HC Patterson (9-6 SU/6-8-1 ATS) and they lost to UGA 31-23 (-3) in LY's Liberty Bowl. The Cardinal are in their 9th straight bowl. HC Shaw is 4-2 SU/3-1-2 ATS and they beat UNC 25-23 (-2) in LY's Sun Bowl.

Stanford entered '17 with 16 returning starters and those didn't even include RB Love. They started 1-2 following a surprising loss at SDSt before rattling off 5 straight wins after switching to rFr QB Costello. RB Love had 147+ yds in each of their F/7 games but inj's slowed him and they lost at WSU. Love battled through the inj's and went for 166 in a win over Wash. The Cardinal won the P12 North, losing for the 2nd time to USC. Love finished with 1,973 (8.3). Stanford avg 389 ypg and is -9 ypg. In their L/6 they avg just 313 ypg. Their D is #43, allowing 28 ypg less than their foes avg.

TCU entered the ssn as the #4 most exp'd team with high expecations coming off a 6 win campaign. They easily got thru their non-conf sked including winning at Arkansas by 3 td's. They beat OSU in Stillwater by DD's and were 7-0 and ranked #4 before falling in Ames to ISU. They then rebounded to defeat Texas, but then lost in Norman to OU. They won their L/2 games to reach the B12 Title game, but again fell to the Sooners. RB Anderson was inj and OFY in the first mtg vs OU, but Hicks was a 1,000 yd rusher in '16. TCU is #8 on D, holding their foes to 114 ypg less than their avg, held 5 of their foes to ssn lows in yards, and allow just 100 (2.9) rush ypg.

While Stanford has the slight edges on OFF & ST's, we will go with the team with the stronger defense here with TCU. The Horned Frogs will also have a significant crowd edge.

MSU is 5-2 SU in the series with the last mtg taking place in '77. WSU has played here three times including last year, while MSU is here for the first time. The Cougars are bowling for the fourth time in 5Y and lost to Minnesota 17-12 (-10) LY. HC Leach is 7-5 SU/4-8 ATS in bowls, which includes his time at Tx Tech. Sparty had their record 9Y bowl streak snapped LY and HC Dantonio is 5-5 SU/6-4 ATS in bowls, which includes 1 as HC at Cincy.

After not getting 8 wins in a season once from '04-'14, HC Leach has gotten the Cougars to 8+ wins 3Y in a row. WSU was the 2nd most experienced team in the P12 entering '17. They won 6 straight to start the season incl a 30-27 victory over eventual P12 champ USC. QB Falk had the worst gm of his career, throwing 5 int's in a 34 pt loss at Cal. The Cougars lost 2 of their L/4 though one of their wins came against Stanford. WSU avg 446 ypg and is +132 ypg. Their OFF is #37, avg 42 ypg more than their foes allow. Though QB Falk has thrown for 3,593, he has also thrown a career-high 13 int's.

MSU had their worst season under HC Dantonio LY, winning just 3 games and then lost 5 key players in the offssn due to off the field issues. Their 20 pt loss to Notre Dame was misleading as they had a 141 yd edge. They won their first 4 B10 gms, including another over their "big bro" before falling in 3OT at NW. They rebounded to upset PSU and were ranked #13 when they were blown out in Columbus by the Buckeyes. QB Lewerke has been a surprise as a passer, but its their #12 D, which holds foes to 94 ypg less than their avg that has led this team. They held 4 of their foes to ssn lows in yards.

WSU has the edge on OFF while MSU has a slight edge on D with ST's nearly even. MSU has played the tougher schedule, and has our #23 pass eff D to combat the Cougars pass OFF. In their L/2 bowls, WSU has scored just 32 total points likely due to the long layoff messing with their timing so we will happily take the points.

1st mtg. This bowl was also called the Queen City, Continental Tire & Car Care Bowl. WF is playing in B2B bowls for the first time since '07-'08. The Demon Deacons have won 6 of their L/8 bowls (7-1 ATS) incl here in '07 vs UConn. HC Clawson is 1-2 SU/ATS in bowls. A&M is ply'g in their 9th straight bowl, having lost their L/2. HC Sumlin was let go prior to their bowl. The Interim HC is ST's Cch Jeff Banks.

WF entered '17 as the #3 most exp'd team in the ACC (14 ret'g starters). After starting the ssn 4-0, they lost 3 straight but were competitive in each as the dog. They won 3 of their next 4 before being upset in their finale by Duke. They played 9 bowl teams, going 5-4 SU/6-2-1 ATS. QB Wolford threw for 2,792 with a 25-6 ratio and also ran for 615 (4.9). The Demon Deacons OFF is #14, avg 88 ypg more than their foes allowed. On 4 occasions, WF put up the most yards their opponent allowed all ssn. They avg 451 ypg and finished +7 ypg. The Demon Deacons allow 444 ypg but in their L/4 they gave up 569 ypg including twice allowing teams to put up their highest yards of the season.

A&M was the least experienced team in the SEC entering '17. After leading UCLA 38-10 at half, they had a monumental collapse and lost 45-44. They won 5 of their next 6, with a closer than expected loss vs Bama but lost 3 of their L/5 by DD's (all as underdogs) and Sumlin was let go. The Aggies went 1-5 SU vs bowl teams (2-3-1 ATS). They allow 165 (4.1) rush ypg but in their L/7 that rose to 215 (4.6). Their D allows 18 ypg less than their foes avg but they are #95 in our pass eff D. The Aggies do have our #4 ST's unit.

WF will have a huge crowd edge playing in their home state. The Demon Deacons can score a ton and while A&M has a solid D, they've struggled to stop the run. With WF also having their own defensive issues, we will call for this game to go over the total.

These two haven't met since 1974. ASU is 3-0 SU/2-1 ATS in recent trips here. The Sun Devils have the location edge and the P12 rep has won 5 of the L/6 Sun Bowls (3-2-1 ATS). NC St is going to their 4th straight bowl under HC Doeren, having won 2 of those. This will be Todd Graham's last game as HC of the Sun Devils as he was let go despite getting ASU back to a bowl after a 1 year hiatus and reaching a bowl in 6 of 7 years. He is 2-3 SU/ATS in those.

The Wolfpack were the #8 most experienced team in the country (#1 in ACC) entering '17. They have a veteran QB and an NFL caliber DL so it wasn't a surprise that they started the ssn 6-1 with upsets over FSU & L'ville. While they did lose 3 of their L/5, those came at ND, vs Clem & at WF. NCSt finished +72 ypg on the season. They were solid on both OFF & D, avg 69 ypg more than their foes all'd while holding foes to 34 ypg less than their foes avg. DE Chubb is the Nagurski Award winner after leading the FBS with 23.5 tfl's. The Wolfpack allow 132 (3.9) rush ypg although during a stretch vs ND/Clem/BC they did allow 259 (5.1).

After missing a bowl in '16, ASU was expected to be improved this year. The Sun Devils started 1-2 before entering a brutal stretch in P12 play. They pulled 3 outright upsets as DD dogs in 4 weeks, beating Oregon, Wash & Utah then went on to win 3 of their L/5 to finish 7-5. ASU avg 428 ypg and are -19 ypg but in their L/4 they went for 503 ypg while outgaining their foes by 42 ypg. Their OFF avg 30 ypg more than their foes allow and they rushed for 297 (5.6) ypg in their L/4. Their D allows 14 ypg more than their foes allow, but on 2 occasions did hold their foes to their lowest yards all year.

While NCSt has clear edges on OFF & D, they have struggled as chalk this year, going just 1-7 ATS. ASU is 5-2-1 as a dog, having pulled 4 outright upsets. Our checklist gives ASU a 3' pt edge and the Sun Devils are getting nearly a td in HC Graham's last gm.

These schools have just one prior meeting, which took place in 1928! This is the 20th Music City Bowl with NW making its first appearance and KY their fifth. After failing to make a bowl for 5 straight years, HC Stoops has KY bowling in B2B ssns. KY lost to GT 33-18 (+3') in LY's Taxslayer Bowl and haven't won a bowl gm s/'08. NW is playing in their 3rd straight bowl and they beat Pitt 31-24 (+4') in LY's Pinstripe Bowl. HC Fitzgerald is 2-6 SU/5-3 ATS in bowls.

NW entered the ssn as the #2 most exp'd tm in the B10. They lost 3 of their F/5 gms, and while losses at UW and vs PSU were expected, the blowout at Duke was alarming. NW then ran the table, with 3 straight wins over Iowa, MSU & Nebraska in OT and ended the ssn w/2 blowout wins over Minny and IL. While RB Jackson has rushed for less than his L2Y, the staff has come away even more impressed with him due to shaky OL play. The run game came alive down the stretch, avg 227 rush ypg their L/4 gms.

KY came into '17 with 17 returning starters. They won 5 of their F/6 then won just 2 of their L/6 and ended with blowout losses to UGA & L'ville. The 'Cats finished -75 ypg on the season and the only FBS foe they outgained all year was Vandy. RB Snell rushed for 1,318 (5.1). KY only allowed 162 (4.7) rush ypg but in their L/7 they allowed 225 (6.9). Their OFF avg 29 ypg less than their foes allow. Their pass eff D is only #102, allowing 65% completions.

NW is 1 of the hottest tms in the nation entering bowl ssn. They will have the edge on OFF and D, while KY will have an edge on ST's. This game is about matchups and NW should fare well. Their strength is a running attack on OFF, which KY struggles to stop, and defending the run. Our computer is projecting KY to only rush for 129 yds, which has us thinking that NW will control both lines of scrimmage. NW ended the ssn on a 9-1 overall ATS run, while KY is on an 11-21 overall ATS run.

A pair of former WAC foes square off here as Utah St owns a 30-7 edge all-time (last meeting 2012) along with a 9-5 ATS mark dating back to '97. NMSt is in a bowl for the 1st time since 1960 (ended longest drought in the country) and ironically played Utah St in that Sun Bowl contest getting the 20-13 win (NMSt 2-0-1 all-time in bowls). Utah St is bowling for the 6th time in the L/7 ssns (3-2 SU/ATS) although they did miss out a ssn ago with just a 3-9 mark.

After having just 4 winning ssns since '67, many thought that NMSt could make some noise in their final ssn in the SBC (Independent in 2018) as they were the 12th most exp'd tm in the nation. Following a 1-1 start that included a 2nd consec upset of instate rival NM, they would drop 3 of their next 4 incl an 0-2 beginning in SBC play vs Troy & App St. They would go on to alternate wins & losses the next 5 wks before ending the ssn with a 5 pt home victory over SA to become bowl eligible. In their 6-6 ssn they improved both their overall offensive (415 ypg in '16 to 454 ypg TY) and defensive (497 ypg to 397 ypg) numbers while winning 4 conf gms for the 1st time s/'07.

Following a 3-yr stretch ('12-'14) that saw Utah St post a 30-11 overall mark, the Aggies have regressed the past 3 ssns with just a 15-22 record including a non-bowl ssn in '16 at just 3-9. Despite having less experience than the year prior and a change at QB late in the ssn, Utah St was able to earn a bowl berth thanks to a pair of wins late in the yr against NM and HI. On the ssn their ppg increased from 23.9 to 31.0 and their D trimmed nearly 3 ppg off the '16 mark. Utah St has won 4 or more conf games in 6 of the L/7 ssns.

While our checklist does favor UTSt by 5', their edge comes almost entirely from ST's. NMSt has won 3 of their L/4 and have to feel pretty fortunate to earn a bowl berth. With neither team getting much margin on the scoreboard throughout the year, the smart money will be on the dog who's getting more than a FG as of presstime.

These Blue Bloods have met 23 times and USC is currently riding a series long 7 gm winning streak with the L/mtg taking place in '09. 7 of the matchups were in the Rose Bowl with USC winning 4 incl the last after the '84 ssn. OSU's lone Cotton Bowl appearance was after the '86 ssn, while USC's was after the '94 ssn. This is the 6th straight bowl for USC and they beat PSU 52-49 (-7) in LY's Rose Bowl. HC Helton is 2-1 SU/1-2 ATS in bowls. OSU is 3-2 SU/ATS in bowls under HC Meyer and lost LY's playoff semifinal in the Fiesta Bowl 31-0 (-2') to Clemson. Meyer was 7-1 SU/ATS at UF/Utah.

While USC only had 12 returning starters entering '17, they were considered a fav to win the P12 with QB Darnold back. The Trojans were 4-0 when they were upset at Wash St. They won 7 of their L/8 with the lone loss at ND and went on to win the P12 Title in a rematch with Stanford. USC avg 490 ypg and is +84 ypg but in their L/5 they avg 538 ypg and were +125 ypg. Darnold has a 17-4 ratio in his L/8 games. Their D allows 405 ypg and they are #16 in our pass eff D.

OSU had all the ingredients to make another run at a Nat'l Title entering the ssn as they had 15 ret st'rs including AA QB Barrett. They opened the ssn ranked #2, but was blown out at home by OU. They trailed PSU by over 2 td's in the 4Q, but came back to win, then had a pathetic performance in a 31 pt loss at Iowa, which would deny them a playoff spot. They rebounded and closed the ssn with wins over rival Michigan and then eliminated Wiscy from the playoffs after winning the B10 Title. They finished #3 on OFF avg 175 ypg more than their foes allow and #9 on D, holding their foes to 99 ypg less than their avg.

This is a battle between two teams that had playoff aspirations coming into the season. While OSU has the edge on OFF & D with ST's even, we find it hard to lay a full touchdown. This should be the best non-playoff game of the bowl season so we expect a close game.

Miss St is 4-0 SU in this series, but their last meeting was in 1976. L'ville's only trip here was an '06 loss to VT. Miss St is 1-1 here, winning in '11 & losing in '13. L'ville is going to their 8th straight bowl game. The Cards are 1-2 SU/ATS in bowls during Petrino's 2nd stint at L'ville. Dan Mullen left for Florida so Greg Knox will be the Interim HC. He was previously the RB/ST cch and has no HC experience.

L'ville entered '17 with just 11 returning starters incl '16 Heisman winner QB Jackson. They started the season 4-1 with the loss being a blowout at Clemson. They dropped 3 of 4, all as chalk, which put them on a 2-11 ATS run at the time. Jackson played his best down the stretch, leading the Cards to 3 straight wins, incl a ssn high 56 pts & 727 yds vs Cuse. L'ville avg 561 ypg and is +174 ypg on the season. On 9 occasions they put up the most or 2nd most yards their opponent has allowed all ssn. Jackson has rushed for 1,443 (6.9) and thrown for 3,489 (25-6 ratio). The Cards are #2 on OFF, avg 176 ypg more than their foes allow. They are #88 on D, allowing 28 ypg more than their foes avg but in their L/3 they've only all'd 317.

Miss St had 13 returning starters entering '17 incl dual threat QB Fitzgerald. The Bulldogs won their F/3, incl a 37-7 (+7) win over LSU. They were outscored 80-13 in B2B losses at UGA & Aub. MSU rebounded to win 5 of their next 6 (lost to Bama by 7 pts). In the Egg Bowl they not only lost the game, but QB Fitzgerald suffered a gruesome ankle inj and won't play here. True Frosh QB Keytaon Thompson (6'4" 225) rushed for 121 yds in the Egg Bowl and will start. The Bulldogs avg 250 (5.2) rush ypg. Their OFF is #33, avg 44 ypg more than their foes allow.

Both teams have strong OFF's and with Fitzgerald out, we find great value in the total. While Thompson is inexperienced, he has plenty of prep time and ply'd well vs Ole Miss. Jackson is likely playing his last game here so expect some fireworks and lots of points.

This is the first all-time mtg between these schools. ISU is bowling for the first time s/'12 when they lost to Tulsa 31-17 (pk) in this very bowl. The 'Clones last bowl win was the '09 Insight Bowl. Memphis is in a bowl for the fourth straight yr and lost to WKU 51-31 (+7) in LY's Boca Raton Bowl. The Tigers' last bowl win was the '14 Miami Beach Bowl. While they've never played in this bowl, this is Memphis' home field where they went unbeaten in the regular ssn for the first time ever (built 1960). ISU HC Campbell was 2-1 SU/1-2 ATS in bowls at Toledo, while Memphis HC Norvell's first bowl gm was LY.

Teams usually progress the most in the 2nd yr under a new HC and ISU was no exception. Two gms after falling to rival Iowa despite having a 10 pt 4Q lead, the 'Clones pulled the largest FBS vs FBS outright upset of the yr (+31) when they went to Norman and beat OU with walk-on QB Kempt making his 1st career start after Park took a leave of absence. QB turned LB Lanning also took snaps and after Kempt inj'd his shoulder vs OSU, rFR Noland started in the win at Baylor. Kempt returned for the finale. The largest improvement ISU made was on D as they are #19, holding foes to 67 ypg less than their avg, but they do have just our #89 ranked pass eff D.

Memphis was the most exp'd AAC team entering the ssn. They pulled the upset over UCLA here, but were blown out at UCF in their conference opener as the D was missing several starters. The Tigers then ran the table until the AAC Title gm and had a chance to win it, but their GW FG attempt was blk'd at the end of regulation and they fell in 2OT. QB Ferguson leads an OFF that finished #13, avg 90 ypg more than their foes allow and they twice finished w/the most yds allowed by their opponent.

While Memphis has an explosive OFF, ISU has proven capable to slow down the best OFF's in the B12. They held OU to 88 yds below their avg, TT to 144 yds below & OSU to 59 yds below.

PSU has won both prior matchups between these schls with the last mtg taking place in the '83 Aloha Bowl. UW is making their 1st appearance in this bowl, while this is PSU's 6th, but 1st s/'97. This is UW's 8th straight bowl and they lost to Bama 24-7 (+14) in LY's Peach Bowl (playoff semi). HC Petersen is 6-4 SU/ATS in bowls and LY was his 1st loss as a dog. PSU is bowling for the 11th time in the L13Y s/their lone 2Y drought was during their post-ssn ban. They lost a 52-49 (+7) shootout to USC in LY's Rose Bowl and HC Franklin is 3-3 SU/4-2 ATS in bowls, which includes his time at Vandy.

Coming off their '16 playoff appearance and P12 title, UW was the most exp'd team in the P12 entering '17. The Huskies won their F/6 games but only 1 of those came against a team that finished w/a winning record (Fresno St). They were were held to 230 yds in their upset at ASU then won B2B games Ore & UCLA. Their loss at Stanford cost them a repeat trip to the P12 Title game. After throwing 43 td passes in '16, QB Browning threw just 18 this year. While their D is #7, allowing 121 ypg less than their foes avg, their OFF is just #66, avg 1 ypg less than their foes allow.

PSU surprised everyone after winning the B10 title gm LY and entered TY as the most exp'd tm in the B10 with Nat'l Title aspirations. RB Barkley was the early ssn favorite to win the Heisman after a 7-0 start, but after letting a 35-20 4Q lead slip away at OSU, they fell at MSU the following week. They rebounded to win their L/3 gms by an avg of 35 ppg and ended the ssn #9 on OFF, avg 96 ypg more than their foes allow. They had the most yds allowed by 3 foes TY including 506 vs Michigan and OC Moorehead left to become the HC at Miss St.

Wash has a slight edge on D and ST's are nearly even. The deciding factor goes to the Nittany Lions who have played a tougher schedule and has a considerable edge on OFF.

These schoools have met 4 times with the last matchup coming in the '09 Champs Sports Bowl, where UW won 20-14 (+3'). This is the 84th Orange Bowl and UW is making their 1st ever appearance. Miami is making their 10th appearance (6-3 SU) and beat FSU 16-14 (+1') here after the '03 ssn. This is UW's 16th straight bowl gm and LY's 24-16 (-7') win over WM in the Cotton Bowl marked 3 bowl wins in a row. HC Chryst is 3-1 SU/ATS going back to his days at Pitt. Miami is bowling for the 5th straight yr and while they're on a 2-7 SU/ATS bowl run, they did beat WV 31-14 (-2') in LY's Russell Athletic Bowl.

UW's sked worked out perfectly as they were DD chalk in all but 1 regular ssn game and HC Chryst had his best tm with 15 ret str's. The Badgers have a history of production at the RB position and true frosh Jonathan Taylor stepped up in a big way to lead the B10 in rushing. Ranked #4 and sitting 1 win away from making their 1st playoff appearance, they lost the B10 Title gm as they were held to a ssn-low 298 yds and all'd a ssn-high 449 yards. UW is #4 on D, holding their foes to 136 ypg less than their avg as they held 4 opponents to their ssn low in yards including bowl tms Iowa and Michigan.

Aside from B2B dominant wins over VT & ND, Miami played to the level of their competition all ssn. Of the 'Canes 10 wins, 5 came by single-digits, and they trailed at HT in 2 others (vs Tol & UVA). They were in position for a playoff spot until losing at Pitt as DD chalk, then lost the ACC Title game by 5 td's to Clem. QB Rosier hit a major funk, completing just 49% w/an 11-8 ratio in his L/6. Miami avg 406 ypg but in their L/4 they put up just 295 ypg.

The Canes' have an obvious advantage playing at home but the Badgers have the edge on OFF, D & ST's. It's hard to put any faith in the 'Canes considering how they finished. Wisky will win their 4th straight bowl game.

These schls have 3 prior mtgs with the last in this very bowl after the '12 ssn. This is UM's 4th appearance here, they've been to a bowl 7 of the L8Y and lost 33-32 (-7) to FSU in LY's Orange Bowl. HC Harbaugh is 2-2 SU/ATS in bowls. SC is bowling for the 8th time in 9Y, is making their 5th appearance here, and lost 46-39 (+10') to USF in LY's Birmingham Bowl. HC Muschamp is 1-2 SU/2-1 ATS in bowls.

UM ret'd just 5 st'rs including 1 on D and were 1 of the least experienced tms in the nation entering the ssn. Still, they were ranked #11 to open the ssn and dominated Florida in the opener. After 4 wins by over 2 td's, they were humbled by their 'little brother' and blown out at PSU. After 3 wins over non bowl tms, they lost their L/2 vs the B10 elite (UW & OSU). While the D finished #6, holding foes to 121 yds less than their avg, the OFF struggled as QB Speight was inj'd & OFY after 4 gms. O'Korn struggled as his replacement and was benched in favor of rFR Peters, but he was inj'd & out for the finale. Peters will return here.

SC ret'd 16 starters incl 10 on OFF plus they added LB Moore back from inj. They pulled an upset in the opener over NCSt despite being outg'd by 258 yds. Despite not being spectacular on OFF, D or ST's, they went 8-4 and were competitive in every game with the exception of their season ending loss to Clemson. Their D did hold foes to 7 ypg below their ssn avg and AJ Turner had two 100-yd rush games in his L/5. SC is -34 ypg and their D allows 147 rush ypg but only 3.9 ypc.

Michigan has the edge on OFF & D and has faced a slightly tougher schedule. SC had covered 6 straight vs FBS foes until their ssn finale and is 6-1 as a dog. They've shown a propensity for keeping games closer than expected. Our checklist says Michigan by 6' and we don't mind going against a Wolverines squad that is just 5-10 as chalk due mostly to their own OFF issues.

These schools met 3 straight yrs from '97-'99 with Auburn winning all 3. UCF is bowling for the 5th time in 6Y. They had 1 other NYD bowl when they beat Baylor 52-42 (+16') in the Fiesta Bowl after the '13 ssn. The Knights lost LY's Cure Bowl 31-13 (-5') vs Ark St. Auburn is in its 8th bowl in the L9Y and lost to OU 35-19 (+3) in LY's Sugar Bowl. HC Malzahn is 1-3 SU/2-2 ATS in bowls.

Just 2Y ago UCF didn't win a single game and LY they finished under .500. Improvement was expected entering TY, but no one could've predicted the Knights ply'g in a NY6 bowl. QB Milton was arguably the most improved ply'r in the nation as he went from 58% completions and a 10-7 ratio LY to 69% and a 35-9 ratio TY! UCF won 9 games by DD's and finished #5 on OFF, avg 110 ypg more than their foes allow. The D started to wear down as the ssn progressed and all'd 703 ypg their L/2 gms!

Auburn entered '17 as the most exp'd team in the SEC and added transfer QB Stidham in the offssn. The OL gave up 11 sks in their loss at Clem but they bounced back to win their next 4 as Stidham got more comfortable with the OFF. They blew a 20-0 lead vs LSU and lost then rallied to win their next 5, all by double-digits, including wins over UGA & Bama in the Iron Bowl that vaulted them into the SEC Title game. Unfortunately UGA got their revenge, costing Auburn a spot in the playoffs. The Tigers are #5 on D, allowing 121 ypg less than their foes avg. Their OFF is #10, avg 95 ypg more than their foes allow. RB Johnson finished with 1,320 (5.0) and went for 100+ yds in 7 of 8 gms until he was held to 44 yds in the SEC Title gm.

It remains to be seen whether HC Frost will coach the bowl game after taking the Nebraska job. Both teams have explosive OFF's. Aub has a huge edge on D while UCF has a surprising edge on ST's. The Tigers motivation is certainly in question after not making the playoffs so we will go with the double-digit dog.

This is the 3rd time in the L/12 years that these two are meeting in a bowl game. LSU won in '06's Sugar Bowl 41-14 (-8') while ND won '14's Music City Bowl 31-28 (+8). LSU is playing in their 18th straight bowl game and they've won their L/2 SU & ATS. This is their 5th trip to the Citrus Bowl and 2nd straight after beating L'ville here LY. Notre Dame is making their 1st trip here and are bowling again after a one year hiatus. HC Kelly is 4-5 SU/2-7 ATS in bowls since his days at Cincy.

After finishing just 4-8 in '16, ND was expected to show improvement with 15 ret'g st'rs back. The Irish started the season 8-1 with wins over 6 bowl teams (Temple, BC, MSU, USC, NCSt & WF) while their only loss came to CFB Playoff rep Georgia by just 1 point. They dropped 2 of their L/3 to Miami & Stanford to finish 9-3. ND has a veteran OL that leads a dominant rush attack, avg 279 (6.4) ypg behind RB Adams 1,386 (7.3). They are +88 ypg and their OFF is #17, avg 83 ypg more than their foes allow. Their D is #26, all'g 51 ypg less than their foes avg. They only allow 153 (4.0) rush ypg and did hold Georgia's potent rush attack to 185 (4.3) earlier this ssn.

LSU entered '17 with just 11 ret'g starters and HC Orgeron taking over full time. After starting 3-1, the Tigers suffered a shocking home loss vs Troy (ended non-conf home win streak at 49). LSU rebounded and got their season defining win vs Aub despite trailing 20-0 2Q. They won 6 of their L/7 with the only loss being closer than expected at Bama. LSU's D is #14, allowing 92 ypg less than their foes avg. They allowed just 126 (3.8) rush ypg and even held Bama's vaunted rush attack to 116 (3.2). In their L/4 they allowed just 297 ypg incl 88 rush ypg.

Both of these teams have run the ball extremely well, but both have shown the ability to stop the run. While LSU is on a 7-0 ATS run & ND is on an 0-4 ATS run, we find more value in the under.

FORECAST: UNDER 51 **RATING: 2★**

Offensive and Defensive YPG Averages Compared to Opponent Average thru Week #14

This chart shows how teams fare vs what their opponents average on the season. As an example Oklahoma avg 583 ypg this year but their opp's avg's in games saw them allow just 384 ypg. Therefore Louisville was +199 ypg over what their opp's normally allow. On the defense side Alabama allowed 258 ypg and their opponents normally avg 401 ypg on the year. They held their foes to -142.7 below their season avg. A minus sign is a negative number meaning they avg below what their opp's allowed or on defense allowed more than their opp's usually avg. The Total Column adds the two number together and 3 of the top 5 teams all made the playoffs.

This is the 1st all-time mtg between these schls & is a Playoff semi-final. Both are ply'g in the "Grandaddy of Them All" for the 2nd time. OU ply'd here after the '02 ssn & UGA after the '42 ssn. UGA is making their 1st playoff appearance, bowling for the 21st straight yr (15-5 SU/14-6 ATS) & beat TCU 31-23 (+3) in LY's Liberty Bowl. OU is making their 2nd playoff appearance, bowling for the 19th straight yr (9-9 SU/7-11 ATS) & beat Auburn 35-19 (-3) in LY's Sugar Bowl.

The Dawgs entered '17 with 17 ret'g st'rs and were the Media's Fav to win the SEC East. UGA won their F/9 games incl at ND, despite losing QB Eason in the opener. A trip to Auburn proved to be too much as they were outgained by 258 yds & lost 40-17. Just 4 weeks later they got revenge in the SEC Title game, as they beat the Tigers by 3 td's & finished w/a +162 yd edge. True frosh QB Fromm has a 21-5 ratio. Nick Chubb has gone over 100+ rush yds on 5 occasions and the Dawgs have 3 RB's with 500+ rush yds (Chubb, Michel & Swift). UGA's D is #3, holding foes to 138 ypg below their average.

Despite Bob Stoops retiring over the summer, OU remained a legit contender for a Nat'l Title as the cupboard was far from bare and Lincoln Riley had been the OC the prior 2Y and was groomed for the position. They easily got past the Buckeyes as QB Mayfield rose up the Heisman ranks. They were upset as 31 pt home chalk vs a much improved ISU squad, but rebounded to run the table, which included beating TCU twice in a 4 wk span. Mayfield is the Heisman Trophy winner, but RB Anderson, who had five 100 yd gms in the L/7, is a ? due to legal issues. OU finished #1 on OFF, averaging an absurd 199 ypg more than their foes allow.

OU is 4-0 SU/ATS vs SEC foes incl bowl wins over Bama & Aub. OU is also on a 6-0 ATS run. We are surprised to see the Dawgs as chalk considering OU has playoff experience and the more explosive QB so we'll call for a mild upset and OU's 1st trip to the CFB Title game.

This is the CFB Semi-Final and a rematch of the last 2 CFB Playoff Championships. Bama won in '15, but they are out for revenge after allowing the GW td pass with :01 left. Clem is 4-0 ATS in CFB Playoff games. Bama is making their 4th playoff trip and is 2-3 ATS in CFB Playoff games. Bama has actually lost their L/3 trips to the Sugar Bowl, incl in the '14 CFB Semi-Final vs Ohio St. Clemson's only trip to the Sugar Bowl was in 1959. The Tigers are 7-0 SU/ATS in Bowl games. HC Swinney is 8-2 ATS in bowls while HC Saban is 7-5 ATS in bowls at Bama.

Bama entered '17 with just 11 returning starters but were still #67 in overall experience. The Tide cruised through their F/11 games, winning 9 games by DD's but they also suffered significant injuries to their LB corp which caught up with them in a ssn ending loss at Auburn. Those LB's are going to be much healthier for this game and their D allows just 258 ypg. They are #1, allowing 144 ypg below their opponent's avg. The Tide also allow just 94 (2.8) rush ypg.

Clemson not only came into the season as the 108th most experienced team in FBS, they also had the unenviable task of replacing QB Watson. QB Bryant stepped in and led them to wins over Aub & L'ville early in the ssn. Bryant was inj'd and didn't play the 2H of their loss at Cuse. He returned and the Tigers won their L/6 by 26 ppg incl a dominating 38-3 (-10) in the ACC Title over Miami. The Tigers have one of the top D's in the country, allowing just 278 ypg and they are #2, holding foes to 138 ypg below their ssn avg. Clemson is led by a dominating DL that allows just 113 (3.1) rush ypg and has 44 sks (11.8%).

This is a battle between the top 2 D's in the country. Both teams are solid on OFF but their dual threat QB's haven't fully developed as passers yet. Both teams also have dominant DL's that stuff the run and pressure the QB which should lead to a low scoring game.

BOWL TEAMS TOUGHEST UNITS FACED

Here is a chart showing how difficult of a schedule each bowl team faced in opposing units. For example, Wyoming ranks #18 in the NCAA in pass D. The Cowboys however have taken on the #111 toughest slate of passing offenses including just ONE top 40 passing team and our pass eff D ranks them as #45. This chart is very helpful to look at bowl matchups. For instance if team A is playing Team B who has a strong rush offense, you will want to see how strong the rush defenses were that team B faced this year to get an idea of how they matchup vs their bowl opponent.
